1869 Captures of lepidoptera at Witherslack. Ent. mon. Mag. **6** : 95, 114-115. [Insects].

1870 Captures of lepidoptera etc at Witherslack. Ent. mon. Mag. **7**, 62-63. [Insects].

1870 Note on the lepidoptera of Humphrey Head and other localities in Lancashire. Ent. mon. Mag. **7**, 87. [Insects].

1872 Captures at Witherslack. *Argyrolepia luridana* and other species. Ent. mon. Mag. **9**, 141. [Lepidoptera] [Insects].

1872 Captures at Witherslack. Ent. mon. Mag. **9**, 66-67. [Lepidoptera]. [Insects].

1872 Food of Russula. Entomologist. **5**, (104), June, 111. [Fungi].

1973 Captures at Grange-over-Sands, North Lancashire. Ent. mon. Mag. **10**, 39-40. [Lepidoptera] [Insects].

1873 *Choerocampa celerio* at Bolton. Entomologist. **6**, (124), December, 564. [Insects].

1873 *Dasypolia templi* attracted by gaslamps. Entomologist. **6**, (124), December, 564-565. [Insects].

1974 *Botys terrealis* Bred. Entomologist. **7**, (132), 178. [Insects].

1874 *Eupithecia plumbeolata* and *E. valerianata*. Entomologist. **7**, (133), September, 205. [Location : Pilling Moss, N. Lancs]. [Insects].

1874 *Eupithecia pygmeata*. Entomologist. **7**, (134), October, 231.[Taken at Witherslack]. [Insects].

1874 *Halonota grandoevana* at Hartlepool. Entomologist. **7**, (128), 90-91. [Insects].

1874 *Leucophasia sinapis* ovipositing. Entomologist. **7**, (131), July, 175. [Location : Grange-over-Sands]. [Insects].

1875 A Coleophora new to Britain : *Coleophora tripoliella* (Hodgkinson). Entomologist. **8**, (140), March, 55. [Lepidoptera]. [Insects].

1875 Captures near Buxton. Entomologist. **8**, (146), September, 197. [Insects].

1875 *Catoptria aspidiscana* and *Dicorampha tanacetana* at Grange-over-Sands. Entomologist. **8**, (145), August, 184-185.[Insects].

1875 *Heliothis Scutosa*. Entomologist. **8**, (139), February, 42-43.[In Cumberland, Silloth]. [Lepidoptera] [Insects].

1876 *Cidaria reticulata* and *Hadena rectilinea* larva at Windermere. Entomologist. **9**, (159), September, 207. [Lepidoptera] [Insects].

1876 *Cnephasia lepidana*. Entomologist. **9**, (159), September, 208-209.[“Taken at Witherslack and subsequently bred.”]

1876 *Pyralis verticalis* in Westmorland. Entomologist. **9**, November, (161), 260.

1877 Author : Fitch, Edward A. *Heliothis scutosa*. Entomologist. **10**, (168), May, 105-108. [Reference to J.B.Hodginson].

1877 Captures at Witherslack. Entomologist. **10**, (173), October, 256-257.

1877 *Cidaria reticulata* Bred. Entomologist. **10**, (171), August, 211.

1877 Notes on some of the Genus Dicrorampha collected from Witherslack Woods. Entomologist. **10**, (164) January, 23-24.

1877 Larva of *Argyresthia andereggiella* Entomologist.**10**, April, 100-101.

1877 *Plodia interpunctella* : a new locality. Entomologist.**10**, (168), May, 142-143.[Witherslack].

1877 Supposed discovery of a new British Nepticula. Entomologist. **10**, May, 135 - 135.

1878 A Tortrix new to Britain (*Penthina postremana*). Entomologist. **11**, (182), July, 160-161.

1878 *Botys terrealis* bred. Entomologist. **11**, (180), May, 117.

1878 *Emmelesia taeniata* larva.(Taken in the Lake District). Entomologist. **11**, (185), October, 231-232.

1878 Entomological Rambles, 1877. Entomologist.**11**, January, (176),8-12; February, (177), 28-31; April, (179), 79-82; May, (180), 111-113; August, (183), 178-180. [Locations include :- Grange Woods. Humphrey Head. Whitbarrow. Windermere. Witherslack. Yewbarrow].

1878 *Incurvaria canariella* bred. (Taken at Arnside). Entomologist. **11**, (183), August, 190.

1878 *Rhodophaea consociella* at Arnside. Entomologist. **11**, (183), August, 189-190.

1879 *Dicranura biscuspis* larvae. Entomologist. **12**, (197), October, 250-251.

1879 *Elachista densicornella* (Hodg.) a species new to Britain. (Taken at Grange-over-Sands). Entomologist. **12**, (189), February, 56-57.

1879 *Elachista monticolella* : a species new to Britain. Entomologist. **12**, (188), January, 16.

1879 Entomological Rambles, 1878. [Locations include :- Entomologist. **12**, (192), May. (126-128). June,(193), 151-153. [Locations include : Arnside. Grange-over-Sands. Windermere. Witherslack].
1879 *Penthina postremana.* Entomologist. **12**, (195), August, 206.
1879 *Polyommatus philaeas*. Entomologist. **12**, (189), February, 58.
1879 Notes on the Season. Entomologist. **12**, (194) July, 182-183. **12**, (195), August, 203-204.
1879 Two new micro-lepidoptera *Depressaria atomella*: a species new to Britain and *Elachista densicornella* (Hodg.) : a species new to Britain. Entomologist. **12**, (189), February, 55-57.
1880 *Argyresthia aeariella* Bred. Entomologist. **13**, (206), July, 164.
1880 Capture of *Tinea albipunctella* at Witherslack. Entomologist. **13**, (208), September, 220.
1880 Captures in North Lancashire in 1879. Entomologist. **13**, (204), May, 105-109.
1880 *Oporabia autumnata* at Dutton. Entomologist.**13**, (209), October, 242-243. [First taken at Barron Wood, Carlisle].
1880 *Stigmonota scopariana* H.- S : a Tortrix new to British fauna. Entomologist. **13**, (206), July, 162.
1880 *Tortrix adjunctaria*. Entomologist. **13**, (201), February, 46.
1881 *Cedestis gysselinella* in England. Entomologist. **14**, (212), January, 20.
1881 *Coleophora mariniella* Hodgkn. Entomologist. **14**, (214), March, 68-69.
1881 *Emmelesia taeniata* larvae. Entomologist. **14**, (222), November, 257.
1881 *Micropteryx fastuosella*. Entomologist. **14**, (213), February, 43-44.
1881 *Scoparia conspicualis*, Hodge : A Lepidoptera new to the British Fauna.(Taken at Windermere). Entomologist. **14**, (221),October, 223-224. [A follow up to a letter by W. Prest on this record appears in Entomologist.1881.**15**, February, (225), 42].
1881 *Stigmonota scopariana* Bred. Entomologist. **14**, (216), May, 117.
1882 A Coleophora new to Britain, (*C.adjunctella*) Entomologist. **15**, (225), February, 36-37. [Taken at Humphrey Head, Ulverston].
1882 *Cedestis gysselinella* in England. Entomologist. **15**, (226),March, 68.
1882 *Eulepia grammica*. Entomologist. **15**, (225), February, 40.
1882 Life history of *Emmelesia taeniath*. Entomologist. **15**, (235), March, 68.
1882 Notes on the season. Entomologist. **15**, (232), September, 206-207.[Locations include : Arnside. Windermere. Witherslack].
1883 *Phloeodes immundana*. Entomologist. **16**, (244), September, 213.
1884 A Nepticula new to science. Entomologist. **17**, (209), December, 281.
1884 *Elachista densicornella* and other captures. Entomologist. **17**, (232), August, 185. [Location. Grange-over-Sands].
1884 Further notes from Witherslack. Entomologist. **17**, (254), July, 165-166.
1884 *Laphygma exigua* in Lancashire. Entomologist. **17**, (259), December, 274.
1884 *Nepticular centifoliella*. Entomologist. **17**, (254), July, 166.
1884 *Peronea comariana*. Entomologist. **17**, (255), August, 184.
1884 *Peronea comparana* double-brooded. Entomologist. **17**, (248), January, 20.
1885 *Bryophila algae.* Entomologist. **18**, (263), April, 122.
1885 *Eupithecia curzoni*. (Taken at Witherslack). Entomologist. **18**, (262), March, 76.
1885 Impatiens noli-tangere on the borders of Windermere. Ent. Mon. Mag. Vol 22, September, 91.
1885 *Luperina gueneei* and *L.dumerilii*. Entomologist. **18**, (261), February, 54.
1885 Lycaena corydon in the North of England. Naturalist. 10 : 246.
1885 Melanism in Renfrewshire. Entomologist. **18**, (271), December, 322-323.
1885 Notes on *Crambus furcatellus*. Ent. mon. Mag. Vol **20**, January, 180.
1885 Solomon's Seal (*Polygonatum multiflorum*), in Westmorland. Naturalist. **10**. 259. [Location : Witherslack Hall].
1885 Stray notes from Preston. Entomologist. **18**, (269),October, 266-267. [Locations include : Grange-over-Sands. Windermere. Witherslack].
1886 *Apamea connexa* in Scotland. Entomologist. **19**, (280), September, 231.
1886 *Chrysolysta bimaculella* at Windermere. Entomologist. **19**, (280),September 233.
1886 *Gelechia ossella* at Arnside. Entomologist. **19**, (280), September, 233.
1886 *Hypsipetes trifasciata* not double-brooded. Entomologist. **19**, (273), February, 43.
1886 Lost Lepidoptera. Entomologist. **19**, (276), May, 136-137. [*Tapinostola extrema* (Concolor)].
1886 *Miana captiuncula* (Expolita) at Arnside. Entomologist. **19**, (281). October, 253.

1886 Micro-lepidoptera in 1886. Entomologist. **19**, (281),October, 244-246. [Locations include : Armathwaite. Arnside. Windermere].
1886 *Nepticula myrtillella* feeding on Polypody. Entomologist. **19**, (273), February, 43-44.[Windermere].
1887 Author : Threlfall, J. H. On the 'Lita' group of the Gelechildae. Entomologist. **20**, (286), March, 65-66. [Includes a reference to specimens taken by J.B.H at Witherslack].
1887 Northern Lepidoptera in 1887. Entomologist. **20**, (299), April,104-108.
1887 Notes upon Nepticulidae. Entomologist. **20**, (292), September, 251-253.
1888 *Agrotis fennica*. Entomologist, **21**, (297), February, 59.
1888 A lepidopterists memoranda in 1888. Entomologist. **21**, (306,) December, 294-298.[Locations include : Windermere. Witherslack].
1888 *Lycaena corydon* in Cumberland. Entomologist. **21**, (297), February, 54.[Location : Grisedale].
1888 *Nepticula minusculella* in Lancashire. Entomologist. **21**, (301), June, 160.
1888 Northern Lepidoptera in 1887. Entomologist. **21**, (298), March, 104-108. [Locations include Windermere. Witherslack].
1888 *Notodonta bicolor*. Entomologist. **21**, (306), November, 275.
1888 *Pimpla scanica* hyperparassitic. Entomologist. **21**, (300), May, 140-141.
1889 *Nepticula minusculella*. Entomologist. **22**, (313), June, 164.
1889 *Stigmonota ravulana* in Renfrewshire. Entomologist. **22**, (311), April, 114.
1889 *Trifurcula pallidella*. Entomologist. **22**, (315), August, 212.
1890 Author : Tutt, J. W. *Eupithecia satyrath* var. Callunaria and Curzoni. Ent. Rec. **1**, (1), April, 14-15. [Reference to J. B. Hodgkinson,]
1890 Notes on the season, 1889. Entomologist. **23**, 138-139,and 323-325. [Locations include Arnside. Windermere].
1890 Two species of Micro-lepidoptera new to the British list. *Retinia margarotana*, H.-S. and *Bryotropha* (Gelechia) *obscurella* Hein. [The latter taken near Windermere College]. Entomologist. **23**, (323), April, 119.
1891 *Chcerocampa celerio* found in a mousetrap. Entomologist. **24**, (332), January, 20.[Mentions specimens of this species taken in Carlisle - no date].
1891 *Cidaria reticulata* variety. Entomologist. **24**, (342), November, 266.
1891 *Eromea ocellea*. Ent. Rec. **1**, (12), March, 347.
1891 (Expedition to) Ashton-on-Ribble and Grange-over-Sands]. Ent. Rec. **2**, (5), July, 111.
1891 (Expedition to) Carlisle and Armthwaite. Ent. Rec. **2**, (3), June, 62.
1891 Food plant of *Homaeosoma nebulella* and *H senecionis*. Ent. Rec. **2**, (4), June, 92. [Norfolk].
1891 *Luperina testacea* var. Gueneej. Ent. Rec. **2**, (9), October, 198. [Taken on the Dee by T.P.Brockholes].
1891 *Notodonta tricophus* etc. as Scotch Insects. Ent. Rec. **2**, (1), April, 17.
1891 *Sophronia emortualis*. Entomologist. **24**, (343), December, 297.
1891 Varieties of *Vanessa urticae* and *Zygaenidae*. Ent. Rec. **2**, (1), April, 11.
1891 *Scotosia rhamnata* at Witherslack. [Aso *Depressaria capreolella* and *Perittia obscure punctella*]. Ent. Rec. **2**, (8), September, 182.
1891 Variation and abundance of *Melitaed artemis* near Carlisle. Ent. Rec. **2**, (9), October, 220.
1891 Vars of *Hypsipetes elutata*. Ent. Rec. **2**, (1), April, 7.
1892 *Aporia crataegi*. Ent. Rec. **3**, (4), April, 85.
1892 Author : Tutt, J.W. Rarities from Aberdeen. Ent. Rec. **3**, (2), February, 36-37. [Reference to Hodgkinson, J.B].
1892 *Bombyx rubi*. Ent. Rec. **3**, (4), April, 86.
1892 *Coleophora metallicella*, n.s. Entomologist. **25**, (345), February, 44-45.
1892 *Hadena satura* . Entomologist. **25**, (344), January, 16.
1892 *Micropteryx sangii* and *M. caledoniella*. Entomologist. **25**, (346), March, 71.[Location : Carlisle].
1892 *Pselnophorus brachydactylus*. Ent. Rec. **3**, (3), March, 63. [Location : Carlisle].
1892 Rare Micro-lepidoptera. Entomologist. **25**, (344), January, 15.
1892 *Xylina conspicillaris*. Ent. Rec. **3**, (4), April, 85.
1893 *Coleophora metallicella*, Hodgk., = *C. fuscedinella*, Zell. Entomologist. **26**, (357), February, 59.
1893 *Ocneria dispar*. Entomologist. **26**, (356), January, 20.
1894 *Biston hirtaria* and *Cleora viduaria* in Scotland. Entomologist. **27**, (369), February, 65.
1894 *Cerostoma costella* and *C. radiatella* - latter taken at Arnside. Entomologist. **27**, (369), February,

64-65.

1894 Distribution in Britain of *Vanessa C-Album*. Entomologist. **27**, (368), January, 22. [Author reports records dating back to 1835 in Barron Wood, Carlisle].

1894 Lycaena acis in Suffolk. Entomologist. **27**, (369), February, 65.

1894 *Nemophora pilella*. Entomologist. **27**, 369, February, 65.

1894 *Nepticula tormentillella*? Entomologist. **27**, (374), July, 219. [Location : Windermere].

1894 *Paedisca rubiginosa* and *Butalis cicadella* in Lancashire. Entomologist. **27**, (375), August, 246.

1894 *Stigmonata ravulana* and other specimens in Lancashire. Entomologist. **27**, (374), July, 221. [Location : Grange-over-Sands].

1894 The Late Rev H. Burney's Collection. Entomologist. **27**, (368), January, 25.

1895 *Chrosis bifasciana* = Audouiana. Entomologist. **28**, (381), February, 55.

1895 *Cidaria reticulata* (On the road to extinction?]. Entomologist. **28**, (381), February, 55-56. [Location : Windermere].

1895 *Coccyx cosmophorana* etc in Lancashire. Entomologist. **28**, (386), July, 208-209. [Location : Grange-over-Sands].

1895 *Emmelesia taeniata*. [Locations include : Flimby, Whitbarrow. Windermere]. Entomologist. **28**, (384), May, 141-142.

1895 *Hesperia comma* etc in Lancashire. (Items collected by Mr Moss). Entomologist. **28**, (391), December. 336-337.

1895 *Sericoris ingratana* sp. nov. Entomologist. **28**, (385), June, 181.

1896 *Apamea ophiogramma* in his collection. Ent. Rec. **8**, (5), 1st July, 115.

1896 *Elachista cingillella* in Lancashire. Ent. Rec. **8**, (3), 1st June, 68. [Grange-over-Sands].

1896 Extermination of *Cupido minima* (Alsus) at Witherslack. Ent. Rec. **8**, (6), 1st August, 141.

1896 *Mimae seoptilus* (Pterophorus) *Hogkinsoni* at Witherslack. Ent. Rec. **8**, (8), 1st October, 190.

1896 *Tortrix viburniana*. Ent. Rec. **8**, (3), 1st June, 68. [Pendle Hill, Lancashire].

1896 Witherslack in June. Ent. Rec. **8**, (6), 1st August, 140-141.

1897 A new British species of the Gelechildae : *Lith intermediella*, Hodgkinson. Ent Rec. **9**, (2), 15th September, 36. [Includes a note of caution by J.W.Tutt].

1897 Author : Anon. J. B. Hodgkinson - an obituary. Entomologist. **30**, (407), April, 124.

1897 Author : Bankes, Eustace R. Notes on *Rhodophaea rubrojibiella*. Ent. Rec. **9**, (12), 15th December, 329-330. [Reference to J.B.Hodgkinson].

JOHNSON, C. F.

1902 Lepidoptera at Witherslack. Entomologist. **35**, (465), February, 47. [Insects].

1910 Exhibits : *N. lucina* captured at Witherslack. Man. Ent. Soc. 7th Annual Report and Transactions for 1909. p10.[Insects].

1911 Exhibits include *Drymonia chaonia* and *Cerura furcula* bred from lake District larvae. Also *Asteroscopus nubeculosa* and *Nyssia lapponaria* from two-year-old pupae. Taeniocampa *leulographa*, and *Munda* from the lake District. Man. Ent. Soc. 8th Annual Report and Trans for 1910. p18. [Insects].

1912 Exhibition Meeting,2nd October, 1912. Exhibits : *Ligdia adustata*, *Ino geryon*. *Semiothisa alternata*, all captured at Witherslack. Man. Ent. Soc. Ann Rept & Transactions for 1912. p12. [Insects].

1914 Second exhibition Meeting, November 5th, 1913. Exhibits long series of *Coenonympha typhon*, *Lycaena astrache* and a few *Acidalia firmata* from Witherslack. Man. Ent Soc. 11th Ann Rept & Trans for 1913. 16-17. [Insects].

1916 Exhibition Meeting. October 6th,1915. Exhibits short series of *L. aegon* from Witherslack. Man. Ent. Soc. 13th Ann. Rept &Trans for 1915, 14. [Insects].

1918 Exhibition Evening,4th, October,1916. Exhibits : Series of *N.lucina* from Witherslack, together with and from the same location two yellow vars of *A grossulariata* and a long series of *L.oegon*. Man. Ent. Soc. 14th/15th Ann. Rept & Trans. 1916 & 1917. 14. [Insects].

JOHNSON, Colin.

1962 Annual Exhibition, October 1961. Exhibit's a selection of Coleoptera taken during 1961. Proc. Trans. S. Lond. ent. nat. Hist. Soc. pp 37-39. [From Witherslack : *Tetrops praeusta* (L.), *Polydrusus mollis*, Stroem and *Magdalis carbonaria* (L)]. [Insects].

1962 The Scarabaeoid (Coleoptera) Fauna of Lancashire and Cheshire and its apparent changes over the last 100 years. Entomologist, **95**, (1189), June, 153-165. [Includes specimens recorded by N.L.Birkett and A.E.Wright].[Insects].

1963 *Agonum quadripunctatum* (Deg.) (Col. Carabidae) in Scotland. Ent. mon. Mag. **99**, January-March, 64. [Brief mention of an old record for Cumberland]. [Coleoptera] [Insects].

1964 New Coleoptera records for Lancashire and Cheshire, 1963. Entomologist. **97**, (1212), May, 97-105. [Includes records for Carnforth and North Lancashire]. [Insects].

1965 Coleoptera Report. 1959-1964. [Records submitted by R. B. Angus from various N. Lancs locations]. Lancashire and Cheshire Fauna Committee. 35th Report and Reports of the Recorders for 1964. 46-55. [Insects].

1965 New Coleoptera records for Lancashire and Cheshire, 1964. Entomologist. **98**, (1224), May, 97-109. [Includes records for North Lancashire and Westmorland]. [Insects].

1966 A note on *Quedius boopoiders* Munster and *Q. umbrinus* Auctt, Brit. (Col., Staphylinidae). Ent. mon. Mag. **102**, October-December, 283-284. [Brief reference to an old Cumberland record]. [Insects].

1966 New Coleoptera records for Lancashire and Cheshire, 1965. Entomologist. **99**, (1236,) May, 113-115. [Some records for Brantwood, Haweswater,Roudsea Woods. Silverdale]. [Insects].

1967 A revised and annotated British List of Acrotrichis, (Col., Ptilidae). Entomologist.**100**, (1248), May, 132-136. [One record :- *A. Arnoldi* Rosskothen - from Cumberland, 132]. [Insects].

1967 New Coleoptera records for Lancashire and Cheshire, 1966. Entomologist. **100**, (1251), August, 213-216. [A record of *Anthonomus rufus* Gyll. (Curculiodidae) - Roudsea Wood, 215]. [Insects].

1968 New Coleoptera records for Lancashire and Cheshire. 1967. Entomologist. 101 : 124-126. [Insects].

1968 Six species of Coleoptera new to the British List. Entomologist. **101**, (1257), February, 28-34.[Several records to specimens taken by H. Britten in Cumberland]. [Insects].

2004 British Coleoptera Collections in the Manchester Museum. The Coleopterist. **13**, (1), April, 5-21. [References to H. Britten and A. Brindle]. [Insects].

2005 Joint Author : Morris, M. G. Sidebotham,s Weevils (Curculionoidea). Coleopterist. **14**, (3), December, 101-113. [For list of specimens taken and locations see :- Morris, M.G]. [Insects].

JOHNSON, F. B. (Castleheads, Brampton, Cumberland).

1889 Weight of Woodcocks. Zoologist. June, 233. [Location : Brampton]. [Birds].

KENDAL ENTOMOLOGICAL SOCIETY.

1898 Report of the Societies 2nd meeting. July 11th, 1898 at Blue Coats School. Paper read by Rev. A.M.Moss on forming a collection of Micro-lepidoptera. Exhibits by Messr's :- Holmes, Inder, Littlewood, Smith, Whitehead and Wright. Specimens displayed from Langdales, Red Screes, Stavely. Entomologist. **31**,(423), August, 200. [Insects].

1898 Report by Rev. A.M.Moss of the Societies meeting held 8th August, 1898. Reports a discussion concerning the need to create a model museum collection and define the geographical districts to be worked. Exhibits by Messr's :- Holmes, Rev. A.M.Moss, Smith and Wright. Entomologist. **31**, (424), September, 223-224. [Museums].

1898 Report of a meeting held 12th September, 1898. Discussion included the compilation of entomological records by the Societies members. Exhibits by Messr's :- Holmes. Littlewood. Smith. Wright. Entomologist. **31**, (425), October, 248. [Insects].

1898 Report of a meeting held October 10th, 1898. A paper was given by Rev. A.M.Moss on his experiences with *C. reticulata*. Reports that the first notebook for the records of local Butterflies was now being compiled. Exhibits by Messr's:- Doherty, Graveson, Holmes, Littlewood, Moss, Smith and Wright. Entomologist. **31**, (426), November, 271.[Lepidoptera] [Insects].

1899 Report of a meeting held January 9th, 1899. Annual General Meeting. Elected :- Rev. A.M.Moss, President and Secretary. Vice President Mr F. Littlewood. Treasurer A. Graveson. Meeting agreed that an Annual Report would be printed for members of the Society. Entomologist. **32**, (431), April, 100.

1899 Report of a meeting held February 13th, 1899. A paper was given by Rev A.M.Moss on Spring Geometrae. Exhibits by Messr's :- Macrea, Moss and Smith. Entomologist. **32**, (423), May, 138. [Lepidoptera] [Insects].

1899 Report of a meeting held March 13th, 1899. A Paper was given by Rev. A.M.Moss giving practical advice on 'Sallowing'. Exhibits by Messr's :- Graveson, Littlewood, Smith and Wright. Entomologist. **32**, (423), May, 138. [Insects].

1899 Report of a meeting held April, 10th, 1899. A paper was given by Mr H.B. Prince of the Lancashire and Cheshire Entomological Society on the subject of the Wallasey Sandhills. Exhibits by Messr's :- Littlewood, Moss and Wilkes. Entomologist. **32**, (432), May, 138.

1899 Report of a meeting held October 9th, 1899. Report on the season given by Rev A.M.Moss. Exhibits by Messr's :- Duncan, Holmes, Littlewood, Moss, Watson, and Wilkes. Entomologist. **32**, (439), December, 311-312.

1900 Announcing the publication of Kendal Entomologist Society, Annual Report for 1899, containing a Review of the work undertaken by the Society. Entomologist. **33**,(443), April, 136. [Insects].

KETTLEWELL, H. B. D.

1932 Spring collecting in Scotland and the North. Ent. Rec. **44**, (3), March, 43-46. [References to : Miss Molyneux, Miss Reid, and Dr R.C. Lowther]. [Location : Grange-over Sands and environs].

[Includes : *P. Leugographa*. Taeniocampidae. *N. Polycommata*. *Eupithecia abbreviata*]. [Insects].

1956 An answer to one thought "On reading Dr Fords book : Moths". Ent. Rec. **68**, (1), January, 18-21. [Lepidoptera].

1965 A 12 year study of the frequencies of *Biston betularia* (L.) and its Melanic forms in Great Britain. Ent. Rec. **77**, (9), September, 195-218. [Limited reference to Westmorland]. [Peppered Moth]. [Lepidoptera]. [Insects].

KEVAN, D. Keith.

1952 A summary of the recorded distribution of British Orthopteroids. Trans Soc. Brit. Ent. **11**, (8), November, 165-180. [Vice-county records]. [Insects].

1965 The British species of the genus Helophorus illiger, sub genus *Helophorus S*. Stve (Col., Hydrophilidae). Ent. mon. Mag. **101**, October - December, 254-268. [Some Cumberland and Westmorland records including :- *H. dorsalis*. *H. mulsanti*. *H. flavipes* F. *H. walkeri* Sharp. *H. granularis* (L.). *H. minutus* F]. [Coleoptera]. [Insects].

1967 The British species of the genus *Longitarsus latreille* (Col., Chrysomelidae). Ent. mon.Mag. **103**, April - June, 83-110. [Reference to H. Britten pages 105 & 109]. [*L. Reichei* (Allard). Location Little Salkeld, p109]. [Coleoptera] [Insects].

KEY, Roger. S.

1980 *Nebria nivalis* (Payk) (Col.,Carabidae) on Scafell Pike, Cumbria. Ent. mon. Mag. **116**, May - August, 160.[Coleoptera] [Insects].

1981 *Nebria nivalis* (Payk,), (Col : Carabidae) and other Coleoptera from the Wampool Estuary, Kirkbride, Cumbria. Coleopterist, **2**, 29-30.[Insects].

1987 Annual Exhibition Meeting, 1985. Coleoptera, a collection of recent notable beetles. Ann. Rept & Proc. Lancs & Ches Ent. Soc. Session 1985/86. pp7-8. [Record of Carabidae - *Nebria nivalis* (PK), Scafell Summit, Cumbria. [Insects].

1987 West Cumbrian Meeting. Rowrah Hall. 26th-28th June. Coleopterist's Newsletter. **30**, November, 5-7. [Coleoptera] [Insects].

1989 Joint Author : Parsons M. Invertebrate Site Register. Review of Invertebrate Sites in England : Cumbria - introduction. Report No 102. (1), June 1989. Nature Conservancy Council.

1989 Joint Author : Parsons, M. Invertebrate Site Register. Review of Invertebrate Sites in England : Cumbria. Sites graded A and B. Report No 102. (2) (i). Nature Conservancy Council.

1989 Joint Author : Parsons, M. Invertebrate Site Register. Review of Invertebrate Sites in England : Cumbria. Sites graded C. Report No 102, (2), (ii). Nature Conservancy Council.

1989 Joint Author : Parsons, M. Invertebrate Site Register. Review of Invertebrate Sites in England : Cumbria. Ungraded Sites. Report No 102, (2), (iii). Nature Conservancy Council.

1993 *Dyschirius angustatus* (Ahrens) (Carabidae) and other Coleoptera from the Wampool Estuary, Kirkbride, Cumbria. The Coleopterist. **2**, (1), 29-30. [Reference in text to F.H.Day, 1913]. [Insects].

1996 Beetles and Beetle Recording in Cumbria. Transactions of the Carlisle Natural History Society. **12**, 39-50. [Cumbria's beetle fauna-by habitat : The Coast. Dunes. Saltmarsh and Estuary. Cliffs. Limestone Grasslands. Wetlands. Rivers & Streams. The Woodlands. The Fells and Mountains.Beetle recording in Cumbria. Conservation and Cumbria's beetles]. [Coleoptera]. [Insects].

1997 Author : Read, R.W.J. Record of Amara *praetermissa* (Sahlberg) (Carabidae) from West Cumbria. Coleopterist. **6**, (2), July, 51.[Reference to Roger Key]. [Coleoptera] [Insects].

KHAN, M. A.

1970 Joint Author Williamson, D.I. Seasonal changes in the distribution of Chaetognatha and other plankton in the Eastern Irish Sea. J. Exp. Mar. Biol. Ecol. **5**, 285-303. [Marine].

KIDD, Leonard, Nixon.

1952 The Albert E. Wright collection of Syrphidae (Dipt). Ent. mon. Mag. **88**, July, 153.[Reference to J. D. Ward]. [Diptera] [Insects].

1955 A new species of Mycomyia (Dipt., Mycetophilidae) taken in Cumberland. Ent. mon.Mag. **91**, October,258. [*Mycomyia britteni* at Skirwith]. [Reference to H. Britten]. [Diptera] [Insects].

1959 Joint Author : Brindle, A. The Diptera of Lancashire and Cheshire. Part 1. Lancashire & Cheshire Fauna Committee. [Insects].

1964 Diptera Report. Lancashire and Cheshire Fauna Committee.34th Report and Reports of the

Recorders. Publication **45**. 52-57.[Includes records from N.L.Birkett]. [Insects].

1966 *Leptomorphus walkeri* Curtis (Dipt., Mycetophilidae) in Lancashire and Oxfordshire. Ent. Rec. **78**, (3), March, 81.[Location : Silverdale near Carnforth]. [Diptera] [Insects].

1971 Notes on British Bolitophilinae including three species new to Britain. (Dipt., Mycetophilidae). Entomologist. **104**, (1298-1299). July-August. 219-226.[Records from Stavely, Westmorland 219 and Tilberthwaite, 223]. [Diptera]. [Insects].

1974 Joint Author : Hutson, A.M. Notes on British Bolitophila, Diadocidia and Macrocera (Dipt., Mycetophilidae). Ent. mon. Mag. **110**, January - March, 27-39. [Records of Diadocidiinae taken by H. Britten from Cumberland and Westmorland]. [Diptera] [Insects].

1974 Joint Author : Lastovka, Petr. Review of the British and notes of other species of the Mycetophila ruficollis - group, with the description of a new species. (Dipt., Mycetophilidae). Ent. mon. Mag. **110**, October - December, 203-214.[Records for Cumberland and Westmorland]. [Diptera]. [Insects].

KIDD, Marie-Claire.

2013 Hurray for Herdwicks. Cumbria. **63** (6), 76-79. [Sheep] [Mammals].

KIDD, S.

1996 Joint Authors : Handley, J., Wood, R & Douglas, I. Greening the North West : a regional landscape strategy : strategic environmental initiatives. Occ. Pap. **54**. Dept Planning and Landscape, University of Manchester.

KILLEEN, Ian J.

1995 Joint Author : Smith, Shelagh. M. New records for Sea Area 25. Found at Netherton, West Cumbria. Conchologist Newsletter. **7**, (3), 132. March. 450-452. [Location : Solway].

2000 Joint Author : Oliver, P. Graham. A Survey of rivers in Cumbria and North Lancashire for the freshwater pearl mussel, *Margaritifera margaritifera*. A Report to Environment Agency and English Nature. [Molluscs].

KIMMINS, D. E.

1933 *Ephemerella notata* and *Heptagenia flavipennis* Duf. (Ephemeroptera), in West Surrey. Entomologist. **66**, (842), July, 165-166. [Includes a reference to Cumberland]. [Insects].

1936 Synonymic notes on the genera *Chloroperla*, *Isopteryx* and *Isoperla* (Plecoptera), with a list of the British species of *Chloroperla*. J. Soc. Brit. Ent. **1**, 121-124. [Insects].

1939 An addition to the list of British Ephemeroptera. J. Soc. Brit. Ent. **2**, 8-11. [Insects].

1940 A note on the species "*Eusthenia thalia* Newman" and "*Eusthenia diversipes* Westwood. (Plecoptera). Entomologist. **73**, (928), September, 211-212. [Insects].

1940 A synopsis of the British Nemouridae (Plecoptera). J. Soc. Brit. Ent. **7**, 65-83. [Insects].

1940 The types of some genera of Plecoptera and Psocoptera. Entomologist. **74**, (935), September, 211-212. [Insects].

1941 A new species of Nemouridae (Plecoptera). J. Soc. Br. Ent. **2**, 89-93.[Insects].[Lake District].

1941 A swarm of Ichneumonidae. Entomologist. **74**, (940), September, 214. [Location : Coniston Old Man].

1941 *Heptagenia lateralis* (Curt). (Ephemeroptera) attacked by a Dipteron. Entomologist. **74**, (941), October, 239-240. [Insects].

1941 *Ithyrichia clavata* Morton (Trichoptera) : a second record for Great Britain. Entomologist. **74**, (939), August, 187. [Location : River Leven, Backbarrow]. [Insects].

1941 *Limnophilus xanthodes* McL. and *L. luridus* Curt., in the Lake District. Entomologist. **74**, (939), August, 186. [Locations : Blelham Tarn. Hawkeshead, Scale Tarn].

1941 Notes on British Psocoptera. **1**. *Elipsocus hyalinus* (Steph.) and its allies. Ann. Mag. Nat. Hist. **11**, **7**, 520-530. [Insects].

1941 Under-water emergence of the subimago of *Heptagenia lateralis* (Curtis) (Ephemeroptera). Entomologist. **74**, 169-170. [Insects].

1942 A list of the Trichoptera (Caddis-flies) of the Lake District : with distributional and seasonal Data. J. Soc. Br. Ent. **2**, 136-157. [Insects].

1942 A species of Caenis (Ephemeroptera) new to Britain, with notes on the nymphs of some other species. Entomologist. **76**, 123-125. [Insects].

1942 *Cyrnus insolutus* Mcl. (Trichoptera), new to Britain. Entomologist. **75**, (946), March, 66-68. [Blelham Tarn]. [Insects].

1942 Key to the British Species of Ephemeroptera with Keys to the genera of the Nymphs. Sci. Publ.

Freshwat. Biol. Ass. No **7**. [Lake District]. [Insects].
1942 Notes on Ephemeroptera. Ent. **75**, (949), June, 121-125.[Location : Windermere]. [Insects].
1942 The British species of the genus Ecdyonurus (Ephemeroptera). Ann.Mag.Nat.Hist. (11), **9**, 486-507.[Insects].
1943 A list of the Trichoptera (Caddis-flies) of the Lake District with distributional and seasonal data. J.Soc.Brit.Ent. **2**, 136-157. [Insects].
1943 *Amphinemura standfussi* Ris (Plecoptera) in the Lake District. J. Soc. Br. Ent. **2**, 158-160. [Insects].
1943 A note on the caddis fly, *Mystrophora intermedia* Klapalek, (Trichoptera). Proc. R. ent. Soc. Lond. (A), **18**, (10-12), 96-98.[Hoathwaite Beck nr Coniston]. [Insects].
1943 A species of *Caenis* (Ephemeroptera) new to Britain, with notes on the nymphs of some other species. Entomologist. **76**, (961), June,123-126, figs 1-2. [Insects].
1943 Further notes on *Caenis moesta* Bengtss (Ephemeroptera). Entomologist.**76**, (965), October. 199-200. [Windermere]. [Insects].
1943 Joint Author : Frost, Winifred .E. Observations on the nymph and adult of *Ephemerella notata* Eaton (Ephemeroptera). Proc.R.Ent.Soc. Lond. **18**, 43-49. [River Eden]. [Insects].
1943 Keys to the British species of aquatic Megaloptera and Neuroptera. F.B.A. Scientific Publication. **8**. [Insects].
1943 *Leucorrhinia dubia* (v.d.l.) (Odonata., Libellulidae) in the Lake District. Ent. mon. Mag. **79**. 184. [Insects].
1943 Notes on the caddis fly, *Mystrophora intermedia* Klapalek (Trichoptera). Proc.Roy.Ent.Soc. London, (A) **18** : 96-98, figs 1-13. [Insects].
1943 *Rhabdiopteryx angelica*, a new British species of Plecoptera. Proc. R. ent. Soc. Lond. (B), **12**, 42-44, figs 1-8. [Insects].
1943 Some records of Lake District Psocoptera. J.Soc.Br.Ent. **2**, (4), 157-158. [Insects].
1943 The nymph of *Protonemura montana* (Plecoptera). J. Soc. Brit, Ent. **2**, 159. [Insects].
1944 Annual Exhibition, October, 1943. Proc.Trans.Ent.Nat.Hist.Soc. Session 1943-1944. p17.[Exhibits:- Two specimens of the new British Plecopteron : *Protonemura mantana*, Kim.,from Hayeswater Gill, Westmorland at 1700ft. 8th, September, 1943. "Generously presented by the describer to the Society." ["For original description see : Journ. Soc. Brit. Ent. **2**, pp 89-93,(1941)."] [Insects].
1944 Keys to the British species of aquatic Megaloptera and Neuroptera. Freshw. Biol. Assoc. Sci. Publ. No 8. [Insects].
1944 Supplementary notes on the Trichoptera of the English Lake District. Entomologist. **77**, (973), June 81-84 1 fig. (Supplement to Kimmings, D.E. 1943 a List of the Trichoptera). [Insects].
1944 The Plecoptera in the Dale Collection of British Insects. Ent. mon. Mag. **80**, December, 273-278. [Records for Cumberland and Westmorland]. [Insects].
1947 Author : Britten, Harry. Insecta 1943-1947. [Records submitted by Albert E. Wright and D.E. Kimmings ,Grange-over-Sands. River Brathay. Flookborough]. Lancashire and Cheshire Fauna Committee. 27th Report and Reports of the Recorders for 1943-46. 23-47. [Insects].
1947 Further notes on *Capnia nigra* Pictet. (Plecoptera). Entomologist. **80**, (1014), November, 261.[Insects].
1948 A new species of Anacroneuria (Plecoptera : Perlidae) from Trinidad. Proc. R. ent. Soc. Lond. (B). **17**, pts 7-8, 105-106. [Insects].
1949 Author : Ford, W.K. Odonata. [Records submitted by D.E.Kimmings and T.T.Macan. Claife Heights and various tarns]. Lancashire and Cheshire Fauna Committee. 28th Report and Reports of the Recorders for 1947-1948. 9-10. Buncle. [Insects].
1949 Some changes in generic names in the family Leptoceridae (Order Trichoptera). Entomologist. **82**, (1036), September, 201-204. [Insects].
1949 The identity of *Stactobia fuscicornis* (Schneider) (Trichoptera, Hydroptilidae). Entomologist. **82**, (1037), October, 229-233. [Insects].
1949 The types of certain species of Trichoptera described by Robert McLachlan. Entomologist. **82**, (1029), February, 33-40. [Includes *Phryganea obsoleta* McLachlan taken at Skiddaw July, 1854]. [Insects].
1949 *Tinodes pallidula* McLachlan : an addition to the British List of Trichoptera. Entomologist. **82**, (1039), 269-272.[Insects].
1950 Author : Britten, Harry. Insects and Acari in 1948-1949. [Records submitted by Albert E. Wright and D.E.Kimmins H. Britten. Grange-over-Sands, Coniston and Barrow]. Lancashire Fauna

Committee. 29th Report and Reports of the Recorders for 1949. 93-107. Buncle.

Mountain Ringlet. Painted Lady (Reports in February!). Peacocks. Red Admiral. Small Blue. Small Tortoiseshell. Wall Brown. **Moths** :- Records include : Five spot Burnet. Rufous Minor. Six-spot Burnet. **Microlepidoptera records** in 1988 (E.F.Hancock). 231 *Monopis imella*. 435 *Zelleria Hepariella* . **Dragonflies** : "Very few records" Brown Hawker (*Aeshna grandis*) [Lepidoptera] [Odonata]. [Insects].

1990 Sub-Editor. Insect Report : 1989. Birds in Cumbria : Spring,1990. 88-91. Cumbria Naturalists Union. [**Butterflies** : Brown Argus. Clouded Yellow "largest migration since 1983", also variation *Helice*. Camberwell Beauty (Possible). Comma (Single sighting). Common Blue (Approx 1000 at S.Walney). Grayling. Large White. Mountain Ringlet (One sighting only). Painted Lady. Purple Hairstreak. Scotch Argos. Small Blue. Small Pearl-Bordered Fritillary. Small Tortoiseshell. Small White. Speckled Wood. Wall Brown. **Moths :** Broom Moth. Bulrush Wainscot. Convolvulus Hawk-moth. Crescent Dart. Deep-brown Dart. Dotted Rustic. Five-spot Burnet. Humming-bird Hawk-moth. Purple Thorn. Red Underwing. Ruby Tiger. Six-spot Burnet. Vestal. White-line Dart. Pyralid (*Evergestis pallidata*). Micro : *Limnaecia phragmitella*.
Odonata (Dragonflies) : Beautiful Demoiselle. Brown Hawker. Downy Emerald. Southern Hawker. Variable Damselfly. White-faced Darter . Summary of additional 10 km square records : *C. puella. C. pulchellum. I.elegans. L. sponsa. P. nymphula. A. cyanea. L. quadrimaculata*. *E. cyathigerum. A. grandis*.
Other insects (Information supplied by Jonty Denton). **Flies** :- *Helophorus hybridus. H. pendulus. Leucozona glauca. Volucella pullecens. Xylota sylvanus. Pyrophaena granditarsa. Thereva annulata. Xylota coeruleiventris*. **Beetles** : *Sinodendron cylindricum*. *Chrysolina menthastri*. *Anatis ocellata*. *Dromius quadrimaculatus. Pterostichus niger*. **Spider** : *Meta menardii*. **Tree Wasp** : *D. sylvestris*. [Lepidoptera]. [Odonata]. Diptera]. [Hymenoptera]. [Insects].

1991 Sub-Editor Insect Report : 1990. Birds in Cumbria : 1990. 90-95. Cumbria Naturalists Union. [**Butterflies** : Brimstone. Comma. Gatekeeper / Hedge Brown. Grayling. Green Hairstreak. Large Heath. Mountain Ringlet. Orange Tip. Painted Lady. Peacock. Purple Hairstreaks. Red

Admiral. Small Blue. Small Copper. Small Pearl-bordered Fritillary. Speckled Wood]. **Moths** : Alder moth. Centre-barred sallow. Common swift. Deaths-head Hawk-moth. Five-spot Burnet. Humming-Bird Hawk-moth. Herald moth. Knot Grass. Large Emerald. Large Yellow Underwing. Lesser Swallow Prominent. Marbled Coronet. Mullien Moth. Northern Drab. Six-spot Burnet. Svensson's Copper Underwing. The Shuttle-shaped Dart. **Diptera** : Some records sent in by Jonty Denton with additional comments by N.L.Birkett. *Megasyrphus* [Didea] *fasciata*. *Sericomyia silentis*. *Xylota florum*. *Microdon mutabilis*. Butterfly Mapping in Cumbria. [Lepidoptera] [Diptera]. [Insects].

1991 Joint Author : Hancock, E.F. List of 'Macro' Moths recorded in the Furness and Cartmel districts of South Cumbria, 1960-1984. (1990 Update). Birds in Cumbria : 1991. 95. Cumbria Naturalists Union. [Convolvulus Hawk-moth. Crescent Dart. Crescent Striped. Lesser Common Rustic. Lunar Hornet Moth. Northern Deep-brown Dart. Northern Drab. Oak Nycteoline. Purple Thorn. Rufous Minor. Scarce Footman. Silky Wainscot. Slender Brindle. Small Blood-vein. Small Dusty Wave. Small mottled Willow. Southern Wainscot. The Mallow. Triple-spotted Pug. Wood Carpet. [Lepidoptera].

1992 Sub-Editor. Insect Report : 1991. Birds in Cumbria : 1991. 92-96. Cumbria Naturalists Union. [Records include :- Brimstone. Clouded Yellow (Late 1990 record not recorded in 1991). Comma. Dark Green Fritillary. Gatekeeper (Hedge Brown). Marsh Fritillary. Mountain Ringlet. Painted Lady. Peacock. Purple Hairstreak. Red Admiral. Small Pearl-bordered Fritillary. **Moths** : Bedstraw Hawk-moth. Bordered Sallow. Convolvulus Hawk-moth. Early Moth. Feathered Ranunculus. Flounced Rustic. Frosted Orange. Galium Carpet. Golden Pulsia. Haworth's Minor. Humming-bird Hawk-moth. Lempke's Gold Spot. Lesser Swallow Prominent. Lyth Ranunculus?. Red-necked Footman. Red-Sword-grass. Scarce Prominent. Small China-mark. Spruce Carpet. Swallow Prominent. The Streamer. The Tissue. Winter Moth. Yellow Underwing. **Pyralid** : *Diorycria abietella*. **Tortrid** : *Dichrorampha aeratana*.
Also a brief paragraph concerning a survey carried out by Paul Hatcher on the Netted Carpet Moth p 96. [Lepidoptera] [Insects].

1993 Butterfly Mapping in Cumbria. Cumbrian Wildlife. **35**, January, 15.[Lepidoptera] [Insects].

1993 Sub-Editor. Insect Report : 1992. Birds in Cumbria : 1992. 86-90. Cumbria Naturalists Union. [Butterflies : "36 Species of butterflies were recorded in Cumbria. These are not listed individually but some were selected for special mention as follows :- Clouded Yellow "an early and unusual migration". Comma. Duke of Burgundy. Gatekeeper. High Brown Fritillary. Holly Blue. Large Skipper. Large White. Mountain Ringlet Project. Painted Lady. Peacock. Purple Hairstreak. Red Admiral. Small Skipper (Nil Report). Small White. Speckled Wood. Brief Report on the Butterfly Mapping in Cumbria Project, p 89.
Moths :- Bleached Pug. Bordered Straw. Coast Dart. Convolvulus Hawk-moth. Currant Pug. Death's-head Hawk-moth. Four-dotted Footman. Humming-bird Hawk-moth. Mallow. Pearly Underwing. Red Carpet. Sallow Prominent. Sand Dart. Silver Y. Small Eggar. Tawny-barred Angle. The Delicate. The Gem. The Nutmeg. The Plain Pug. The Rivulet. **Also :-** *Cydia compositella* and a request for information concerning Argent and Sable and Grass Emerald. [Lepidoptera] [Insects].

1994 Sub-Editor Insect Report. Butterflies and Moths : Report. Birds in Cumbria : 1993. 87-92. Cumbria Naturalists Union. **Butterfly records** include :- Brimstone. Comma. Dingy Skipper. Duke of Burgundy. Gatekeeper. Green Hairstreak. Holly Blue. Marsh Fritillary. Orange Tip. Painted Lady. Pearl-bordered Fritillary. Purple Hairstreak. Red Admiral. Small Copper. Small Tortoiseshell. Speckled Wood.
Also details of the Butterfly Mapping Project. Location Maps are presented for Dingy Skipper. Gatekeeper. Green Hairstreak. Large Skipper. Pearl-bordered Fritillary. Purple Hairstreak. Small Pearl-bordered Fritillary.
Moths :- Alder. Argent and Sable. Beautiful Brocade. Cistus Forester. Copper Underwing. Crescent Striped. Crinan Ear. Hummingbird-Hawkmoth. Lead Belle. Pale Eggar. Red Carpet. Sallow Kitten. Silver Y. Svensson's Underwing. Also :- *Catoptria furcatellus*. [Lepidoptera].

1994 Sub-Editor. Insect Report : 1993. (Butterflies. Moths. Dragonflies and Damselflies. Beetles. Flies. Lacewings. Scorpionflies. Mayflies. True Bugs). Birds in Cumbria : 1993. 87-95. Cumbria Naturalists Union. [Items listed under their separate authors : **Dragonflies** - David Clarke. **Beetles** - John Read. **Flies**, **Lacewings**, **Scorpion Flies**, **May-flies**, **True Bugs**-Stephen Hewitt].

1995 Sub-Editor. Insect Report : 1994. Birds in Cumbria : 1994. 90-97. Cumbria Naturalists Union.
Butterflies records include :- Clouded Yellow. Comma. Dark Green Fritillary. Duke of Burgundy. Gatekeeper. High Brow Fritillary. Holly Blue. Marsh Fritillary. Mountain Ringlet Survey. Orange Tip. Painted Ladies. Pearl-bordered Fritillary. Red Admiral. Small Tortoiseshell. There are distribution atlases for Common Blue. Holly Blue. Mountain Ringlet. Orange Tip.
Moth Records include :- Alder Moth. Argent and Sable. Butterbur. Coast Dart. Convolvulus Hawk-moth. Dark dagger. Double Lobed. Dun-bar. Golden Plusia. Humming-bird Hawk-moth. Juniper Carpet. Lunar Marbled Brown. Narrow-bordered Five-spot Burnet. Netted Carpet. Old Lady. Pale Pinion. Pearly Underwing. Red Sword Grass. Sallow Kitten. Shuttle-shaped Dart. Silky Wainscot. Silver Y. Slender Brindle. Svensson's Copper Underwing. Swallow Prominent. The Least Minor. The Olive. The Streak. Thistle Moth (Requires verification). White Colon.
Also : *Micropteryx tunbergella*. [Lepidoptera] [Insects].

1996 Sub-Editor : Butterflies and Moths : Report. Birds and Wildlife in Cumbria : 1995.85-88. Cumbria Naturalists Union. **Butterfly Records** Include :- Camberwell Beauty (Large migration). Clouded Yellow. Comma. Common Blue. Dark Green Fritillary. Duke of Burgundy. Gatekeeper. High Brown Fritillary. Holly Blue. Large White. Large Yellow Underwings. (Over 3,500). Marsh Fritillary. Monarch. Mountain Ringlet. Nutmeg. Orange Sallow. Painted Lady. Pearl-bordered Fritillary. Purple Hairstreak. Red Admiral. Ringlet. Silver-washed Fritillary. Slender Brindle. Small Blue. Small Pearled-bordered Fritillary. Small Tortoiseshell. Small White. Water Carpet.
Moth Records :- Barred Sallow. Beaded Chestnut. Bedstraw Hawk-moth. Brussels Lace. Convolvulus Hawk-moth. Fan-foot. Frosted Green. Gem. Great Brocade. Green Carpet. Haworth's Minor. Heath Rustic. Herald Moth. Humming-bird Hawk-moth. Lunar Marbled Brown. Lunar Thorn. Mallow. May Highflyer. Meal Moth. Miller. Mottled Grey. Muslin Moth. Narrow-winged Pug. Oak Beauty. Olive. Pearly Underwing. Pimpinel Moth. Pretty Chalk Carpet (First Cumbrian Record). Orange Swift. Purple Thorn. Rustic Shoulder-moth. Slender Brindle. Small Emerald. Small Phoenix. Streamer. Swallow Prominent. Southern Wainscot. Svensson's Copper Underwing. (Thistle Moth sighting not confirmed). Treble-bar. Vestal. Yellow Horned. Yellow-ringed Carpet. Yellow-tail. [Lepidoptera] [Insects].
Also :- *Donacaula forficella* and *Olindia schumacherana*.

1997 Sub-Editor. Butterflies and Moths Report : 1996. Birds and Wildlife in Cumbria : 1996. 81-85. Cumbria Naturalists Union. [**Butterfly Records** include :- Camberwell Beauty. Clouded Yellow. Comma. Gatekeeper. Large Heath. Marsh Fritillary. Monarch (later disqualified). Mountain Ringlet. Painted Lady. Peacock. Red Admiral. Silver-washed Fritillary. Small Copper. Small Copper (White variety). Small Skipper. Small Tortoiseshell. Speckled Wood. Wall Brown. Diminishing returns of Pearl-bordered Fritillary and Grayling].
Moth Records include :- Barred Rivulet. Beech-green Carpet. Bordered Straw. Bright-line Brown-eye. Brussels Lace. Bulrush Wainscot. Cloaked Minor. Coast Dart. Common Footman. Crescent Striped. Dark Sword Grass. Diamond Back. Dotted Border. Double Lobed. Early Grey. Glaucous Shears. Golden Plusia. Great Brocade. Grey Pine Carpet. Heart and Dart. Humming-bird Hawk Moth. Knot Grass. Least Black Arches. Ling Pug. Lunar Thorn. Marbled Coronet. Narrow-bordered Bee Hawkmoth. Netted Carpet Moth. Ni Moth. Orange Sallow. Pale Pinion. Pearly Underwing. Pebble Hook-tip. Pine Beauty. Pinion-streaked Snout. Plain Wave. Poplar Hawk-moth (pale buff-coloured form). Sand Dart. Sandy Carpet. Scarce Prominent. Scorched Wing. Shark. Short-cloaked Moth. Shoulder-striped Wainscot. Silver Y (Invasion). Small Autumnal Moth. Small Mottled Willow. Small Quaker. Smoky Wave. Southern Wainscot. Tawny Shears. The Gem. The Lackey. Thistle Ermine. Water Veneer. White Colon. White-line Dart. White Satin Moth. Wormwood Pug. Yellow-tail.
Also :- *Agapeta zoegana. Amblyptilia acanthadactyla. Caloptilia rufipennella. Mompha locupletella. Monopis laevigella. Nomophila noctuella. Tinea trinotella. Udea olivalis*.

1998 Sub Editor : Insect Report :- Butterflies and Moths Report : 1997. Birds and Wildlife in Cumbria : 1997. 69-72. Cumbria Naturalists Union. [**Butterfly Records** include :- Camberwell Beauty. Clouded Yellow (Nil Report). Comma. Dark Green Fritillary. Dingy Skipper. Grayling. High-brown Fritillary. Holly Blue. Large Heath. Marsh Fritillary. Monarch. Mountain Ringlet. Orange Tip. Painted Lady. Red Admiral. Ringlet. Scotch Argus. Silver-washed Fritillary. Small Blue. Small Coppers. Small Pearl-bordered Fritillary. Small Skipper. Wood Whites. Also one Moth in the Butterfly section - Chimney Sweeper Moth. p70.

Moths :- Autumnal Rustic. Barred Tooth-striped. Bed-straw Hawk-moth. Beech-green Carpet. Broad-bordered Yellow Underwing. Brown-spot Pinion. Buff Arches. Chevron. Common Emerald. Convolulus Hawk-moth. Dingy Shears. Dusky Brocade. Dusky-lemon Sallow. Feathered Ranunculus. Flounced Sallow. Heart and Club. Iron Prominent. July Belle. Lunar Thorn. Marbled Brown. Mottled Grey. Large Wainscot. Netted Carpet. Plain Wave. Rush Veneer (Nil Report). Sallow Kitten. Satin Lutestring. Scarce Prominent. Silver Y. Small Fan-foot. Small Wainscot. Square Spot. Straw Dot. Svensson's Copper Underwing. Tawny-barred Angle. Thistle Ermine. The Olive. The Tissue. Vapourer. **Also :-** *Caloptilia rufipennella*. *Stigmella myrtillella* on *Vaccinium myrtillus*]. [Lepidoptera] [Insects].

1954 Annual Exhibition, October 1952. Exhibits - British Lepidoptera. Proc. S. Lond. ent. nat. Hist. Soc. Session 1952-1953. 36-37. [Exhibits include : *Coenonympha tullia* Mull S. sp. Scotica Staud, together with a specimen from Witherslack for comparison. *Polia nebulosa* Hufn from Witherslack and Mold, North Wales. Collected from Witherslack :- *Hamearis lucina* L. *Chaonia ruficornis* Hufn. *Dasychira pudibunda* L. *Orthosia cruda* Schiff. *Gypsitea leucographa* Schiff. *Lampropteryx suffumata* Schiff. *Bapta bimaculata, B. temerata* Schiff. *Lomaspilis marginata* L. Series of *Trichopteryx polycommata* Schiff. *Plagodis dolabraria* L.]. [Insects].

1954 Some collecting experiences of 1953. Ent. Gaz. **5**, (4), October, 225-230. [Location : several visits to Witherslack]. [Insects].

1956 Collecting experiences during 1955. Ent. Rec. **68**, (6), June, 145-148. [Locations include two visits to Witherslack]. [Insects].

1957 Annual Exhibition, October 1955. Exhibits : Lepidoptera. Proc. S. Lond. ent. nat. Hist. Soc. 1955, [Exhibits include : From Witherslack, Westmorland bred specimens of :- *Apeira syringaria* L. *Anticlea derivata* Schiff. *Plusia iota* L. *Alcis repandata* L. Also a varied series of *Erannis defoliaria* Clerck - one specimen having reduced sealing on all four wings]. [Insects].

1959 *Diacrisia sannio* L : preponderance of females. Ent. Rec. **71**, (11), November, 268. [Insects].

1962 *Dreanepteryx phalaenoides* L. (Neuroptera) at Witherslack. Ent. Rec. **74**, (1), January, 20.

1963 Annual Exhibition, October, 1962. Exhibit's a specimen of *Drepanepteryx phalaemoides* (L.) (Neur, Hemerobiidae), taken at Witherslack, Westmorland. Proc. Trans. S. Lond. ent. nat. Hist. Soc. 1962. 38. [Insects].

LOWTHER, Dr Richard Charles.

n.d. Three volumes of detailed records of Macro-Lepidoptera of the Morecambe Bay area and Southern Lake District. The third volume includes records obtained by Light Collecting, a bibliography and species records of activity in his garden. Phenological observations are made throughout the papers. Location :- Archive, Department of Natural Science, Tullie House Museum, Carlisle. (See also :- Birkett, N.L.1994) [Lepidoptera]. [Insects].

1922 Author : Mansbridge, William. Lepidoptera : Report of the Recorders for Lepidoptera in Lancashire and Cheshire for 1920 and 1921.[Includes Grange-over-Sands, Grange Fell with records submitted by Dr R. Lowther, Albert E. Wright and J. Davis Ward]. Lancashire and Cheshire Fauna Committee. 8th Annual Report and Report of the Recorders. 40-45. M.U.P. [Insects].

1922 Author : Littlewood, F. Attractiveness of electric light for moths. [Mentions :- Dr. R Lowther]. Entomologist. **55**, (707), April, 90. [Windermere]. [Lepidoptera] [Insects].

1922 Author : Nicholson, C. *Plusia moneta* in Lancashire. (Refers to Dr Richard Lowther). Entomologist. **55**, (707), April, 88. [Location : Grange-over-Sands]. [Lepidoptera] [Insects].

1922 Collecting by powerful light (using car headlights). Entomologist. **55**, (706), March, 63-64. [Locations : Holker, Grange-over-Sands. Witherslack]. [Lepidoptera] [Insects].

1922 *Percnoptilota fluviata* and other captures in Westmorland. Entomologist. **55**, (709), June, 136-137. [Lepidoptera] [Insects].

1922 *Percnoptilota* (Fluviata) in Lancashire and Westmorland. Ent. **55**, (714), November, 257. [Location : Witherslack]. [Lepidoptera] [Insects].

1922 Scarcity of *Spilosoma lubricipeda* etc. Entomologist. **55**, (715), December, 279. [Lepidoptera]. [Insects].

1923 Author : Turner, Henry J. Society Notices. Dr R.C.Lowther Elected Fellow of the Entomological Society of London. Ent. Rec. **35**, (9), September, 143. [Biography].

1923 British larvae on the Mulberry. Entomologist. **56**, (716), January, 14. [Insects].

1924 *Anticlea badiata* and *Perizoma flavofasciata*. Entomologist. **57**, (735), August, 187. [Lepidoptera] [Insects].

1924 Bad weather collecting by light with notes on other nights. Entomologist. **57**, (736), September, 207-208. [Witherslack]. [Lepidoptera] [Insects].

1924 Lepidoptera in the Grange District. Lancashire and Cheshire Fauna Committee.10th Annual Report and Report of the Recorders for 1923. 14-15. Palatine Press, Darwen. [Insects].

1924 Lepidoptera in the Grange District. Lancashire and Cheshire Naturalist. **17**, September, 30-31. [Insects].

1924 *Mandula atropos* in Sussex, East Kent, East Suffolk and Westmorland. Entomologist. **57**,(738), November, 259. [Insects].

1924 *M. atropos* in North Lancashire. Entomologist. **57**, (739), December, 283-284. [Insects].

1924 Successful light collecting in Westmorland. Entomologist. **57**, (732), May, 116-117. [Insects].

1925 Macro-Lepidoptera taken in 1925 by means of Acetylene flares, Petrol vapour lamps and Electric light in North Lancashire and South Westmorland. Entomologist. **58**, (749), October, 253-255, and **58**, (751), December, 299-301. [Locations :- Bigland Fell. Holker. Low Frith

Shore. Newby Bridge. North Lancashire. Witherslack]. [Insects].

1926 Author : Edelsten, H.M. Weather conditions affecting collecting by "Light". [Reference to R.C.Lowther writing on the same topic]. Entomologist. **59**, (756), May, 147-148. [Insects].

1926 First dates in 1926. Lepidoptera. Entomologist. **59**, (757), June, 172-173.[Southern Lake District]. [Insects].

1927 Author : Mansbridge, William. Report of the Recorder for Lepidoptera. [With records submitted by R. Lowther and H.L.Burrows]. Lancashire and Cheshire Fauna Committee. 13th Annual Report and Report of the Recorders for 1926. 2-3. Buncle. [Insects].

1927 Notes on the season of 1926 (Lepidoptera). Entomologist. **60**, (773), October, 235-236. [Locations :- Newby Bridge. Witherslack]. [Insects].

1928 The season of 1927 : Lepidoptera. Entomologist. **61**, (779), April, 92-93.[Locations :- Lyth Valley. Grange-over-Sands. Newby Bridge]. [Insects].

1929 *Euchloe cardamines* in March. Entomologist. **62**, (793), June, 136.[Insects].

1930 Report on Lepidoptera for 1927-1929. [Records submitted by J.Davis Ward. R.C.Lowther. Grange-over-Sands]. Lancashire and Cheshire Fauna Committee.16th Annual Report and Report from the Recorders for 1929. 10-11. Buncle. [Insects].

1931 *Heliothis peltigera* in Lancashire and other notes. Entomologist. **64**, (822), November, 259-260. [Bordered Straw Moth]. [Lepidoptera] [Insects].

1931 Macro-Lepidoptera of a garden at Grange-over-Sands in North Lancashire. Entomologist. **64**, (817), June, 128-135. [Includes an extensive species list]. [Lepidoptera] [Insects].

1932 Author : Kettlewell, H.B.D. Spring collecting in Scotland and the North. Ent. Rec. **44**, (3), March, 43-46. [Author visited R.Lowther, at Grange-over-Sands]. [Insects].

1933 Butterflies and Moths. **In :-** W.G.Collingwood, The Lake Counties. New edition, reprinted with revisions.200-215. F.Warne. [Includes Butterflies, 200-202. Hawk Moths (Sphingidae), 202-204. Noctuae, 204-209. Brephidae, 210. Geometridae, 210-215]. [Lepidoptera] [Insects].

1938 Author : Bull, G.V.Resting habit of *Hyloicus pinastri*. Entomologist.**71**, (906), November, 261. [Recounts a search in Dorset in which Dr Lowther participated].

1941 *Hyloicus pinastri* (Linn.) Entomologist.**74**, (937), June, 123. [Taken in Dorset]. [Pine Hawk Moth]. [Lepidoptera] [Insects].

1943 *Celerio livornica* in Lancashire. Entomologist.**76**, (964), September, 190.[Grange-over-Sands]. [Insects].

1943 *Drepanepteryx phalaenoides* Linn. Entomologist.**76**, (962), July, 147. [Insects].

1943 *Herse convolvuli* in Lancashire. Entomologist.**76**, (966), November, 238. [Grange-over-Sands]. [Insects].

1944 Author : Mansbridge, William. Lepidoptera. Report of the Recorder for 1940, 1941, 1942. [Records submitted by R.Lowther and Albert E.Wright]. Lancashire and Cheshire Fauna Committee. 26th Report and Report of the Recorders for 1939-1942.Part 1. 12-15. Buncle. [Insects].

1944 *Melanchra persicariae* feeding upon Mulberry. Entomologist.**77**, (968), January, 11-12. [Insects].

1946 *Phalera bucephala* : delayed emergence. Entomologist.**79**, (944), March, 71. [Insects].

1946 Rare species in North Lancashire. Entomologist.**79**, (992), January, 20-21. [Insects].

1947 Author : Birkett, N.L. Observations on *Drepana binaria* in North Lancashire. Entomologist. **80**, (1010), July, 161-164.[References to Frank Littlewood and R.C.Lowther]. [Oak Hook-tip.] [Lepidoptera] [Insects].

1947 Author : Mansbridge, William. Lepidoptera - Report of the Recorder for 1943-1946.(Records submitted by E.W.Aubrook, R.C.Lowther Albert E.Wright) Lancashire and Cheshire Fauna Committee. 27th Annual Report and Report of the Recorders for 1943-1946.15-19.Buncle. [Locations : Grange-over-Sands. Holker]. [Insects].

1947 Author : Stewart, C.C. *Drepana binaria* in Lancashire. Entomologist. **80**, (1013), October, 244. [Insects].

1947 *Eurois occulta* in Lancashire. Entomologist. **80**, (1005), February, 47. [Great Brocade]. [Lepidoptera] [Insects].

1949 Joint Authors : Mansbridge, William and Wright, Albert E. Lepidoptera 1947 and 1948.(Records submitted by J.L.Kershaw. R.C.Lowther. Albert E.Wright). Lancashire and Cheshire Fauna Committee. 28th Annual Report and Report of the Recorders for 1947-1948. 10-13, 14-21. Buncle.[Location : Grange-over-Sands. Meathop Moss. Cark. Barrow]. [Insects].

1950 Anon : Richard C. Lowther : an obituary. Raven Entomological and Natural History Society.

Annual Report. 43.

1950 Author : Birkett, Neville L. Richard Charles Lowther (1884-1950) : an obituary. North Western Naturalist. **1**, (n.s), (2), 300.

1950 Joint Authors : Mansbridge, William and Wright, Albert E. Lepidoptera 1949. (Records Submitted by R.C.Lowther, K.G.Boyd. Albert E.Wright). Lancashire and Cheshire Fauna Committee. 29th Report and Report of the Recorders for 1949. 81-92. Buncle. [Locations : Grange-over-Sands. Broughton in Furness]. [Insects].

1951 Author : Cockayne, E.A. Aberrations of British Macrolepidoptera. Ent. Rec. **63**, (3-4), March-April, 30-33. [Record of *Notodonta anceps* Goeze ab. fusca. ab. nov. [Taken at Newby Bridge and Witherslack by R.C.Lowther]. [Insects].

1954 Author : Birkett, N.L. Lepidoptera collecting notes, 1953. Ent. Rec. **66**, (4), April, 110-114. [Reference to R.C.Lowther - his diaries and notebooks]. [Insects].

1914 Aliens at Dalston-in-Furness. Botanical Exchange Club. **3**. 403. [Flora].

2001 Joint Authors : Blackstock, N and Ashton, P.A. A re-assessment of the putative *Carex flara* agg . (Cyperaceae) hybrids at Malham Tarn (v.c. 64) : a morphometric analysis. Watsonia. **23**, (4), August, 505-516. [Reference to population at Roudsea Wood discovered by D. Lumb in 1913]. [Flora].

LUND, H. M.

1989 Lake algae and other organisms. **In :-** Pearsall, W.H. & Pennington, W. The Lake District : a Landscape History. New Edition. Bloomsbury Books. [Chapter 4. Lakes and Tarns, 78-80].

LUND, John. W. G.

1942 Contributions to our knowledge of British Chrysophyceae. New Phytol. **41**. 274.

1942 The marginal algae of certain ponds, with special reference to the bottom deposits. Jnl. Ecol. **30**, 245-283.

1945 Observations on soil algae. **1**. The ecology, size and taxonomy of British soil diatoms. New Phytologist. **44**, 196-219. **45**, 56-110.

1946 Observations on soil algae. **2**. Notes on groups other than diatoms. New Phytol. **46** : 35-60.

1947 Observations on soil algae. **3**. Species of *Chlamydomonas* Ehr. in relation to variability within the genus. New Phytol. **46** : 185-194.

1947 Recent cultural work on the lower algae in relation to their taxonomy and ecology. Sci. Prog. Twent. Cent. **35** : 536-538.

1948 Joint Authors : Canter, H.M., & Lund, J.W.G. Studies on plankton parasites. **1**. Fluctuation in the numbers of *Asterionella formosa* Hass, in relation to fungal epidemics. New Phycol. **47**, (2), 238-261.

1949 New or rare British Chrysophyceae **1**. New Phytol. **48**. 453-460.

1949 Studies in *Asterionella*. **1**. The origin and nature of the cells producing seasonal maxima. Jnl. Ecol. **37**, 389-419.

1949 The dynamics of diatom outbursts, with special reference to Asterionella. Verh.int.Ver. Limnol. **10**, 275-276.

1950 Algological notes. 1-111. 1. *Pleurocapsa minor* Hans G. em. Geitlere. 2. *Mallomonas reginae* Teiling. 3. *Chlamydomonas probosligora* Korsch. The Naturalist. April-June, 45-49. [Lake District].

1950 Algological notes. **1V - V1.** Motility in unicellular and colonial *Myxophyceae* and notes of the occurrence of some of the species in Great Britain. **V**. *Chlamydomonas terricola* Gerloff. **V1** The distribution and ecology of *Stephanosphaera pluvialis* Cohn with a note on *Haematococcus lacustris* Flotow em. Wille. Naturalist, Hull. **835**, Oct-Dec. 143-148.

1950 An alternative to latin diagnoses. Nature. **165** : 454.

1950 Contributions to our knowledge of British algae. **X1**. A new colonial Pinnularia (*p.cardinaliculus* Cl. Emend.) Hydrobiologia. **2**, 281-284.

1950 Studies on *Asterionella formosa* Hass. **2**. Nutrient depletion and the spring maximum. Part **1**. Observations on Windermere, Esthwaite Water and Blelham Tarn. Journal of Ecology **38**, 1-14. Part 2. J. Ecol. **38**, 1-35. [Lakes & Tarns].

1951 A sedimentation technique for counting algae and their organisms. Hydrobiologia. **3**, 390-4.

1951 Contributions to our knowledge of British Algae. **X11**. A new planktonic Cyclotella (*C. praetermissa* n.sp), notes on C. *glomerata Bachm* and *C. catenata* Bran and the occurrence of setae in the genus. Hydrobiologia **3**, 93-100.

1951 Joint Author : Canter, H.M. Studies on plankton parasites. **3**. Examples of the interaction between parasitism and other factors determining the growth of diatoms. Ann. Bot. (n.s). **15**, 359-371.

1951 Recent researches on algae in relation to waterworks practice. J. Inst. Wat. Engrs. **5**, 558-9.

1952 Joint Author : Scott, L.I. A new British algal record : *Pyramimonas reticulata* Korsch. Naturalist, Hull. **841**, 55-58.

1952 On *Dinobryon suecicum* Lemm. Var. *Longispinum* Lemm., *Chlamydomonas gloeophila* Skuja., *C. dinobryoni* G.M. Smith. and *Planktosphaeria gelatinosa* G.M.Smith, with a note on *Sphaerocystis schroeteri* Chodat. Naturalist, Hull. **843**, Oct-Dec, 163-166. [Tarn Hows, nr Coniston Water] [Windermere].

1953 Article 44 of the international Code in relation to algae. Taxon. **2**, 17-19.

1953 Chemical and habitat factors in relation to freshwater phytoplankton. Proc. 7th int.. bot. Congr. (Stockholm 1950), p 263.

1953 Joint Author : Lund, J.W.G. Studies on plankton parasites. **2**. The parasitism of diatoms, with special reference to the lakes in the English Lake District. Trans. Br. Mycol. Soc. **36**, 13-37. [Lakes & Tarns].

1953 New or rare British Chrysophyceae. **2** *Hyalobryon polymorphum* n.sp. and *Chrysonebula holmesii* N.Gen n.sp. New Phytol. **52**, (2), May,114-123. [Includes : Blelham Tarn. Loughrigg Tarn.

Esthwaite Water, Scale Tarn & Wise'en Tarn].

1954 Contributions to our knowledge of British Algae. **XIII**. *Chiamydomonas gordalensis* n.sp. *Golenkinia chlorelliodes* n.sp. and *Uroglena custylis* Skuja. Hydrobiologia. **6**, 136-143.

1954 Joint Author : Macan, T.T. Records from some Irish lakes. **1**. Mullusca, Grammarus, Asellus, Ephemeroptera and Heteroptera. **2**. Phytoplankton. Proc. R. Ir. Acad. **56**, B.135-157.

1954 The importance of Algae to Waterworks Engineers. Jnl. Instn. Wat Engrs. **8**, (6), October. 497-504.

1954 The seasonal cycle of the plankton diatom, *Melosira italica* (Ehr), Kutz. subsp. subarctica O. Mull. J. Ecol. **42**, 151-79. [Esthwaite Water & Blelham Tarn].

1954 Three new British algal records and spore-formation in *Micratinium pusillum* Fres. Naturalist. Hull. 81-85.

1955 Contribution to our knowledge of British Algae. **XIV**. Three new species from the English Lake District. Hydrobiologia. **7**, 219-229.

1955 Felix Eugen Fritsch. (1879-1954) : In memoriam. Rev. Algol (n.s.). **1**, 131-140.

1955 Further observations on the seasonal cycle of *Melosira italica* (Ehr) Kutz. subsp. subarctica O. Mull. Jnl. Ecol. **43**, (1), 90-102. [Locations include : Blelham Tarn. Esthwaite Water. Windermere]. [Lakes & Tarns].

1955 Species of Characiopsis, Pseudostaurastrum and Scenedesmus new to Britain. Naturalist. Hull. **856**, 13-16.

1956 Joint Author : Bunting,W. A new blue-green alga epizooic on *Daphnia pulex* L. Naturalist Hull. (858), 88-90.

1956 On certain planktonic palmelloid green algae. J. Linn. Soc. (Bot). **55**, 593-613.

1957 Chemical analysis in ecology, illustrated from Lake District tarns and lakes. **2**. Algal differences. Proc. Linn. Soc. Lond. **167**, 165-171. [Lakes & Tarns].

1957 Four new green algae. Revue algologique. (n.s). **3**, 26-44.

1957 Fungal diseases of plankton algae. **In :-** Institute of Biology. Biological Aspects of the Transmission of Disease. Oliver & Boyd. 19-23.

1957 Joint Author : Talling, J.F. Botanical limnological methods with special reference to the algae. Bot. Rev. **23**, 489-583.

1957 Joint Authors : Mackereth, F.J.H., **Lund, J.W.G**. & Macan, T.T. Chemical analysis in ecology illustrated from Lake District tarns and lakes. Proc. Linn. Soc. Lond. **167**, 159-75. [Lakes & Tarns].

1958 Joint Authors : Kipling, C., Le Cren, E.D. The inverted microscope method of estimating algal numbers and the statistical basis of estimations by counting. Hydrobiologia, **11**, 143-170.

1958 Primary production in inland waters. **In :-** Institute of Biology. The Biological Productivity of Britain. 61-66.

1959 A simple counting chamber for nannnoplankton. Limnol Oceanogr. **4**, 57-65.

1959 Buoyancy in relation to the ecology of the freshwater phytoplankton. Br. phycol. Bull. **7**,1-17. [Lake District].

1959 Investigations on the algae of Lake Windermere. Advmt Sci., Lond. **15**, 530-534. [Lakes & Tarns].

1960 Concerning Calycomonas Lohmann and Codonomonas Van Goor. Nova Hedwigia. **1**. 423-429.

1960 New or rare British Chrysophyeae. **3**. New records and observations in sexuality and classification. New Phytol. **59**, 349-360.

1960 Some new British algae. Naturalist. Hull. **874**. 89-96.

1960 Some new or rare Chrysophyceae from the English Lake District. Hydrobiologia.**16**, 97-108.

1961 An artificial alteration of the seasonal cycle of the planktonic diatom *Melosira italica* Subsp subarctica in an English Lake. J. Ecol. **59**, 521-533. [Lakes & Tarns].

1961 *Asterionella formosa* Hass. var . *acaroides* Lemm. - a phycological enigma. Br. phycol. Bull. **2**, (2), 63-66.

1961 Joint Authors : Cannon, D., **Lund, J.W.G** and Sieminska, J. The growth of *Tabellaria flocculosa* (Roth) Kutz. var. *flocculosa* (Roth) knuds, under natural conditions of light and temperature. J. Ecol. **49**, 277-287.

MacDONALD, J.

1964 Sub-Editor. **Plants** : Almond Willow. Alpine Bartsia. Alternate-leaved Golden Saxifrage. Bird Cherry. Bistort. Blackthorn. Bluebell (Pink). Bogbean. Bog Myrtle. Broom. Burnet Rose. Butterwort. Comfrey. Common Lungwort. Coralroot Orchid. Cowslip. Cuckoo Pint. Daffodil. Damson. Early Purple Orchid. Field Pansy. Fly Orchid. Gooseberry. Guelder Rose. Herb Paris. Herb Robert. June Pansy. Ladies Mantle. Large Bittercress. Lesser Chickweed. Maple. Marsh Marigold. Marsh Valerian. Meadow Saxifrage. Oxlips. Periwinkle. Pink Purslane. Purple Saxifrage. Ramsons. Red Campion. Ribwort Plantain. *Scilla Italica*. Shining Cranesbill. Slender Speedwell. Solomons Seal. Spring Cinquefoil. Spring Vetch. Sweet Cicely. Tassle Hyacinth. Thale Cress. Twayblade. Wall Rocket. Water Avens. Welsh Poppy. Whitebeam. White

Butterbur. Wild Cherry. Wild Strawberry. Wood Clubrush. Wood Cranesbill. Wood Goldilocks. Yellow Corydalis. **Ferns** : Black Spleenwort. Filmy Fern. Parsley Fern. Polypody. Rustybacks. **Sedges** : Birdsfoot Sedge (*Carex ornithopoda*). Fingered Sedge (*C. digitata*). **Fungi** : Birds Nest Fungus. The Field Naturalist. **9**, (n.s), (2). 32-34. [Flora]. [Trees].

1964 Sub-Editor. **Plants** : Alpine Bartsia. Alpine Poa. Black Sedge. *Blysmus compressus*. Least Willow. Milkwort (*Polygala amara*). Oyster Plant. Shrubby Potentilla. **Plants Spreading** : Broad-leaved Ragwort. New Zealand Willow-herb. Policeman's Helmet (Balsam) (*I. glandulifera*). Small Balsam. **Aliens and Freaks** : *Asarabacca europium*. Hard Poa. Maiden Pink. Perennial wall Rocket. Sea Campion. Stonecrops : *S.album*. *S. purium*. *S.reflexum*. *Ustilago violacea*. *Veronica peregrina*. **Plant Records (June)** : Alpine Forget-me-not. Alpine Meadow Rue. American Willow Herb. Bur Chervil. Butterfly Orchid. Carline Thistle. Climbing Corydalis. Dame's Violet. Deadly Nightshade. Dropwort. Dusky Cranesbill. Dyer's Greenweed. Eastern Rocket. Feverfew. Field Gentian. Frog Orchid. Green Alkanet. Heath Groundsel. Herb Paris. Hoary Rock Rose. Horseshoe Vetch. Knewel. Lesser Butterfly Orchid. Lesser Skullcap. Mares Tail. Marsh St. John's Wort. Mountain Everlasting. Orange Hawkweed. Pale St. John's Wort. Ploughman's Spikenard. Red Rattle. Seaside Thistle. Spring Sandwort. Upright Bedstraw. Wood Sedge. Yellow Horned Poppy. **Plant Records (July).** Blue Sowthistle. Bog Pimpernel. Broad-leaved Hellborine. Cloudberry. Common Sundew. Crown Vetch. Dittander. English Stonecrop. Fennel. Giant Bellflower. Gold of Pleasure. Good King Henry Great Burnet. Hop Helleborine. Monkey Flower. Pale Toadflax. *Potentilla Norvegica* Snowberry. Prickly Lettuce. Sea Lavender. Smith's Cress. Sneezewort. Touch-me-not (*I.nolitangere*). Traveller's Joy. Wall Lettuce. White Stonecrop. Zostera (*Z. marina* & *Z.augustifolia*). **Plant Records (August)** : Bog Pimpernel. Giant Bellflower. Grass of Parnassus. Greater Spearwort. Lesser Bladderwort. Orpine. Roseroot. **Ferns** : Green Spleenwort. Holly Fern (*Polystichum lanchitis*). Moonwort (*Botrychium lunaria*). Royal Fern. **Grasses.** Cord Grass (*Spartina*). The Survey of the Flora of West Lancashire). The Field Naturalist. **9**, (n.s), (3), 46, 48-50. [Flora].

1964 Sub-Editor. **Fungi** - Records from : **Elterwater Area** : *Amanita rubescens*. *Boletus lutens*. *Clavaria corniculata*. *Hypholoma fasiculare*. *Hypholoma sublateritium*. *Lentinellus cochleatus*. *Mycena adonis*. *Mycena galopus*. *Russula ocaroleuca*. *Russula vesca*. **Grange over Sands Area** : *Hygrophorus coccineus*. *Hygrophorus laetus*. *Hygrophorus pratensis*. *Pholiota adiposa*. *Tricholoma nudum*. *Tricholoma personatum*. **Nibthwaite Area** : *Amanita citrina* (False Death Cap). *Amanita rubescens* (The Blusher). *Boletus queletii*. *Boletus scaber*. *Claveria fusiforme*. *Lactarius piperatus*. *Lactarius subdulcis*. *Lactarius vellereus*. (Milk Cap). *Russula cyanoxantha*. *Russula emetica* (The Sickener). *Russula ochroleuca*. **Rusland Area** : *Boletus calopus*. *Russula anirexia*. *Russula cyanocantha*. *Tricholoma nudem* (Wood Blewitts). **Plant Notes** : (August - November). Autumn Ladies Tresses. Basil Thyme (*Acinos arvensis*). Bog Pimpernel. Climbing Corydalis. Cranberry. Field Gentian. Grass of Parnassus. Great Sundew. Marsh Gentian. Rock Samphire (*Crithmum maritime*). Sea Lavender. Sheep's Bit. Small Balsam. Small Goosegrass. Spurious Stonecrop. Touch-me-Not (*Impatiensnoli-tangere*). Winter Heliotrope. **Plants** : Buttercups. Common Cranesbill. Cow Parsley. Dittander. Dog's Mercury. Fennel. Feverfew. Fig Tree. Mountain Cranesbill. Purple Toadflax. Sea Holly. Sea Lavender. Sea Milkwort. Sea Rocket. Smooth Rupture-wort (*Herniaria glabra*). Snowdrops. Spignel Meu (*Meum athamanticum*). Spotted Dead Nettle. Teasel. Welsh Poppy. Wood Vetch. The Field Naturalist. **9**, (n.s), (4), 74-76. [Flora].

1965 Sub-Editor. Plants. (Including : Orchids. Ferns and their allies).The Field Naturalist.**10**, (n.s), (2), 37-39. [Flora].

1965 Sub-Editor. Plants. (Including : Plant Records. Fungi. Plant Galls).The Field Naturalist.**10**, (n.s), (3), 58-60.[Flora].

1966 Sub-Editor. Plants. (Including : Spignel Meu. Ferns. Thorow-Wax. Flora of Local Tips. Fungi. Roadside verges). The Field Naturalist.**10**, (n.s), (4), 73-76. [Flora].

1966 Sub-Editor. Plants. (Including : Mezereon. Spignel-Meu. Ferns. Mosses). The Field Naturalist. **11**, (n.s), (1), 14-16.[Flora].

1913 The Lepidopterous Fauna of Lancashire and Cheshire : being a new edition of Dr Ellis's List. Lancashire and Cheshire Entomological Society. 37th Annual Report and Proceedings, Session 1913. 1-18. [Lepidoptera] [Insects].

1914 Second Exhibition Meeting. 5th November, 1913. Exhibits include L: *Coenympha typhon* and *Lycaena astrarche* (one almost artaxerxes) from Witherslack. Manchester Entomology Society. 11th Annual Report & Transaction for 1913. 16. [Lepidoptera] [Insects].

1915 Report on the Lepidoptera for 1914, Lancashire and Cheshire.(Includes *Catoptria aspidiscana* at Grange-over-Sands and Eggerslack Woods). Lancashire and Cheshire Fauna Committee. 1st Annual Report and Reports of the Recorders. 1914, 12-14.[Insects].

1916 Exhibition Meeting, October 6th, 1915. Exhibited *Acronyeta leporina* and var. melanocephaga; *Lycoena oegon*, Series of blue females from Witherslack. Manchester Entomology Society. 13th Ann Rept & Trans. for 1915. 14. [Insects].

1918 Exhibition evening. 4th October, 1916. Exhibits *E. venosata* from Witherslack. Man. Ent. Soc. Ann. Rept & Trans for 1916 & 1917. 14. [Insects].

1918 Exhibition Meeting, Oct 4th, 1917. Exhibits from Witherslack and Grange series of Argynnis *euphrosyne*, *Nemeobious lucina*, *Laurentia salicata* and *Coremia unidentaria* both original and red forms. Man. Ent. Soc. 14th & 15th, Annual Reports. & Trans.1916 & 1917. 35.[Lepidoptera] [Insects].

1918 Report of the Recorder for Lepidoptera for 1917.(Includes records submitted by A. Miles Moss and Albert E.Wright). Lancashire and Cheshire Fauna Committee. 4th Annual Report and Reports of Recorders. April, 1918, 13-16.[Insects].

1920 Lepidoptera Report of the Recorder for 1918. (Includes records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 6th Annual Report and Reports of the Recorders. 12-15. [Locations: Grange-over-Sands. Humphrey Head]. [Insects].

1921 Lepidoptera - Report of the Recorder for 1919.(Includes records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 7th Annual Report and Reports of the Recorders for

1920. 46-50. M.U.P. [Locations : Arnside. Grange-over-Sands]. [Insects].

1922 *Blastobasis lignea* Wlsm (Lep) : A species new to Britain. (Contains references to A.E.Wright. Grange over-Sands). Entomologist. **55**, (710), July, 145-147. [Insects].

1922 Lepidoptera - Report of the Recorder for Lepidoptera in Lancashire and Cheshire for 1920 and 1921. (With records submitted by Dr Richard Lowther, Albert E. Wright and J. Davis Ward). Lancashire and Cheshire Fauna Committee. 8th Annual Report and Records of the Recorders for 1921. Part 2. 40-45. M.U.P. [Locations : Grange-over-Sands. Grange Fell]. [Insects].

1924 Notes on Lepidoptera for 1922-1923. (With records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 10th Annual Report and Reports. [Insects].
of the Recorders for 1923. 10-13. Palatine Press, Darwen. [Location : Grange-over-Sands].

1924 Notes on Lepidoptera for 1922-23. (Includes records submitted by Albert E. Wright). Lancashire and Cheshire Naturalist. **16**, July, 245-249.[Insects].

1927 Report of the Recorder for Lepidoptera.(With records by Dr R. Lowther and H.L.Burrows) Lancashire and Cheshire Fauna Committee. 13th Annual Report and Reports of the Recorders for 1926. 2-3. [Locations : Grange-over-Sands. Holker Moss]. [Insects].

1930 Report on Lepidoptera for 1927-1929. (Records submitted by J. Davis Ward. R.C.Lowther). Lancashire and Cheshire Fauna Committee. 16th Annual Report and Report of the Recorders for 1929. 10-11. Buncle. [Location : Grange-over-Sands]. [Insects].

1934 Lepidoptera in 1932 and 1933. (With records submitted by Dr R. Lowther and Albert E. Wright). Lancashire and Cheshire Fauna Committee. 20th Annual Report and Reports of the Recorders for 1933. 37-38. Buncle. [Location : Grange-over-Sands]. [Insects].

1935 Report on Lepidoptera in 1934.(Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 21st Annual Report and Reports of the Recorders for 1934. 23-24. Buncle. [Location : Grange-over-Sands]. [Insects].

1937 Lepidoptera in 1935-1936. (Records submitted by R.C.Lowther. Albert E. Wright).Lancashire and Cheshire Fauna Committee. 23rd Annual Report and Reports of the Recorders for 1936. 37-40. Buncle. [Location : Grange-over-Sands]. [Insects].

1939 Joint Author : Wright, Albert E. The life history of *Blastobasis lignea*, Wals. Entomologist. **72**, (909), February, 27-30. [Insects].

1939 Lepidoptera in 1937. (Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 24th Annual Report and Reports of the Recorders for 1937. 29-30. Published July,1937. Buncle. [Location : Grange-over-Sands].

1939 Lepidoptera in 1938. (Records submitted by Albert E.Wright). Lancashire and Cheshire Fauna Committee. 25th Annual Report and Reports of the Recorders for 1938. 38-40. Published November 1939. [Locations Cark. Grange-over-Sands].

1940 Author : Ellis, John W. The Lepidopterous Fauna of Lancs and Cheshire (First published 1890.) Revised 1940 by W. Mansbridge. Lancs and Cheshire Entomological Society. [Insects].

1944 Lepidoptera, Report of the Recorder for 1940, 1941 and 1942.(Records submitted by R. Lowther and Albert E. Wright). Lancashire and Cheshire Fauna Committee. 26th Report and Reports of the Recorders for 1939-42. Part 1. 12-15. Buncle. [Insects].

1947 Lepidoptera. Report of the Recorder for the years 1943 - 1946. (Records submitted by R.C.Lowther. Albert E. Wright. E.W.Aubrook). Lancashire and Cheshire Fauna Committee. 27th Annual Report and Report of the Recorders for 1943-46. 15-19. [Locations : Grange-over-Sands. Holker]. [Insects].

1949 Joint Author : Wright, Albert E. Lepidoptera 1947 and 1948. (Records submitted by R.C.Lowther. J.L.Kershaw. Albert E. Wright). Lancashire and Cheshire Fauna Committee. 28th Annual Report and Report of the Recorders for 1947-1948. 10-13, 14-21. Buncle. [Locations : Grange-over-Sands. Meathop Moss. Cark. Barrow]. [Insects].

1950 Joint Author : Wright, Albert E. Lepidoptera, 1949.(Records submitted by R.C.Lowther. Albert E. Wright. K.G.Boyd). Lancashire and Cheshire Fauna Committee. 29th Report and Report of the Recorders for 1949. 81-92. Buncle. [Locations : Broughton-in-Furness. Grange-over-Sands]. [Insects].

1957 Sub-Editor. Marine, Freshwater Life and Molluscs. The Field Naturalist. **2**, (n.s), (6), 64-65.
1957 Sub Editor. Notes on Mammals. (Field sightings: Grey Seal. Grey Squirrel. Rabbit. Red Deer). The Field Naturalist. **2**, (n.s), (6),71-72.[Mammals].
1958 Sub-Editor. Lampreys and Amphibians.(Field sightings : Palmate Newt .Frogspawn). The Field Naturalist. **3**, (n.s), (3), 30. [Fish].
1958 Sub-Editor. Lampreys and Amphibians.(Natterjacks). The Field Naturalist. **3**, (n.s), (4), 45.
1958 Sub-Editor. Lampreys around Lakeland. The Field Naturalist. **3**, (n.s), (1), 5-6. [Fish].
1958 Sub-editor. Lampreys, Fish & Amphibians. The Field Naturalist. 3, (n.s.) (2), 19. [Char. Frog-Spawn].
1958 Sub-Editor. Mammals. (Field sightings : Hares. Hedgehog. Rabbit. Weasel). The Field Naturalist. **3**, (n.s), (4), 48.
1958 Sub-Editor. Mammals. (Field sightings : Hares. Rabbits. Roe Deer. Seal. Sheep. Stoats). The Field Naturalist. **3**, (n.s), (5), 60.
1958 Sub-Editor. Notes on Amphibians and Mammals. The Field Naturalist. **3** (n.s), (1) : 11. [Bottle-nosed Dolphin. Grey Squirrel. Moles. Stoats. Toads].
1958 Sub-Editor. Notes on Fishes.(Field sightings : Tope. Basking Shark). The Field Naturalist. **3**, (n.s), (5), 55. [Fish].
1958 Sub-editor. Notes on Mammals. (Field sightings : Fallow Deer. Otters. Pine Marten. Porpoises. Red Deer. Roe Deer. Seals). The Field Naturalist. 3, (n.s), ?
1958 Sub-Editor. Notes on Mammals.(Field sightings : Badgers. Dolphins (Bottle-nosed and Common). Hedgehogs, Porpoise. Pygmy Shrew. Red Squirrel. Stoat. Vixen. Host Mothers (Artificial Insemination)). The Field Naturalist. **3**, (n.s), (3), 36.
1958 Sub-Editor. Notes on Mammals.(Field sightings : Rabbits and Myxomatosis. Field Voles and their Ticks. Red Squirrel Survey). The Field Naturalist. **3**, (n.s), (6),71-72.
1959 Sub-Editor. Notes on Mammals.(Field sightings : Pine Marten. Red Deer. Red Squirrels). The Field Naturalist. **4**. (n.s), (1), 11.
1959 Sub-Editor. Notes on Mammals and Amphibians.(Field sightings : Badger. Bats (Pipistrelle). Moles. Rabbits. Red Deer. Roe Deer. Stoats. Frogs). The Field Naturalist. **4**, (n.s), (2), 23-24.
1959 Sub-Editor. Notes on Mammals, Snakes and Amphibians. (Field sightings : Badgers. Bat (Longeared). Hare. Red Squirrel. Stoats. Adder. Palmate Newts. Slow Worm). The Field Naturalist. **4**, (n.s), (3), 32-33. [Reptiles].
1959 Sub-Editor. Notes on Mammals and Amphibians.(Field sightings : Hare. Red Deer. Roe Deer. Stoats. Water Shrew. Lizards (Common and Sand).Natterjack Toad). The Field Naturalist. **4**, (n.s), (4), 48. [Reptiles].
1959 Sub-Editor. Notes on Mammals and Reptiles.(Field sightings : Badger, Grey Seal. Voles. Slow Worm). The Field Naturalist. **4**, (n.s), (5), 60.
1959 Sub-Editor. Notes on Mammals and Reptiles.(Field sightings : Porpoise. Rabbit. Red Squirrel. Stoats. Slow Worms). The Field Naturalist. **4**, (n.s), (6), 72. [Marine Mammals].
1960 Sub-Editor. Mammals.(Field sightings : Badger, Common Shrew. Water Shrew). The Field Naturalist. **5**, (n.s), (5), 60.
1960 Sub-Editor. Mammals and Amphibians.(Field sightings : Bat. Rabbit. Frogs. Toads]. The Field Naturalist. **5**, (n.s), (2), 24.

1960 Sub-Editor. Mammals and Reptiles. [Field sightings : Common Seal, Hare. Otter. Stoat. Adder). The Field Naturalist. **5**, (n.s), (1), 12. [Marine Mammals].

1960 Sub-Editor. Mammals and Whales. (Field sightings : Badger. Fox. Porpoise. Rabbit. Red Squirrel. Roe Deer). The Field Naturalist. **5**, (n.s), (3), 36. [Marine Mammals].

1960 Sub-Editor. Mammals, Reptiles and Amphibians.(Field sightings : Red Deer. Roe Deer. Water Shrew. Slow Worm. Toad). The Field Naturalist. **5**, (n.s), (4), 47-48.

1961 Sub-Editor. Mammals.(Field sightings : Badger. Copyu. Dolphin (Bottle-nosed). Otter. Red Squirrel. Roe Deer. Stoats). The Field Naturalist. **6**, (n.s), (1), 11.

1961 Sub-Editor. Mammals.(Field sightings : Badgers, Bats(Long-eared). Field Voles. Rabbits. Red Squirrel. Roe Deer). The Field Naturalist. **6**, (n.s), (3), 36.

1961 Sub-Editor. Mammals.(Field sightings : Bats (Daubenton's and Whiskered. Hedgehogs. Otters. Red Squirrels. Shrew. Stoat). The Field Naturalist. **6**, (n.s), (6), 72.

1961 Sub-Editor. Mammals and Amphibians.(Field sightings : Badgers. Bats. Deer and Yew Trees. Field Mouse. Hares. Red Squirrel. Stoats. Frogs. Palmate Newts).The Field Naturalist. **6**, (n.s), (2), 24.

1961 Sub-Editor. Mammals and Reptiles.(Field sightings : Atlantic Seal. Badgers. Porpoise. Stoat. Weasel). The Field Naturalist. **6**, (n.s), (5), 60. [Marine Mammals].

1961 Sub-Editor. Mammals, Reptiles, Amphibians and Fish.(Field sightings : Badger. Fox. Grey Seals. Roe Deer. Weasels. Adders. Slow Worm. Natterjack Toads. Pacific "Pink" Salmon). The Field Naturalist. **6**, (n.s), (4), 47. [Marine Mammals].

1962 Sub-Editor. Mammals.(Field sightings : Badger. Bat (Pipestrelle). Fallow Deer, Red Deer, Roe Deer. Sika Deer). The Field Naturalist. **7**, (n.s), (4), 69-70.

1962 Sub-Editor. Mammals and Amphibians.(Field sightings: Badgers. Red Deer. Stoats. Frogs). The Field Naturalist. **7**, (n.s), (1), 15-16.

1962 Sub-Editor. Mammals and Lizards.(Field sightings : Badger. Bat (Natterer's). Mink. Pine Marten. Red Deer. Sand Lizard. Slow Worm). The Field Naturalist. **7**, (n.s), (2), 35-36. [Reptiles].

1962 Sub-Editor. Mammals and Lizards. (Field sightings : Badger, Otters, Red Deer. Roe Deer. Weasel. Slow Worm). The Field Naturalist **7**, (n.s), (3), 52-53.[Reptiles].

1963 Joint Author : Johnson, A.B. Eden Field Club's support for National Nature Week, May, 1963. The Field Naturalist. **8**, (n.s), (2), 24-25.

1963 Sub-Editor. Mammals and Amphibians.(Field sightings : Rabbit. Red Squirrels. Stoats. Frog). The Field Naturalist. **8**, (n.s), (1), 15.

1963 Sub-Editor. Mammals. (Field sightings : Red Deer, Roe Deer. Voles). The Field Naturalist. **8**, (n.s), (2), 40.

1963 Sub-Editor. Mammals. (Field sightings : Hare. Red Squirrels). The Field Naturalist. **8**, (n.s), (3), 49.

1963 Sub-Editor. Mammals (Field sightings : Badgers. Deer. Red Squirrels. White Hares). The Field Naturalist. **8**, (n.s), (4), 68.

1964 Sub-Editor. Animals and Fish. (Field sightings Dolphins, Grey Squirrel. Red Deer. Grey Mullet. Natterjack Toads). The Field Naturalist. **9**, (n.s), (3), 56. [Marine Mammals].

1964 Sub-Editor. Mammals. (Field sightings : Badgers. Mink. Red Squirrel Survey. White Hare. Frog). The Field Naturalist. **9**, (n.s), (1), 5. [Amphibians].

1964 Sub-Editor. Mammals and Snakes. (Field sightings : Hares, Rabbits. Red Deer. Red Squirrel. Roe Deer. Stoats. Vole. Weasels. Adders. Grass Snake). The Field Naturalist. **9**, (n.s), (2), 39-40. [Reptiles].

1964 Sub-Editor. Mammals. (Field sightings : Coypu. Grey Seal. Grey Squirrel. Red Deer. Red Squirrel Survey - Results. Scottish Wild Cat). The Field Naturalist. **9**, (n.s), (4), 73-74. [Marine Mammals].

1965 Sub-Editor. Mammals. (Field sightings : Mole. Seals. Adder. Waterhen /Stoat interaction). The Field Naturalist. **10**, (n.s), (3), 54-55. [Marine Mammals] [Reptiles]. [Birds].

1965 Sub-Editor. Mammals and Fish. (Field sightings : Roe Deer. Brown Trout.) The Field Naturalist. **10**, (n.s), (2), 35-37.

1965 Sub-Editor. (Field sightings : Rats, Weasels and Waterhens). The Field Naturalist. **10**, (n.s), (2), 36-37. [Mammals]. [Birds].

1966 Eden Field Club's participation in National Nature Week. The Field Naturalist. **11**, (n.s), (2), 23-24.

1966 Sub-Editor. Mammals. (Field sightings : Hill Foxes in Winter. Squirrels…a Query). The Field Naturalist. **10**, (n.s), (4), 71-72.

1966 Sub-Editor. Mammals. (Field sightings : Squirrel Behaviour. Blind Otters in Lancashire. Grey Seal. Mink. Stoats). The Field Naturalist. **11**, (n.s), (1), 12-14. [Marine Mammals].

1966 Sub-Editor. Mammals. (Field sightings : Badgers. Badger Cubs and Lambs). The Field Naturalist. **11**, (n.s), (2), 32-33.

1966 Sub-Editor. Other Animals. (Field sightings : Stoat. Lizard). The Field Naturalist. **11**, (3), 49. [Mammals]. [Reptiles].

1967 Sub-Editor. Mammals (Field sightings : Weasels and Waterhens). The Field Naturalist. **12**, (n.s), (2), 43. [Birds].

1968 Sub-Editor. Mammals.(Field sightings : Badgers. Red Squirrel. Weasel). The Field Naturalist. **13**, (n.s), (3), 62.

1968 Sub-Editor. Other Animals. (Field sightings : Badgers. Foxes. Adder. Badgers and Pesticides). The Field Naturalist. **13**, (n.s), (2), 44-45.

MICHAELIS, A. N.

1961 Notes on species of microlepidoptera found in Lancashire and Cheshire. Manchester Entomological Society. 50th-58th Annual Report, Proc & Trans. 1952-1960. 29-32. [Includes *Lithocolletis geniculella* Ragonet - small colonies found in Westmorland and *Epiblema foenella* (Linne) recently occurred on the North Lancashire Coast]. [Lepidoptera] [Insects].

MICHAELIS, H. N.

1935 Notes and exhibits. 7th, November, 1934. Exhibits large number of specimens from Delamere and *Triphaena rubricosa* from Ambleside. Manchester. Entomology. Society. Ann. Rept & Trans for 1934. 22-23.[Insects].

1937 Notes and exhibits, 2nd December, 1936. Displays *Eustroma reticulata* Fab., from Windermere. Manchester. Entomology. Society. 34th Ann. Rept & Trans. for 1936. 75.[Lepidoptera] [Insects].

1953 Microlepidoptera in Cheshire and South Lancashire. Ent. Rec. **65**, (3), March, 74-76. [Reference to *Blastobasis lignea* Wals and A.E.Wright]. [Insects].

1954 Lepidoptera 1951-1953. (Records submitted by N.L.Birkett. K.R.Burgess). Lancashire and Cheshire Fauna Committee. 30th Report and Report of the Recorders for 1950-1954. 48-56. [Locations : Ulverston. Greenodd. Broughton in Furness]. [Insects].

1955 Annual Exhibition, October 1953. Exhibits :- *Dichomeris marginella* (Fab) taken at Arnside, Westmorland. Proc. S. Lond. ent. nat. Hist. Soc. 1953-1954. p37. [Insects].

1955 Records of Microlepidoptera from Lancashire and Cheshire. L&C Entomological Society. Annual Report and Proceedings. Session 1954-1955. 55-69. [Includes records from N.L.Birkett. F.Littlewood. R.C.Lowther. A.E.Wright]. [Insects].

1958 Annual Exhibition, October 1957. Exhibits Lepidoptera from various localities. Proc. S. Lond. ent. nat. Hist. Soc. 1957, 34-35. [Exhibits include :- *Cochceophasia pubicornis* Haw taken at Arnside. *Zelleria hepariella* Staint and *Depressaria ciliella* Staint, from Witherslack]. [Insects].

1958 Microlepidoptera in Lancashire and Cheshire, 1955-1957. Ent. Rec. **70**, (5), May, 122-127. [Records for : *Phalonia implicitana* (Wocke) taken by N.L.Birkett at Walney Island. *Endothenia ericetana* (Westw) and *Argyroploce arcuella* (Clerck) taken at Grange over-Sands and Windermere respectively by John Heath]. [Insects].

1959 Lepidoptera for 1954-56. (Includes one record submitted by N.L.Birkett :- Tortricoidea, *Phalonia implicitana* (Wocke), Walney Island). Lancashire and Cheshire Fauna Committee. 31st Report and Report of the Recorders for 1957-58. 72-76. [Insects].

1962 Annual Exhibition Meeting, 1961 Exhibits : *Eupithecia tantillaria* Boisd, from Beetham, Westmorland. Ann. Rept. Proc. Lancs & Cheshire. Ent. Soc. Session 1961-1962. 16. [Dwarf Pug Moth]. [Lepidoptera]. [Insects].

1963 Lepidoptera Report, 1957-1961. [Records submitted by N.L. Birkett, and J. Heath. Roundsea Wood]. Lancashire and Cheshire Fauna Committee. 33rd Report and Reports of the Recorders. Publication. **33**. 51-52. [Insects].

1977 The history and present status of *Luperina nickerlii* gueneei Doubleday in Britain. Ent. Rec. **89**, (6), June, 183-185. [No Cumbria connection but references to J.B.Hodgkinson]. [Insects].

1982 *Bucculatrix cidarella* Zeller, (Lep : Lyonethdae) on Myrica gale. Ent. Rec. **94**, (5-6), May-June, 102-103. [Suggests Witherslack as a potential site]. [Insects].

NATIONAL TRUST.

1991 Lister, J.A. Langdale : Raw Head, Cumbria. National Trust Biological Survey. September 1989.

1991 Lister, J.A. and Alexander, K.N.A. Langdale : Brunt How, Cumbria. Location includes : part of Troughton Gill, Cumbria. National Trust Biological Survey, September, 1989.

1991 Lister, J.A. and Alexander, K.N.A. Langdale : Force How and Bridge How Coppice. Location Includes : part of Skelwith Woods National Trust Biological Survey, September, 1989.

1991 Scruby, M and Grove, S. Hawkeshead : Land at Outgate, Cumbria. Location includes : Fordwood Beck. National Trust Biological Survey, September 1989.

1992 Scruby M and Lister, J.A. Crosthwaite Estate, Cumbria. National Trust Biological Survey, September, 1989.

1993 Alexander, K.N.A. Plumpton Marsh, Cumbria. National Trust Biological Survey, June 1991.

1993 Lister, J and Alexander K. Eskdale, Cumbria. Locations include :- Blea Tarn, Boot, Eel Tarn, Gill Force, Hard Knott, Ling Cove Beck, River Esk, Strong Tarn, Tongue Moor, Whillan Beck, Birker Fell, Blind Tarn, Bow Fell (Western), Burn Moor Tarn, Crinkle Crags, Illgill Head (Part), Siney Tarn, Woolpack Land. National Trust Biological Survey.1991 and June 1980.

1994 Alexander, K.N.A. Long Moor, Emmerdale, Cumbria. National Trust Biological Survey, June, 1991. Incorporating 1980, Report.

1994 Alexander, K.N.A. Dunthwaite : North West. National Trust Biological Survey. June, 1991.

1994 Jackson, P Alexander, K and Foster, A. With Geological update by Lister, J. Derwent Estate Vol 1. Biological Evaluation and Summary of Management implications. Vol 2, Base Maps. Vol 3 Description. Vol 4.Vegetation Maps. National Trust Biological Survey. Location includes : Armboth Fells, Buttermere Fells, Castlehead Wood, Great Wood. Hollows Farm, The Ings, Johning Wood, Lodore Troutbeck Woods, Rosthwaite Fell, Scafell Pikes, Seatoller, Sourmilk Gill, Seathwaite Graphite Mine, Stonethwaite Woods.

1994 Scruby, M and Alexander, K. Ambleside Estate : Borrans Field, High Skelghyll Farm, Skelghyll Farm and Dove Nest Woods. Geology by Lister, J. National Trust Biological Survey, August, 1991.

1994 Scruby, M and Alexander, K. Ambleside Estate : Ambleside, East Windermere, Troutbeck. Locations include : Town End, Troutbeck Park, The Howe Farm, High Fold Farmland. Geology by J. Lister. National Trust Biological Survey, August, 1991.

1994 Scruby, M and Alexander, K. Ambleside Estate : Common Farm, Allen Knott and Latter Heath. Location Includes : Common Wood, East Windermere, Troutbeck. Geology by Lister, J. National Trust Biological Survey. August, 1991.

1994 Scruby, M and Alexander, K. Ambleside Estate : Ladyholme and Ramp Holme, Cumbria. National Trust Biological Survey. 1991.

1994 Scruby, M and Alexander, K. Ambleside Estate : Low Longmire, Cumbria. Location includes : East Windermere, Troutbeck, Bouth. National Trust Biological Survey, August, 1991.

1995 Jackson, P and Alexander, K. Buttermere Valley, Cumbria. National Trust Biological Survey, June, 1991. Incorporating 1980 Survey.

1995 Jackson, P.K and Alexander, K.N.A. Coniston, Cumbria. Location includes : Monk Coniston, Wharton Tarn, West of Lake, East of Lake - Zoological Survey only - Nibthwaite, Pack-a-Moor, Dodgson Wood SSSI. National Trust Biological Survey, August 1991.

1995 Jackson, P and Alexander, K. Duddon Valley, Cumbria. National Trust Biological Survey, July, 1991 incorporating 1980 and 1987 Reports.

1995 Jackson, P.K. and Alexander, K.N.A. Grasmere Estate. National Trust Biological Survey, July, 1991. Incorporating 1980 Report.

1995 Lister, J and Alexander, K. Hawkshead, Cumbria. Location includes : Brathay Quarries SSSI (Part), Blelham Tarn and Bog SSSI, Blelham Bog N.N.R., Claife Tarns and Mires SSSI (Part), Claife Woods, Esthwaite Water SSSI (Part), North Fen, N.N.R. National Trust Biological Survey, August 1991.

1995 Lister, J.A and Alexander, K. Ullswater, Cumbria. National Trust Biological Survey, July 1991. Incorporating 1980 Survey.

1995 Lister, J and Alexander, K. Wasdale (Including Wrigley Estate) Cumbria. National Trust Biological Survey, June,1991. Incorporating 1980 Report.

1995 Scruby, J, Lister, J and Alexander, K. Ennerdale Locations include : Ennerdale SSSI, (Part), Piller and Ennerdale Fells SSSI (Part). National Trust Biological Survey. June, 1991.

1995 Scruby M and Alexander, K.N.A. Sizergh Castle Estate, Cumbria. Includes Brigsteer Park, Low Park Wood, Sizergh Fell and section of River Kent. National Trust Biological Survey, August, 1991. Incorporating 1980 Report.

1995 Scruby, M Alexander, K. The Langdale Valleys, Cumbria. Locations include : Blea Tarn SSSI, Little Langdale SSSI, Colwith Pasture , Loughrigg Tarn. Geology by J. Lister. National Trust Biological Survey, July / August, 1991.

1997 Alexander, K.N.A. Coniston - High Ground Farm, Torver, Coniston, Cumbria. Incorporating a Report by J. Hooson, March 1994. National Trust Biological Survey. July, 1996.

1997 Lister, J.A. and Alexander, K.N.A. Buttermere Estate. Locations include : High Nook Farm, White Oak and adjoining land (Cumbria). National Trust Biological Survey. July, 1996.

1997 Lister, J.A. and Alexander, K.N.A. Buttermere Valley, Cumbria. Locations include : High Park, Crummock Water. National Trust Biological Survey. July, 1996.

1997 Lister, J.A, Foster, A.P and Alexander, K.N.A. Ullswater : Grove Farm, Cumbria. National Trust Biological Survey. July, 1996.

1998 Jackson, P.K. and Alexander, K.N.A. Ambleside : Troutbeck. Stonethwaite Farm, Cumbria. National Trust Biological Survey, July, 1996.

2001 Lister, J.A and Alexander, K.N.A. Borrowdale and Derwentwater - Fold Head Farm, Cumbria. Locations include : part of Armboth Fell SSSI. National Trust Biological Survey, 1999, incorporating parts of 1991 Survey.

2004 Allen, R. Brash, P and Foster, A.P. Holme Park Fell, Cumbria. National Trust Biological Survey, August, 2003.

NATURAL ENGLAND.

2008 Climate change impact assessment and response strategy : Cumbria High Fells Character Area.

2008 State of the Natural Environment. [Includes North West] [Climate Change].

NATURAL HISTORY SOCIETY OF NORTHUMBRIA.

2010 Botany Section : brief report of a field meeting to Crosby Gill, near Orton. Led by Jeremy Roberts. Ann. Rept. 2009. Transactions Natural History Society of Northumbria. **69**, (4), February,195. [Flora].

NATURE CONSERVANCY COUNCIL (Later Nature Conservancy).

1955 Report for the year ending 30th September, 1955. H.M.S.O. [Contents include :- Scientific work at Merlewood and Moor House, p5-12. Roudsea Wood, p25. Blelham Tarn, Ambleside, p23. Ravenglass Gullery with brief references to Jo Farren and N.Tinbergen p30]. [Nature Reserves] [Birds].

1956 Report for the year ending 30th September, 1956. H.M.S.O. [Contents include :- Scientific work at Merlewood and Moor House including Roudsea Wood 6-11. Ravenglass Gullery - reference to Jo Farren 43. Buzzard Population Research (Including Lake District) 46-48].[Birds] [Raptors].

1957 Report for the year ending September, 1957. H.M.S.O. [Contents include :- Scientific Research at Merlewood and Moor House, including the work of J.E.Satchell at Roudsea Wood studying the infestation of *Tortrix viridana*), 6-14. Ravenglass Gullery with references *to* Jo Farren and J. Pharaoh and the research being undertaken by the Department of Zoology, Oxford University 57]. [Lepidoptera]. [Green Oak Roller Moth]. [Birds] [Nature Reserves].

1958 Report for the year ending September, 1958. H.M.S.O. [Contents include :- Roudsea Wood 9-11. Rusland Moss 27. Ravenglass Gullery - with references to N. Tinbergen, and students G.H. Manley and C. Beer. Scientific Research at Merlewood and Moor House 60-63, 65-67. Research on the Oak and Ash Woods of Northern Britain by J.D.Ovington, J.C.Brown and C. Macrae, at Roudsea Wood 67-68. Earthworm Studies at Moor House 68-69. Scientific Research on moorland and grassland - Scottish Vegetation Survey by D.A.Ratcliffe and D.N.Macvean 57-60]. [Birds]. [Trees]. [Annelida]. [Flora]. [Nature Reserves].

1959 Report for the year ending 30th September, 1959. H.M.S.O. [Contents include :- Ravenglass Gullery with reference to N. Tinbergen 35. Scientific research at Moor House 45-47. Oak and Ash Woods of Northern England, including study of Tortrix Moth 51-54]. [Trees]. [Lepidoptera]. [Birds] [Nature Reserves]. [Birds].

1960 Report for the year ended 30th September, 1960. H.M.S.O. [Contents include :- Death of K.J.F.Park, Officer in charge, Moor House station, 6, 104 and plate 11. Roudsea Wood, Lancashire

(Reference to *Carex flava* L Large Yellow Sedge), 18. Ravenglass Gullery, reference to John Pharoah, 35. Merlewood Research Station, detailed report, 59-67. Moor House. 67-68. Climate Research 81-84. Scottish Vegetation Studies, reference to D.A.Ratcliffe, 69-70. Report on Haaf Gruney Island, Shetlands, an ornithology and Botanical Survey by D.A.Ratcliffe and W. J. Eggeling, 22-23. Protection of Birds Act, 1954. Peregrine Enquiry reference to D.A.Ratcliffe 90]. [Birds] [Raptors]. [Flora].

1961 Report for the year ended 30th September, 1961. H.M.S.O. [Contents include :- Slight reference to Coypu (*Myocastor coypus*) in Lakeland. 43. Peregrine Survey, reference to D.A.Ratcliffe. 46. Scientific Research Merelwood, includes Roudsea Wood, 46. Scottish Vegetation Studies Reference to D.A.Ratcliffe]. [Mammals]. [Birds] [Raptors]. [Flora].

1962 Report for the year ended 30th September, 1962. [Contents include :- Expansion of Roudsea Wood and (*Carex flava*),15. An introduction to Plant communities on the Scottish Highlands by D.N.McVean and D.A.Ratcliffe, with M.C.Grey - soil analyst. Peregrine Enquiry : references to D.A.Ratcliffe 57-58. Scientific Research at Merelwood Research Station and Moor House Field Station. (Includes brief project descriptions of the following :- Botanical Studies on low level woodlands. Invertebrate fauna of Woodlands. Woodland Mycology. Investigations into moor land plants. Chemical studies on organic matter. Microbiology of moorland soils. Research into Roudsea Wood and moth *Tortrix viridana* 62-64). Scientific Research in Scotland on Vegetation and Climate - indicator species. (D.A.Ratcliffe) 79 and Bog Mosses, research by D.A.Ratcliffe and M.C.Gray. 79]. [Flora]. [Birds] [Raptors]. [Trees]. [Woodland]. [Fungi]. [Lepidoptera].

1963 Report for the year ended 30th September, 1963. H.M.S.O. [Contents include :- Conservation Report : North, (Includes Roudsea Wood and Blelham Wood). Protection of Birds - Peregrine Inquiry, features D.A.Ratcliffe, 53-54. Scientific Research - Merlewood Research Station and Moor House Field Studies. (Includes brief descriptions on the following studies :- Botanical studies on low level woodlands. Establishment of trees on Pennine Moorland at Moor House. Invertebrate fauna of woodlands. Woodland Mycology. Investigations on moorland plants. Chemical studies on organic matter. Microbiology of moorland soils. Photograph of Moor House National Nature Reserve, plate 9, 10]. [Woodland] [Trees]. [Flora] [Birds] [Raptors] [Pesticides].

1964 Report for the year ended 30th September, 1964. H.M.S.O. [Contents include :- Conservation Report : North, includes Roudsea Wood. 7-8. Scientific Research : Merlewood and Moor House Research Stations. 62-71. Includes :- Botanical studies on low level woodlands. Establishment and nutrition of trees on pennine moorland at Moor House. Woodland soil zoology. Woodland Mycology. Investigations of moorland plants. Chemical studies on organic matter decomposition. Microbiology of moorland soils. Golden Eagle (in Scotland) study by J.D.Lockie and D.A. Ratcliffe]. [Woodland] [Trees]. [Raptors]. [Flora].

1968 Nature Conservancy's Regional Officer (North). Glasson Moss Nature Reserve, Cumberland. Entomologist. **101** (1256), 20.

1970 National Nature Reserves, Local Reserves and Wildfowl Refuges in Northern England. [Includes briefly : Moor House. Westmorland. Roudsea Wood. Rusland Moss. Upper Teesdale. Glasson Moss. Drigg Dunes & Gullery] [Copy in Carlisle Reference Library].

(Lt). *Pirata fuliginous* Thor. **Agelenidae** : *Hahnia helveola* Sim. **Linyphiidae** : *Pepnocranium ludicrum* (O.P.C). *Dismodicus bifrons Lepthyphantes zimmermani Bertk.* L. *mengei Kulz.* L. *Micrargus herbigradus.* (BL). *Bathyphantes parvulus* West. *Oreonetides abnormis* Bl. *Walckenaera acuminata*. Bl. *Macrargus rufus*. (Wid). *Centromerita concinna* (Thor). *Moebelia penicillata* (West). *Cnephalocotes obscurus* (BL). *Tapinocyba pallens* Sund. *Wideria cucullata* (O.P.C). *Maro minutus* O.P.C. **White Moss** : *Lepthyphantes cristatus* (Menge). *L. tenebricola* (Wid). **Armboth** - *Tapinocyba praecox* (O.P.C). *Tapinocyba pallens* (O.P.C). *Diploceplahus latrifrons* (O.P.C). *Tapinopa longidens* (Wid). *Labulla thoracica* (Wid). *Microneta viaria* (Bl). *Helophora insignis* (BL). *Maso sundevalli* (West). *Ceratinella brevis* (Wid). *Centromerus dilutus* (O.P.C). Roudsea : Liniphiid Spider (*Sintula cornigera* (BL). The Field Naturalist. **7**, (n.s), (1), 5-7. [Araneae].

1962 Spiders in Cellars. Flatford Mill Spider Group. Bulletin. **13**, January, 5. [Araneae].

1962 Spiders new to Britain. Flatford Mill Spider Group. Bulletin. **16**, October, 1. [Araneae].

1962 Spiders - some remarks on the Genus Meta. The Field Naturalist. **7**, (n.s), (2), 27-29. [*Meta segmentata* (Clerck). *Meta merianae* (Scopoli). *Meta menardi* (Latreille). *Meta bourneti*] [Araneae].

1963 Additions to the Check-list of British Spiders (Locket and Millidge). Flatford Mill Spider Group. Bulletin. **18**, April, 5-6.[Araneae].

1963 A spider new to science from Warwickshire. Warwickshire Nat. Hist. Soc. 9th Annual Report. 8-11. [Araneae].

1963 Author : Mackie, D.W. Report on Spiders for 1961 and 1962. [Records submitted by J.R.Parker. Rusland Moss]. Lancashire and Cheshire Fauna Committee. 33rd Report and Reports of the Recorders. Publication. **43**. 53-56. [Araneae].

1963 Brief Notes on some uncommon species. (*Centromerus jacksoni* Denis. *Asthenargus paganus* Simon. *Lepthyphantes expunctus* O.P-C. *Theridon bellicosum* Simon. *Lepthyphantes pinicola* Simon). Flatford Mill Spider Group. Bulletin. **19**, July. 6. [Araneae].

1963 Ectoparasitic mites on Spiders. Flatford Mill Spider Group. Bulletin. **17**, January, 2-3. [Araneae].

1963 Ectoparasitic Mites on Spiders. Ent. mon. Mag. **98**, 264. [Araneae].

1963 Joint Author : Duffey, Eric. Notes on the Genus Mato O.P-C (Araneae). The Annuals and Mag of Nat Hist. 13th Series, **6**, (65), 257-263.

1963 *Macro Lepidus* Casemir. Flatford Mill Spider Group. Bulletin. **18**, April, 3. [Araneae].

1963 Notes on Spiders. (Including *Maro lepidus* Casemir). The Field Naturalist. **8**, (n.s), (1), 4-5. [Species recorded : Maro Lepidus. *Wideria nodosa* (O.P.C). *Gongylidiellum latebricola* (O.P.C). Location Rusland. From Tarn Moss at Malham : *Diplocentria bidentata, Eboria caliginous* Falconer. Great Close Mire at Malham had *Erigone capra* Simon. Garstones had *Eboria fausta* (O.P.C). *Meioneta gulosa*. [Araneae].

1963 Notes on Spiders. (Specimens collected at Helm Crag). The Field Naturalist. **8**, (n.s), (3), 49. [*Lepthyphantes pinicola* Sim. *Poeciloneta globosa* Wid. *Theridion bellicosum* Sim. [Araneae].

1963 Some further notes on Spider Parasites. Flatford Mill Spider Group. Bulletin **17**, January, 3.

[Araneae].

1963 Spider Records. The Field Naturalist. **8**, (n.s), (4), 69. [Species recorded : *Hilaira nubigena* Hull. *Hilaira excisa* O.P.C., *Rhaebothorax morulus* (O.P.C). *Robertus aroundineti* (O.P.C). *Centromerus sylvaticus*. *Ceratinella brevis* (Wid). *Minyriolus pusillus* (Wid). *Porrhomma pallidum*. *Lathys humilis* Bl. *Atypus affinis* Eichw., the only British representative of the Sub-Order Mygalomorphae]. [Araneae].

1964 Author : Shepley, A.V. Mr J. R. Parker : an appreciation. The Field Naturalist. **9**, (n.s), (4), 57. [Biography].

1964 Ectoparsitic Mites on Spiders. British Spider Study Group. Bulletin. **22**, April, 7.[Araneae]. [Arachnida].

1964 *Macrargus rufus carpenteri* (O. Pickard-Cambridge). British Spider Study Group. Bulletin. **24**. October, 8. [Araneae].

1964 Moorland spiders. (Moor House N.N.R.). The Field Naturalist. **9**, (n.s), (4), 58-59. [*Areoncus crassiceps* (West). *Bathyphantes parvulus* (West). *Cornicularia karpinski* (O.P.C.). *Erigone promiscua* (O.P.C.). *Macrargus rufus carpenteri* (O.P.C.). *Metopobactrus prominulus* (O.P.C.). *Oedothorax retusus* (West). *Rhaebothorax morlus* (O.P.C). [Araneae].

1964 Note on the male of *Monocephalus castaneipes* (Simon). British Spider Study Group. Bulletin. **23**, July, 2. [Araneae].

1964 On the identification of spiders. The Field Naturalist. **9**, (n.s), (4), 59-64. [Araneae].

1964 Spiders. Notes on the Genus Arctosa (C.L.Koch). The Field Naturalist. **9**, (n.s), (2), 26-27. [*Arctosa perita* (Latreille). *A.leopardus* (Sundevall). *A.alpigena* (Doleschel). *A.cinerea* (Fabricius). [Araneae].

1964 The action of spiders digestive fluid on silk. British Spider Study Group. Bulletin. **23**, July, 7. [Araneae].

1965 More records of Mites as ectoparasites on Spiders. British Spider Study Group. Bulletin. **25**, January, 6. [Arachnida]. [Araneae].

1965 Spiders (*Scytodes thoracica*) new record for Cumberland. (Carlisle). The Field Naturalist. **10**, (n.s), (3), 48. [Araneae].

1966 Joint Author : Cooke, J.A.L. The re-discovery of an interesting Linyphiid Spider, *Diplocentria saxetorum.* British Spider Study Group. Bulletin. **32**, October, 7-8. [Araneae].

1966 Joint Author : Cooke, J.A.L. The re-discovery of an interesting Linyphid Spider. The Field Naturalist. **11**, (n.s), (2), 20-22.[Araneae].

1966 Joint Author : Hogg, R. [Spiders of typical marshland]. The Field Naturalist. **11,** (n.s), (2), 29. [Araneae].

!966 Notes on sperm induction and mating of the Spider *Linyphia montana* (Clerck). British Spider Study Group. Bulletin. **31**. July. 1-3. [Araneae].

1966 Oscillating spiders (Argiopids and Pholcids) and bobbing flies.(Lesser Crane Flies, Trichoceridae)The Field Naturalist. **11**, (n.s), (1), 1-2. [Araneae].

1966 Pseudoscorpions. The Field Naturalist. **11**, (n.s), (1), 2-3. [Arachnida].

1966 The Zoological Record. 1864-1965. British Spider Study Group. Bulletin. **29**. January, 5. [Araneae].

1967 A note on *Diplocephalus connatus* Berkt (=D. Adjacens. O.P-C). British Spider Study Group. Bulletin. **35**, July, 1-2. [Araneae].

1967 Author : Shepley, A.V. A Species of Spider (*Centromerus Parkeri* Cooke) named after Cumberland Naturalist. (J. R. Parker). The Field Naturalist. **12**, (n.s), (1), 11. [Araneae].

1967 Spiders, new species and records for Cumberland. (Moorthwaite Moss and Butterburn Flow). The Field Naturalist. **12**, (n.s), (1), 9-10. [Araneae].

1967 Two poems :- The Anti Socialists and Field Studies (as others see us). British Spider Study Group. Bulletin. **33**. January. 8. [Araneae].

1968 Alpine and Polar Spiders new to Britain. The Field Naturalist. **13**, (n.s), (1), 5-7. [Araneae].

1968 A note on pink spiders, (Oonopidae). The Field Naturalist. **13**, (n.s), (3), 52. [Araneae].

1968 Extension to a Nature Conservancy Site of SSSI. (Staward Woods, Northumberland). British Spider Study Group. Bulletin. **37**, January, 10. [Araneae].

1969 Author : Lunn, A.G. Spiders and films about spiders. (J. R. Parker). L.D.N.T, Newsletter. **13**, May, 18.[Araneae].

PARKHURST, Maurice.

2010 Author : Saag, Marie. Borrowdale Woods. Field Meeting. Leaders : Maurice Parkhurst, David Clarke & Stephen Hewitt. The Carlisle Naturalist. **18**, (2), Autumn, 32-34.

PARKIN, G.

1877 Velvet Scoter. Naturalist. 76. [Location : Talkin Tarn]. [Birds].

PARKIN, J. (John?).

1977 Birds of Moor House N.N.R. **In :-** Aspects of the ecology of the Northern Pennines. Moor House Occ. Paper. 10.

PARKIN, John.

1932 A unique sport of the common Buttercup (*Ranunculus acris* L.) (Observed at Wigton). North Western Naturalist. **7**, (4), 288-291. [Flora].

1941 The Clouded Yellow Butterfly, *Colias croceus* Fourcroy. (Wigton Area). North Western Naturalist. **16**, (3), 196. [Lepidoptera] [Insects].

1942 A ringed sea-gull (Common Gull, *Larus canusc*) found in Cumberland. North Western Naturalist. **17**, (4), 386. [Birds].

1944 A uniquely-placed Wasp's nest (*Vespa norvegica* F.) (Braithwaite House, Wigton). North Western Naturalist. **19**, (4), 296-297. [Hymenoptera] [Insects].

1953 A presumed cross between a pumpkin and a vegetable Marrow. North Western Naturalist. (n.s), **2**, (1), March. 138-139. [Flora].

1953 Spotted Flycatcher occupying the deserted nest of a Chaffinch. (Wigton). North Western Naturalist. **1**, (n.s), (1), 92. [Birds].

1954 A Greenfinch as foster parent to a Cuckoo. North Western Naturalist. **2**, (n.s), (4), 648-649. [Location : Wigton]. [Birds].

PARKIN, P. W.

1908 Scops Owl in Cumberland. Field. June. 13. [Birds].

PARKINSON, G.

1987 Joint Author : Holgate, J. Angler's guide to the Lake District. Westmorland Gazette. Kendal. [Fish].

PARMENTER, L.

1953 Some records of bred Tachinidae. Ent. Rec **65**, (1), January, 29-31. [Reference to N.L.Birkett]. [Insects].

PARR, Adrian.

1996 Dragonflies Report : Includes record of Vagrant Emperor (*Hemianax ephippiger*) on Solway Firth. November 1996. British Wildlife. **8**, (2), December, 118. [Odonata]. [Insects].

PARRACK, J. D.

1993 Some recent notable records for Northern England, including a probable first for the county. Ent. Rec. **105**, (1-2), January-February, 42-43. [Includes record of The Scallop Shell (*Rheumaptera undulata*), taken at Kershopefoot, Cumberland]. [Lepidoptera] [Insects].

PARRY, J. T.

1960 The erosion surfaces of the south western Lake District. Trans. Inst. Br. Geogr. **28**, 39-54. [Geology].

PARRY, M. L.

1982 Changes in the extent of moorland and rough land in the Lake District. Surveys of Moorland and Roughland Change. University of Birmingham, Department of Geography. [Ecology].

PARSLOW, J.

1973 Joint Author : Jefferies, D. Gannet mortality incidents, 1972. (Irish Sea). Marine Pollution Bulletin. **4**, 41-44. [Birds].

PARSLOW, J. L. F.

1967-1968. Changes in status among breeding birds in Britain and Ireland. British Birds Vols 60-61.

A series which ran throughout 1967-68. The following bird entries have comments which relate, often briefly, to The Lake District, Cumberland, or Westmorland. The Numbers beside each bird are the page numbers as appropriate. Some birds may have been missed for which apologies!

Vol 60, 1967 :-

Eider (28). Red-breasted Merganser (29-30). Greylag Goose (31-32). Golden Eagle (34-35). Peregrine (43-44). Ptarmigan (98). Ringed Plover (108). Golden Plover (112-113). Dotterel (113). Green Sandpiper (117). Common Sandpiper (117-118). Dunlin (120). Lesser Black-backed Gull (180). Herring Gull (181-182). Common Gull (182-183). Black-headed Gull (183-184). Arctic Tern (186). Sandwich Tern (188-189). Little Owl (199-200). Tawny Owl (200). Long-eared Owl (201-202). Nightjar (261-263). Green Woodpecker (264-265). Great-spotted Woodpecker (266). Wryneck, (267-268). Sand Martin (272-273). Raven (273-274). Chough (279-280). Nuthatch (283-284). Reed Warbler (494-495). Wood Warbler (501-502). Tree Pipit

(504-505). **Vol 61**. (1968). Twite (54-55). Corn Bunting (60-61), Cirl Bunting (61-62). [Raptors].

PARSONS, C. Q.

1937 Macrolepidoptera, collecting notes for 1936 in South Devon and elsewhere. Ent. Rec. **49**, (3), March, 27-29. [Locations include :- Holker Moss]. [Follow up correspondence Ent. Rec. **49**, (5), May, 61.[Insects].

PARSONS, Emily.

2013 Support soars for sea eagles to be re-introduced in Cumbria : Project team says rare birds could give economy massive boost. Cumberland News. 6th September, p21. [[Raptors] [Mentions John Miles and Dr Roy Armstrong]. [[Raptors].

2014 Nature reserve becomes the centre of the universe, literally. Special status for RSPB site which is sanctuary for starglazers. Cumberland News. 31st, January, 17. [Geltsdale Reserve].

PARSONS, M. S.

1989 Joint Author : Key, R.S. Review of Invertebrate sites in England : Cumbria. Invertebrate site register. Report, **102**. Nature Conservancy Council. For the full citation of the four reports please see Key, R.

1973 Records of Moths. Natural History in Cumbria, 1970-1972. 15-18. Assn. Cumbria. Nat. Hist. Soc. [A very comprehensive list with contributions from J. Read. A. Warburton. R. Savory. R. Bennett and locations. The printed list is numbered 1-120 but is presented here in alphabetical order :
Alder Moth. Angle shades. Antler Moth. Beautiful Golden-Y. Bright Line Brown-eye. Brimstone. Broad Bordered White Underwing. Brown Silver-line. Buff Arches. Buff Ermine. Buff Tip. Burnet Companion. Burnished Brass. Canary-shouldered Thorn. Chimney Sweeper. Cinnabar Moth. Cloaked Minor. Clouded Border. Clouded-border Brindle. Clouded Brindle. Clouded Buff. Clouded Silver. Common Carpet. Common Footman. Common Heath. Common Marble Carpet. Common Rustic. Common Swift. Common Wainscot. Common Wave. Common White Wave. Dark Arches. Dark-barred Twin-spot. Double Dart. Drinker. Dwarf Cream Wave.

Early Thorn. Eyed Hawk-moth. Fan Foot. Figure of Eight. Flamed Shoulder. Four Spot Footman. Frosted Orange Moth. Gallium Carpet. Garden Carpet. Garden Tiger. Ghost Moth. Golden Plusia. Gold Spot. Gothic. Grass Emerald. Green Brindled Crescent. Green Carpet. Green Pug. Green Silver Lines. Grey Arches. Grey-Chi. Grey Mountain Carpet. Grey Scalloped Bar. Heart and Dart. Heath Rustic. Hebrew Character. Herald. Large Elephant Hawk-moth. Large Emerald. Latticed Heath. Lead Belle. Lesser Yellow Underwing. Light Arches. Lunar Hornet Moth. Magpie. Map Winged Swift. Marbled Beauty. Middle-bar Minor. Mother Shipton. Mottled Beauty. Northern Oar Eggar, Northern Spinach. November Moth. Old Lady. Orange Swift. Plain Golden -Y. Pod Lover. Poplar Hawk-moth. Purple Cloud. Puss Moth. Riband Wave. Rosy Minor.

Rosy Rustic. Scalloped Hazel. Scalloped Oak. Setaceous Hebrew Character. Shaded Brown-bar. Shark. Silver-ground Carpet. Silver Hook. Silver-Y. Six-spot Burnet. Small Angle Shades. Small Purple Barred. Small Square Spot. Smoky Wainscot. Smoky Wave. Snout. Spectacle. Straw Dot. Straw Underwing. Swallow Tailed. Trebled Bar. Turnip Moth. The Dot. The Flame. White Ermine. Wood Tiger. Yellow Tail. Yellow Shell. Yellow Underwing]. [Lepidoptera] [Insects].

1973 Moth Records, 1972-73. Natural History in Cumbria, 1973. 32-33. Assn. Cumbria Nat. Hist. Soc. [Records :- Autumn Green Carpet. Barrel Red. Beautiful Yellow Underwing. Bedstraw Hawk. Bordered Beauty. Broad Bordered White Underwing. Centre Barred Sallows. Chinese Character. Clay. Clouded Magpie. Common Quaker. Coxcomb Prominent. Dark Marbled Carpet. Death's Head. Dotted Border. Double Square Spot. Early Tooth-striped. Feathered Thorn. Four Spot Footman. Haworth's Minor. Ingrailed Clay. Iron Prominent. July Highflyer. Lesser Swallow Prominent. Light Barred. Lunar Thorn. Merveille du Jour. Miller. Mottle Umber. Muslin. Oak Beauty. Pale Prominent. Pale Tussock. Peach Blossom. Pebble Hooktip. Pebble Prominent. Peppered Moth. Phoenix. Powdered Quaker. Purple Bar. Purple Cloud. Rivulet. Ruby Tiger. Sallow. Sallow Kitten. Sandy Carpet. Scallop Hazel. Scallop Shell. Scorched Wing. Shoulder Stripe. Small Elephant Hawk. Small Fanfoot. Speckled Yellow. Tawny Speckled Pug. True Lover's Knot. Twin Spot Carpet. V-pug. Vapourer. [Lepidoptera] [Insects].

1974 Moth Records. Natural History in Cumbria. 1973. 32-33. Assn Cumbria. Nat. Hist. Soc. [Lepidoptera].

1975 Joint Author : Cribb, P.W. Notes on the British races of *Erebia epiphron* Knoch. Bull. amat. Ent. Soc. **34**, (307), May, 62-68. [Includes Lake District]. [Mountain Ringlet] [Lepidoptera] [Insects].

1975 Rearing *Erebia epiphron* (Knoch). Bull. amat. Ent. Soc **34**, (306), February, 19-20. [Includes : Lake District]. [Mountain Ringlet] [Lepidoptera] [Insects].

1980 A quantitative treatment of clinal variation in *Coenomympha tullia* (Muller) (Lep., Satyridae). Ent. mon. Mag. **116**, January - April, 71-82. [Locations include Cumbria]. [Lepidoptera] [Insects].

1980 On the food plants of *Saturnia pavonia* L. Ent. Rec. **92**, (7-8), July-August, 175. [Location : Cumberland]. [Emperor Moth]. [Lepidoptera] [Insects].

2007 The Marsh Fritillary *Euphyoryas aurina* (Rott), in Cumbria : turning the tide. Antropos **31**, Spring, 34-43. [Lepidoptera] [Insects].

2002 An announcement by Neil Robinson that **Mike Porter** will be the new sub-editor for Plant Reports Birds and Wildlife in Cumbria. 2001 (Published 2002). p76.

2003 Bl ea Moss, Cumbria. Field Meeting. 13th, September, 2003. Brit. Pter. Soc. Bull. **6**, (2), 138-140. [Ferns].

2003 Sub-Editor. Botanical Report. Birds and Wildlife in Cumbria : 2002. 107-108. Cumbria Naturalists Union. [Plants : Coriander. Dune helleborines. Fragrant Orchid / Spotted Orchid hybrid. Fragrant Orchid (White form) *Gymnadenia conopsea* subsp. *borealis*. Greater Burnet-saxifrage. Navelwort. Prickly Sedge. Scarce Prickly Sedge. Sedge : False Fox Sedge x Remote Sedge. *(C. otrubes x C. remota).* Strawberry Clover. Tree Mallow]. [Flora].
British Pteridological Society, Field Meeting. Forked Spleenwort (*Asplenium septentrionale*). Wall Rue x Forked Spleenwort. (*A. rutamuraria* x A. *septentrionale*).

2004 High Cross Lodge, Hartsop and Penrith, Cumbria. Field Meeting. 4th, September, 2004. Brit. Pteridological Society Bull. **6**, (3), 229. [Ferns].

2004 Roudsea Wood National Nature Reserve. Cumbria. Field Meeting. 19th, June, 2004. British Pteridological Society Bulletin. **6**, (3), 226. [Ferns].

2004 Sub-Editor. Botanical Report. Birds and Wildlife in Cumbria : 2003. 155-157. Cumbria Naturalists Union. [Flora]. **1**. Species and hybrids new to Cumbria. Bee Orchid. Blue Anemone (*Anemone appenina*). Cockspur. (*Echinochloa crus-galli*). Common Spotted Orchid x Early Marsh Orchid. Common Spotted Orchid x Fragrant Orchid. Coral Beauty (*Cotoneaster dammeri* x *C*). Early Marsh Orchid x Fragrant Orchid. False Cleavers (*Galium spurium*). Forresters Tutsan (*Hypericum forrestii*). Green Amaranth (*Amaranthus hybridus*). Heath Spotted Orchid x Fragrant Orchid. Knotroot Bristle-grass (*Setaria parviflora*). Mexican Fleabane (*Erigeron karvinskianus*). Northern Marsh Orchid x Fragrant Orchid. Red-hot-pokers (*Kniphofia uvaria* & *Kniphofia uvaria*). Rescue Brome (*Cereatochloa cathartica*). Rough Bristle-grass (*Setaria verticillata*). Safflower (*Carthamus tinctorius*). Spreading Cotoneaster (*Cotoneaster divaricatus*). Ten-leaved Pink Sorrel (*Oxalis decaphylla*). Upright Spurge (*Euphorbia serrulata*). Yellow Bristle-grass. (*Setaria pumila*).
2. **Noteworthy records of species scarce in Cumbria**. Chickweed Wintergreen (*Trientalis europaea*). Greater Pond-sedge (*Carex riparia*). Mudwort (*Limosella aquatica*). Northern Bilberry (*Vaccinium fuliginous*). Orange-ball-tree (*Buddleia globosa*). Purple Ramping Fumitory
(*Fumaria purpurea*). Scarce Prickly Sedge (*Carex muricata*).Thorn Apple (*Datura stamonium*). Wall Rue x Forked Spleenwort (*Asplenium septentrionale* x *A. ruta-muraria* (*Asplenium* x *murbeckii*).
3. **Changes in status or rare Cumbrian species**. Alpine Foxtail. Interrupted Club moss (*Lycopodium annotinum*.) Marsh Club moss (*Lycopodiella inundata*). Whorl-grass (*Catabrosa aquatica*). Yellow Marsh Saxifrage (*Saxifraga Hirculus*).

2005 Esdale and Wasdale, South Cumbria. Field Meeting. 6th, August, 2005. Brit. Pter. Soc. Bull. **6**, (4), 304-306. [Ferns].

2005 Sub-Editor. Botanical Report. Birds and Wildlife in Cumbria : 2004. 159-161. Cumbria Naturalists Union. [**Species and hybrids new to Cumbria** : Blunt-flowered Rush. Brown Sedge. Cape-pondweed. Caucasian Penny-Cress. Chinese Ragwort. Creeping Thistle. Galingale. Garden Angelica. Goats Beard (Also known as Jack-go-to-bed-at-noon). Hidcote Comfrey. Indian Horse-chestnut. Krau's Clubmoss (Also known as Mossy Clubmoss). Marsh Arrowgrass. Marsh

Thistle. Marsh Valerian. Mousetail. Turkish Iris.

Noteworthy records of species scarce in Cumbria :- Bilberry. Bird's-nest Orchid. Centaury (Hybrid *Centaurium erythraea x c. littorale*). Chickweed Wintergreen. Common Cudweed. Common Hawthorn. Dwarf Gorse. Fleabane. Fragrant Orchid. Midland Hawthorn. Mousetail. Purple Ramping Fumitory. Rye Brome. Tunbridge Filmy Fern. Turkey Oak. Wilson's Filmy Fern.

Orchid Hybrids :- Heath Spotted Orchid x Fragrant Orchid. *Dactylorhiza maculata x Gymnadenia conopsea* subsp *borealis.* Northern Marsh Orchid *x* Fragrant Orchid. *Dactylorhiza purpurella x Gymnadenia conopsea* subsp *borealis.* Heath Spotted Orchid *x* Northern Marsh Orchid. *Dactylorhiza maculata x Dactylorhiza purpurella]*.

Increasing numbers of roadside halophytes :- Danish Scurvy-grass. Foxtail Barley. Grass-leaved Orache. Lesser Sea-spurrey. Reflexed Saltmarsh-grass. Spear-leaved Orache. [Flora].

2006 Joint Author : Foley, M.J.Y. *Calamagrostis scotica* (Druce) Druce (Poaceae), A Red Data book plant : its history, taxonomy, ecology and genetics. Watsonia. **26**, (1), February, 51-55. [Flora].

2006 Sub-Editor. Botanical Report. Birds and Wildlife in Cumbria : 2005. 177-181. Cumbria Naturalists Union. [**Species and hybrids new to Cumbria** :- Abraham-Isaac-Joseph. Alpine Bostort. Baby's Breath. Box-leaved Honeysuckle. Dandylions (*Taraxacum cambricum*. *T. spiculatum. T. acutifidum*. *T. cophocentrum*. *T. corynodes. T. densilobum. T. laeticolor*. *T. undulatum).* Dwarf Cornel. Fragrant Orchid. Galingale. Glory-of-the-Snow. Globeflower. Grass (*Festuca x fleischeri* (*F. arundinacea x F. gigantea*). Hairy Finger-grass. Lady's-Mantle. Leopard Plant. Mugwort. Phacelia. Pondweed (*Potamogeton x gessnacensis* (*P. natans x P. polygonifolius*). Purple Mullien. Quinoa Rough Bristle-grass. Sedge (*Carex x elytroides (C. acuta x .C. nigra*).Small White Orchid.

Noteworthy records of species and hybrids scarce in Cumbria. :- Blue-eyed Mary. Broad-leaved Helleborines. Bullate Cotoneaster. Charlock**.** Common Wintergreen**.** Creeping Lady's-tresses**.** Dark-red Helleborine**.** Lesser Knotweed. Lesser Twayblade. Marsh Orchid (*Dactylorhiza purpurella var cambrensis*). Northern Hawks-beard. Spring Gentian. Water Sedge. White Mustard. Willow hybrid (*Salix ludificans* (*S. aurita x S. phylicifolia*).

The status of the Fragrant Orchid (Gymnadenia) in Cumbria. :- Common fragrant Orchid. Heath Fragrant Orchid. Marsh Fragrant Orchid]. [Flora].

2007 Cumwhitton Moss & River Eden, Cumbria. Field Meeting : 4th, August, 2007. Brit. Pter. Soc. Bull. **6**, (6), 486-487. [Ferns].

2007 Joint Authors : Jermy, A.C., Simpson, D.A., Foley, M.J.Y & **Porter, M.S**. Sedges of the British Isles. 3rd Edition. Botanical Society of British Isles. [Flora].

2007 "Plant Record **152/16.65** x **67** *Carex xelytroides* (*C. acuta* x *C. nigra*) V.C. 69, Westmorland : with both parents in marsh west of roman Camp, Ambleside. NY 371034. M.S.Porter, 2005, conf. A.O.Chater, **LANC**. First Vice-county record." Watsonia. **26**, (3), February, 405. [Flora].

2007 Sub-Editor. Botanical Report. Birds and Wildlife in Cumbria : 2006. 179-182. Cumbria Naturalists Union. [**Species and hybrids new to Cumbria**. **:-** Black Chokeberry. Bramble (*Rubus distractiformis*). Chinese Lanterns. Common Helleborine /Dark-red Helleborine hybrid. Dandelions (*Taraxacum kemianum*. *T. tumentilobum*. *T.latissimum*. *T. adiantifrons*). Eyebrights. Garden Honeysuckle. Giant Rhubarb. Heath Spotted Orchid. Hoary Mullien. Horned Pansy. Japanese Barberry. Japanese Knotweed. Large-flowered Pink Sorrel. Least Duckweed. Marsh Spurge. New Zealand Holly. Northern Yellow-cress. Pansy (Hybrid : *Viola xcontempta*) Southern Marsh Orchid. Tartarian Honeysuckle. Thick-leaved Stonecrop. Tomato (*Lycopersicon esculentum*). Umbrella Sedge. Yellow Monkswort.

Noteworthy records of species and hybrids scarce in Cumbria :- Black Alpine-sedge. Lesser Bladderwort. Maidenhair Fern. Pillwort. Pyramidal Bugle. [Flora].

2008 Botanical Report : 2007. Birds and Wildlife in Cumbria : 2007. 179-182. Cumbria Naturalists Union. [**Species and hybrids new to Cumbria :-** Barberry. Boxleaf Hebe. Cappadocian Maple. Dandelions (*Taraxacum lacerifolium* and *T. cestrense*). Diels Cotoneaster. Firethorn. Fuchsia (*Fuchsia magellanica*). Gold of Pleasure. Great Brome. Greater Quaking Grass. Great Lettuce (*L. virosa*). Hawkweed Oxtongue. Hjelmqvist's Cotoneaster. Hoary ragwort. Honeysuckle hybrids (*Lonicera x italica* and *L. x purpusii*). Jerusalem Cross. Northern Yellow-cress. Peach Tree. Peruvian Lily. Pheasant's tail Grass. Pink Knotweed. Scots Lovage. Shrubby Orache. Small-flowered Catchfly. Snowy Woodrush. Spineless Acaena. Tall Tutsan. Three-cornered Leek.

Trailing Bellflower. Tree Mallow. Yellow-flowered Strawberry.
Noteworthy records of species and hybrids scarce in Cumbria :- Crimson Clover. Greater Burnet Sage. Remote Sedge x False Fox Sedge hybrid -(*Carex x pseudoaxillaris* with *C. remota x C. obtrubae*). Wood Barley.
Orchids :- Bee Orchid (*Ophrys apifera*). Broad-leaved Helleborines (*Epipactis helleborine*). Common Spotted Orchids. Dark Red Helleborine x Broad-leaved Helleborine (*Epipactis atrorubens x E. helleborine*). Dune helleborine *(Epipactis dunensis tynensis*). Greater Butterfly Orchids (*Plantanthera chlorantha*). Marsh Orchids. Northern Fragrant Orchid x Northern Marsh Orchid (*Gymnadenia borealis x Dactylorhiza purpurella*). [Flora].

2008 Joint Author : Foley, Michael. Notes on the morphology of *Carex divulsa* s.l. (Grey Sedge). BSBI News. **108**, April, 12-14. [Flora].

2009 Botanical Report, 2008. Birds and Wildlife in Cumbria, 2008. 213-216. Cumbria Naturalists Union. [**Species and hybrids new to Cumbria, Non-native species** :- Fringed Campion. Spring Heath. Fringed Loosestrife. Photinia. Orange Cotoneaster. Round-leaved Cotoneaster. Parrot's Feather. Apple of Peru. Rosemary. Dandelion species (*Taraxacum subbracteatum*). Gallant Soldier. Pampas Grass. Alpine Squill. Grape-hyacinth. Three-cornered Leek. **Native species** :- Bloody Dock x Broad-leaved Dock. (*Rumex sanguineus x obtusifolius*). Wood Bitter-vetch. Bedstraw. Willowherbs. Hoary Willowherb. Short-fruited Willowherb. American Willowherb. Pale Willowherb and various hybrids. Green-flowered Helleborine. **Noteworthy records of species and hybrids scarce in Cumbria** : Small White Orchid. Tormentil. Early Purple Orchid. Fragrant Orchids. Frog Orchid. Twayblade. Saw-wort. Wood Bitter-vetch. Dark-red Helleborine. Broad-leaved Helleborine. Fly Orchid. Bird's nest Orchid. Lesser Butterfly. Greater Butterfly. Yellow-wort. Water Figwort. [Flora].

2009 North Lakes Odyssey. Field Meeting. 13th, June, 2009. Brit. Pter. Soc. Bull. **7**, (2), 146-147. [Ferns].

2009 "Plant Record **135/17.2**. *Picris hieracioides*. V.C. 69, Westmorland :one plant on verge of M6, Dillicar, Lowgill SD 622982. M.S.Porter,2007,. First record since 1970." Watsonia. **27**,(3), February,262. [Flora].

2009 "Plant Record **75/32.37** *Cotoneaster dielsianus*. V.C.69,Westmorland : west end of roadside crags, north side of A66, Dubwath. NY 194315. M.S.Porter. 2002, conf. J.Fryer, **LANC**, photo. New Vice-county record" Watsonia. **27**, (3), February, 267. [Flora].

2010 Botanical Report, 2009. Birds and Wildlife in Cumbria, 2009. 220-223. Cumbria Naturalists Union. [**Non-native species new to Cumbria** : Woad. Motherwort. False Virginia-creeper. Pale Corydalis. Western Sword Fern. Nettle-leafed Mullien. Argentinian Vervain. Guernsey Fleabane. **Native species new to Cumbria** : Narrow-leaved Marsh Orchid. Milk Parsley. Southern Wood-rush. Northern Dock. Broad-leaved Dock. Curled Dock. **Noteworthy records of species and hybrids scarce in Cumbria**. Chickweed Wintergreen. Southern Marsh Orchid. Northern Marsh Orchid. Tunbridge Filmy Fern. Wilsn's Filmy Fern. Fly Orchids. Frog Orchid. Coralroot Orchid. Hybrid Common Spotted Orchid x Early Marsh Orchid. Common Spotted Orchid var. alpina. Black Poplar]. [Flora] [Trees].

2011 Botanical Report, 2010. Birds and Wildlife in Cumbria, 2010. 184-187. Cumbria Naturalists Union. [**Non-native species new to Cumbria** : White Gem Hebe. Lesser Glory-of-the-snow. Swedish Service-tree. Rum (or Black) Cherry. Japanese Holly Fern. Japanese Red-cedar. Red Lungwort. **Native species new to Cumbria** : Tunbridge Filmy-fern. Wilson's Filmy-fern. Woolly Thistle. Deergrass. Northern Deergrass. Cross-leaved Heath. Ling. Hybrid : Narrow-leaved Marsh Orchid *Dactylorhiza traunsteinerioides* var. *lapponica* x Heath Spotted Orchid. **Noteworthy records of species and hybrids scarce in Cumbria** : Common Spotted Orchid. Green-flowered Helleborine. Frog Orchid. Smooth Cat's-ear. Rock Samphire. Common Centaury. Sea Spurge. Portland Spurge. Few-flowered Garlic. Maiden Pink. **The Cumbria Rare Plant Register.** [Flora].

2013 Botanical Report, 2012. Birds and Wildlife in Cumbria 2012. A County Natural History Report. Cumbria Naturalists Union. pp 235-236. **Non-native species new to Cumbria** : Barbary. Black Poplar. Broad-leaved Cockspurthorn. Caucasian Crosswort. Crimson Clover. Entire-leaved Cotoneaster. *Saxifraga x geum (S. hirsute x umbrosa).* Tibetan Cotoneaster. Upright Spurge. Wood Spurge. **Native species new to Cumbria** : Brambles (*Rubus rufescens*). Dandelion (*Taraxacum procerisquameum*). **Noteworthy records of species and hybrids scarce in**

Cumbria : Alexanders. Creeping Spearwort. Field Pepperwort. Basil Thyme. Cutleaf Blackberry. Northern Hawkweed. Marsh Hawkweed. Narrow-leaved Marsh Orchid. Common Spotted Orchid. Also details concerning **The Cumbria Rare Plant Register (RPR).**

2014 Joint Author : Halliday, Geoffrey. The rare Plant Register of Cumbria. Trollius Publications.

2002 John Ray. Brief mention **In :-** Ratcliffe, D.A. Lakeland - the wildlife of Cumbria. Harper Collins. p34. 000 711303 X. [Biography].

RAY, Simon.

2004 Social and environmental benefits of the forests : incorporating childrens views in forest playground design with a review of the Grizedale Visitiors Centre, Center Park's and Whinlatter Forest Park. Thesis. Cumbria University, Newton Rigg Campus. Forestry B.Sc. Unpublished. [Trees].

READ, R. W. John.

1965 Letters to the Editor : re Painted Lady, *Vanessa cardui* Linn. Bull. amat. Ent. Soc. **24** ,(269) 169. [Lepidoptera] [Insects].

1970 Occurrence of *Otiorhynchus porcatus* (Herbst) (Col., Curculionidae) in Cumberland. Ent. mon. Mag. **106**, January - February, 31. [Coleoptera] [Insects].

1974 *Tychius flavicollis* Stephens (Col., Curculionidae) in Cumbria. Ent. mon. Mag. **110**, October - December, 256. [Location : Seascale]. [Reference to F.H.Day]. [Coleoptera] [Insects].

1975 *Caenopsis fissirostris* Walton (Col., Curculionidae) in Cumbria. Ent. mon. Mag. **111**, January - March, 27. [Location : Ennerdale Lake]. [Reference to F. H. Day]. [Coleoptera] [Insects].

1976 Notes on the biology of *Cleopus pulchellus* Herbst (Col., Curculionidae). Ent Gaz. **27**, 118-122. [Coleoptera] [Insects].

1977 *Coeliodes erythroleucos* Gmel (Col., Curculionidae) in West Cumbria. Ent. mon. Mag. **113**, January - April, 80. [Location : Parkgate Tarn, near Santon Bridge]. [Reference to F. H. Day]. [Coleoptera] [Insects].

1977 Notes on the biology of *Cionus scrophulariae* (L.) together with preliminary observations on *C.tuberculosus* (Scopoli) and *C.alauda* Herbst (Col., Curculionidae). Ent Gaz. **28**, (3),

August,183-202. [Coleioptera] [Insects].

1977 Some records of Curculionidae (Coleoptera) from West Cumbria. Ent. Gaz. **28**, 71. [Records of : *Trachyphloeus laticollis*. *Caenopsis waltoni*. *Mecinus collaris*. *Gymnetron antirrhini*]. [Insects].

1978 A possible new foodplant of *Barynotus moerens* (Fabricius) (Coleoptera : Curcurlionidae). Ent. Gaz. **29**, 252. [Insects] [Flora].

1978 *Coeliodes erythroleucos* Gmel. (Col., Curculionidae) in West Cumbria. Ent. mon. Mag. **113**, 80.

1978 Further records of *Phyllobrotica quadrimaculata* (L) (Col., Chrysomelidae) from Cumbria. Ent. mon. Mag. **114**, January - April, 95. [Coleoptera] [Insects].

1978 Records of Curculionidae (Coleoptera) from West Cumbria. Ent. Gaz. **29**, (1-2), April, 76. [Reference to F.H.Day]. [Records of *Sitona ambiguus*. *Rhinoncus bruchoides*. *Phytobius waltoni*. *Acalles turbatus*]. [Insects].

1979 Records of Curculionidae (Coleoptera) taken in Cumberland (VC 70). Ent. Rec. **91**, (1), January, 27-28. [Records of *Barypeithes sulcifrons*. *Dorytomus salicinus*. *Ceutorhynchus rapae*]. [Insects].

1980 Author : Morris, M.G. Commonsense and caution in recording food plants. Coleopterist's Newsletter. **2**, November, 2-4. [Reference to R.W.J.Read discovery of *Furcipus rectirostris* p 4].[Coleoptera] [Insects].

1980 Some records of Curculionidae (Coleoptera) from Cumbria collected in 1978. Ent Rec. **92**, (7-8), July-August, 176-179. [Insects].

1980 Two interesting species of Curculionidae (Coleoptera) in West Cumbria. Ent. Gaz. **31**, (3), August. 162-164. [Location : Harrington, Lowca. Eskmeals Reserve].[*Leiosoma oblongulum* and *Ceutorhynchus hirtulus*]. [Insects].

1981 Eskmeals Dunes. Ref. *Ceutorhynchus hirtulus*. C.N.T, Newsletter. **37**, 27. [Coleoptera] [Insects].

1981 *Furcipus rectirostris* (L.) (Coleoptera : Curculionidae) new to Britain. Ent, Gaz. **32**, (1), January, 51-58. [Location : River Bleng, Gosforth, Cumbria]. [Insects].

1981 In reply to elusive species. The Coleopterist's Newsletter. **37**, 27. [Insects].

1981 *Notaris scirpi* (F.) (Col. Curculionidae) in Cumbria with notes on three other species of the genus. Ent. Rec. **93**, (3-4), March-April. 73-74. [References to H. Britten and F.H.Day]. [Coleoptera] [Insects].

1982 A further record of *Dorytomus salicinus* (Gyllenhall) (Col., Curculionidae) from Cumbria. Ent. Rec. **94**, (1-2), January-February. 36. [Location : Braithwaite Moss]. [Coleoptera] [Insects].

1982 *Mesites tardii* (Curtis) (Coleoptera : Curculionidae) new to West Cumbria, with notes on the species in Britain. Ent Gaz. **33**, (3-4), November, 233-242. [Location : Muncaster Castle, Ravensglass]. [Insects].

1982 On the hostplant of *Chrysolina polita* (Linnaeus) (Col : Chrysomelidae). Ent. Rec. **94**, (9-10), September-October,199-200. [Coleoptera] [Insects] [Flora].

1982 Records of Curculionidae (Coleoptera) mainly from West Cumbria. Proc. Trans. Br. Ent. Nat. Hist. Soc**. 15**, (3 / 4). October, 68-87. [Insects].

1982 Records of Curculionidae from Hallsenna Moor SSSI, West Cumberland. Ent. Gaz. **33**, (2), August, 135-140. [Coleoptera]. [Insects].

1982 Records of some Chrysomelidae and Curculionoidea (Coleoptera) from Eskmeals Dunes Nature Reserve, West Cumbria. Birds in Cumbria : Spring. 1982. 56-63. Assn. Nat. Hist. Soc in Cumbria.

1982 Swimming behaviour in *Hypera rumicis* (Linnaeus). (Col : Curculionidae). Ent. Rec. **94**, (7-8), July-August, 160-161. [Coleoptera] [Insects].

1982 Swimming *Hypera*. Curculio. Report No **12** : 6. [Coleoptera] [Insects].

1982 Swimming in *Hypera rumicis* (L). Col. Curculionidae. The Coleopterists Newsletter. **8**, May, 2. [Coleoptera] [Insects].

1982 Two further records of *Barypeithes sulcifrons* (Boheman) (Col., Curculionidae) from West Cumbria. Ent. Rec. **94**, (9-10), September-October,184. [Coleoptera] [Insects].

1982 Two species of *Cryptocephalus* (Col., Chrysomelidea) new to West Cumbria. Ent. mon. Mag. **118**, January - April. 51-52. [*Cryptocephalus moraei* (Linnaeus) Location : Church Moss, nr Beckermet and *C. parvulus* Muller : Location, Arnaby Moss]. [Reference to R.B.Angus]. [Coleoptera] [Insects].

1983 A list of references (mainly key works) to the British Curculionoidea (except Scolytidae and

Platypodidae). The Coleopterist's Newsletter. **13**, May, 4-5. [Coleoptera] [Insects].

1983 A simple diffuser for microscopy. The Coleopterist's Newsletter. **13**, May 3.

1983 Coleoptera : 1982. Birds in Cumbria : Spring. 1983. 60-61. Assn. Nat. Hist. Soc. in Cumbria. [Location : Clints Quarry. **Apionidae** : *Apion tenue* (Kirby W). **Chrysomelidae** : *Cryptocephalus moraei* (Linnaeus). *Chrysolina brunsvicensis. C. hyperici* (Forster). *Galeruca Tenaciti* (Linnaeus). **Curculionidae** : *Hypera suspiciosa* (Herbst). *Orthochaetes setiger* . (Beck).*Otiorhynchus porcatus* (Beck). *Sitona humeralis* (Stephens). *Trachyphloeus Bifoveolatus*]. [Location : West Cumbria coastal area. **Apionidae** : *Apion affine*. *A. punctigerum*. **Chrysomelidae** : *Chaetocnema sahlbergi* (Gyllenhal). *Longitarsus membranaceus* (Foudras). *L. plantagomaritimus* (Dollman). *Timarcha tenebricosa* (Fabricius). **Curculionidae** : *Caenopsis waltoni* (Boheman). *Trachyphloeus laticollis* (Boheman). *Anoplus plantaris* (Naezen). *Notaris bimaculatus* (Fabricius). *Ceuthorhynchidius dawsoni* (Brisout). *C. thalhammeri* (Schultze). *Ceutorhynchus viduatus* (Gyllenhal). *Limnobaris pilistriata* (Stephens)]. [Insects].

1983 *Hypera arator* Linnaeus (Col., Curculionidae) in association with barley. Ent. Rec. **95**, (7-8), July-August,167-168. [Coleoptera]. [Insects].

1983 Records of three species of *Longitarsus* (Col., Chrysomelidae) from West Cumbria. Ent. mon. Mag. **119**, September-December. 192. [Locations include : Beacon Plantation, Ravenglass. Croft Coppice, nr Ravenglass. Monk Moors, Eskmeals. Hodbarrow Point, Millom. River Irt, Drigg]. [Coleoptera] [Insects].

1983 *Saturnia pavonia* (L). in association with *Potentilla palustris* (L.) Scop. in West Cumbria. Ent. Rec. **95**, 117. [Emperor Moth]. [Lepidoptera] [Insects] [Flora].

1983 Some records of *Nanophyes marmoratus* (Goeze) (Col., Apionidae) from West Cumbria. Ent. Rec. **95**, (7-8), July-August,167. [Coleoptera] [Insects].

1984 *Apteropeda orbiculata* (Marsham) (Col., Chrysomelidae) in association with Digitalis. Ent. mon. Mag. **120**, May-August,118. [Locations : Thorny Beck Quarry, Nr St. Bees. Carrs Farm, Waberthwaite]. [Coleoptera] [Insects].

1984 *Cassida viridis* L.(Col., Chrysomelidae) in West Cumbria. Ent. Rec. **96**, (1-2), January-February, 30-31. [Reference to F.H.Day]. [Locations : Gaterigg How Bridge and Beacon Plantation, Ravensglass]. [Coleoptera] [Insects].

1984 *Euophyrum confine* (Broun) (Col., Curculionidae) in Cumbria. Ent. mon. Mag. **120**, January-April,46. [Reference to D.J.Clarke]. [Coleoptera] [Insects].

1984 French publication on genus Apion. The Coleopterist's Newsletter. **18**, November,13. [Coleoptera] [Insects].

1984 List of Chrysomelidae and Curculionoidae from Clints Quarry, West Cumbria. The Coleopterist's Newsletter. **18**, November, 11-13.[Coleoptera] [Insects].

1984 On the foodplants of *Chrysolina staphylea* L. (Col., Chrysomelidae). Ent. Rec. **96**, (7-8), July-August. 185. [Coleoptera] [Insects] [Flora].

1984 Records of Chrysomelidae and Curculionoidea (Coleoptera) from Dubbs Moss Nature Reserve, West Cumbria. Ent. Rec. **96**, (3-4), March-April, 71-75. [Insects].

1984 Second record of *Otiorhynchus porcatus* (Herbst) (Col., Curculionidae) from West Cumbria. Ent. mon. Mag. **120**, January-April, 53. [Location : Clints Quarry, Nr Egremont]. [Reference to J. H. Flint]. [Coleoptera] [Insects].

1984 Two inland records of *Philopedon plagiatus* (Schaller) (Col., Curculionidae). Ent. Rec. **96**, (1-2), January-February, 31-32. [Locations include : Ireton. Panope, Seascales]. [Coleoptera] [Insects].

1985 *Apion pubescens* Kirby (Col., Apionidae) in Cumbria. Ent. Rec. **97**, (3-4, March-April, 65. [Location : Dunnerholme, Askham in Furness]. [Coleoptera] [Insects].

1985 Author : Judd, S. *Chorosoma schillingi* (Schummel), (Hemiptera : Heteroptera) in North-West England. Ent. Rec. **97**, (7-8), July-August, 147. [Reference to R.W.J.Read]. [Insects].

1985 Author : Sinclair, M. *Ceoliodes nigritarsis* (Hartmann) (Col : Curculionidae) in South-West Scotland. Ent. mon. Mag. **121**, Jan-April, 61. [Reference to R.W.J Read]. [Coleoptera]. [Insects].

1985 *Ceutorhynchus turbatus* Schultze (Col. Curculionidae) in South Hants. Ent. mon. Mag. **121**. 61. [Coleoptera] [Insects].

1985 *Chorosoma schillingi* (Schummel) (Hem. Rhopalidae) in West Cumbria. Ent Rec. **97**, (1-2), January-February 8. [Reference to F.H.Day]. [Location : Eskmeals Dunes Nature Reserve]. [Hemiptera] [Insects].

1985 Correction to the note on *Euophryum confine* (Broun) *Antea*. Ent. mon. Mag. **121**, January-April,

80. [Insects].

1985 *Donacia vulgaris* Zschach (Col., Chrysomelidae) in Cumbria. Ent. Rec. **97**, (5-6), May-June, 105-106. [Location : Egremont]. [Coleoptera] [Insects].

1985 Gerris genital segments. Heteroptera Study Group Newsletter. **7**. [Insects].

1985 *Magdalis duplicata* Germar (Col., Curculionidae) new to England from Cumbria. Ent. mon. Mag. **121**, (January-April), 88. [Location : Oulton Moss, Wigton]. [Coleoptera] [Insects].

1985 Observations on the biology of *Phytobius comari* (Herbst) (Col., Curculionidae). Ent. mon. Mag. **121**, May-August, 111-118. [Coleoptera] [Insects].

1986 *Apion pallipes* Kirby, W. (Col., Apionidae) in West Cumbria. Ent. Rec. **98**, (5-6), May-June.124. [References to F.H.Day and W.F.Davidson]. [Location : River Irt - Holme Bridge]. [Coleoptera] [Insects].

1986 *Apion rubens* Stephens (Col., Apionidae) in West Cumbria. Ent mon Mag. **122**, (September-December, 204. [Also gives records for other species of the Erythrapion group]. [Location : Infell Woods, Nr Calderbridge]. [Coleoptera] [Insects].

1986 Foodplant of *Phyllobius pyri* (Linnaeus) (Col., Curculionidae). A.E.S. Bull. **45**, (350), 54. [Coleoptera] [Insects].

1986 *Plea minutissima* Fuessly (Heteroptera : Pleidae) in West Cumbria. Ent. Rec. **98**, (5-6), May-June, 124. [Location : River Ehen]. [Insects].

1987 Author : Morris, M.G. The distribution and ecology of *Phllopedon plagiatus* (Schaller), (Coc : Curculionidae), with particular reference to inland records. Ent. Rec. **99**, (1-2), January-February, 11-20. [Reference to R.W.J.Read]. [Insects].

1987 *Glaenocorisa propinqua* (Fieb.) (Het : Corixidae) in West Cumbria. Ent. Rec. **99**, (3-4), March-April, 84. [Heteroptera]. [Insects].

1987 List of Chrysomelidae from Cumbria including V C 70, Cumberland. Coleopterist's Newsletter. No **27**, February, 3-10. [Coleoptera] [Insects].

1987 Male Corixid abdomens. Heteroptera Study Group Newsletter, **7**. [Insects].

1987 Records of Chrysomelidae and Curculionoidea (Coleoptera) from the Eskmeals Dunes Nature Reserve, West Cumbria. The Coleopterist's Newsletter. **27**, 4-6. [Insects].

1987 Records of local and uncommon Corixidae (Hemiptera) in West Cumbria. Ent. Gaz. **38**, 196. [Insects].

1988 *Cimberis attelaboides* Fab, (Col : Nemonychidae) in West Cumbria. Ent. Rec. **100**, (1-2), January-February, 36. [Location : Longbarrow, Dent Fell]. [Coleoptera]. [Insects].

1988 Frequency distribution of aquatic Hemiptera Heteroptera from Cumbria. Ent. Rec. **100**, (7-8), July-August,181-183. [Insects].

1988 List of Chrysomelidae from Cumbria including VC 70, Cumberland. The Coleopterist's Newsletter. **32**, May, 3-10. [Coleoptera] [Insects].

1988 Records of Chrysomelidae and Curculionoidae (Coleoptera) from the Eskmeals Dunes Nature Reserve, West Cumbria. Coleopterist's Newsletter. no **32**, May, 4-6. [Insects].

1988 Records of local and uncommon Chrysomelidae (Coleoptera). from Cumbria. Ent. Rec. **100**, (5-6), May-June, 99-101.[Reference to F.H.Day]. [Insects].

1988 Records of local and uncommon Curculionidae (Coleoptera) from Cumbria. The Naturalist. **113**, (987), October-December,164. [Insects].

1989 Joint Authors : Hammond, P.M., Smith, K.G.V., Else, G.R. and Allen, G.W. Some recent additions to the British insect fauna. Ent. mon. Mag. **125**, May-August, 95-102.[Record with photograph of *Furcipus rectirostris* (L.), (Curculionidae) taken by R.W.John Read near Gosforth, Cumbria, 99-100). [Insects].

1989 *Ceutorhynchus euphorbiae* Brisout (Col., Curculionidae) in West Cumbria. Ent. mon. Mag. **125**, May-August, 117. [Location : River Bleng, Gosforth Village, Cumbria]. [Coleoptera] [Insects].

1989 *Ceutorhynchus mixtus* Mulsant & Rey. (Col., Curculionidae) in West Cumbria. Ent. mon. Mag. **125**, January-April, 30. [Location : Ellerbeck Wood, Nr Ravensglass]. [Coleoptera] [Insects].

1989 Preliminary list of Curculionidae from Cumbria, including (VC 70). Cumberland. Coleopterist's Newsletter. **36.** May, 3-16. [Coleoptera] [Insects].

1989 *Procas armillatus* (F.) (Curculionidae) from Cumbria. Coleopterist's Newsletter. **35**, February,7. [Coleoptera] [Insects].

1990 Author L: Allen, A.A. A further food plant of *Phytobius quadrituberculatus* (Fab), (Curculionidae). Coleopterist Newsletter. **41**, November, 8-9. [Reference to R.W.J.Read]. [Coleoptera] [Insects].

1990 Author : Morris, M.G. Orthocerous Weevils. Coleoptera Curculionoidae (Nemonychidae, Anthribidae, Urodontidae, Attelabidae, and Apionidae). Handbook for the identification of British Insects. Vol **5**. pt 16. Royal Entomological Society. [Includes 19 whole insect figures by R.W.J.Read]. [Insects].

1990 Drawing of *Metoecus paradoxus* (L.) by R.W.J.Read. Coleopterist's Newsletter. **40**, August, 6. [Coleoptera] [Insects].

1990 Drawing of *Necrophorus investigator* Zellerstedt, 1824. Coleopterist's Newsletter. **41**, November, 13. [Coleoptera] [Insects].

1990 Food plants of *Phytobius quadrituberculatus* (Fab). (Curculionoidae). Coleopterist's Newsletter. **40**, August, 10-11.[Coleoptera] [Insects] [Flora].

1990 Record of *Gyrinus minutus* (Fabricius Col., Gyrinidae) from Cumbria. Ent. Rec. **102**, (3-4), (March-April), 64. [Location : High Nook Tarn]. [Coleoptera] [Insects].

1990 Some records of water beetles from Cumbria. The Coleopterist's Newsletter. **40**, August,4-5. [Coleoptera] [Dytiscidae]. [Insects].

1990 Two rare water beetles (Col., Dytiscidae) from Cumbria. Ent. mon. Mag. **126**, 260. [Coleoptera]. [Insects]. [Coleoptera] [Insects].

1991 *Apion modestum* Germar (Col., Apionidae) in West Cumbria. Ent. Rec. **103**, (5-6), May-June, 157-158. [Coleoptera] [Insects].

1991 *Apion simile* Kirby, W. (Col : Apionidae) in Cumbria. Ent. Rec. **103**, (3-4), March-April, 96. [Location : Kingmoor Nature Reserve, Carlisle]. [Coleoptera] [Insects].

1991 *Euophyrum confine* Broun (Curculionidae) in West Cumbria. Coleopterist's Newsletter. **42**, February,8.[Coleoptera] [Insects].

1991 List of rare and local beetles found in Cumbria in 1990. Birds in Cumbria, 1991. 94-95. Cumbria Naturalist Union. [Coleoptera] [Insects].

1991 Records of some notable beetles from Cumbria. The Coleopterist's Newsletter. nos **44** and **45** combined. August and November, 11-12. [Coleoptera] [Insects].

1991 The Hummingbird Hawk-moth in West Cumbria. Ent. Rec. **103**, (3-4), March-April, 82. [Location : Hensingham, Whitehaven]. [*Macroglossum stellatarum*]. [Lepidoptera] [Insects].

1992 A new hostplant of *Chrysolina polita* (Linnaeus) (Chrysomelidae). The Coleopterist. **1**, (2), August,19. [Ivy leaves, *Hedera helix*] [Location : Clints Quarry Nature Reserve]. [Flora]. [Nature Reserves].

1992 *Apion modestum* Germar (Col. Apionidae) in West Cumbria. Coleopterist. May-June.(5-6), 157-158. [Coleoptera] [Insects].

1992 *Apion simile* Kirkby (Col, Apionidae) in Cumbria. Coleopterist. **1**, (3&4), 96. [Coleoptera] [Insects].

1992 Author : Alexander, J.N.A. *Trachys troglodytes* Gyllenhal (Coleoptera : Buprestidae) and other scarce insects from an unusual wetland area in Cumbria. Brit. Jnl. Ent. Nat. Hist. **5**, (4), 188. [Reference to John Read]. [Insects].

1992 *Coeliodes nigritarsis* Hartmann (Col., Curculionidae) in Cumbria. Ent. Rec. **104**,(1-2), January-February, 18.[Location : Cumwhitton Moss]. [Coleoptera] [Insects].

1992 *Otiorhynchus arcticus* (Fab.) (Col., Curculionidae) in Cumbria. Ent. Rec. **104**, (3-4), March-April, 80-81. [Location : Wastwater Screes]. [Coleoptera] [Insects].

1992 Records of *Piesma quadratum* Fieber (Hem., Piesmidae) from West Cumbria. Ent. Rec. **104**, 42. [Hemiptera] [Insects].

1992 Sub-Editor. Beetles Report : 1991. Birds in Cumbria : 1991. 97. Cumbria Naturalists Union. [Records include :- *Oedemera noblilis* (Scop). *Asemum striatum* (L.) *Tetrops praeusta* (L.) *Donacia aquatica* (L.) *Phytodecta pallida*.(L.) *Anthribus nebulosus* (Forst.) *Atrelabus nitens* (Scop.) *Apion simile* (Kirkby.) *Otiorhynchus arcticus* (Fab.) *Coeliodes nigritarsis* (Hartm.) Additional Records :- *Chilocorus renipustulatus*. *Lampyris noctiluca*. *Meloe violaceous*]. [Coleoptera] [Insects].

1992 Swimming in *Phaedon cochleariae* (F.) (Chrysomelidae). The Coleopterist. **1**, (3), November,27-28. [Location : Robertgate Bridge, West Cumberland]. [Coleoptera] [Insects].

1992 *Troilus luridus (*Fabricius), (Hem., Pentatomidae) in Cumbria. Ent. Rec. **104**, (1-2), January-February,42. [Location : Baron Wood, Armathwaite]. [Hemiptera].

1993 Author : Chandler, Peter. *Keroplatus testaceus* Dalman (Dipt., Keroplatidae new to Scotland and other notes. Ent. mon. Mag. **129**, January-April, 61-65. [Reference to R.W.J. Read]. [Diptera] [Insects].

1993 Author : Morris, M.G. British Orthocerous weevils : corrections and new information (Coleoptera, Curculionoidea). Ent. mon. Mag. **129**, January-April, 23-29. [Reference to R.W.J Read]. [Insects].

1993 *Himacerus mirmicoides (*Costa), (Het., Nabidae) in West Cumbria. Ent. mon. Mag. **130**, 158. [Ant Damsel Bug]. [Insect].

1993 *Himacerus mirmicoides* (Costa), (Het, Nabidae) in West Cumbria. Ent. Rec. **105**, (11-12), November-December, 284-285]. [Ant Damsel Bug]. [Insect].

1993 Record of *Apion carduorum* Kirby (Lacertense, Tottenham) (Apionidae) from Lincolnshire. The Coleopterist. **2**, (2), 53. [Coleoptera]. [Insect].

1993 (Review). A Provisional Atlas of the Chrysomelid Beetles of Warwickshire (Insecta. Coleoptera). The Coleopterist. **2**, (1), 31. [Insects].

1993 Sub-Editor. Beetles Report : 1992. Birds in Cumbria : 1992. 91-92. Cumbria Naturalists Union. [Records include :- *Anthonomus brunnipennis* (Curtis). *Aphodius plagiatus* (Linn). *Apthona nonstriata* (Goeze). *Chrysomela aenea* (Linn). *Derocrepis pufipes* (Linn). *Galerucella lineola* (Fab). *Otiorhynchus porcatus* (Herbst). *Pelenomus zumpti* (Wagner). *Thamiocolus vduatus*.(Gyll). *Tychius flavicollis* (Steph)]. [Coleoptera] [Insects].

1994 An unusual specimen of *Sciaphilus asperatus* (Bonsdorff) (Curculionidae). The Coleopterist. **3**, (1), May, 23-24. [Location : Clints Quarry, nr Egremont]. [Coleoptera]. [Insects].

1994 *Chartoscrita elegantula* (Fin) (Hem., Saldidae) in West Cumbria. Ent. mon. Mag. **130**, May-August, 158. [Reference to S. Hewitt]. [Location : Eskmeals Viaduct, Ravensglass Village]. [Hemiptera]. [Insects].

1994 Joint Authors : Fowles, A.P. and Morris, M.G. *Apion* (Helianthemapion) *aciculare* Germar (Col., Apionidae), a weevil new to Britain. Ent. mon. Mag. **130**, September-December, 177-181. [Illustration drawn by R.W.J.Read p179]. [Coleoptera] [Insects].

1994 *Rhynchites pauxillus* Germar (Attelabidae) in West Cumbria. The Coleopterist. **3**, (2), September, 50. [References to F.H.Day, J.Murray. G.B.Routledge]. [Coleoptera] [Insects].

1994 Sub-Editor. Beetles Report : 1993. Birds in Cumbria : 1993. 93. Cumbria Naturalists Union. [Records include :- *Acalles misellus* (Boh). *Altica pusilla* (Duftschmid). *Calasoma inquisitor*. *Carabus glabratus* (Payk). *Donacia thalassina* (Germar). *Pelenomus canaliculatus* (Fahraeus). *Pogonocherus hispidulus*. *Pyrochroa coccinea* (Linn). *Rhynchites cupreus* (Linn). *Selatosomus aensus* (Linn). *Tanymecus palliatus* (Fab). *Zeugophora subspinosa* (Fab)]. [Coleoptera] [Insects].

1995 *Acalles roboris* - A Weevil new to Cumberland (VC 70).(Talkin, Head Wood). The Carlisle Naturalist. **3**, (1), 6. [Coleoptera] [Insects].

1995 *Acalles roboris* Curtis (Col., Curculionidea) in Cumbria and (V.C 70). Ent. Rec **107**, (5-6), May-June, 157. [Reference to F.H.Day]. [Location : Talkin Head Wood]. [Coleoptera] [Insects].

1995 A new site for the Bird Cherry Weevil (*Furcipus rectirostris*). (Binney Bank, River Gelt). The Carlisle Naturalist. **3**, (2), 31. [Coleoptera] [Insects].

1995 A possible new host plant for the Leaf Beetle *Chaetocnema sahlbergi.* (Campfield Marsh). The Carlisle Naturalist. **3**, (1), 9. [Coleoptera] [Insects].

1995 A recent record of *Carabus nitens* from Cumbria. (Devoke Water). The Carlisle Naturalist. **3**, (2), 31. [Coleoptera] [Insects].

1995 Beetling about on St Bees Head in 1994. The Carlisle Naturalist. **3**, (1), 5. [Includes : *Otiorhynchus rugifrons*. *Ceuthorhynchidius dawsoni*. *Macralymma marina*. *Apion pallipes*. Speckled Bush-cricket. Dark Bush-cricket. Clouded Yellow Butterfly]. [Coleoptera] [Orthoptera] [Lepidoptera]. [Insects].

1995 Drawing of *Orobitis cyaneus* (Linnaeus) (Curculionidae) by R.W.J.Read. Coleopterist. **4**, (1), April, Front cover. [Coleoptera] [Insects].

1995 *Limobius borealis* (Payk) (Col., Curculionidae) and other notable weevils from Saint Bees Head, West Cumbria. Ent. mon. Mag. **131**, September-December, 242. [Other specimens include : *Apion pallipes* Kirby. *Microplontus triangulum* (Boheman). *Zacladus geranii* (Paykull)]. [Coleoptera] [Insects].

1995 List of Chrysomelidae and Curculionoidea (Coleoptera) from Saint Bees Head, West Cumbria. Ent. Rec. **107**, 77-81. [Insects].

1995 Records of Curculionoidea from Cumbria and Dumfrieshire in 1994. The Coleopterist. **3**, (3), January, 86-87. [Locations include : Armathwaite. Binney Bank. Brough Marsh. Cumwhitton

Marsh. St Bees]. [Coleoptera] [Insects].

1995 Sub-Editor. Beetles Report : 1994. Birds in Cumbria, 1994. 95-96. Cumbria Naturalists Union. [Records include :- *Apionidae* : *Apion pallipes* (Kirby (Nb). *Attelabidae* : *Rhynchites cupreus* (Linnaeus) (Nb). *Curculionidae : Caenopsis fissirostris* (Walton), (Nb). *Drupenatus nasturtii* (Gemar (Nb). *Furcipus rectirostris* (Linnaeus) (Na). *Limobius borealis* (Paykull). (Nb). *Omiamima mollina* (Boheman) (Na). *Otiorhynchus porcatus* (Herbst) (Nb). *Tropiphorus obtusus* (Bonsdorff) (Na). *Coccinellidae* : *Adelia decempunctata*. *Coccinella 11-punctata*. *Halyzia 16-guttata*. *Chrysomelidae : Chrysolina brunsvicensis* (Gravenhorst). *Chaetocnema sahlbergi* (Gylenhal) (Na). *Lampyridae : Lampyris noctiluca* (Linnaeus). *Staphylindae : Micralymma marina* (Strom). Tenebrionidae : *Phaleria cadaverina* (Fabricius)]. [Coleoptera] [Insects].

1995 *Taphropeltus contractus* - A Ground Bug New to Cumbria. (St Bees). The Carlisle Naturalist. **3**, (1), 6. [Coleoptera] [Hemiptera]. [Insects].

1995 *Taphropeltus contractus* (Herrich-Schaeffer) (Het : Lygaeidae) in West Cumbria. Ent. Rec. **107**, (5-6), May-June, 156-157.[Reference To F.H.Day and G.B.Routledge]. [Hemiptera]. [Insects].

1995 Two recent records of the Snow Flea in Cumbria., with a footnote by Hewitt, Stephen M. (Talkin, Tarn Wood and Low Beck, Ennerdale Valley). The Carlisle Naturalist. **3**, (1), 6-7. [*Boreus hyemalis*]. [Insects].

1996 Author : Cooter, J. Annotated keys to the British Leiodinae (Col., Leiodidae). Ent. mon. Mag. **132**, July-August, 205-232. Article continues in Ent. mon. Mag. **132**, September-December, 233-272. [Drawings by R.W.John Read, pages 251-252, 254,265,267].[Coleoptera] [Insects].

1996 Drawing of *Bruchidius varius* (Oliver) (Chrysomelidae), Male habitus by R.W.J.Read. **In :-** Hodge, P.J. *Bruchidius varius* (Oliver) (Chrysomelidae) new to British Isles. Coleopterist. **5**, (1), January, 65-68.[Coleoptera] [Insects].

1996 *Orthochaetes insignis* (Aube) (Curculionidae) in West Cumbria. Coleopterist. **4**, (3), January,84. [Location : Hensingham, West Cumbria]. [References to F.H.Day. J.Murray. G.B.Routledge]. [Coleoptera] [Insects].

1996 Sub-Editor. Beetles Report : 1995. Birds and Wildlife in Cumbria, 1995. 91-92. Cumbria Naturalists Union. [Records include : Anthicidae : *Anthicus bimaculatus* (Illiger). Carabidae : *Carabus nitens*. Chrysomelidae : *Cryptocephalus aureolus* (Suffrian). Coccinellidae : *Anatis ocellata* (Linnaeus) Eyed Ladybird. *Halyzia 16-guttata* (Linnaeus) Orange Ladybird. Curculionidae : *Anthonomus bituberculatus* (Thomson, C.G.). *Ellescus bipunctatus* (Linnaeus). *Orthochaetes insignis* (Aube). *Otiorhynchus nodosus* (Muller, O.F.). *Pelenomus comari* (Herbst). Etateridae : *Zorochros minimus* (Boisduval & Lacordaire. Histeridae : *Hypocaccus rugiceps* (Duftschmid). Lathridae : *Lithostygnus serripennis*. (Brown). Melyridae : *Malachius bipustulatus* (Linnaeus). Pselaphidae : *Pselaphus heisei* (Herbst). Recorded at Smardale Gill Nature Reserve by David Atty : Chrysomelidae : *Haltica pusilla* (Duftschmid). *Phyodecta pallida* (Linnaeus). Coccinellidae : *Propylea 14-punctata* (Linnaeus). Gyrinidae : *Orectochilus villosus*. Hydraenidae : *Ochthebius exsculptus* (Germar). Staphylinidae : *Quedius invreae* (Gridelli)]. [Coleoptera] [Insects].

1996 The beetle *Anthicus bimaculatus* (Illiger) new to Cumbria. (Sandscales Haws). The Carlisle Naturalist. **4**, (1), 9. [Coleoptera] [Insects].

1996 The Weevil *Otiorhynchus nodosa* (Muller) in West Cumbria. (Ennerdale Fell Plantation). The Carlisle Naturalist. **4**, (1),10.[Coleoptera] [Insects].

1997 *Apthona euphorbiae* (Schrank) (Chrysomelidae) in Cumbria. The Coleopterist. **5**, (3), 89. [Coleoptera] [Insects].

1997 Author : Morris, M.G. Broad0-nosed Weevils. Coleoptera : Curculionidae (Entiminae). Handbook for the identification of British Insects. Vol **5**, pt 17a. Royal Entomological Society. 0 901546 79 8. [Contains 22 whole-insect figures by R.W.J. Read]. [Coleoptera] [Insects].

1997 Beetles Report : 1996. Birds and Wildlife in Cumbria : 1996. 86-87. Cumbria Naturalists Union. [Carabidae: *Pterostichus rhaeticus* (Heer). *Bembidion genei* (Kurster). Geotrupidae : *Geotrupes vernalis* (Linnaeus). Tenebrionidae : *Phyllan gibbus* (Fabricius). Cerambycidae : *Strangalia maculata*. Chrysomelidae : *Cryptocephalus moraei* (Linnaeus). *Cassida prasina* (Illiger). *Psylliodes marcida* (Illiger). Curculionidae : *Brachysomus echinatus* (Bonsdorff). *Sitonia cambricus* (Stephens). *Mesites tardii* (Curtis). *Zacladus geranii* (Paykull). *Tachyerges salicis* (Linnaeus).

1997 Drawing of *Philonthus spinipes* Sharp (Staphylinidae), Male habitus.(p.83). **In :-** Allen, A.J. and

Owen, J.A. *Philonthus spinipes* Sharp (Staphylinidae) in Dorset new to Britain. Coleopterist. **6**, (3), December, 81-84. [Coleoptera] [Insects].

1997 Joint Authors : Luff, M.L.and Copestake, D. *Harpalus honestus* (Duftschmid). (Carabidae) discovered in Cumbria. Coleopterist. **6**, (2), 72-73. [Location : Whitehaven]. [Reference to F.H.Day]. [Coleoptera] [Insects].

1997 Letter : Correction (Ref to : *Apthona herbigrada* and *A. nigriceps*). The Coleopterist. **6**, (2), 55. [Coleoptera] [Insects].

1997 Record of *Amara praetermissa* (Sahlberg) (Carabidae) from West Cumbria. The Coleopterist. **6**, (2), July, 51. [Reference to R. Key]. [Location : River Irt, nr Drigg]. [Coleoptera] [Insects].

1997 Record of *Oulema rufocyanea* (Suffrian) (Chrysomelidae) from the Isle of Wight. The Coleopterist. **5**, (3), 89. [Coleoptera] [Insects].

1997 Records of two uncommon ground beetles from Cumbria. *Amara praetermissa* (Sahlberg, C.R.) and (*P. rhaeticus*). The Carlisle Naturalist. **5**, (1), 8. [Coleoptera] [Insects].

1997 Sub-Editor. Beetles Report : 1996. Birds and Wildlife in Cumbria, 1996. 86-87. Cumbria Naturalists Union. [Reports include :- Carabidae : *Bembidion genei* . *Pterostichus rhaeticus* (Heer). Cerambycidae : *Strangalia maculata* (Poda). Chrysomelidae : *Cassida prasina* (Illger). *Cryptocephalus moraei* (Linnaeus). *Psylliodes marcida* (Illiger). Curculionidae : *Brachysomus echinatus* (Bonsdorff). *Mesites tardii* (Curtis). *Sitona cambricus* (Stephens). *Tachyerges salicis* (Linnaeus). *Zacladus geranii* (Paykull). Geotrupidae : *Geotrupes vernalis* (Linnaeus). Tenebrionidae : *Phyllan gibbus* (Fabricius)]. [Coleoptera] [Insects].

1997 Three beetles new to Cumberland. The Coleopterist. **6**, (3), December,84. [*Phratora laticollis* (Suffrian) Chrysomelidae Location : Char Dub, Ennerdale Water. *Rhynchites aequatus* (Linnaeus) (Attelabidae) Location Skinburness. *Gronops lunatus* (Fabricius) (Curculionidae) Location : Ravenglass. [Coleoptera] [Insects].

1998 A further record of *Hadrognathus longipalpus* (Mulsant & Rey) (Staphylinidae) from West Cumbria. Coleopterist. **7**, (2), August,67. [Location : Jobbygill Wood, Frizington]. [Coleoptera] [Insects].

1998 Drawing of *Cryptocephalus exiguus* Schneider (Chrysomelidae) male habitus by R.W.J.Read. **In :-** Mendel, Howard. History of *Cryptocephalus exiguus* Schneider (Chysomelidae) in Britain. The Coleopterist. **7**, (1), April, 7-10. [Coleoptera] [Insects].

1998 Drawing of Phloeosinus spp elytral declavities by R.W.J.Read. **In :-** Winter, Tim. *Phloeosinus aubei* (Perris) (Scolytidae) in Surrey, the first record of this bark beetle breeding in Britain. Coleopterist. **7**, (1), April, 1-2. [Coleoptera] [Insects].

1998 Joint Author : Atty, David. The ground beetle *Leistus rufomarginatus* (Duftschmid) new to Cumbria.(Banks Point, Bassenthwaite Lake and Great Coppice, Netherwasdale). The Carlisle Naturalist. **6**, (2), 33-34. [Coleoptera] [Insects].

1998 Some observations on the life cycle and biology of the flea weevil *Rhamphus pulicarius* (Herbst) in Cumbria. The Carlisle Naturalist. **6**, (1), 17-20.[Coleoptera] [Insects].

1998 Sub-Editor : Beetles Report : 1997. Birds and Wildlife in Cumbria, 1997. 73-74. Cumbria Naturalists Union. [Records of :- *Agriotes lineatus* (Linneaus) (Elateridae) (Click Beetle). *Bembidion laterale* (Samouelle) (Carabidae). *Caenopsis waltoni* (Boheman).(Weevils) (Curculionidae). *Chrysolina fastuosa* (Scopoli) (Chrysomelidae) (Leaf Beetles). *Gronops lunatus* (Fabricius) (Curculioniidae). *Gymnetron antirrhini* (Paykull) (Curculioniidae). *Gymnetron labile* (Herbst), (Curculioniidae). *Hyppocacus rugiceps* (Duftschmid) (Histeridae). *Longitarsus rubiginosa* (Foudras) (Chrysomelidae). *Mantura obtusata* (Gyllenhal) (Chrysomelidae). *Phartora* laticollis (Suffrian) (Chrysomelidae). *Poophagus sisymbrii* (Fabricius) (Curculioniidae). *Prasocuris phelandrii* (Linnaeus) (Chrysomelidae). *Psilothrix viridicoeruleus* (Fourcroy) (Melyridae). *Rhinoncus bruchoides* (Herbst) (Curculioniidae). *Rhynchites aequatus* (Linnaeus) (Weevils) (Attelabidae). *Tychius flavicollis* Stephens. (Curculioniidae)]. [Coleoptera]. [Insects].

1998 The Ground bug *Cymus claviculus* Fallen, new to Cumbria. (River Irt, Drigg). The Carlisle Naturalist. **7**, (1), 7. [Coleoptera] [Insects].

1999 *Cassida nobilis* Linnaeus (Chrysomelidae) in Cumbria. The Coleopterist. **8**, (3), November,100.

1999 Two *Apions* (Brentidae) new to Cumbria. The Coleopterist. **8**, (1), 29. [Location : Ravenglass and Maryport, nr Whitehaven]. [Coleoptera] [Insects].

1999 Two weevils (Curculionidae) new to Cumbria. The Coleopterist. **8**, (2), 62. [Coleoptera] [Insects].

2000 A rare water strider (*Limnoporus rufoscutellatus* (Lat.)) in West Cumbria. (Walkmill Bridge, Moresby). The Carlisle Naturalist. **8**, (2), 39. [Hemiptera]. [Insects].

2001 A further record of the Rove Beetle *Stenus fossulatus* Erichson from Cumbria.(Kellwood, River Irthing). The Carlisle Naturalist. **9**, (2), 29-30. [Coleoptera] [Insects].

2001 Authors : Foster, A.P., Morris, M. G & Whitehead, P.F. *Ixapion variegatum* (Wencker, 1864) (Col., Apionidae) new to the British Isles, with observations on its European and conservation status. Ent. mon. Mag. **137**, May-August, 95-105. [No Cumbrian references but features drawing by R.W.John Read, p97]. [Coleoptera] [Insects].

2001 *Choragus sheppardi* Kirby (Anthribidae) in Cumbria. The Coleopterist. **9**, (3), January,147. [Location : Netherton, West Cumbria]. [Coleoptera] [Insects].

2001 Drawing of *Bembidion coeruleum* Serville (Carabidae) by R.W.J.Read (p 3). **In :-** Telfer, Mark G. *Bembidion coeruleum* Serville (Carabidae) new to Britain and other notable Carabid records from Dungeness, Kent. Coleopterist. **10**, 1, April, 1-4. [Coleoptera] [Insects].

2001 Drawing of *Bruchus atomarius* (Linnaeus) (Bruchisae) by R.W.J. Read. The Coleopterist. **9**, (3), January. Frontcover. [Coleoptera] [Insects].

2001 Sub-Editor. Beetles Report : 2000. Birds and Wildlife in Cumbria, 2000. 76-77. Cumbria Naturalists Union. [Records include :- *Aegialia sabuleti. Altica lythri. Amara fulva. Bembidion littorale. B. monticola. B. scheuppeli. Bledius terebrans. Choragus sheppardi. Fleutiaxellus maritimus. Georissus crenulatus. Gyrinus minutus. Helophorus arvenicus. Hydroporus rufifrons. Hydroporus scalesianus. Limnebius nitidus.* Malachite beetle *(Malachius bipustulatus) Necrodes littoralis. Negastrius sabulicola. Notiophilus substriatus. Rhantus suturellus. Stenus fossulatus. Tropiphorus obtusus]*. [Coleoptera] [Insects].

2001 The Leaf -beetle *Oulema rufocyanea* (Suffran) new to Cumbria. The Carlisle Naturalist. **9**, (2), 28-29. [Coleoptera] [Insects].

2002 A record of *Hylecoetus dermestoides* (Linnaeus) (Lymexylidae) from Cumbria. The Coleopterist. **11**, (1), March, 7. [Location : Whinlatter Forest (F.C). at Masmill, Cumbria]. [Coleoptera] [Insects].

2002 Author : Morris, M.G. True Weevils : Curculionidae (Subfamilies Raymondionyminae to Smicronychinae). Handbooks for the Identification of British Insects. Vol **5**, part 17b. Royal Entomological Society. 0 901546 83 6. [Includes 24 whole-insect figures by R.W.J.Read]. [Coleoptera] [Insects].

2002 Drawing of *Dianous coerulescens* (Gyllenhal) by R.W.J. Read. The Coleopterist. **11**, (3), December, Front-cover. [Coleoptera] [Insects].

2002 *Elaphropus parvulus* (Dejean) (Carabidae) discovered in West Cumbria. The Coleopterist. **11**, (3), December,89-90. [Location : Keekle Bridge, West Cumbria]. [Coleoptera] [Insects].

2002 Sub-Editor. Beetles Report : 2001. Birds and Wildlife in Cumbria : 2001. 84-85. Cumbria Naturalists Union. [Records include : *Ampedus balteatus. Bembidion geniculatum. Bembidion obtusum. Brachypterolus linariae. Cylindrinotus laevioctostriatus. Georissus crenulatus. Hylecoetus dermestoides. Nacaredes melanura. Sermylassa halensis*]. [Coleoptera] [Insects].

2002 The aquatic and semi-aquatic true bugs (Hemiptera-Heteroptera) of Cumbria. Unpublished Report.

2003 An early record of *Cyphon konsbergensis* Munster (Scirtidae). The Coleopterist. **12**, (2), September, 84-85. [In : F.H.Day Collection : Tullie House]. [Coleoptera] [Insects].

2003 Drawing of *Acupalpus maculatus* Schaum (Carabidae) by R.W.J. Read. Fig 1, p2. **In :-** Telfor, Mark G. *Acupalpus maculatus* Schaum, 1860 : another carabid new to Britain from Dungeness. Coleopterist. **12**, (1), April, 1-6. [Coleoptera] [Insects].

2003 Drawing of *Scolytus pygmaeus* (Fabricius) by R.J.W Read p58. **In :-** Heal, N.F. *Scolytus pygmaeus* (Fabricius, 1787) (Scolytidae) - a new arrival in Britain. The Coleopterist. **12**, (2), September, 57-60. [oleoptera] [Insects].

2003 Joint Authors : Hewitt, S.M., Atty, D.B. & Parker, J.B. A survey of the invertebrates of Rusland Woods. Unpublished interim report to the Lake District National Park Authority.

2003 Joint Authors : Hewitt, Stephen M., Atty, David B and Parker, John B. Insects associated with dead-wood habitats in Rusland Woods. The Carlisle Naturalist. **11**, (1), 17-24.

2003 Sub-Editor. Beetles Report : 2002 Birds and Wildlife in Cumbria : 2002. 120-121. Cumbria Naturalists Union. [Records include :- *Agathidium seminulum*. (Linnaeus). *Deronectes latus* (Stephens) (Dytiscidae). *Donacia simplex* (Fabricius) (Chrysomelidae). *Donacia versicolorea* (Brahm). *Elaphropus parvulus* Dejean (Carabidae). *Haliplus fulvus* (Fabricius) (Haliplidae).

Hydroporus angustatus Sturm (Dytiscidae). *Hygrotus confluens* (Fabricius) (Dytiscidae). *Leptinus testaceus*. Muller, P.W.J. (Leptinidae). *Orectochilus villosus* (Muller, O.F.) (Gyrinidae). *Phyllobrotica quadrimaculata* Dejean (Chrysomelidae)]. [Coleoptera].

2003 The beetle *Telematophilus typhae (*Fallen) on Bulrush in Cumbria. The Carlisle Naturalist. **11**, (1), 10-11. [Coleoptera].

2004 *Agrilus viridus* (Linnaeus). A drawing by R.W.J. Read. The front cover of : Coleopterist. **13**, (2) : September.

2004 A record of *Aclypea opaca* (Linnaeus) (Silphidae) from West Cumbria. The Coleopterist. **13**, (1), April, 21. [Location : Gosforth, West Cumbria]. [Reference to F.H.Day]. [Coleoptera].

2004 Drawing of *Dactylosternum abdominale* (Fabricius) by R.W.J Read, p2. **In :-** Allen, A.J. *Dactylosternum abdominale* (Fabricius) (Hydrophilidae) in Dorset - new to Britain. Coleopterist. **13**, (1), April, 1-3. [Coleoptera] [Insects].

2004 Some notable beetles from the Rusland Valley. The Carlisle Naturalist. **12**, (1), 5-6. [*Stenus tarsalis*. (Ljungh). *Synaptus filiformis* (Fabricius). *Paraphotistus impressus* (Linnaeus). *Trachodes hispidus* (Linnaeus). *Tanymecus palliatus* (Fabricius). [Coleoptera] [Insects].

2004 Sub-Editor. Beetles Report : 2003. Birds and Wildlife in Cumbria : 2003. 168-170. Cumbria Naturalists Union. [Dytiscidae : *Bembidion doris* (Panzer). *B. pallidipenne* (Illiger), *B. stephensi* (Crotch). Dytiscidae : *Graptodytes granularis* (Linnaeus), *Agabus biguttatus* (Oliver) *Llybius quadriguttatus* (Lacordaire & Boisduval. Hydrophilidae : *Helochares punctatus*. Hydraenidae : *Octhebius marinus*. Silphidae : *Acalypea opaca* ((Linnaeus). Elateridae : *Paraphotistus impressus* (Linnaeus). Elateridae : *Synaptus filiformis* (Fabricius). Sphindidae : *Aspidophorus orbiculatus* (Gyllenhal). Coccinellidae : *Anisosticta 19-punctata* (Linnaeus). Curculionidae : *Trachodes hispidus* (Linnaeus). [Coleoptera] [Insects].

2004 *Synaptus filiformis* (Fabricius) (Elateridae) new to Cumbria and VC 69. Westmorland. The Coleopterist. **13**, (1), April, 32-33. [Location : Border Moss Wood]. [Reference to F.H.Day and Stephen Hewitt]. [Coleoptera] [Insects].

2005 A brief report on the Large Heath Butterfly (*Coenonympha tullia*) observed on Distington Moss, West Cumbria in 2005. Unpublished Report. [Lepidoptera] [Insects].

2005 A preliminary report on the invertebrates of Sandclose Farm, Moresby, West Cumbria. Unpublished Report.

2005 A preliminary survey of the invertebrates of Distington Moss, West Cumbria. Unpublished Report.

2005 *Cyphon pubescens* (Fabricius) (Scirtidae) new to VC 70, Cumberland. The Coleopterist. **14**, (2), August,80-81. [Reference to F.H.Day and Jonty Denton] [Location : Low Church Moss]. [Coleoptera] [Insects].

2005 Drawing of *Habitus pachyrhinus* Mustela (Herbst) by R.W.J.Read, fig 2,page 2. **In :-** Denton, Jonty. *Brachyderes incanus* (Linnaeus) and *Pachyrhinus mustela* (Herbst) (Curculionidae) in Surrey - new to Britain. The Coleopterist. **14**, (1), August, 1-5. [Insects] [Coleoptera].

2005 Drawing of *Xylostiba bosnica* (Bernhauer) by R.W.J.Read. **In :-** Allen, A.J. and Booth, R.G. *Xylostiba bosnica* (Bernhauser) (Staphylinidae) in Britain. The Coleopterist. **14**, (3), December, 93-96. [Coleoptera] [Insects].

2005 Further records of the seed-beetle *Bruchidius villosus* F. (Coleoptera, Bruchidae) from (VC 70), Cumberland. The Carlisle Naturalist. **13**, (1), 7-8. [Insects].

2005 Joint Authors : Hewitt, S. M., Atty, D., Parker, M. J and Sinclair, M. Survey of the insects of exposed riverine sediments on the rivers Eden and Derwent in Cumbria in 2004. Unpublished report to English Nature and the Environment Agency. [Invertebrates].

2005 *Lema cyanella* (Linnaeus) Chrysomelidae new to Cumberland. The Coleopterist. **14**, (1), April,44. Location : Calder Valley, West Cumbria]. [Also mentions *Orectochilus villosus* (Muller, O. F). [Location : River Calder]. [Coleoptera] [Insects].

2005 *Scrites hemisphaericus* (L.) (Scirtidae) new to Cumbria. Latissimus. **20**, 20. [Insects].

2005 Sub-Editor. Beetles Report : 2004. Birds and Wildlife in Cumbria : 2004. 170-172. Cumbria Naturalists Union. [Records include :- *Dytiscus semisulcatus* Muller.O.F. (Dytiscidae). *Stictonectes lepidus* (Oliver) (Dytiscidae). *Hydroporus incognitus* Sharp (Dytiscidae). *Hydroporus striola* (Gyllenhal) (Dytiscidae). *Hydraena riparia* Kugelann (Hydraenidae). *Myllaena kraatzi* Sharp (Staphylinidae). *Hydrosmecta eximia* (Sharp), (Staphylinidae). *Dianous coerulescens* (Linnaeus) (Staphylinidae). *Heterocerus margintaus* (Fabricius) (Scirtidae). *Malthodes guttifer* Kiesenwetter (Cantharidae). *Anisosticta 19-punctata* (Linnaeus).

(Coccinellidae). *Halyzia 16-gutta* (Linnaeus) (Coccinellidae). *Bruchidius villosus* (Fabricius) (Bruchidae). *Cleonis pigra* (Curculionidae). *Gymnetron antirrhini* (Paykull) (Curculionidae). [Coleoptera].

2005 Two drawings of *Placonotus testaceus* (Fabricius) by R.J.W. Read. **In :-** Nash, David R. *Placonotus testaceus* (Fabricius) (Laemophloeidae) found in Britain. The Coleopterist. **14**, (2), August, 45-49. [Coleoptera] [Insects].

2006 Drawing of *Hydrovatus cuspidatus* (Kunze) by R.W.J.Read (Fig 2). **In :-** Drake, C. Martin. *Hydrovatus cuspidatus* (Kunze, 1818) (Dytiscidae) new to Britain. The Coleopterist. **15**, (2), September, 53-57. [Coleoptera] [Insects].

2006 Drawing of *Pachyrhinus lethierryi* (Desbrochers) by R.W.J. Read. **In :-** Plant, Colin W., Morris, M.G. and Heal, Norman F. *Pachyrhinus lethierryi* (Desbrochers, 1875) (Curculionidae) new to Britain and evidently established in south-east England. Coleopterist. **15**, (2), September, 59-65. [Coleoptera] [Insects].

2006 Sub-Editor. Beetles Report : 2005.Birds and Wildlife in Cumbria : 2005. 193-195. Cumbria Naturalists Union. [Records include :- *Acupalpus dubius* Schilsky (Carabidae). *Amara equestris* (Duftschmid) (Carabidae. *Bembidion schueppeli* Dejean (Carabidae). Pterostichus *oblongopunctatus* (Fabricus) (Carabidae). *Trechus discus* (Fabricus) (Carabidae). *Trichosellus placidus* (Gyllenhal) (Carabidae). *Octhebius bicolon* Germar (Hydraenidae). *Scirtes hemisphaericus* (Linnaeus) (Scirtidae). *Laricobius erichsoni* Rosenhauer (Derodontidae). *Myrrha 18-guttata* (Linnaeus) (Coccinelidae). *Blaps mucronata* (Latreille) (Tenebrionidae). *Saperda saclaris* (Linnaeus) (Cerambycidae). *Chrysomela populi* Linnaeus (Chrysomelidae). *Mantura rustica* (Linnaeus) (Chrysomelidae). *Scolytus mali* (Bechstein) (Curculionidae)]. [Coleoptera] [Insects].

2006 *Peritrechus geniculatus* (Hahn) - a ground bug new to Cumbria.(St Bees).The Carlisle Naturalist, **14**, (1), 12. [Coleoptera] [Insects].

2006 Report on the insects recorded and observed on Distington Moss, West Cumbria. 2006. Unpublished Report. [Invertebrates].

2006 The Thick-legged Flower-beetle *Oncomera femoratum* (Fabricius) (Coleoptera : Oedemeridae) in Cumbria, and other notable beetles in the N.L. Birkett collection. The Carlisle Naturalist. **14**, (1), 11-12. [Coleoptera] [Insects].

2006 *Xylostiba monilicornis* (Gyllenhal) (Staphylinidae) in Cumbria and new to VC 69,Westmorland. The Coleopterist. **15**, (3), December,116 -117. [Locations : Rusland Valley Woods and Skinner Pasture Wood]. [Coleoptera] [Insects].

2007 A recent record of the Ground Beetle *Chlaenius nigricornis* (Fabricus) from West Cumbria. The Carlisle Naturalist. **15**, (2), 29-30. [Coleoptera] [Insects].

2007 Drawing of female *Xyleborus monographus* by R.W.J.Read.(p44). **In :-** Telfer, Mark G. *Xyleborus monographus* (Fabricus) (Curculionidae : Scolytinea) new to Britain. The Coleopterist. **16**, (2), September,41-45. [Cleoptera] [Insects].

2007 Drawing of *Stephostethus caucasicus* (Mannerheim) by R.W.J.Read. (Figs 1&2). **In :-** Johnson, Colin. *Stephostethus caucasicus* (Mannerheim, 1844) (= *sinuatocollis auctt*., = *campicola auctt*.)
(Latridiidae) new to Britain. Coleopterist. **16**, (3), December, 101-103. [Coleoptera] [Insects].

2007 Joint Author : Denton, J.S. *Stenus nitens* Stephens (Staphylinidae) The Coleopterist. **16**, (1), 37. [Location : Tarn Moss N.N.R, nr Threlkeld and Distington Moss]. [Reference to F.H.Day]. [Coleoptera] [Insects].

2007 Joint Authors : Foster, Garth N., Bilton, David T and Routledge, Steven. Further notes on *Synaptus filiformis* Fabricius (Elateridae) and *Hydroporus rufifrons* (Muller) (Dytiscidae) in Westmorland. The Coleopterist. **16**, (3), December, 135-137. [Reference to John Read]. [Coleoptera] [Insects].

2007 Sub-Editor. Beetles Report. Birds and Wildlife in Cumbria : 2006. 194-196. Cumbria Naturalists Union. [Reports include :- *Stenolophus mixtus* Herbst (Carabidae. *Dyschirius nitidus* (Dejean) (Carabidae). *Hydrochus angustatus* Germar (Hydrophilidae). *Nudobius lentus* (Gravenhorst) (Staphylinidae). *Stenus nitens* Stephens. (Staphylinidae). *Stenus umbratilis* Casey (Staphylinidae). *Scrites hemisphaericus* (Linnaeus) (Scirtidae). *Cantharis fusca* Linnaeus (Cantharidae) (RDB3). *Dacne ruficornis* (Fabricius) (Erotylidae). *Olibrus affinis* Strum (Phalacridae). *Olibrus liquidus* Erichson (Phalacridae). *Scymnus schmidti* Fursch (Coccinellidae). *Hypera postica* (Gyllenhal) (Curculionidae). *Microplontus triangulum* Boheman

(Curculionidae)]. [Coleoptera] [Insects][.

2007 The Lesser Earwig (*Labia minor* Linnaeus) (Dermaptera, Labiidae) in West Cumbria. The Carlisle Naturalist. **15**, (1), 10-11. [Coleoptera] [Insects].

2007 The Plant-bug *Capsodes gothicus* Linnaeus (Hemiptera, Miridae) rediscovered in West Cumbria. The Carlisle Naturalist. **15**, (2), 28-29. [Coleoptera].

2007 Two carabids (Carabidae) recently discovered in West Cumbria. The Coleopterist. **16**, (3), December, 123-124. [*Stenolophus mixtus* (Herbst). Location : Mirehouse, Whitehaven]. [*Chlaenius nigricornis* (Fabricius) nb]. [Location : Moresby nr Priestgill Wood]. [Coleoptera].

2007 Two further records of *Scirtes hemisphaericus* (L.) (Scirtidae) from West Cumbria. Latissimus **23**. 35. [Coleoptera]

2008 A further record of *Olibrus affinis* Sturm (Phalacridae) from Cumbria. The Coleopterist. **17**, (1), April,12. [Coleoptera].

2008 A further record of the Nettle Ground-bug (*Heterogaster urticae* (Fabricius)) from Cumbria. The Carlisle Naturalist. **16**, (1), 5. [Coleoptera] [Insects].

2008 Another record of the ladybird beetle *Scymnus schmidti* Fursch from Cumbria. The Carlisle Naturalist. **16**, (1), 5-6. [Coleoptera] [Insects].

2008 A recent record of Agabus melanarius (Aube) (Dytiscidae) from West Cumbria. Coleopterist **17**, (3), December, 154. [Location: Uldale Valley, nr Egremont]. [Reference to F.H.Day]. [Coleoptera] [Insects].

2008 A record of the harvestman *Dicranopalpus ramosus* (Simon) from West Cumbria. The Carlisle Naturalist. **16**, (1), 6-7. [Araneae]. [Spider]. [Insect].

2008 Author : Morris, M.G. True Weevils (Part 2) (Coleoptera : Curculionidae, Ceutorhynchinae). Handbooks for the Identification of British Insects. Vol **5**, Part 17c. Royal Entomological Society. 978 0 90154 687 6. [Drawings by John Read]. [Coleoptera] [Insects].

2008 Beetles : Invertebrate Report, 2007. Birds and Wildlife in Cumbria, 2007. 193-196. Cumbria Naturalists Union. [Records include :- *Agonum ericeti* (Panzer) Carabidae. *Chlaenius nigricornis* (Fabricius) Carabidae. *Pterostichus minor* (Gyllenhal) Carabidae. *Hydroporus morio* Aube Dytiscidae. *Octhebius minimus* (Fabricius) Hydraenidae). *Aagathidium varians* Beck Leiodidae. *Carpelimus gracilis* (Mannerheim) Staphylinidae. *Gabrius breviventer* (Sperk) Staphylinidae. *Oilgota parva*. Kraatz Staphylinidae. *Isomira murina* (Linnaeus) Tenebrionidae. *Epitrix pubescens* (Koch) Chrysomelidae. *Oxystoma cerdo* (Gerstaecker) Apionidae. *Furcipus rectirostris* (Linnaeus) Curculionidae. *Mecinus pascuorum* (Gyllenhal) Curculionidae. *Hoplia philanthus* (Fuessly) Scarabaeidae (Chafer beetle). *Cantharis lateralis* (Linnaeus) Cantharidae (Soldier beetle). *Pyrochora serraticornis* (Scopoli) Pyrochoridae (Red-headed Cardinal Beetle). *Leiopus nebulosus* (Linnaeus) Cerambycidae (Longhorn beetles). *Pognocherus hispidulus* (Piller and Mitterpacher) Cerambycidae (Longhorn beetles). *Clytra quadripuncata* (Linnaeus) Chrysomelidae. *Cryptocephalus bipunctatus* (Linnaeus) Chrysomelidae. *Cryptocephalus moraei* (Linnaeus) Chrysomelidae. *Luperus flavipes* (Linnaeus) Chrysomelidae. [Coleoptera] [Insects].

2008 Drawing of *Berginus tamarisci* Wollaston by R.W.J.Read [Fig 1]. **In :-** Allen, A.J. & Booth, Roger G. *Berginus tamarisci* Wollaston,1854. (Mycetophagidae) in Surrey - new to Britain. The Coleopterist. **17**, (3), December, 205-206. [Coleoptera] [Insects].

2008 Drawing of *Cotaster unicipes* (Boheman) by R.W.J.Read. **In :-** Hammond, Peter M. *Cotaster uncipes* (Boheman, 1838) (Curculionidae) apparently established in Britain. The Coleopterist. **17**, (1), April, 43-46. [Coleoptera] [Insects].

2008 The leaf beetle *Epitrix pubescens* (Koch) and the weevil *Mecinus pascuorum* (Gyllenhal) new to Cumbria. The Carlisle Naturalist. **16**, (1), 8. [Coleoptera] [Insects].

2009 Beetles [Report]. 2008. Birds and Wildlife in Cumbria, 2008. 206-208. Cumbria Naturalists Union. [Records include : *Agabus melanarius* Aube Dytiscidae. *Hyphydrus ovatus* (Linnaeus) Dytiscidae. *Enochrus coarctatus* (Gredler) Hydrophillidae. *Hydobius punctatus* (Strum) Leiodidae. *Trichiusa immigrata* Lohse Staphylinidae. *Aphodius porcus* (Fabricius) Scarabaeidae. *Lasioderma serricorne* (Fabricius) Anobiidae. *Scymnus schmidti* Fursch. Coccinellidae. *Mycetophagus piceus* (Fabricius) Mycetophagidae. *Meloe violaceus* Marsham Meloidae. *Tetropium castaneum* (Linnaeus) Cerambycidae. *Gonioctena olivacea* (Forster) Chrysomelidae. *Dorytomus filirostris* (Gyllenhal) Curulionidae]. [Coleoptera] [Insects].

2009 Hoverflies Workshop. 1st August, 2009. The Carlisle Naturalist. **17**, (2), Autumn, 31-32. [Locations : Tullie House and Bowness on Solway]. [Diptera] [Insects].

2009 Some interesting beetles from West Cumbria in 2008. The Carlisle Naturalist. **17**, (1), Spring, 12-15. [References to F.H.Day. David Atty]. [Coleoptera]. [Insects].

2010 Beetles Report. Birds and Wildlife in Cumbria. 2009. 215-217. Cumbria Naturalists Union. [*Acillus canaliculatus . Bembidion obliquum. Carabus nitens. Anacaena limbata. Carcyon ustulatus. Carcinops pumillio Rybaxis longicornis. Stenus fossulatus. Stenus geniculatus. Heterocerus flexuosus. Ahasverus advena. Cryptolestes ferruginous. Scymnus interruptus Pyrochora coccinea. Pelenomus zumpti*]. [Coleoptera] [Insects].

2010 Bumblebees Workshop. Leader : Carl Clee. The Carlisle Naturalist. **18** (2), Autumn, 35-36. [Hymenoptera] [Insects].

2010 *Rybaxis longicornis* (Leach) (Staphylinidae) in Cumbria and V.C. 69, Westmorland. Coleopterist. **19** (2), September, 61. [Location : Salthouse Pool, Barrow in Furness]. [Coleoptera] [Insects].

2011 Joint Author : Hewitt, S.M. Records of some noteworthy beetles from Cumbria, recently added to the collections of Tullie House Museum. Carlisle Naturalist. **19**, (1), Spring, 7-10. [Coleoptera] [Insects].

2012 A record of *Scymnus interruptus* (Goeze) (Coccinellidae) from the Isle of Wight. Coleopterist. **21**, (1), April, 13.

2012 A record of the ground beetle *Bembidion normannum* Dejean from West Cumbria. Carlisle Naturalist. **20**, (1), Spring, 5. [Coleoptera] [Insects].

2012 A record of *Trechus fulvous* Dejean. (Carabidae) from West Cumbria. The Colopterist. **21**, (3), December, 126. [Coleoptera] [Insects].

1997 Bees, Wasps and Ants. (Hymenoptera Aculeata) Report . Birds and Wildlife in Cumbria : 1996. 89-91. Cumbria Naturalists Union. [Records include : Andrenidae (Mining Bees) : *Andrena humilis* Imhoff. Colletidae (Short-tongued bees): *Colletes succintus* (Linnaeus). Eumenidae (Mason wasps). *A. parietum*. Formicidae (Ants) : *Formica fusca* Linnaeus. *F. lemani* Bondroit. *F. lugubris* Zetterstedt. *F. rufa* Linnaeus. *Formicoxenus nitidulus* (Nylander). *Myrmica sabuleti* (Meinert). Halictidae (Small mining bees) : *Lasioglossum fulvicorne* (Kirby). *L. leucopum* (Kirby). *L. smeathmanellum* (Kirby). Megaclilidae : (Carder, Mason and Leaf-cutting Bees): *Anthidium manicatum* (Linnaeus). *Megachile maritima* (Kirby). *M. willughbiella* (Kirby). Melittidae : *Melitta haemorroidalis* (Fabricius). Pompilidae (Spider Wasps) : *Dipogon bifasciatus*. (Linnaeus). *Episyron rufipes* (Linnaeus). *Pompilus cinereus*. Sphecidae (Solitary wasps) : *Crabo peltarius* (Schreber). *Crossocerus elongatulus* (Van der Linden). *C. pusillus. Ectemnius continuus*. *Psen equestris* (Fabricius). *Mellinus arvensis*. (Linnaeus). Tiphiidae (Cleptoparasites) : *Myrmosa atra* Panzer). [Insects].

1997 Cumbria Wood Ant Survey - progress report. The Carlisle Naturalist. **5**, (1), 6-7. [Hymenoptera]. [Insects].

1997 Field Meeting, South-west Dorset. July, 12-19th. BWARS Newsletter. Autumn, 3-4.

1997 Observations on solitary bees and wasps in Cumbria in 1996. The Carlisle Naturalist. **5**, (1), 15-17. [Hymenoptera] [Insects].

1997 Recorder's Report : Bees, Wasps and Ants, 1997. North Lancashire Naturalists Newsletter. **16**, 24. [Hymenoptera] [Insects].

1997 Solitary Bees in my garden. Bull. Amat. Ent. Soc. **56**, (410), February, 3-6. [Hymenoptera] [Insects].

1997 Spectacular Slug in Natland. North Lancashire Naturalist's Newsletter. **16**, 24. [Molluscs].

1998 A bumper year (1997) for males of the 'guest ant' *Formicoxensus nitidulus* Nylander in nests of the Wood Ant *Formica rufa* L. at Gaitbarrows NNR (Lancs V.C. 60). and Arnside Knott. BWARS Newsletter. Spring, 6-7. [Hymenoptera]. [Insects].

1998 A review of the Wall Mason Bee (*Osmia parietina* Curtis) in Cumbria, with two new records. The Carlisle Naturalist. **6**, (2), 44-46. [Hymenoptera] [Insects].

1998 Bees in my garden : an update to 1997 - and some Wasps. Bull. Amat. Ent. Soc. **57**, (419), August, 141-143. [Hymenoptera] [Insects].

1998 Bees, Wasps and Ants (Hymenoptera Aculeata) Report : 1997. Birds and Wildlife in Cumbria : 1997. 74-75.Cumbria Naturalists Union. [Records include :- Andrenidae (Mining Bees) *Andrena clarkella* (Kirkby) - visiting sallow (*Salix cinerea*). *A. humilis* Imhoff. *A. nigroaenea* (Kirby). *A. ruficrus* Nylander. Apidae (Social Bees) *Psithyrus vestalis* (Geoffroy). Colletidae (Short-tongued Bees) *Colletes cunicularius* (L.). Eumeniidae (Mason Wasps) *Ancistrocerus oviventris* (Wesmael). Formicidae : *Formicoxenus nitidulus* (Nylander). F. *Myrmica sulcinodis* Nylander. Halictidae (Mining Bees) *Halictus tumulorum* (L) - foraging at Rockrose (*Helianthemum nummularium*). *Lasioglossum fulvicorne* (Kirby). Megachilidae (Carder,Mason and Leaf-cutting bees. *Anthidium manicatum*. Sphecidae (Solitary Wasps) *Ectemnius cephalotes* (Oliver). [Hymenoptera] [Insects].

1998 Cumbria Wood Ant Survey - progress report, 1997. The Carlisle Naturalist. **6**, (1), 10-11. [Hymenoptera] [Insects].

1998 Enid Maples Bird Reserve in 1997. Cumbria Wildlife Trust. Kendal Support Group. 42. January. [Nature Reserves].

1998 First records of the myrmecophile spider *Thyreosthenius biovatus* Cambridge in the nests of the wood ant *Formica lugubris* Zetterstedt. The Carlisle Naturalist. **6**, (2), 33. [Araneae] [Hymenoptera]. [Insects].

1998 Observations on the "guest ant" *Formicoxenus nitidulus* (Nylander) in nests of the Red Wood Ant *Formica rufa* L. in 1997. Brit. Jnl. Ent. Nat. Hist. **11**, (2), 125-128. [Location Gait Barrows National Nature Reserve, Lancashire]. [Hymenoptera]. [Insects].

1998 Recorders Report : Bees, Wasps and Ants, 1998. North Lancashire Naturalists Newsletter. **17**, 10-11. [Hymenoptera] [Insects].

1998 Solitary bees in my garden : an update to 1997-and some wasps. BAES. **57**, (419), August, 141-143. [Hymenoptera]. [Insects].

1998 Spectacular Slug in Natland. (*Limax pseudoflavos*) Cumbrian Wildlife. **51**, May, 8. [Molluscs].

1998 The myrmecophile spider *Thyreosthenius biovatus* Cambridge on Arnside Knott : new record for (VC 69). The Carlisle Naturalist. **6**, (1), 12-13. [Araneae]. [Insects].

1998 The slug *Limax maculatus* (Kaleniczenko 1851) in Natland (SD522892) near Kendal : a new record for vice-county 69. The Carlisle Naturalist. **6**, (1), 11-12. [Molluscs].

1998 Two new records of the myrmecophile spider *Thyreosthenius biovatus* Cambridge, in nests of *Formica rufa*. L. Brit Jnl of Ent and Nat Hist. **11**, 72. [Araneae]. [Insects].

1999 Bees, wasps and Ants (Hymenoptera : Aculeata) taken in 1995 by a Malaise trap at Hawes Water Moss (Gait Barrows NNR), Lancashire, V.C. 60. Jnl. Lancs.Ches. Ent. Soc. Vols **121-123**, December, 46-50. [Insects].

1999 First records of the red Data Book "Wall mason bee" *Osmia parietina* Curtis in Cumbria for nearly, 50 years. BEWARS Newsletter, Spring, 3-4. [Hymenoptera] [Insects].

1999 Further news of the Wall Mason Bee *Osmia parietina* Curtis, and its habitat in Cumbria, from surveys in 1999. BEWARS Newsletter. Autumn, 7-8. [Hymenoptera] [Insects].

1999 Further news of the Wall Mason Bee (*Osmia parietina* Curtis) in Cumbria, from survey work in 1999. The Carlisle Naturalist. **7**, (2), 30-33. [Hymenoptera] [Insects].

1999 Instant *Anthidium*, or : Grow your own Carder Bee. The Carlisle Naturalist. **7**, (2), 34-36. [Hymenoptera] [Insects].

1999 Joint Author : Collingwood, Cedric A. *Stenamma debile* (Forster) and *Lasius sabularum (*Bondroit), (Hymenoptera : Formicidae) new to Lancashire. Brt Jnl. Ent. Nat. Hist. **12**, (2), August, 92.[Gaitbarrows N.R]. [Insects].

1999 Observations on the "guest Ant" *Formicoxenus nitidulus* Nylander in nests of the wood ants *Formica rufa* L. and *F. lugubris* Zetterstedt in 1998. Brt. Jnl. Ent. Nat. Hist. **12**, (3), 138-140. [Locations include Arnside Knott. Borrowdale. Gait Barrows. Seathwaite. Tongue Wood. Wallowbarrow]. [Hymenoptera] [Insects].

1999 Observations on the mining bee *Andrena humulis* Imhoff (Hymenoptera Aculeata) in Lancashire and Cumbria. Journal of the Lancashire and Cheshire Entomological Society.**122-123**, 5-8. [Hymenoptera] [Insects].

1999 Sub-Editor. Bees, Wasps and Ants. Report : 1998. Birds and Wildlife in Cumbria : 1998. 74-75. Cumbria Naturalists Union. [Records include :- "the most interesting were" :- *Andrena helvola. Andrena humilis. Nomada Lathburiana*. "The most interesting other records of bees were" :- *Andrena cineraria. Anthidium manicatum.Andrena ruficrus. Mellita haemorroidalis*. *Osmia parietina*. **"The most interesting records of Wasps and Ants were" :-** *Crossocerus walkeri*. *Ectemnius ruficornis. Formica rufa. Formicoxenus nitidulus*]. [Hymenoptera] [Insects].

2000 An unusual prey for a Tiger beetle larva. Bull. Amat. Ent. Soc. **59**, (430), June, 114. [Coleoptera].

2000 A survey of bees at Heathwaite (National Trust), Arnside, in 1998. The Carlisle Naturalist. **8**, (2), 40-48. [Hymenoptera] [Insects].

2000 Bees in my garden : 1999 - the year of the Wool Carder Bee. (*Anthidium manicatum*) (L.)). Bull. Amat. Ent. Soc. **59**, (428), February, 28-30. [Hymenoptera] [Insects].

2000 Editor. Wildlife of Kendal : a natural history of Kendal in the year 2000. Kendal Natural History Society, Millennium Project.

2000 Flora of Kendal. **In :-** Robinson, Neil .A. Editor. Wildlife of Kendal. Kendal Natural History Society.

2000 Instant Anthidium, or : grow your own Carder Bee. BEWARS Newsletter. Spring. 17-18. [Hymenoptera] [Insects].

2000 Joint Author : Meikle, R.D. A new record for *Salix* x *angusensis* (Salicaceae) Rech. f. from Ainsdale Sand Dunes N.N.R., South Lancs. V.C. 59. Watsonia. **23**, (2), 327-330. [Flora].

2000 Recorder's Report : Bees, Wasps and Ants. 1999. North Lancashire Naturalists Newsletter 1999-2000. **18**. 16-17.[Hymenoptera] [Insects].

SHREEVE, Audrey.

1989 Orchid List : 1988. Birds in Cumbria : Spring, 1989. 73-74. Assn. Nat. Hist. Soc in Cumbria. [Orchids as listed :- Common Helleborine. Dark Red Helleborine. Marsh Helleborine. Dune Helleborine. Green-flowered Helleborine. Narrow-leaved Helleborine. Creeping Lady's Tresses. Autumn Lady's Tresses. Common Twayblade. Lesser Twayblade. Birds nest Orchid. Coral-root Orchid. Frog Orchid. Bog Orchid. Fragrant Orchid. Lesser Butterfly Orchid. Greater Butterfly Orchid. Small White Orchid. Bee Orchid. Fly Orchid. Green-winged Orchid. Early Purple Orchid. Early Marsh Orchid. Dwarf Orchid. Common Spotted Orchid. Heath Spotted Orchid. Marsh Orchid. Northern Fen Orchid. Narrow-leaved Orchid. Pyramid Orchid. [Flora].

1989 Sub-Editor. Plant Report : 1988. Birds in Cumbria : Spring, 1989. 70-76. Assn. Nat. Hist. Soc. in Cumbria. [**Rise and fall of plant populations** (p70-71) includes :- Basil Thyme. Birdsfoot. Danewort. Heath Cudweed. Lesser Broomrape (Nil Report). Lucerne. Narrow-leaved Everlasting Pea. Pale Toadflax. Purple Broomrape. Pyramidal Orchid. Spignel Meu. Stagshorn Clubmoss. **Flora of Cumbria** : List received from Geoffrey Halliday. *Anemone ranunculoides. Carex divulsa. Crassula helmsii. Crepis setosetosa. Echinops sphaerocephalus. Galeobdolon argentatum. Geranium x magnifcum Hypericum x forrestii. Hypochaeris glabra. Lychnis coronaria. Mentha spicata longifolia. Mespilus germanica. Myosotis scorpoides x caespitosa. Nyphoides peltata. Oenothera novae-scotica. Oxalis exilis. Peltiphyllum peltatus. Polystichum setiferm x aculeatum.*

Arnside and surroundings. Arnside Natural History Society. Records supplied Charles and Margaret Webb. :- Adders Tongue. Beech Fern. Corn Spurry. Herb Paris. Large Hemp-nettle. Limestone Polypody. Meadow Saxifrage. Oak Fern. Sea Lavender. Spiked Speedwell. Spring Cinquefoil. Sweet Briar. Sweet Violet. Toothwort. Winter Aconite. Yellow Star of Bethlehem. **Trees** : Small-leafed Lime. Wild Service Tree.

Cumbrian Coast : Barrow and South Walney Reserve. Records supplied by Tim Dean and Anne Riddell. :- Birds-eye Primrose. *Cynoglossum officinale*. Deadly Nightshade. Dutch Rush. *Echium vulgare*. *Eryngium martimum*. *Geranium sanguineum lancastriense*. Giant Bellflower. Globe Flower. Greater Horsetail. Horseshoe Vetch. *Mertensia maritima*. Nodding Bur-Marigold. *Ophrys apifera*. *Osmunda regalis*. Pepper Saxifrage. Rest Harrow - white variation. Sand Leek. Sea Kale. Sea Spleenwort. Trifid Bur-Marigold. Violas. White Bryony.

Shrub :- Alder Buckthorn.

Kendal and surroundings (Kendal Support Group, Cumbria Wildlife Trust). Information supplied by A.A Marshall. Records include :- Agrimony. Bog Asphodel. Bogbean. Bog Rosemary. Carline Thistle. Columbine. Common Twayblade. Cranberry. Daisy Yarrow. Globe Flower. Herb Paris. Lily of the Valley. Pink Purslane. Ploughman's Spikenard. Ragged Robin. Sweet Briar. Travellers Joy. Welsh Poppy.

Trees :- Hawthorne. Hornbeam. Spindle.

North Cumbria, Lowland (Eden Field Club). Information supplied by :- Roderick Corner. Terry Wells. Judy Naylor. Mike Porter. Records include :- Bladder Campion. Butchers Broom. Clustered Bellflower. Chickweed Wintergreen. Crow Garlic. Dusky Cranesbill. Evening Primrose. Gagea Lutea. Golden Saxifrage. Great Knapweed. Herb Paris. Kidney Vetch. Small Burgloss. Small-fingered Sedge. Toadflax. Toothwort. White Campion. Wild Celery. Yarrow Broomrape. Yellow Archangel. Yellow Star of Bethlehem.

North Cumbria : Pennine. (Eden Field Club). Information supplied by Terry Wells. :- Alpine Cinquefoil. Alpine Forgetmenot. Birds-eye Primrose. Golden Rod. Grass of Parnassus. Great Sundew. Hoary Whitlow Grass. Marsh Arrowgrass. Mountain Everlasting. Oblong-leaved Sundew. Pink Purslane. Roseroot. Spring Gentian. Spring Sandwort. Starry Saxifrage. Three-flowered Rush. White-beaked Sedge. Yellow Marsh Saxifrage.

Alien Plants : *Ammi major*. Cotoneasters. Dames Violet. False Acacia. Lupins. Medlar. Tassle Hyacinth.

Weather and Flowering : Goldilocks. Green Hellebore. Stinking Hellebore. Winter Heliotrope. [Flora].

1990 Sub-Editor. Orchid list : 1989. Birds in Cumbria : Spring, 1990. 87. Cumbria Naturalists Union.

[Orchid list in the order presented. **April** : Early Purple Orchid. Lesser Twayblade. **May** : Coral Root Orchid. **June** : Fly Orchid. Bee Orchid. Common Twayblade. Frog Orchid. Fragrant Orchid. Greater Butterfly Orchid. Small White Orchid. **July** : Bog Orchid. Dune Helleborine. Marsh Helleborine. Common Spotted Orchid. Marsh Orchid. Northern Fen Orchid. **August/September** : Heath Spotted Orchid. Broad-leaved Helleborine. Dark Red Helleborine. Lesser Butterfly Orchid. Pyramidal Orchid. Autumn Lady's Tresses. Green-Winged Orchid. Bird's-nest Orchid. Creeping Lady's Tresses. Narrow-Lipped Helleborine. [Flora].

1990 Sub-Editor. Plant Report : 1989. Birds in Cumbria : Spring, 1990. 83-87. Cumbria Naturalists Union.[**Conservation and environmental matters** : Autumn Lady's Tresses. Fingered Sedge. Green Hellebore. Green-Winged Orchid. Hairy Violet. Heath Sedge. Marsh Cinquefoil. Spiked Speedwell. Teesdale Violet. White Star of Bethlehem.

Kendal and surroundings (Kendal Support Group, Cumbria Wildlife Trust). Information supplied by : - A.A,.Marshall. :- Adder's Tongue Fern. Bird's Eye Primrose. Blinks. Bog Bean. Bog Pimpernel. Broad Buckler Fern. Dames Violet. Golden Rod. Hart's Tongue Fern. Heath Dog Violet. Lemon-scented Mountain Fern. Lesser Spearwort. Marsh Cinquefoil. Pink Purslane. Ragged Robin. Square-stalked Willow Herb. Three-veined Sandwort. Yellow Pimpernel.

Shrubs / Trees :- Broom. Guelder Rose. Small-Leaved Lime. Spindle. Tutsan. Western Gorse.

New Sightings : Adder's-tongue Fern. Autumn Crocus. Black Horehound. Dames Violet. Evening Primrose (Hybrid). Greater Chickweed. Indian Strawberry. Limestone fern. Maiden-Hair Fern. Meadow Saffron. Moonwort. Sea Rocket. Sorrel (Oxalis exilis). Spurge (*Euphorbia x pseudo-virgatum* ssp foetidus). Twiggy Mullein. Water Horse-tail. Whorled Clary. Wild Teasel.

North Cumbria/Pennines. Information supplied by Linda Reinecke :- Bearberry. Bog Orchid. Bog Pimpernel. Golden Rod. Green Spleenwort. Lesser Bladderwort. Moss Campion. Mountain Everlasting. Oblong-leaved Sundew. Purple Saxifrage. Roseroot. Stone Bramble.
Weather influences : Winter Heliotrope.
West Cumbria (Maryport Natural History Society) :- Black Horehound. Blinks. Blood-drop Emlets**.** Bog Aspodel. Bog Pimpernel. Bristle Club Rush. Butcher's Broom. Dutch Rush. Dwarf Gorse. Dyer's Greenweed. Eyebright. Field Gentian. Grass of Parnassus. Greater Knapweed. Hoary Mugwort. Lesser Skull Cap. Marsh St. John's-Wort. Marsh Valerian. Marsh Willow Herb. Meadow Saffron. Mountain Everlasting. Oyster Plants. Pearly Everlasting. Pellitory-of-the-Wall. Purple Broomrape. Pyramidal Orchid. Restharrow. Slender Rush. Star of Bethlehem. White-Beak Sedge. White Butterbur. Whorled Clary. Wood Vetch.
Tree : Medlar (*Mespilus germanica*). Also a marshy Field at Broughton Moor has now been designated to pen-cast", resulting in the loss of the following plants : Bristle Club Rush. Common Spotted Orchids. Lesser Butterfly Orchids. [Flora].

1991 Sub-editor. Ferns in Cumbria. (Records include : Adder's Tongue Fern. Beech Fern. Black Spleenwort. Broad Shield Fern. Dutch Rush. Forked Spleenwort. Harts Tongue Fern hybridised with Broad Male Fern. Hay-scented Buckler Fern. Lanceolate Spleenwort. Limestone Fern. Moonwort. Oak Fern. Prickly Shield. Rigid Buckler. . Royal Fern. Tunbridge Filmy Fern. (See also Malcolm Hutcheson (1991). [Flora].

1991 Sub-Editor. Orchid Report : 1990. Birds in Cumbria : Spring, 1991. 87-88. Cumbria Naturalists Union. [Orchids listed :- Autumn Ladies Tresses. Bee Orchid. Birds Nest Orchid. Bog Orchid. Common Helleborine. Common Spotted Orchid. Dark Red Helleborine. Early Marsh Orchid. Early Purple Orchid. Fly Orchid. Fragrant Orchid. Frog Orchid. Greater Butterfly Orchid. Green-winged Orchid. Heath Spotted Orchid. Lesser Butterfly Orchid. Marsh Orchid. Northern Marsh Orchid. Pyramidal Orchid. Small White Orchid. Sword-leaved Helleborine. Twayblade]. [Flora].

1991 Sub-Editor. Plant Report : 1990. Birds in Cumbria : Spring, 1991. 83-89. Cumbria Naturalists Union. [**Arnside Natural History Society**. Information supplied by Charles Webb :- Bee Orchid. Greater Burnet. Northern Bedstraw. Pepper Saxifrage. Saw-wort. White Butterbur. White Star of Bethlehem. **Shrub** : Daphne mezereum (White variety)]. [Flora].
Barrow Naturalists Field Club. Information supplied by Beryl Fisher :- Bog Rosemary. Cypress Spurge. Dittander. Duke of Argyll's Tea Plant. Everlasting Pea. Fairy Foxglove. Few-flowered Fumitory. Giant Knotweed. Grass-leaved Orache. Horse Mint. Isle of Man Cabbage. Lax Sea Lavender. Montbretia. Pearly Everlasting. Tassle Hyacinth. Tree Lupin. Turk's Cap Lily. Walney Geranium. Yellow Bartsia].
Flora of Cumbria : <u>New plants</u> : *Alchemilla mollis*. Goatsbeard Spiraea. Grass Vetchling. Green Bristle-grass. Hairy Rocket. Imperforate St John's Wort. Long-leaved Speedwell. Lovage. Marsh Mallow. Shallon. Spiraea media. Tuberous Comfrey. Venus's Looking-glass. Yellow Chamomile. **<u>Records of non-native species</u>** : *Allium paradoxum. Anemone blanda. Buddleja glabosa. Calendula officinalis. Cotoneaster sternianus. Hemerocallis lilioasphodelus. Iris foetidissima. Lonicera involucrata. Paeonia officinalis. Papaver orientale. Polygonum campanulatum. Robinia pseudoacacia. Symphoricarpos orbiculatus*.. <u>Three plants not seen since 1930</u> : Dwarf Elder or Danewort. Field Mouse Ear. Thin-spiked Wood Sedge.
Foulney Island Reserve. Information Supplied by John Richardson and Mark O'Neill :- Orache (Three types : Atriplix hastata, A. littoralis, A patula). Sea Campion. Sea Sandwort. Sea Scurvy. **Grasses.** Thyme-leaved Sandwort. Grasses : Field Woodrush. Marram Grass. Sea Hard Grass. Spiked Sedge].
Kendal Natural History Society and Cumbria Wildlife Trust (Kendal Support Group). Information supplied by Tony Marshall and Sarah Harvey :- Birds-eye Primrose. Bogbean. Broad-leaved Helleborine. Bulbous Lesser Celandine. Dittander. Fly Orchid. Goldilocks. Grass- leaved Orache. Greater Bladderwort. Greater Butterfly Orchid. Hairy St. John's wort. Japanese Butterbur. Lily of the Valley. Marsh Cinquefoil. Meadow Saxifrage. Moschatel. Mountain Everlasting. Narrow-leaved Everlasting Pea. Perennial Cornflower. Ploughman's Spikenard. Red Bartsia. Skunk Cabbage. Three-veined Sandwort. Wild Mignonette.
Keswick Natural History Society. Information supplied by Linda Reinecke :- *Aquilegia vulgaris*. Birds-eye Primrose. Chickweed Willow Herb. Felwort or Autumn Gentian. Globe

Flower. Heath Spotted Orchid. Meadow Rue. Mossy Saxifrage. Mountain Sorrel. Northern Bedstraw. Purple Saxifrage. Roseroot. Scurvy Grass. Starry Saxifrage.
Maryport Natural History Society. Information supplied by Denis Wildridge :- Alexanders. Asarabacca. Barren Fescue. Birdsfoot. Black Horehound. Bladder Campion. Bullwort. Colombine. Cow-berry. Creeping Bellflower. Creeping Jenny. Duke of Argyll's Tea Tree. Dwarf Comfrey. Everlasting Pea. Field Gentian. Field Pansy. Fringe Cups. Globe Flower. Golden Rod. Honeysuckle (*Lonicera ledebourii*). Leopards Bane. Lungwort. Moschatel. Prostrate Juniper. Purple Broomrape. Pyramidal Orchid. Sand Leek. Shaster Daisy. Shrubby Cinquefoil. Siberian Burgloss. Skull-cap. Slender Cudweed. Solomon's Seal. Spring Snowflake. White Restharrow. Winter Aconite. Wood Anemone. Yellow Archangel. **Lichen** : *Ramalina fastigiata*. [Flora].

1992 Sub-Editor. Orchid Report : 1991. Birds in Cumbria : Spring, 1991. 90. Cumbria Naturalists Union. [Autumn Lady's Tresses. Bee Orchid. Birds Nest Orchid. Bog Orchid. Broad-leaved Helleborine. Common Spotted Orchid. Coralroot Orchid. Creeping ladies Tresses. Dark Red Helleborine. Dune Helleborine. Early Purple Orchid. Fly Orchid. Fragrant Orchid. Greater Butterfly Orchid. Green winged Orchid. Heath Spotted Orchid. Marsh Helleborine. Northern Marsh Orchid. Pyramidical Orchid. Twayblade. [Flora].

1992 Sub-Editor. Plant Report : 1991. Birds in Cumbria : Spring, 1991. 86-91. Cumbria Naturalists Union. [**Arnside Natural History Society**. Information supplied by C. Webb **:-** Autumn Ladies Tresses. Blue Moor Grass. Common Broomrape. Deadly Nightshade. Eyebright. Felwort (Autumn Gentian). Field Gentian. Goldilocks Buttercup. Green Hellebore. White Star of Bethlehem. Wood Anemone (Yellow flowers). Wood Sage. Yellow Star of Bethlehem.
Barrow Naturalists Field Club. Information supplied by B. Fisher :- Adders Tongue Fern. Bladdernut. Cliff Meadow Rue. Coral Root Orchid. Dune Helleborine. Dune Lettuce. Dusky Cranesbill. Early Purple Orchid. Fly Orchid. Giant Butterbur. Hoary Rock Rose. Skunk Cabbage. Tassle Hyacinth. Winter Heliotrope.
Tree : Spindle Tree.
Carlisle Natural History Society. Information Supplied by E.H.Rhone :- Bird's Nest Orchid. Bog Pimpernel. Climbing Corydalis. Common Broomrape. Lesser Butterfly Orchid. Long-leaved Sundew. May Lily. Old Man's Beard. Orpine. Pink Purslane. Ribbed Meliot. Saw-wort. Stone Bramble.
Ferns :- Adder's Tongue Fern. Moonwort.
Cumbria Wildlife Trust (Kendal Branch). Information supplied by :- T. Marshall and C. Wilde :- Dark Red Helleborine. Fly Orchid. Ploughman's Spikenard, Travellers Joy.
Ferns :- *Athyrium felix-femina*. *Azolla filiculoides*. *Dryopteris dilatata*. *Dryopteris Felix-mas*. Maiden Hair Spleenwort (*Asplenium trichomanes*). *Polypodium vulgare*.
Sedges and Rushes :- Bottle Sedge. Carnation Sedge. Common Sedge. Field Woodrush. Flea Sedge. Heath Woodrush. Star Sedge.
Shrubs : Cotoneaster : *simonsil* and *horizontalis*.
Kendal Natural History Society. Information supplied by S. Harvey :- Aquilegia (Pale blue). Birds Eye Primrose. Dune Orchid. Green flowered Helleborines. Henbane. Hounds tongue. Marsh Orchid. Portland Spurge. Round-leaved Wintergreen. Vipers Burgloss. Yellow Bird's Nest. Yellow Horned Poppy.
Fern : Royal Fern. [Ferns].
Keswick Natural History Society. Information supplied by L. Reinecke : Aconites. Alpine Enchanter's Nightshade. Burnett Saxifrage. Daffodils. Roseroot. Snowdrops. Summer Snowflake. Wintergreen (unidentified).
Maryport Natural History Society. Information supplied by D. Wildridge :- Bittersweet. Bloody Cranesbill. Blue Alkanet. Butterfly Orchid. Columbine. Common Mullein. Dames Violet. Dyer's Greenweed. Evening Primrose. Flag Iris. Grape Hyacinth. Heath Spotted Orchid. Lesser Butterfly Orchid. Marsh Cinquefoil. Mullein hybrid(*Bombyciferum verbascum*). Northern Marsh Orchid. Orpine. Pale Toadflax. Purple Broomrape. Soapwort. Star of Bethlehem. Tassle Hyacinth Teasel. Vipers Burgloss.
Rushes : Bullrush or Common Club Rush. [Flora].

1993 Sub-Editor. Fern Report : 1992. Birds in Cumbria : Spring, 1992. 84. Cumbria Naturalists Union. :

Ferns listed are as follows :- Adder's Tongue Fern. Beech Fern. Black Spleenwort. Brittle Bladder Fern. Green Spleenwort. Hard Fern. Lemon Scented Fern. Limestone Polypody. Maidenhair Fern. Moonwort. Oak Fern. Parsley Fern. *Polypodium cambrium*. Rusty Backed Fern. Scaly Male Fern. [Flora]. [Ferns].

1993 Sub-Editor. Orchid Report : 1992. Birds in Cumbria : Spring, 1992. 85. Cumbria Naturalists Union. Orchids in Cumbria :- Autumn Lady's Tresses. Bee Orchid. Bird's Nest Orchid. Broad-leaved Orchid. Common Spotted Orchid. Coral Root Orchid. Dark Red Helleborine. Dune Helleborine. Early Marsh Orchid. Early Purple. Fly Orchid. Fragrant Orchid. Greater Butterfly Orchid. Green Winged Orchid. Lesser Butterfly Orchid. Northern Marsh Orchid. Pyramidal Orchid. Twayblade. [Flora].

1993 Sub-Editor. Plant Report : 1992. Birds in Cumbria : 1992. 79-85. Cumbria Naturalists Union. [**Arnside Natural History Society**. Information supplied by : - C. Webb. Adder's Tongue Fern. Alternate-leaved Golden Saxifrage. Common Bugle (White variety). Common Sea Lavender. Daphne mezereum. Deadly Nightshade. Felwort. Giant Eryngium. Greater Stitchwort. Green Hellebore. Hairy Dog Violet. Large Bittercress. Musk Mallow. Opposite-leaved Golden Saxifrage. Rock Sea Lavender. Salsify (*Tragopogon porrifolius*). Spiked Speedwell. Stinking Hellebores (also known as Setterwort). Wood Cranesbill. Wood Stitchwort. Yellow Star of Bethlehem. [Flora].

Barrow Naturalists Field Club. Information supplied by : Mrs B. Fisher :- Bladdernut. Blue Sowthistle. Bur Marigold. Creamy Butterbur. Few-flowered Leek. Globe Flower. Great Water Dock. Henbit. Ploughman's Spikenard. Rock Spray. Tree Lupin. Walney geranium.

Fungi :- *Morchella elata. Morchella vulgaris*. (Morels).

Foulney Island (Cumbria Wildlife Trust). Information supplied by J. Richardson. :- Changing Forget-me-not. Common Sea Lavender. Scurvey Grass. Sea Campion. Sea Rocket. Sea Sandwort.

Small Flowered Crane's-bill. Vipers Burgloss. Yellow-horned Poppy.

Grasses : Common Cord Grass. Lyme Grass. Marram. Red Fescue. Sea Couch Grass. Sea Hard Grass. [Flora].

Grange Natural History Society. Information supplied by J. Adams. :- Fern (*Polypodium cambrium*). Lesser Water Plantain.

Kendal Natural History Society. Information supplied by : Mrs S. Harvey and M. Hutcheson :- Adders Tongue Fern. Alpine Cat's-foot. Autumn Hawkbit. Black Bindweed. Branched Bur-reed. Broad Leaved Helleborine. Carline Thistle. Common Spotted Orchid. Common Twyblade. Dark Red Helleborine. Dune Helliborine. Early Purple x Fragrant Orchid. Early Purple Orchid. Enchanters Nightshade. Fairy Flax. Fragrant Orchid. Greater Butterfly Orchid. Hairy Bird's foot Trefoil. Heath Groundsel. Hemlock Water Dropwort. Herb Christopher (or Baneberry). Herb Paris. Hoary Whitlow Grass. Isle of Man Cabbage. Lax-flowered Sea Lavender. Leopard's Bane. Marsh Pennywort. Marsh Moonwort. Marsh Stitchwort. Marsh Valerian. Moonwort. Moschatel. Musk Mallow. Ploughman's Spikenard. Purple Loosestrife. Red Bartsia. Rock Rose. Sea Radish. Small Meadow Rue. Solomon's Seal. Spear-leaved Willow Herb. Spiked water milfoil. Spineless Hornwort. Spring Sandwort. Spurge Laurel. Squinancywort. Traveller's Joy. Valerian. Walney Geranium. Water Avens. Wild Aquilegia. Wood Pimpernel. Wood Sorrel. Yellow Bartsia. Yellow-eyed Grass. Yellow Pimpernel.

Trees :- Swedish Whitebeam. Wayfaring Tree. Wild Service Tree.

Keswick Natural History Society :- Broadleaved Helleborine. *Convallaria majalis*. Grass of Parnassus. *Saxifrage oppositifolia*.

Maryport Natural History Society (West Cumbria). Information supplied by Mrs L.Reinecke :- Common Broomrape. Common Twyblade. Greater Knapweed. Herb Paris. Northern Marsh Orchid. Narrow Everlasting Pea. Purple Broomrape. Pyramidal Orchid. Sanfoin.

1994 Sub-Editor. Plant Report : 1993. Birds in Cumbria : 1993. 82-86. Cumbria Naturalists Union. **Arnside Natural History Society**. Information supplied by Mr C.Webb :- Autumn Gentian. Autumn Lady's Tresses. Blue Globe Thistle. Common Centaury. Common Spotted Orchid. Coral Root Bitter Cress. Cowslips. Early Purple Orchid. Field Gentian. Fly Orchids. Goldilocks. Greater Butterfly Orchid. Green Hellebore. Green Winged Orchid. Knotted Hedge Parsley. Lesser Celandine. Ox-eye Daisy. Rock Sea Lavender. Rose Campion. Spiked Speedwell. Square-Stalked Willow Herb. Stinking Hellebore. Stinking Iris or the Roast Beef. Teesdale Violet. *Viola*

odorata. V. hirta. V. riviniana. White Butterbur. Winter Aconites.

Trees : Hazel. Wild Service Tree.

Barrow Naturalists Field Club. Information supplied by Mrs B. Fisher :- Butcher's Broom. Common Broomrape (Yellow flowers). Duke of Argyle's Tea Tree. Isle of Man Cabbage. Martagon lily. Variety of Orchids - not identified. Oregon Grape. Skunk Cabbage. Spring Squill. Star of Bethlehem. Tassle Hyacinth.

Carlisle Natural History Society. Information supplied by Mr Geoff Naylor :- Adder's Tongue. Alpine Catchfly. Annual Knawel. Bird's-foot Sedge. Bird's-nest Orchid. Broad-leaved Rag-Wort. Dwarf Mallow. Dwarf Milkwort. Greater Cuckoo flower (Discovered by F.J.Roberts). Hair Sedge. Hare's foot Clover. Heath Cudweed. Hedgerow Cranesbill. Lucerne. Masterwort. Moonwort. Mossy Saxifrage. Narrow-leaved Helleborine. Pepper Saxifrage. Salt Marsh Flat-sedge. Sanfoin. Sea Hard Grass. Sea Spurge. Stagshorn Club Moss. Tassle Hyacinth.

Fungi :- "A fungus foray to Miltonrigg Wood … produced over 80 species, notable included :- *Ascocoryne* cylichnium. *Thelephora palmata* and *T. terrestris*. *Russula heterophylla*.

Eden Field Club. Information supplied by Mr T. Wells :- Alpine cinquefoil. Alpine Forget-me-not. Burnet Saxifrage. Chick-weed Willow Herb. Common Spotted Orchid. Common Twayblade. Early Marsh Orhid. Early Purple Orchid. Eyebright. Field Gentian. Field Scabious. Fragrant Orchid. Frog Orchid. Grass of Parnassus. Hairy Stone-crop. Hoary Whitlow Grass. Marsh Hawksbeard. Saxifrage. Knotted Pearlwort. Lady's Bedstraw. Marsh lousewort. Marsh Valerian. Meadowsweet. Melancholy Thistle. Mountain Ever-lasting. Northern Bedstraw. Northern Marsh Orchid. Pimpernel-leaved willow herb. Roseroot. Rough Hawkbit. Small White Orchid. Sundew (*Drosera rotundifolia. D. angelica. D. intermedia*).Water Avens. Wild Thyme. Wood Anemone. Wood Cranesbill. Yellow Rattle. Zig-Zag clover.

Grasses : Alpine Cat's Tail. Foxtail Grass.

Sedges : Carnation Sedge. Common Sedge. Common Yellow Sedge. Flea Sedge. Glaucous Sedge. Oval Sedge. Pale Sedge. Pill Sedge. Star Sedge. Tall Bog Sedge. Tawny Sedge.

Kendal Natural History Society . Information supplied by Mrs S. Harvey :- Alpine Bartsia. Birds-eye Primrose. Alpine Bistort. Bee Orchid. Butterbur-family (*Petasites albus*). Caraway (*Carum carvi*). Coral Root Orchid. Dune Helleborine. Early Marsh Orchid. Grass of Parnassus. Great Lettuce. Herb Paris. Marsh Helleborine. Marsh Violet. Portland Spurge. Round leaved Wintergreen. Small Fleabane. Thyme-leaved speedwell. Toothwort. Western Gorse. Winter Helliotrope. Wood Sanicle.

Kendal Support Group (Cumbria Wildlife Trust). Information supplied by Mr Tony Marshall :- Bog Myrtle. Bog Rosemary. Broad Buckler Fern. Broad-leaved Helleborine. Common Polypody. Common Spotted Orchid. Common Twayblade. Hartstongue. Fly Orchid. Maiden-hair Spleenwort. Male Fern. Wall Rue.

Trees :- Alder. Scots Pine. Sessile Oak. Silver Birch.

Keswick Natural History Society. Information supplied by Mrs L. Reineke :- Alpine Lady's Mantle. Bilberry. Cowberry. Crowberry. Dwarf Willow. Fairy Flax. Golden Rod. Hairy Rock Cress. Hairy Thyme. Heather. Lesser Meadow Rue. Lesser Spearwort. Marsh Violet. Mossy Saxifrage. Northern Bedstraw. Purple Saxifrage. Red Campion. Rose Root. Small Meadow Rue. Spring Sandwort. Starry Saxifrage. Water Avens. Wild Angelica. Wood Anemone. Wood Cranesbill. Yellow Mountain Saxifrage.

Club Mosses :- *Huperzia selago*. *Diphasiastrum alpinum, Selaginella selaginoides*.

Grasses and Sedges :- Common Yellow Sedge. Fir Club Moss. Flea Sedge. Glaucous Meadow Grass. Green Spleenwort. Star Sedge. Stiff Sedge. Viviparous Fescue. White Beak Sedge.

Maryport Natural History Society. Information supplied by Mrs L. Reineke :- Adder's Tongue Fern. Common Sea Lavender. Early Purple Orchid. Lax-flowered Sea Lavender. Northern Marsh Orchid. Purple Broomrape. Pyramidal Orchid. Sancile. Spurge Laurel. [Flora].

1995 Sub-Editor. Plant Report : 1994. Birds in Cumbria : 1994. 85-89. Cumbria Naturalist Union.

Arnside Natural History Society. Information supplied by Charles Webb. Adders Tongue. Autumn Gentian. Autumn Lady's Tresses. Bee Orchid. Birds-nest Orchid. Common Centaury. Common Spotted Orchid. Coral Root Bittercress. Dark Red Helleborine. Early Marsh Orchid. Field Gentian. Fly Orchid. Golden Saxifrage. Green Winged Orchid. Large Bittercress. Marsh Fern. Moonwort. Narrow Buckler Fern. Narrow leaved Bittercress. Rue-leaved Saxifrage.

Sandwort. Sea Pearlwort. Spring cinquefoil. Twyblade.

Barrow Naturalists Field Club. Information supplied by Beryl Fisher :- *Alchemilla conjuncta*. Bee Orchid. Blue Eyed Grass. Centaury. Cliff Meadow Rue. Common Melitot. Common Spotted Orchid. Coral-root Orchid. Dusky Cranesbill. Early Marsh Orchid. Early Purple Orchid. Few flowered Leek. Fly Honeysuckle. Fly Orchid. Fragrant Orchid. Giant Horsetail. Globe flower. Goldilocks. Grass of Parnassus. Greater Butterfly Orchid. Great Woodrush. Herb Paris. Horseshoe Vetch. Leopards Bane. Lesser Butterfly Orchid. Moonwort. Moschatel. Mountain Everlasting. Oregon Grape. Peach-leaved Bell Flower. Toothwort. Vipers Burgloss. White Butterbur. White Melitot. Wild Columbine.

Carlisle Natural History Society. Information supplied by Geoff Naylor : Bottle Sedge. Brown Sedge. Carnation Sedge. Common Sedge. Common Twyblade. Early Purple Orchid. Flea Sedge. Fragrant Orchid. Frog Orchid. Glaucous Sedge. Goldilocks. Heath Spotted Orchid. Hoary Rockcress. Lancashire Whitebeam. Lesser Pond Sedge. Long-bracted Sedge. Northern Marsh Orchid. Portland Spurge. Prickly Sedge to be confirmed. Rock Samphire. Southern Polypody. Spiked speedwell. Spike Rush. Spotted Cat's Ear. Spring Sedge. Tawny sedge. Wood Rush.

Eden Field Club. Information supplied by M. Gregory. Adders Tongue Fern. Agrimony. Birds-nest Orchid. Bog Asphodel. Bog Rosemary. Broad Leaved Cotton Grass. Broad Leaved Helleborine. Butterwort. Cloudberry. Common Club Rush. Common Spotted Orchid. Cowberry. Cowslip. Cranberry. Cross-leaved Heath. *Drosera longifolia*. Dutch Rush. Dyers Greenweed. Early Marsh Orchid. Felwort. Frog Orchid. Globeflower. Grass of Parnassus. Hard Shield Fern. Juniper. Kidney Vetch. Lesser Butterfly Orchid. Lesser Twyblade. *Listera ovata*. Marestail. Melancholy Thistle. Moonwort. Parsley Fern. Pellitory-of-the Wall. Petty Whin. Prickly Sedge. Purple Loosestrife. Pyrenean Valerian. Round Leaved Sundew. Sand Spurry. Small Toadflax. Smith's Pepperwort. Stagshorn Clubmoss. Wall Whitlowgrass. Wilson's Filmy Fern.

Trees : Field Maple. Large Leaved Lime. Norway Maple. Thorn Apple.

Foulney Island (Cumbria Wildlife Trust). Information Supplied by C J.Richardson :- Cocksfoot. Common Cord Grasses. Creeping Soft Glass. Henbane. Marram Grass. Perennial Rye Grass. Red Bartsia. Red Fescue. Sea Beet. Sea Kale. Sheep's Fescue. Yellow-horned Poppy. Yorkshire fog.

Grange Natural History Society. Information supplied by S.Allen :- Bird's Eye Primrose. Bogbean. Columbine. Cowslip. Daphne laureola and D. mezereum. False oxslip. Giant Bellflower. Golden Rod. Goldilocks. Grass of Pernassus. Green Spleenwort. Hoary Rockrose. Maiden Hair Fern. Meadow Saffron. Monkshood. Moschatel. Norwegian Cinquefoil. Oxslip. Pink Purslane. Ploughman's Spikenard. Sheep's Bit. Spiked Speedwell. Vipers Burgloss. Water lilies (White and Yellow). White-beaked sedge.

Kendal Support Group (Cumbria Wildlife Trust). Information supplied by T. Marshall. :- Black Spleenwort. Bog Asphodel. Bog Bean. Bog Stitchwort. Bulbous Rush. Burnet Saxifrage. Carnation Sedge. Common Duckweed. Common Sedge. Compact Rush. Garlic Mustard. Goldilocks. Hart's tongue Fern. Heather (*Calluna vulgarus*). Heath Rush. Lesser Spearwort. Maiden-hair Spleenwort. Male Fern. Marsh Marigold. Marsh Pennywort. Marsh Speedwell. Oval Sedge. Parsley-piert. Pink Purslane. Ramsons. Sea Milk Wort. Sharp flowered Rush. Soft Rush. Star Sedge. Tubular Water Dropwort. Water Starwort. White Sedge. Wood Anemone. Wood Ruff. Wood Sorrel. Yellow pimpernel.

Kendal Natural History Society. Information supplied by Mrs S Harvey : - Autumn Gentian. Barberry. Bloody Cranesbill. Brittle Bladder Fern. Chaffweed. Common Broomrape. Common Rock Rose. Creeping Lady's Tresses. Eglantine. Hairy Violet. Hemlock. Hoary Rock Rose. Lily of the Valley. Long-stalked Cranesbill. Maiden-hair Spleenwort. Mignonette. Moonwort. Musk Mallow. Narrow-leaved Everlasting Pea. Purple Broomrape. Pyramidal Orchids. Ragged Robin. Red Bartsia. Ribbed Melilot. Rock Rose. Rue-leaved Saxifrage. Sand Leek. Sanfoin. Slender Heath Bedstraw. Squinancy wort. Small Scabious. Stinking Hellebore. Sweet Briar. Teesdale Violet. Tree Lupin. Wild cotoneaster. Winter Heliotrope. Wood Cranesbill.

Trees : Small-leaved Lime. Wild Service Tree.

Maryport Natural History Society. Information supplied by Mrs E. Marper :- Betony. Broad-leaved Helleborine. Celery-leaved Buttercup. Common Spotted Orchid. Frog Orchid. Globe Flower. Greater Butterfly Orchid. Hairy Tare. Harebells. Hart's Tongue. Kidney Vetch. Lesser Celandine. Marsh Pennywort. Ragged Robin. Salt Marsh Flat Sedge. Sea Beet. Sea Campion. Sea

Kale. Spiny rest Harrow. Wall Rue. Wild Strawberries (*Fragaria vesca*). Wood Sorrel. [Flora].

1996 Sub-Editor. Plant Report : 1995. Birds and Wildlife in Cumbria : 1995. 78-84. Cumbria Naturalists Union. Society Reports as follows :-

Ambleside Field Society. Information supplied by Sylvia Kaines :- Bird Cherry trees. Bird's-eye Primrose. Black Bryony. Bluebells. Bog Asphodel. Butterwort. Common Valerian. Early-purple Orchid. Goldilocks. Heath-spotted Orchid. Lousewort. Melancholy Thistle. Primroses. Sanicle. Sweet Cicely. Toothwort on a Sycamore stump. Wood-sorrel.

Arnside Natural History Society. Information submitted by Charles Webb :- Adder's-tongue fern. Alternate-leaved Golden-saxifrage. Autumn Gentian. Autumn Lady's-tresses. Baneberry Herb Christopher. Beech Fern. Bee Orchid. Coralroot. Common Dog-violet. Common Milkwort. Common Scurvygrass. Common Spotted-orchid. Common Twyblade. Common Whitlow Grass. Cornsalad (Lamb's lettuce). Cowslip. Danish Scurvygrass. Early Dog-violet. Early-purple Orchid. Field Gentian. Greater Butterfly-orchid. Green Hellebore. Green-winged Orchid. Guelder-rose. Hairy violet. Lesser Butterfly-0rchid. Marsh Valerian. Marsh violet. Mezeron. Northern Marsh Orchid. Oak Fern. Opposite-leaved Golden-saxifrage. Purging buckthorn. Rockroses. Rock Samphire. Snowdrop. Spiked Speedwell. Sweet violet. Teesdale violet. Avens. Wood Anemone. Wood Avens. Yellow Figwort. Yellow Star-of-Bethlehem.

Barrow Naturalists Field Club and Photographic Society. Information submitted by Beryl Fisher. Angular Solomon's-seal. Bugloss. Butcher's Broom. Columbine. Common Evening-primrose. Common Fleabane. Common Morel (Fungi). Common Spotted-orchid. Common Tyeblade. Coralroot Orchid. Fragrant Orchid. Greater Butterfly-orchid. Great Lettuce. Green Hellebore. Hare's -foot Clover. Heath Spotted-orchid. Henbane. Herb Paris. Hoary Plantain. Hound's-tongue. Isle of Man Cabbage. Leopard's bane. Marsh Cinquefoil. Narrow-lipped Helleborine. Northern Marsh Orchid. Oregon-grape. Rockspray or Small-leaved Cotoneaster. Sand Leek. Sickle Medick. Skunk-cabbage. Small Balsam. Spurge-laurel. Stinking Hellebore. Tassel Hyacinth. Toothwort. White Butterbur. Yellow-wort.

Carlisle Natural History Society. Information submitted by Geoff Naylor :- Beech Fern. Bird's-eye Primrose. Bird's-nest Orchid. Black Bog-rush. Common Butterwort. Creeping Lady's Tresses - colony destroyed near Welton. Downy Currant. Dwarf Gorse. Dwarf Milkwort. Early-purple Orchid. Field Gentian. Fir Clubmoss. Great Fen-sedge. Hoary Mugwort. Limestone Fern. Lucerne. Marsh Speedwell. Masterwort. Mountain Male-fern. Mugwort. Narrow Buckler-fern. Narrow-leaved Helleborine. Oak Fern. Petty Whin. Portland Spurge. Rigid Buckler-fern. Rue-leaved Saxifrage. Rustyback Fern. Sea Spurge. Sickle Medick. Soapwort. Spring Cinquefoil. Tassel Hyacinth. Toothwort. Trifid Bur-Marigold. Wilson's Filmy-fern.

Grange Natural History Society. Information submitted by J.Adams and David Benham :- Bee Orchid. Broad-leaved ragwort. Greater Butterfly Orchid. Lesser Bladderwort. Lucombe Oak. Marsh Helleborine. Mezereon. Pendulous Sedge. Round-leaved Wintergreen. Stinking Iris.

Kendal Natural History Society. Information submitted by Sarah Harvey. Angular Solomon's seal. Birds-eye Primrose. Birds-foot Sedge. Bloody Cranes-bill. Broad-leaved Helleborine. Common Marsh-bedstraw. Common Wintergreen. Dark Red Helleborine. Dyers Greenweed. Early Marsh Orchid. Fragrant Orchid. Frog Orchid. Greater Bird's-foot trefoil. Greater Butterfly-orchid. Heath-spotted Orchid. Herb Paris. Horse-radish. Jacobs Ladder. Lily-of-the-valley. Melancholy Thistle. Moonwort. Northern March Orchid. Portland Spurge. Pyramidal Orchid. Royal Fern. Sea Milkwort. Solomon's Seal. Stinking Hellebore. Thyme-leaved Speedwell. Tree Lupin. Triangular Club-rush. Wild Onion. Yellow Bartsia.

Kendal Support Group, (Cumbria Wildlife Trust). Information submitted by C.W.T. :- Angelica. Barren Strawberry. Bracken (Fern). Broad Buckler-fern. Broad-leaved Helleborine. Broom. Common Gromwell. Common Orache. Common Spotted-orchid. Common Twyblade. Corn Marigold. Dark Red Helleborine. Field Wood Rush. Great Wood Rush. Hart's-Tongue (Fern). Heath Wood Rush. Hemlock Water-dropwort. Herb-Robert. Himalayan Cotoneaster. Jointed Rush. Lady's Mantle. Maidenhair Spleenwort (Fern). Male-fern. Meadow Crane-bill. Monkeyflower. Moschatel. Ploughman's spikenard. Potentilla. Red Bartsia. Rigid Buckler-fern. Rustyback (Fern). Sanicle. Shining Cranes-bill. Silver weed. Soft Rush. Solomon's Seal. Toad Rush. Tormentil. Travellers Joy. Turnip. Wall Rue (Fern). Wild Basil. Wood Crane's-bill. Wood Rush.

Trees : Ash. Hawthorne. Hazel. Spindle. Sycamore.

Keswick Natural History Society. Information submitted by Linda Reineke :- Alternate-leaved Golden-saxifrage. Betony. Bitter-vetch. Buck's Beard. Common Spotted-orchid. Common Wintergreen. Fairy Flax. Goldenrod. Heath Spotted-orchid. Herb Robert. Melancholy Thistle. Mountain Everlasting. Pigmyweed. Small Scabious. Sneezewort. Stone Bramble. Wild Marjoram. Woodruff. Yellow Pimpernel.

Trees : Beech. Sessile Oak. Silver Birch. Whitebeam.

Maryport and District Natural History Society. Information supplied by Edna E. Marper :- Bluebells. Bog-myrtle. Bog Rosemary. Branched Bur-reed. Brittle Bladder-fern. Broad-leaved Helleborine. Common Spotted-orchid. Cranberry. Crosswort. Fringed Water-lily. Gypsywort. Hoary Mugwort. Knotted Pearlwort. Lesser Marshwort. Limestone Fern Northern Marsh Orchid. Marsh St John's-wort. Parsley Fern. Pendulus Sedge. Primrose. Ragged Robin. Rock Samphire. Rough Horsetail. Royal Fern. Salad Burnet. Sanicle. Saw-wort. Sea Beet. Sea Bindweed. Sea Kale. Sea Plantain. Sea Spurry. Shoreweed. Sweet Vernal grass. Three-nerved Sandwort. Water Plantain. Water Mint. Water-purslane. Wood Sorrel. Wood Stitchwort. Yellow Archangel. Yellow-horned Poppy. [Flora].

1997 Sub-Editor. Plant Report : 1996. Birds and Wildlife in Cumbria : 1996. 77-81. Cumbria Naturalists Union. Society Reports as follows:-

Arnside Natural History Society. Information Submitted by Charles Webb : Alternate-leaved Golden-saxifrage. Basil Thyme. Biting Stonecrop. Bloody Crane's-bill. Butterbur. Common Spotted-orchid. Common Rock-rose. Dark Red Helleborine. Deadly Nightshade. Dropwort. Field Garlic. Field Gentian. Fly Orchid. Greater Butterfly Orchid. Greater Sea-spurrey. Green-winged Orchid. Hairy Rock-cress. Knotted Hedge-parsley. Knotted Pearlwort. Long-stalked Crane's-bill. Meadow Saxifrage. Milkwort. Musk-mallow. Ramsons. Sand Leek. Rock Sea-lavender. Saw-wort. Sea Arrowgrass. Sea Campion. Sea-purslane. *Scopolia carniolica. Spiked Speedwell.* Spring Cinquefoil. Spring Sandwort. Sweet Violet. Tall Melilot. Teesdale Violet Toothwort. Wild Carrot. Wild Onion. Wild Parsnip. Winter Aconite. White Stonecrop. Yellow Star of Bethlehem.

Trees :- Wayfairing. White Beam.

Barrow Naturalist's Field Club and Photographic Society. Information submitted by Beryl Fisher : American Skunk-cabbage. Autumn Lady's-tresses. Bee Orchid. Bloody Crane's-bill. Blue-eyed Grass. Butchers-broom. Common Spotted-orchid. Dark-red Helleborine. Dyer's Greenweed. Early Marsh Orchid. False Oxslip. Fly Orchid. Fox and Cubs. French Cranes-bill (Garden escape?). Giant Bellflower. 1953 March Blossoms. (Yellow Star of Bethlehem. Spurge Laurel. Foetid Hellebore. Toothwort. **Fungi** - Scarlet Elf-cup. (*Geopyxis coccinea*)) Penrith and Kendal Nat. Hist. Soc, and Eden Field Club. Newsletter. April, 1. [Flora].

1953 The Penrith and District Natural History Society. (Some observations, 1943-1952). North Western Naturalist, **1**, (n.s), (2), 317-318.

1957 Sub-Editor. Plant Records. (Including Mild Autumn, Notes on Distribution. Natural Re-generation. Aphid Infestation. Abnormal Plants). The Field Naturalist. **2**, (n.s), (6), 63-64. [Flora].

1957 The present status of some Cumberland and Westmorland plants. Changing Scene. **1**. 52-58. [Flora].

1958 A Late season. (Including: Notes on Distribution (Butterbur. Apple, Blackthorn and Lilac). Invaders and Colonisers : Raspberry (*Rubus spectabilis* Pursh.) *Daphne mezereon*. Great Mullein. Wild Teasel. **Mosses and Liverworts** : Great Scented Liverwort (*Conocephalum conicum*). Swan's Neck Thread Moss (*Mnium hornum*). The Field Naturalist. **3**, (n.s), (3), 27-28.[Flora] [Bryophytes].

1958 Botanists in Winter (Includes : Late and Flowering Plants. (Primroses). Notes on Distribution (New Zealand Willowherb). **Mosses** (Silvery Thread Moss (*Bryum argenteum*).Wall Screw Moss (*Tortula muralis*). Moss (*Ptilium crista-castrensis*). **Fungi**. Orange-peel Fungus (*Peziza aurantia*). The Field Naturalist. **3**, (n.s), (1), 2-3.

1958 Early Blossoms. (Including : Notes on Distribution. Abnormal Hazel Catkins. Poplars and Bacterial Canker). (**Mosses, Liverworts and Fungi** : Liverworts *Pellia epiphylla*. *Pellia epiphylla*. *Encalypta vulgaris*-Extinguisher Moss). (**Fungi** : Bird's-nest Fungi - *Crucibulum vulgaris*. *Cordyceps militaris*. The Field Naturalist. **3**, (n.s), (2),14-16. [Flora] [Trees].

1958 Flowers out of Season : (*Cochlearia danica*. Hawthorn. Thrift. Wild Roses). Albinism in Flowers : (Common Centaury). Plant Distribution : (Orpine). The Artificial Distribution of Plants - Wild Plant Seed Exchange -S.W.Lancs & Wirral). **Fungi** : No Cumbrian records). The Field Naturalist. **3**, (n.s), (6), 63-64. [Flora].

1958 Notes on Flowering Plants. (Including : Flowers of the Limestone, Plants of the Dunes. Plants of the Mountain. Plants of the Lowlands. Orchids. Holiday Records.(Species include : Alpine Mountain Chickweed. Angular Solomon's Seal. Baneberry. Black Horehound. Bloody Crane's-bill. Blue Fleabane. Burnet Rose. *Cardamine trifolia*. *Claytonia alsinoides*. Common Rockrose. Coralroot Orchid. Dark-red Helleborine. Dropwort. Gipsywort. Grape Hyacinth. Hare's-foot Clover. Marsh Andromeda. Milkwort. Narrow-leaved Bittercress. Orchids. *Scilla italica*. Thrift. Thyme. Wintergreen. Yellow Vetch. **Liverworts, Mosses and Lichens** (pp 42-43) : Common Liverwort (*Marchantia polymorpha*), *Preissia quadrata*. *Tetaphis pellucida*. Reindeer Moss in Cumbria? Also a selection of Lichens from Loggerheads, Salop. **Fern** : Holly Ferns. The Field Naturalist. **3**, (n.s), (4), 40-43. [Flora]. Hemp-nettle. Self Heal (White). Tutsan. [Species for **Holme Island**

include : Herbaceous Seablite (*Sueda maritime*). Lax-flowered Sea Lavender (*Limonium humile*). Sea Lavender (*Statice limonium*). Sea Mayweed (*Matricaria maritime*). Small Toadflax (*Linaria minor*). Tall Melilot (*Melilotus altissimo*). Wild Parsnip (*Pastinaca saliva*). Wild Teazel (*Dipsacus sylvestris*). Naturalist. **3**, (n.s),(5), 50-52]. [Flora].

1959 Plant Notes : Coltsfoot. Dandelion. Gorse. Groundsel. New Zealand Willow-herb. Ox-eye Daisy. Rye. Sea Matricary. Shepherd's purse. Yarrow. Yellow Horned Poppy. Albinism in Plants : Common Centaury. **Mosses** : Common Extinguisher Moss - *Eucalypta vulgaris*. Grey Cushion Moss (*Grimmia pulvinata*). *Grimmia apocarpa*. *Orthotrichun anomalum* v *saxatila*. *Rhacomitrium heterostichum*. *Tortula intermedia*. The Field Naturalist. **4**, (n.s) (1), 3-4. [Flora].

1959 Plant Notes. Including : Distribution of the New Zealand Willow Herb - Locations in Cumberland Threats to local flora following a wood at Laithes, near Penrith : Barberry. Bird's-nest Orchid. Broad Helleborine).The Field Naturalist. **4**, (n.s), (2), 15. [Flora].

1959 Plant Records : Including : *Cardamine trifolia*. Chervil. Common Lungwort. Daffodils. *Daphne mezereum*. Field Woodrush. Holly. Perfoliate Claytonia. *Veronica filiformis*. Wych Elm. Yellow Star of Bethlehem. Unusual Growth : Freak Primroses. Herb Paris. An interesting Discovery : *Koenigia islandica* found on Storr Mountain, Isle of Skye. **Mosses and Liverworts** : *Bryum capillare*. *Ceratodon purpureus*. *Neckera crispa*. *Pellia epiphylla*. *Preissia quadrata*).The Field Naturalist. **4**. (n.s), (3), 27-28. [Flora] [Bryophytes].

1959 Plant Records. - (Including : Alpine Forget-me-not. Alpine Lady's Mantle. Barberry. Buddleia. Cowberry. Crowberry. Dwarf Willow. Hare's-tail Cotton Grass. Herb Paris. Masterwort. New Zealand Willow Herb. The Melancholy Thistle. Viper's Burgloss. White Climbing Fumitory. White Milkwort. An interesting note on **Trees** (Rowans - the highest trees in the Lake District on High Street Range). **Orchids** : Bird's Nest. Fly. Fragrant. Greater Butterfly. Greenwinged. Lesser Butterfly. Spotted. **Naturalists in the Field** : Records submitted by Canon G.A.K.Hervey. - Alpines etc - *Carex atrata*. *Carex dioica*. *Carex lepidocarpa* Hawkweed - *H. clovense*. E.F.Lint. *H.holosericeum* Backh. & *H.subgracilentipes* Roffey. *Juncas triglumis*. *Poa alpina*. *Salix herbacea*. Sedum villous. *Selaginella*. *Silene acaylis*. *Triodia*. *Veronica serpyllifolia* Ssp *humifusa*. **Grange N.H.S** : Black Spleenwort. Blood-red Cranesbill. Comfrey (Russian Comfrey?). Dusky Cranesbill. Horseshoe Vetch. Hoary Plantain. Kidney Vetch. Sea Spleenwort. Sheep's-bit. **Liverpool Botanical Society** : Butterbur. Large Bitter-cress. Sweet Flag. Wood Stitchwort. **Penrith N.H.S.** Burnet Rose. Dark-red Helleborine. Dropwort. Marsh Helleborine. Mountain Melick. Rock Rose. Wood Melick. The Field Naturalist. **4**, (n.s), (4), 39-41. [Flora].

1959 Plant Records : Cumbrian -: Alpine Meadow rue. Alpine Mouse-ear Chickweed. Balsam. Basil Thyme. Broad-leafed Ragwort. Chickweed Willow-herb. Field Garlic (*Allium oleraceum* var. *complanatum*). Goldilocks. Grass of Parnassus. Greater Bladderwort. Great Sundew. Hoary Whitlow Grass. Least Willow. Long-leafed Sundew. Moonwort. Musk-plant (*Mimulus moschatus*). New Zealand Willow-herb. Skullcap. Western Spiked Speedwell. White Beak-sedge. **General Notes :** Canadian Pondweed. Crab Apple. Creeping Yellow Cress. Curly Pondweed. Dewberry. Hoary Potentilla. New Zealand Willow-herb. Rowan Trees on Helvellyn. Spartina Townsendii. Three-cleft Bur-Marigold. Water Crowfoot. Western Spiked Speedwell. White Centaury. White Harebells. White Teasel. **Fungi** : Birds-nest fungus. Ceps. The Field Naturalist. **4**, (n.s), (5), 51-52. [Flora].

1959 Plant Records. (Including : Black Nightshade. Bur-Marigold. Carline Thistle. Celery-leaved Crowfoot. Chicory. Hop. Jacobs Ladder. Lesser Apium (*Apium inundatum*). Lesser Bladderwort (*Ultricularia minor*). Long-leaved Sundew (*Drosera intermedia*). *Mimulus moschatus*. Marsh Club moss (Lycopodium inundatum). Marsh Yellow Cress. New Zealand Willow Herb. Red Bartsia. Slender Thistle (*Carduus tenuiflorus*). Spartina Townsendii. Spergularia salina. White Harebells. White Herb Robert). An Alien in our midst (American Thorn Apple (*Datura stramonium*). **Fungi** : Blewits. Fairy Ring Champignon. Morels. Fungi noted by Grange Natural History Society on their visit to Roudsea Wood : Base-rich peat : *Amanitopsis fulva*. *Boletus scaber*. *Phallus imprudicus*. *Tricholoma flavobrunneum*. Rotten Wood: *Polystictus versicolor*. *Stereum hirsute*. On Alder : *Polyporus radiatus*. On Lime : *Hypholoma fasciculare*. On Slate Soil : *Russula cynoxantha*. *Russula emetica*. *Scleroderma uranium*. Amongst Sphagnum Moss : *Amanitopsis fulva*. *Cortinarius cinnamomeus*. *Laccaria laccata*. *Marasmius epiphyllus*. *Russula ochroleuca*. On Salix : *Coprinus sp*. The Field Naturalist. **4**, (n.s), (6), 63-64. [Flora].

1960 Fungi : *Boletus subtomentosus* (L) Fr. *Clavaria cristata* Pers. *Clavaria fastigata* L. Fly Agaric

(*Amanita muscaria*) L). Honey Fungus (*Armillaria mellea*). *Hygrophorus puniceus*. *Lactarius rufus* (Scop). Liberty Caps (*Psilocybe semilanceata*). Mushrooms. *Pholiota squarrosa* Quel. Shaggy Ink-caps. Shaggy Parasols (*Lepiota rhacodes*). The Field Naturalist. **5** (n.s). (6), 65.

1960 Plant Notes. (*Ambrosia artemisiifolia* : Ragweed. Holly. Lady's Smock (*Cardamine pratensis*). *Lathyrus hirsute*. Winter Jasmine. Plant Behaviour : Sundew (*Drosera rotundifolia*). The Field Naturalist. **5**, (n.s), (1), 3-4. [Flora].

1960 Plant Notes. Alpine Forget-me-not (*Myosotis alpestris* Schmidt). *Arenaria leptoclados*. Butterbur (*Petasites hybridus*). Butterwort. Corn cockle (*Agrostemma githago*). Cranberry. Cut-leafed Saxifrage (*Saxifraga hypnoides* L). Dame's Violet (*Hesperis matronalis*). Field Gentian. Globe Flowers. Greater Bladderwort (*Utricularia vulgaris*). Green Spleenwort (*Asplenium viride*). *Helleborus viridis*. Melancholy Thistle (*Circium heterophyllum*). Meu (*Meum athamanticum*). Monkshood (*Aconitum anglicum*). Moss Campion (*Silene acaulis*). Orpine (*Sedum telephium*). Tassel Hyacinth (*Muscari comosum*). Thyme. Wortleberry. Unusual Growth : **Trees** : Beech. Hawthorn. Sycamore. **On Whitbarrow Scar** : Great Mullein (*Verbascum thapsus*). Hound's Tongue (*Cynoglossum officinale*). *Leycesteria formosa*. Pink Centuary. Ploughman's Spikenard (*Inula conyza*). Red Hemp-nettle (*Galeopsis ladanum*). Sand Leek (*Allium scorodoprasum*). Squinancy-Wort (*Asperula cynanchica*). **An Unusual Habitat** (Sea Campion *Silene maritime*). **Orchids** : Bee. Butterfly. Dark-red Helleborine. Dwarf Orchid. Fly. Fragrant. Frog. Fly. Green-winged. Lesser Butterfly. A Botanists Diary - records from Lancashire (F. Slater).The Field Naturalist. **5**, (n.s), (4), 42-44. [Flora].

1960 Plant Notes. (Including : **Plant Notes** : Barberry. Brambles. Cranberry. Elderberry. Haws. Hips. Mountain Ash. Raspberries. Red-berried Elder. **Plant Records** : *Allium vineale v compactum*. Bee Orchid. Broad-leafed Ragwort (*Senecio fluviatilis*). (*Claytonia alsinoides* Sims). Colombine. Comfrey. Common Wintergreen. *Lotus corniculatus v crassifolius* Pers. Dwarf Elder (*Sambucus ebulus* L). Hairy Stonecrop (S. villous). *Lysimachia punctata*. *Onopordum acanthi* L. Pale Toadflax (*Linaria repens* Mill). Rigid Buckler-fern *Dryopteris villarsii*). *Sedeum spurium* v *rieberstein*. Simple Bur-reed (*Sparganium simplex* Huds). Small Cudweed (*Filaga minima*). Sticky Groundsel (*Senecio viscosus*). Upright Prickly Rest harrow (*Ononis spinosa* L). Viper's Bugloss. White Flowered Lesser Knapwood (*Centaurea nigra*). Whorled Caraway (*Carum verticillatum*). Yellow Balsam (*Impatiens noli-tangere* L). **Here and There** : Alpine Willow-herb (*E. anagallidifolium*). Broad-leafed Ragwort (*S. fluviatilis*). Hairy Stonecrop (*S. villous*). Knotted Spearwort (*S. nodosa*). Meadowsweet. Pyrenean Valerian (*V.pyrenaica*). Shrubby Potentilla (*P. fruticosa*). Sneezewort. Stone Bramble (*R. saxatilis*). Yellow Marsh Saxifrage (*S. hircurus*). **Flora of the Keswick Area** : Bog Asphodel (*Narthecium ossifragum*). Bog Pimpernel (*Anagallis tenella*). Broad-leafed Hellebore (*Epipactis hellebore*). Claytonia (*Claytonia alsinoides*). Corn Marigold (*Chrysanthemum segetum*). Melancholy Thistle (*Cirsium vulgare*). Pepperwort (*Lepidium smithii*). Sea-Bindweed (*Convolvulus soldanella*). Sticky Groundsel (*Senecio viscosus*). Water Lobelia (*Lobelia dortmanna*). Water Thyme (*Elodea canadensis*). The Field Naturalist. **5**, (n.s), (5), 51-54. [Flora].

1960 Plant Notes : **Trees** : Acorn (Oak). Crab Apples. Holly. Horse Chestnut. Laburnums. Magnolia. Oak. Spindle. White Beam. **Plants** : Bramble. Burnet Rose. Raspberries. Strawberries. Thrift. Wild Roses. **Plant Records** : Autumn Lady's Tresses (*Spiranthes spiralis* L). Birds-eye Primrose. Butterwort. (Dune Hellebore : *Epipactis dunenis* at Lytham St. Annes area). Dyer's Rocket (*Reseda luteola*). Field Gentian (*Gentianella campestris*). Grass of Parnassus. Lesser Swine-cress (*Corronopus didymus*). Marsh Andromeda (*Andromeda polifolia* L). Marsh Valerian. Navelwort (*Umbilicus rupestris*). *Ononis spinosa* L. Ragged Robin. Red Bartsia (*Bartsia odontites*). Thorn Apple (*Datura stramonium*). Wall Rocket (*Diplotaxis tenuifolia*). Water Pepper (*Polygonum hydropiper*). Yellow Mimulus (*Mimulus guttatus* DC). **Ferns** : Lady Fern (*Athyrium filix-femina* L). **Ferns** : The Royal Fern (*Osmunda regalis*). **Clover** : Aberrant Clover Plants near Bootle, Cumberland p 65. Field Naturalist. **5** (n.s). (6), 63-65.

1960 Plant Records : Alternate-leafed Golden Saxifrage (*Chrysosplenium alternifolium*). Claytonia. Coltsfoot. Dandelion. Daphnes (*Daphne mezereum*). Dog's Mercury. Forsythia. Green Hellebore (*Helleborus viridis* L). Liverwort (*Scapania undulata)* (L.) Dum. Vernal Whitlow Grass (*Erophila verna* L). White Butterbur (*Petasites alba*). White Violets. Winter Heliotrope (*Petasites fragrans*). **Trees** : Hazel. Holly. Hornbeam (*Carpinus betulus* L). A New Discovery (Yellow Star of Bethlehem (*Gagea lutea*), River Eamont near Penrith. Notes on a Sycamore

Tree. Helvellyn Hawkweeds. (*Hieracium leyi* Hanb). Cowslip/Primrose Hybrid. Additional Records : **Plants** : Bluebell. Broom. Coltsfoot. Daisy. Dandelion. Dogs Mercury. Marsh Marigold. *Stellaria media*. Toothwort. Vernal Whitlow Grass. *Veronica persica*. White Violets. **Trees** : Ash. Blackthorn. Yew. **Fungi** : Morels (*Morchella esculenta*). The Field Naturalist. **5**, (n.s), (3), 28-30. [Flora].

1960 Plant Records, 1957-1960. Changing Scene. **2**, 68-70. [Flora].

1960 Some common Mosses and Liverworts of the Ullswater-Penrith area. Changing Scene. 65-67.

1961 Plant Notes : Autumn Lady's tresses (*Spiranthes spiralis*). Dusky Cranesbill (*Geranium phaeum*). Musk (*Mimulus moschatus*). Thorn Apple (*Datura stramonium*). Tobacco Plant (*Nicotiana tabacum*). Water Avens (*Geum rivale*). **Unusual Growths** : (Trees). **Fungi :** (Jew's Ear). **Moss Gardens**. The Field Naturalist. **6**, (n.s), (1), 3-4. [Flora].

1961 Plant Notes : Barren Strawberry. Broom. Chickweed. Coltsfoot. Common Whitlow Grass. Daisy. Dandelion. Dog's Mercury. Golden Saxifrage (*Chrysosplenium oppositfolium*). Gorse. Green Hellebore. Groundsel. Ivy-leafed Toadflax. Lesser Celandine. Marsh Marigolds. Primroses. Red dead Nettle. Snowdrop. Speedwell. Stinking Hellebore. Sweet Violet. White Butterbur (*Petasites albus*). Winter Heliotrope (*Petasites fragrans*). Yellow Star of Bethlehem (*Gagea lutea*). **Plant Notes** : Birds-nest Orchid. Perfoliate Claytonia. Royal Fern (*Osmunda regalis*). Hairy Vetchling (*Lathyrus hirsute*). **Naturalists in the Field. Daisy** (*Bellis perennis*). Herb Robert **(***Geranium robertianum***).** Ivy leafed Toadflax (*Cymbalaria muralis*). Nipplewort (*Lapsana communis*). Ragwort (*Senecio jacobaea*). Sow-thistle (*Sonchus oleraceus*). **Aberrant Clover Plants**. Mosses : Grey Cushion Moss (*Grimmia pulvinata*). Wall Screw Moss (*Tortula muralis*). The Field Naturalist. **6** (n.s). (2),15-17.

1961 Plant Notes. Ash. Beech. Birch. Bird Cherry. Blackthorn. Crab Apple. Holly. Oak. Wild Cherry. **Plant Records** : Alternate-leafed Golden Saxifrage. Bilberry. *Claytonia sibirica*. Cornelian Cherry (*Cornus mas*). Cowslip. Crowberry. Daphne (*Daphne mezerum*). False Oxlip. Good King Henry (*Chenopodium Bonus-Henricus*). Greater Celandine (*Chelidonium majus*). Greater Chickweed (*Stellaria neglecta*). Green Alkanet. Green Hellebore (*Helleborus viridis*). Hairy Violet. Herb Paris (*Paris quadrifolia*). Primroses. Spring Cinquefoil (*Potentilla tabernaemontani*). Spurge Laurel. (*Daphne laureola*). Sweet Cicely (*Myrrhis odorata*). Sweet Violets (*Viola odorata*). Toothwort (*Lathraea squamaria*). Water Avens (*Geum rivale*). White Butterbur (*Petasites albus*). **Flowers of the Mountain**. : Purple Saxifrage (*Saxifraga oppositifolia*). Rose-Root. **Royal Fern** (*Osmunda Regalis*). **Plant Behaviour** : Mesembryanthemum. Mosses and Liverworts : Acute-leafed Frond Moss (*Isothecium myosuroides*). Common Cord Moss (*Funaria hygrometrica*). Greater Matted Thread Moss (*Bryum capillare*). *Pellia epiphylla*. Purple-fruiting Heath Moss (*Ceratodon purpureus*). *Scapania undulata*. Smaller Hairy Screw Moss (*Tortula laevipila*). The Field Naturalist. **6**, (n.s), (3), 27-29. [Flora] [Ferns] [Bryophytes].

1961 Plant Notes. Alpine Bistort (*Polygonum viviparum*). Alpine Lady's Mantle. Arrow-grass. Bee Orchid. Bog Pimpernel. Butterwort. Caper Spurge. Celery-leaved Crowfoot. Claytonia : (*Claytonia perfoliata* and *Claytonia alsinoides*). Comfrey. Common Cow-wheat. Cotton Grass. Cranberry. Deadly Nightshade (*Atropa belladonna*). Dusky Cranesbill (*Geranium phaeum*). *Erinus alpinus*. Greater Butterfly Orchid. Hop Trefoil. Ivy-leafed Toadflax -White variety. Kidney Vetch. Lesser Butterfly Orchid. Loddon Lilies (*Leucojum aestivum*). Long-stalked Cranesbill. Lousewort. Marshwort (*Apium graveolens*). Mountain Everlasting (*Antennaria dioica*). Ragged Robin - White variety. Red Valerian. Scorched Orchis (*Orchis ustulata*). Small Balsam (*Impatiens parviflora*). Sundew. *Veronica filiformis*. Whorled Water Milfoil (*Myriophyllum verticillatum*). Wood Anemone. Yellow Balsam. **On the High Hills** : Alpine Forgetmenot (*Myositis alpestris*). Alpine Lady's Mantle. Cloudberry (*Rubus chamaemorus*). *Epilobium pedunculare*. Goldilocks (*Ranuculus auricomus*). Least Willow (*Salix herbacea*). Moss Campion. Mountain Rush (*Juncus triglumis*).Mountain Sorrel. Purple Saxifrage. Roseroot. Starry Saxifrage. Thyme. **Flowers of Dune and Sea-shore**. Largely records from S. Lancs but includes from Furness Dunes : Dune Hellebore (*Epipactic duensis*) and from Skinburness Marsh : Burnet Rose. Heartsease. Narrow-leaved Vetch. Sea Arrowgrass. Sea Purslane. Star of Bethlehem. Sea Spurrey. **Wandering on Walney Island** : Blood-red Cranesbill, var *Lancastriense*. Dyers Greenweed (*Genista tinctoria*). English Stonecrop (*Sedum anglicum*). *Osmunda regalis*. Sea Bindweed (*Convolvulus soldanella*). Sea Milkwort (*Glaux maritime*).

Flowers of the Limestone : Records from Hampsfell & Gaitbarrow Pavement etc : Angular Solomon's Seal (*Polygonatum odoratum*). *Antennaria dioica*. Blood-red Cranesbill (*Geranium sanguineum*). Dark-red Helleborine (*Epipactis atrorubens*). Hard Prickly Shield Fern (*Polystichum aculeate*). Limestone Polypody (*Thelypteris robertiana*). Northern Bedstraw (*Galium boreale*). *Orchis morio*. *Potentilla verna*. The Field Naturalist. **6**, (n.s), (4), 39-41. [Flora].

1961 Plant Notes : Basil Thyme (*Acinos arvensis*). Blue Fleabane (*Erigeron acris*). Creeping Lady's Tresses (*Goodyera repens*). Danewort. Felwort (*Gentianella amarelle*). Fern - Onoclea. Fly Orchis. Gentian. Great Burnet. Greater Knapweed (*Centaurea scabiosa*). Hare's-foot Clover (*Trifolium arvense*). Hemlock (*Conium maculatum*). Hemp Agrimony. Kidney Vetch (*Anthyllis vulneraria*). Marjorum. *Osmunda regalis*. Meadow Cranesbill : white flowered. Rest Harrow - with white flowers. Rush - *Juncus tenuis*. Sheep's-bit (*Jasione montana*). Slender Cudweed (*Filago minima*). Small-flowered Cow-wheat (*Melampyrum sylvaticum*). Soft Clover (*Trifolium striatum*). Spiny Sowthistle (*Sonchus asper*). Tutsan (*Hypericum androsaen*). Viper's Bugloss (*Echium vulgare*). Woody Nightshade. Yellow Loosestrife (*L. vulgaris*). **Flowers of the Sand Dunes** : Mostly Lancashire coast and not listed here but some Cumbrian specimens include :- Blue Fleabane. Felwort. Grass of Parnassus (*Pyrola rotundifolia v maritime*). Greater Knapweed. Gypsywort (*Lycopus europaeus*). Marsh Helleborines. Marsh Pennywort (*Rosa rugosa*). Milkwort. *Sagina nodosa*. Sand-spurrey (*Spergularia rubra*). Sea Aster (Sea Lavender **By Tarn and Stream** : Alpine Enchanter's Nightshade. *Apium inundatum*. Bog Pimpernel. Celery-leafed Crowfoot. *Claytonia alsinoides*. Cranberry (*Vaccinium oxycoceus*). Ivy-leafed Crowfoot (*Ranunculus lenormandi*). Lesser Bladderwort. Sundew (*rotundifolia*). Water Lilies. Water Purslane (*Peplis portula*). Wild Musk (*Mimulus moschatus*). **Flowers of the Bog** : Bladderwort (*Utricularia minor*). Bog Asphodel. Bog Orchid (*Hammarbya paludosa*). Bog Pimpernel. Greater Sundew (*Drosera anglica*). Lesser Bladderwort (*Utricularia minor*). Long-leafed Sundew (*Drosera intermedia*). **Flowers of the Mountain**. Alpine Bistort. (*Polygonum viviparum*). Alpine Hawkweed (*Hieracium holo-sericeum*). Alpine Scurvy Grass. Downy Willow (*Salix lapponum*). Mossy and Starry Saxifrage. Mountain Pansy (*Viola lutea var. amoena*). Mountain Sorrel. Rose-root. Thrift. Vernal Sandwort. Water Avens. **Flowers of the Limestone** : *Carex flava*. *Carex ornithopoda*. *Veronica hybrida.* **Flowers of the Sea Shore** : Dittander. Herbaceous Seablite (*Sueda maritime* - var. *vulgaris* and var. *microcarpa*). Isle of Man Cabbage. Oyster Plant. Sea Holly. Sea Kale. **Walney Island Re-visited** : Bloody Cranesbill. Blue Fleabane. Common Polypody. Creeping Willow. Knotted Pearlwort. Oyster-plant (*Mertensia maritima*). Restharrow. Round-leafed Wintergreen. Sea Bindweed. Sea Holly. Yellow-horned Poppy. The Field Naturalist. **6**, (n.s), (5), 51-54. [Flora].

1961 Plant Notes : *Astrantia major*. Bog Myrtle (*Myrica gale*). Knotgrass. Pearl Everlasting (*Antennaria margaritacea*). Sheep's Bit (*Jasione montana*). Small-flowered Yellow Balsam (*Impatiens parviflora*). **Records from the Keswick Area** : Black Bindweed (*Polygonum convolvulus*). Chicory (*Cichorium intybus*). Cross-leafed Heath (*Erica tetralix*). Lesser Butterfly Orchid (*Habenaria bifolia*). Skullcap (*Scutellaria galericulata*). Yellow Flags. **More Flowers of the Sand Dunes** : Blue Fleabane (*Erigeron acris*). Bog Pimpernel. Burnet Rose. Carline Thistle. Centaury. Coral-root. Creeping Willow. Dune Cabbage (*Rhynchosinapis monensis*). Dune Centaury (*Centaurium littorale*). Dune Hellebore (*Epipactis duensis*). *Euphorbia portlandica* & *paralias*. Gipsy-wort (*Lycopus europaeus*). Hounds Tongue. Marsh Bird's-foot Trefoil. Marsh Helleborine. Marsh Orchid. Portland Spurge. Restharrow. Round-leafed Wintergreen (Pyrola Rotundifolia). Sea Holly. Sea Spurge.Yellow Bird's-nest (*Monotropa hypopithys*). Yellow Vetch (*Viola lutea*). **Late flowering** : Burnet Rose. Elderberry. Honeysuckle. Marsh Andromeda. Thrift. Wild Rose. Wild Strawberries. Wood Cranesbill. **Fungi** : *Clavaria fusiformis*. *Hygrophorus nigrescens*. *Hypholoma fasciculare* *Laccaria laccata*, var. *amethystina*. *Mucilago spongiosa*. Oyster Mushroom (*Pleurotus ostreatus*). Sulpher Tuft. The Field Naturalist. **6**, (n.s), (6), 63-65. [Flora].

1962 Plant Notes. Hazel Catkins. Lesser Celandine. Ragwort. Salmonberry (*Rubus spectabilis*). Snowdrop. Spurge Laurel (*Daphne laureola*). Water Avens. White Butterbar (*Petasites albus*). Winter Heliotrope (*Petasites fragrans*). Winter Snowflakes. **Fungi** : Tar-spot fungus (*Rhytisma acerina*). **Mosses** : Greater Matted Thread Moss (*Bryum capillare*). Rough-stalked Feather Moss

(*Brachythecium rutabulum*). **Sand Dune Flowers** : Roan Head and Low Furness. Bee Orchis. Coltsfoot. Daisy. Dogs Mercury. Dyer's Greenweed. Gorse. Hairy Bittercress. *Lactusa vivosa*. Lesser Celandine. Primrose. Rue-leafed Saxifrage. *Salvia superba*. Tassel Hyacinth. *Viola curtisii*. *Vulpis membranes*. The Field Naturalist. **7**, (n.s), (1), 3-5. [Flora] [Bryophytes].

1962 Plant Notes : Apple Blossom. Bird Cherry. Broom. Daphne Mezereum. Gorse. Primroses. White Butterbur (*Petasites albus*). Yellow Star of Bethlehem. **April Records** : *Anemone nemorosa*. Barren Strawberry. Blackthorn. Bog Myrtle. Butterbur. Creeping Willow. Dune Pansy. Golden Saxifrage (*oppositifolium*). Ground Ivy. Herb Paris. Marsh Andromeda (*Andromeda polifolia*). Marsh Marigold. Moschatel. Narrow-leafed Vetch. Red Campion. Scurvy-Grass (*Cochlearia officinalis*). Shining Cranesbill. Wood Sorrel. **Dune Flora (Fylde and Roanhead Dunes)**. Dune Pansy. Hairy Bitter cress (*Cardamine hirsuta*). Heath Dog Violet. Rue-leaved Saxifrage. *Salix repens*. SpringVetch. Water Horsetail. Water Crowfoot. **Records from Keswick Area** : Blackthorn. Buckbean. Cowslip. Greater Celandine. Ground Ivy. Hares-foot trefoil. Hawthorn. Marsh Marigold. Moschatel. Purple-flowered Comfrey. Water Crowfoot. Wood Sorrel. Yellow Pimpernel. **Botanists in the Field** : Report from Grange Natural History Societies visit to Castle Head : Butchers Broom (*Ruscus aculeateus*). Common Parsley (*Petroselinum crispum*). Creamy Butterbur (*Petasites japonicus*).Green Hellebore. Hoary Rockrose. Lords-and-Ladies (*Arum italicum*). Mahonia. Mare's Tail (*Hippuris vulgaris*). Meadow Saxifrage. Mountain Currant (*Ribes alpinum*). Oxford Ragwort. Periwinkle (*vinca major*). Spring Cinquefoil. Sweet Violets. Wallflower (*Ceiranthus cheiri*). **A Miscellany** - various locations : Adder's Tongue. Bird's Eye Primrose. Blackthorn. Bluebells. BlueComfrey (*Symphytum perdgrinum*). Bog Rosemary. Bryony (*Bryonia dioica*). *Claytonia alsinoides*. *Claytonia perfoliata*. Columbine. Common Milkwort. Cowslips. Crab Apple. Cranberry. Dwarf Willow. Frog Orchis. Germander Speedwell. Globe Flower. Herb Paris. "June Berry" - Amelanchier Tree. Kidney Saxifrage (*Saxifrage Geum*). Large Bitter-cress (*Cardamine amara*). Moss Campion. New Zealand Willow-herb. Onoclea. *Osmunda regalis*. Purple Orchid. Purple Saxifrage. *Salix herbacea*. *Salex lapponica*. Sea Campion. *Senecio viscosus*. Spotted Orchis. Star of Bethlehem (*Ornithogalum umbellatum*). Toothwort. White Dead Nettle. Wood Anemone. Wood Chickweed (*Stellaria nemorum*). Wood Sorrel. **Fungi** : Morels. The Field Naturalist.**7**, (n.s), (2), 24-26. [Flora].

1962 Plants. (Including : From **Sandscale Dunes** : Bee Orchid. Coral Root Orchid. Dune Helleborine. Prickly Lettuce. Seaside Centaury (*Centaurium littorale*). *Salvia nemorosa*. Tassle Hyacinth. Yellow Vetch (*Vicia lutea).* From **Ainsdale-Freshfield Dunes** : Adders Tongue. Bee Orchid. Dune Helleborine. Fyfield Pea. Marsh Helleborine. Pendulous Helleborine. **St Anne's Dunes** : Keeled Garlic. Red Bistort. Wormwood. Yellow Bartsia. **Flowers of the Seashore**. (Allonby-Maryport) : Bloody Cranesbill. Burnet Rose. Meadow Saxifrage. Scurvy Grass. Sea Campion. Sea Lavender. Sea Plantain (*Orache Babingtonii*). Star of Bethlehem. Thrift. Wild Mignonette. **Records from Low Furness**. Brookweed. Bur Chervil. Chicory. Coral Root. Dogwood. Knotted Cranesbill. Musk Thistle. Sand Leek. Sickle Medick (*Medicago falcata*). Tutsan. Wood Vetch. **Wandering on Walney**. Black Nightshade. Bloody Cranesbill (*var. Lancastriense*). Common Mullein. Creeping Willow. Greater Birds-foot Trefoil. Henbane. Hounds Tongue. Kidney Vetch. Lesser Meadow Rue. Marsh Helleborine. Oyster Plant. Portland Spurge. *Rosa rugosa*. Sea Bindweed. Sea Lavenders (*Limonium vulgare* and *Limonium humile*). Sea Spurge. White Harebells. White Rest Harrow. Yellow Horned Poppy. **Lakeland Flora** : Alpine Enchanter's Nightshade. Bog Pimpernel. Broad-leafed Pondweed. Butterfly and Fragrant Orchis. Cat's-foot (*Antennaria dioica*). Climbing Fumitory. Dyer's Greenweed. Knotted Pearlwort. Melancholy Thistle. Orpine. Small White Orchid. Wall Pennywort (*Umbilicus rupestris*). Water Lobelia. Woodruff. **Flowers of the Fylde Area** (Plants are listed but not included in this bibliography). **Miscellaneous**. Baneberry (*Actaea spicata*). Barberry. Basil Thyme. Black Horehound. Blue Sowthistle (*Cicerbita macrophylla).* Canadian Fleabane. *Crown Vetch.* Dark Red Helleborine. Dusky Cranesbill. Dyers Greenweed. Eastern Rocket (*Sisymbrium orientale*). Golden Dock. Green Nightshade. *Kalmia angustifolia*. Lesser Evening Primrose. Mountain St. John's Wort (*Hypericum montanum*). Musk Mallow. Pink Water Speedwell. Rigid Buckler Fern. Rock Samphire (*Crithmum maritimum*). Royal Fern. Sea Radish. Slender Thistle (*Carduus tenuiflorus*). Sulpher Cinquefoil (*Potentilla recta*). Wood Chickweed. Wormwood. Yellow

Chamomile.
Roose Area and Foulney. Dittander. Eastern Rocket. Oxford Ragwort. Pearly Everlasting. Sea Mertensia. Strawberry Clover. **Greystoke and Penrith Area** : Blue Comfrey (*Symphytum peregrinum*). Fragrant Orchid. Mountain Ash. Needle Whin. *O. incarnata L. var pulcinella Druce.* Orchid Fuchsii (*Druce*).White Bryony. Yellow Loosestrife (*Lysimachia vulgaris*). **North East Westmorland :** Alpine Forgetmenot (*Myosotis alpestris*). Cloudberry. Common Calamint. Orchids : Bog. Fly. Greater and Lesser Butterfly. Small White. Twayblade (Greater & Lesser). The Field Naturalist. **7**, (n.s), (3),43-47. [Flora].

1962 Plants. **Flowers of the Lake District**. Broad Helleborine. Candytuft. Grass of Parnassus. Mountain Sorrel (*Oxyria*). Orpine. Pepperwort. Quillwort (Isoetes). Skullcap. Soapwort. Water-Milfoil (*Myriophyllum ayterniflorum*). **Flora of local "Tips"** : Canary Grass. China Aster. Cosmos. Dahlia. Foxtail Millet. Great Mullein. Hemp. Lesser Evening Primrose. Michaelmas Daisy. Pot Marigold. Sunflower. **On the High Fells** : Alpine Campion (*Lychnis alpina*). Alpine Saussurea. Alpine Willowherb. Columbine (*Aquilegia vulgaris*). Dwarf Willow (*Salix herbacea*). *Festuca viviparous*. Lesser Meadow Rue (*Thalictrum minus*). *Montia fontena*. Moonwort. (*Botrychium lunaria*). Mud Crowfoot. Roseroot (*Sedum rosea*). Water Lobelia. **Flowers of the Seashore** : Sea Bindweed. Samphire. *Spartina townsendii*. Western Spiked Speedwell. **Records from Low Furness** : Autumn Lady' Tresses. Creeping Willow. Dune Wintergreen. Gentian (*amarelle* and *campestris*). Grass of Parnassus. Ivy. Japanese Knotweed. Mayweed. Orpine. Sea Rocket. Sea Wormwood. Small Scabious. Soapwort (Single & Double). Vervain. Wall Rocket. Water Pepper. White Melilot. **Rarities** : Mare's-tail (*Hippuris vulgaris*). Royal Fern. White Haresbell. Yellow Bird's-nest. **Miscellaneous** : Adders Tongue. Alpine Pennycress (*Thlaspi alpestre*). Alpine Scurvy-grass. Autumn Gentian. Barberry. Duke of Argyll's Tea Tree. Japanese Wineberry. Lesser Evening Primrose. Meadow Cranesbill. Portland Spurge. Primroses. Sheep's-sorrel. Small Bur-reed. Small-flowered Cranesbill. Soft Hawksbeard. Thrift. Winter Heliotrope. Winter Jasmine. **Field Club Excursions**. (Eden & Kendal at Arnside : Alder Buckthorn. Baneberry. Bird's-nest Orchid. Bloody Cranesbill. Deadly Nightshade. Gromwell. Pellitory-of-the-Wall. Spindle Tree. Travellers Joy. Vervain. **Grange N.H.S**. (Barker Scar & Viaduct) : Autumn Lady's Tresses. Bloody Cranesbill. Common Fleabane. Dropwort. Field Gentian. Gipsy Wort. Knotted Pearlwort. Rock Samphire. Spiny Rest Harrow. Spring Cinquefoil. Squinanceywort. Tutsan. **Plant Galls** : seen on Alder. Meadow Sweet. Sessile Oak. Stinging Nettle). **Fungi** : Candle Snuff Fungus. Chanterelle. Common Inkcap. Dryad's Saddle. Jew's Ear. Orange Elf Cup. Shaggy Ink-cap). The Field Naturalist. **7**, (n.s), (4), 59-62. [Flora].

1963 Author : Williamson, J.D. Editor's Note. An Appreciation of Miss Stalker on her resignation as Plants Sub-Editor for the Field Naturalist. The Field Naturalist. **8**, (n.s), (2), 31. [Responsibility for the continuation of plant records passed to **Miss J.D.Williamson**. [Biography].

STAMP, Dudley.

1974 Nature Conservation in Britain. Collins. 2nd Edition. SBN 00213152 8. [Chapter 17. Conservation in the North. Includes : Pennine Uplands. Lake District. Merlewood. Moor House and Caerlaverock].

STANDEN, Robert.

1906 Notes on the land Mollusca of Grange-over-Sands. J. Conch. **11**, (1), 325-330. [Molluscs].

1909 *Caenopsis waltoni* Schon., in West Lancashire. Lancs Nat. **2**, (15), June, 84.

1909 Gulls and Ants. Lancs Nat. (n.s.), **2**, (18), 190-191. [Grange-over-Sands]. [Birds]. [Hymenoptera].

1909 Local names [plants]. Lancs Nat. **2**, (19), October, 210. [Flora].

1909 *Meta menardi* (Latrielie). Lancs. Nat. **2**, (19), October, 223-224. [Araneae].

1909 Notes on the Cave Spider - *Meta menardi* (Latreille). Lancs Nat. (n.s.), **2**, (18), September, 185-189. and Lancs Nat. (n.s.), **2**, (19), October, 223-224. [Warton Crag]. [Araneae].

1909 Notes on the Freshwater Mussels of Lancashire and adjacent counties. Lancs Nat. (n.s.), **2**, March 9-13., April, 9-13. May 57-62, June 73-76, July, 105-110, August,137-143.[Molluscs].

1910 Lancashire Woodlice. Lancs Nat. 2, (23), Feb, 343-344. [Isopoda] [Insects].

1910 Some remarks on the early appearance of gossamer spiders nr Buxton. Lancs Nat. **2**, (26), May, 39-43. [Araneae].

1910 The Hairworm (*Gordius aquaticus* Linn) : its folklore and life history. Lancs Nat. **2**, (23), Feb, 365-368. [Nematomorpha].

1911 The Deaths Head Moth. Its life history, distribution and folklore. Lancs Nat. **3**, (34), January,

310-318., February, 362-371., March, 395-402.[Records for Cumberland and Westmorland included. [Lepidoptera] [Insects].

1911 The Death's Head Moth (*Acherontia* (Manduca) *atropos* L.), Remarks on folklore, hive robbing etc. Lancs Nat. **4**, April, (37), 15-20. [Lepidoptera] [Insects].

1912 Notes on *Platyarthrus hoffmanseggi* Brandt "and its hosts". Lancs Nat. **5**, May, 61-62. [Isopoda] [Insects].

1912 The false Scorpions of Lancashire : and some adjoining counties with a preliminary list of records. Lancs Nat. **5**, April, 7-16. [Chelifers]. [Insects].

1915 Report on the Chelifers and Woodlice. (Includes specimens found at Arnside Knott and Grange-over-Sands). Lancashire and Cheshire Fauna Committee. 1st Annual Report and Reports of the Recorders. 6-10. [Isopoda] [Insects].

1916 Report on the False-scorpions and Woodlice for 1915-1916. (Includes Eggarslack and Grange-over-Sands). Lancashire and Cheshire Fauna Committee. 2nd Annual Report and Reports of the Recorders. April, 1916. 17-20. [Isopoda] [Insects].

1917 Report on Terrestrial Isopoda (Woodlice). Lancs & Nat. **10**, 43-53. [Insects].

1917 Report on the False-scorpions (Chelifers). [Includes Grange-over-Sands]. Lancashire and Cheshire Fauna Committee. 3rd Annual Report and Reports of the Recorders. April, 1917, 27-37. [Insects].

1918 Report on the false-scorpions (Chelifers). Lanc & Ches. Nat. 10, 27-31. [1 record for Grange-over Sands (R.S.Bagnall - *Chelifer* (Chernes) *nodosus* Schr, Also mentions *Obisium maritime* Leach. at Holme Island, Grange]. [Insects].

1918 Report on Terrestrial Isopoda (Woodlice) for 1917-1918. Lancs & Ches. Nat. **10**, p355-364. [1 record for Grange-over-Sands]. [Insects].

1974 On *Gammarus* from fresh water in the islands of Orkney and Shetland. Crustaceana. **27**, 109-111.

1974 Sodium regulation and adaptation to freshwater in the isopod genus *Asellus*. J. exp. Biol. **61**, 719-736.

1975 Joint Author : Carrick, T.R. Respiration in relation to ion uptake in the crayfish *Austropotamobius pallipes* (Lereboullet). J. exp. Biol. **63**, 689-699.[Decapoda].

1975 Joint Authors : Carrick, T.R. & Moore, W.H. An automatic respirometer for determining oxygen uptake in crayfish *Austropotamobius pallipes* (Lereboullet) over periods of 3-4 days. J. exp. Biol. **63**, 673-688.[Decapoda].

1975 Sodium uptake and loss in *Crangonyx pseudogracilis* (Amphipoda) and some other crustaceans. Comp. Biochem. Physiol. **52**A, 255-257.

1976 Joint Authors : Lockwood, A.P., Croghan, P.C. & **Sutcliffe, D.W**. Sodium regulation and adaption to dilute media in Crustacea as exemplified by the isopod *Mesidotea entomon* and the amphipod *Gammarus duebeni*. **In :-** Perspectives in Experimental Biology **1**, Zoology. (ed P.S.Davies) 93-106. Oxford, Pergamon. [Amphipoda].

1976 Joint Authors : Willoughby, L.G. & **Sutcliffe, D.W**. Experiments on feeding and growth of the Amphipod *Gammarus palex* (L), related to its distribution in the River Duddon. Freshwat Biol. **6**, (6), 577-586. [Amphipoda]. [Rivers& Streams].

1977 Joint Author : Durrant, P.M. Geometric mean shape of the shell in lacustrine and riverine limpets, *Ancylus fluviatilis* Muller. Freshwat Biol. **7**, 479-85.

1978 Joint Authors : Marcus, J.H. and Willoughby, L.G. Feeding and growth of *Asellus aquaticus* (Isopoda) on food items from the littoral of Windermere, including green leaves of *Elodea canadensis*. Freshwat. Biol. **8**, 505-519. [Lakes & Tarns].

1978 Water Chemistry and osmoregulation in some arthropods especially Malacostraca. FBA. Annual Report. **46**, 57-69.

1979 Some notes to authors on the presentation of accurate and precise measurements in quantitative studies. Freshwat Biol. **9**, 397-402.

1981 Joint Author : Carrick, T.R. Effect of temperature on the duration of egg development, moulting and growth in juveniles of *Crangonyx pseudogracilis* (Crustacea : Amphipoda) in the laboratory. Freshwater Biology. **11**, 511-522.

1981 Joint Author : Carrick, T.R. Number of flagellar segments and moulting in the amphipod *Gammarus pulex*. Freshwater Biology. **11**, 497-509. [Amphipoda].

1981 Joint Authors : Carrick, T.R., & Willoughby, L.G. Effects of diet, body size, age and temperature of growth rates in the amphipod *Gammarus pulex*. Freshwater Biology. **11**, 183-214. [Amphipoda].

1982 Joint Author : Sutcliffe, D.W. Concentrations of major ions in lakes and tarns of the English Lake District. (1953-1978). Occ. Pap. FBA. No 16,

1982 Joint Authors : Carrick, T.R., Heron, J., Rigg, F., Talling., Woof, S, & Lund, J. Long-term and seasonal changes in the chemical composition of precipitation and surface waters of Lakes and Tarns in the English Lake District. Freshwat Biol. **12**, 451-506.

1983 Acid precipitation and its effects on aquatic systems in the English Lake District (Cumbria). Report of the Freshwater Biological Association. 51st Annual Report. 30-62. Sections include : Sampling atmospheric precipitation in Cumbria 30-31. Acid precipitation at Wraymires, 31-34. Input of hydrogen ions at Wraymires, 34-36. Variation between years (1954-1979) at Wraymires.36. Acid

precipitation elsewhere in northern Britain, 36-37. Historical changes in acid precipitation in northern Britain, 37. Alkalization, neutralization and buffering of acid rainwater in water bodies, 37-39. Composition of tarns and lakes in Cumbria,39-44. Seasonal changes in concentrations of major ions in water-bodies, 44-45. Long-term changes in Cumbrian water-bodies (1928-1980), 45-47. Effects of pH and ionic concentration on the distribution of invertebrates in Cumbria, 47-53. Effect of pH on salmonids in Cumbria, 53-55. [Rivers & Streams] [Lakes & Tarns].

1983 Acid rain and the River Duddon in Cumbria. F.B.A. Pamphlet. [Pollution]. [Rivers & Streams].

1983 Joint Author : Carrick, T.R. Chemical composition of water bodies in the English Lake District : relationships between chloride and other major ions relating to solid geology, and a tentative budget for Windermere. Freshwat. Biol. **13**, 323-352. [Lakes & Tarns].

1983 Joint Author : Carrick, T.R. Relationships between chloride and major cations in precipitation and streamwaters in the Windermere catchment (English Lake District). Freshwat. Biol. **13**, 415-441. [Lakes & Tarns].

1983 Joint Authors : Carrick, T.R & **Sutcliffe, D.W**. Concentrations of major ions in streams on catchments of the River Duddon (1971-1974) and Windermere (1975-1978), English Lake District. Occ. Pap. FBA. No **21**. [Rivers & Streams] [Lakes & Tarns].

1984 Joint Authors : Hilton, J., **Sutcliffe, D.W**., Carrick, T.R., & Rigg, E. Major inorganic components in some freshwater crustaceans (Malacostraca), their exuviae and food items, and thermogravimetric-differential thermal analysis of organic and ash components. Comparative Biochemistry and Physiology (A), **77**, 13-22.

1984 Quantitative aspects of oxygen uptake by *Gammarus* (Crustacea, Amphipoda) : a critical review. Freshwater Biology. **14**, 443-489.

1985 Joint Author : Carrick, T.R. Acidity and alkalinity of water bodies in the English Lake District. F.B.A. Map and Leaflet.

1985 Joint Author : Carrick, T.R. Crayfish. Pamphlet. FBA. [Decapoda].

1985 Joint Author : Carrick, T.R. Freshwater hoglouse (Asellus). Pamphlet. FBA.

1985 Joint Author : Carrick, T.R. Freshwater shrimps. (Gammarus and Crangonyx). Pamphlet. FBA.

1986 Joint Author : Carrick, T.R. Effects of acid rain on waterbodies in Cumbria. **In :-** Ineson, P. Editor. Pollution in Cumbria.16-25.Institute of Terrestrial Ecology.[Lakes & Tarns] [Rivers & Streams].

1988 Joint Author : Carrick, T.R. Alkalinity and pH of tarns and streams in the Lake District (Cumbria). Freshwater Biology. **19**, 179-189. [Lakes & Tarns]. [Rivers & Streams].

1988 Joint Authors : Hamilton-Taylor, J., Edmunds, W.M., Darling, W.G. & **Sutcliffe, D.W**. A diffusive ion flux of non-marine origin in Cumbrian lake sediments : implications for element budgets in catchments. Geochimica et Cosmochimica Acta. **52**, 223-227. [Lakes & Tarns].

1989 Joint Author : Hildrew, A.G. Invertebrate communities in acid streams. **In :-** Acid toxicity and Aquatic Animals. (eds : R. Morris, E.W.Taylor, D.J.A Brown & J.A.Brown). 13-29. CUP. [Rivers & Streams].

1989 Joint Authors : Chamier, A-C., **Sutcliffe, D.W**. & Lishman, J.P. Changes in Na, K, Ca, Mg, and A1 content of submersed leaf litter, related to ingestion by the amphipod *Gammarus pulex* (L.). Freshwater Biology. **21**, 181-189.

1991 British freshwater malacostracan "shrimps". Freshwater Forum. **1**, 225-237.

1954 Problems of local variation (2). Bull. amat. Ent. Soc. **10**, (128), August, 86-87. [Refers to 5 colonies of *Euphydryas aurinia* - The Marsh Fritillary-in Cumberland]. [Butterflies]. [Lepidoptera]. [Insects].

1954 Some intriguing problems : 1. Bull. amat. Ent. Soc. **13**, (157), January, 6-7. [Location West Cumberland] [Features : Satyridae : *Eumenis semele*, Hubn. (The Grayling, and *Maniola jurtina* Linn. (The Meadow Brown)].[Butterflies]. [Lepidoptera] [Insects].

1954 Some intriguing problems 2. Bull amat. Ent. Soc. **13**, (158), February, 9. [Subject : *Chloroclysta miata* Linn (Autumn Green Carpet Moth)]. [Lepidoptera] [Insects].

1954 Some intriguing problems. (3). Bull. amat. Ent. Soc. **13**, (159), March, 19-20. [The responses of moths to different light levels from Mercury Vapour Traps]. [There is a response to this article by G.W.Harper. Bull. amat. Ent. Soc. **13**, (160), April, 50]. [Lepidoptera] [Insects].

1954 Some intriguing problems : 4. Bull. amat. Ent. Soc. **13**, (163), July, 73-74. [Variations of *Eumenis semele* Hubn. (Grayling). [Butterflies] [Lepidoptera] [Insects].

1954 The British races of *Aricia agestis* Schiff (Lep : Lycaenidae). Ent. Gaz. **5**, (1), January, 3-8. [References to E.B.Ford and A.E.Wright]. [Butterflies] [Lepidoptera] [Insects].

1954 The Macrolepidoptera of a South Westmorland Parish. Ent. Gaz. **5**, (3), July, 125-134. [Location : Hutton Roof]. [Insects].

1954 The Macrolepidoptera of a South Westmorland Parish : Addenda and Corrigenda. Ent. Gaz. **5**, (4), October, 243-244. [Insects].

1955 A few notes from South Westmorland. Ent. Rec. **67**, (9), September, 239-240. [Insects].

1955 Some observations from West Cumberland. Ent. Rec. **67**, (9), September, 240. [Insects].

1956 Author : Birkett, N.L. *Hydraecia oculea* L. and its near relatives in North West England. Entomologist. **89**, (1112), January, 20-21. [Reference to J. Vine Hall]. [Insects].

1956 Some further notes on the Macrolepidoptera of a South Westmorland Parish. Ent. Gaz. **7**, (4), October, 185-187. [Reference to : N.L.Birkett]. [Insects].

1956 The Autumn of 1955 in South Westmorland. Ent. Rec. **68**, (1) January, 26-27. [Insects].

1956 The immobility of moths in unfavourable weather. Bull. amat. Ent. Soc. **15**, (183), March, 25-26. [Insects].

1957 A problem of distribution with special reference to *Erebia epiphron* (Knoch) (Lep : Satyridae). Ent. Gaz. **8**, (4), October, 211-216. [Lepidoptera] [Insects].

1958 *Aricia agestis* Schiff, ab. Graafil. Ent. Rec.**70**, (2), February, 56. [Location :- Morecambe Bay].

[Lepidoptera] [Insects].

1958 South Westmorland in 1957. Ent. Rec. **70**, (2), February, 60-61. [Insects].

1958 Strange behaviour of *Erebia aethiops* Esp. Ent. Rec. **70**, (2), February, 59-60. [Location : - Avimore, Scotland]. [Lepidoptera] [Insects].

1958 The dispersal of Moths. Ent. Gaz. **9**, (1), January, 33-37. [Location : Hutton Roof]. [Insects].

1959 A poor season in Westmorland. Ent Gazette.**10**, (4), 137-138. [Insects].

1959 Author : Clifford. M.V. Traps. Ent. Rec. **71**, (12), December, 296. [Reference to J. Hall Vine].

1959 The British Races of *Aricia agestis* Schiff. Ent. Rec. **71**, (10),October, 245-246. [Reference to E.B.Ford]. [Lepidoptera] [Insects].

1959 The genus Crambus F. (Lep., Pyralidae) in South Westmorland and Furness. Ent. Gaz. **10**, (4), October, 141 - 143. [Lepidoptera] [Insects].

1959 The use and misuse of M.V.Traps. Ent. Rec. **71**, (10), October, 245. [Insects].

1960 Author : Birkett, N.L. *Gonodontis bidentata* var. *nigra*. Prout in Westmorland. Ent. Rec. **72**, (9), September, 195. [Reference to J.Vine Hall]. [Insects].

1961 Moths recorded visiting Ragwort. The Field Naturalist. **6**, (n.s), (6), 65. [Lepidoptera] [Flora].

1961 The Scoparia Haworth species of the Lake Counties. (Lep. Pyralidae). Ent Gazette. **17**, (2), 73-78. [Lepidoptera] [Insects].

1963 Local variation in certain lepidoptera occurring in the Spey Valley. Ent. Gaz. **13**, 68-85. [Insects].

1965 Ants (Formica Rufa) in Hoff Lunn Wood, Appleby. The Field Naturalist. **10**, (n.s), (2), 32. [Hymenoptera] [Insects].

1965 Sub-Editor. Insect (Report Including : Lepidoptera. Hymenoptera). The Field Naturalist. **10**, (n.s), (1), 30-32. [Insects].

1965 Sub-Editor. Insects. (Report : Including : Lepidoptera. Odonata. Hymenoptera. Thysanura. Diptera. Coleoptera. Hemiptera). The Field Naturalist. **10**, (n.s), (3), 49-51. [Insects].

1966 A comparison of the Lepidoptera of a South Westmorland and mid-Cumberland Parish. Ent. Gazette. **17**, (1), 31-41. [Insects].

1966 Author : Jarvis, F.V.L. The genus Aricia (Lep., Rhopalocera) in Britain. Proc. S. Lond. ent. nat. Hist. Soc. Part **2**, May, 37-60. [Mentions specimens taken at Warton Crag by Rev. J.H.Vine Hall]. [Lepidoptera][[Insects].

1966 Barrages and Cities. Ent. Gazette. **17**, (2), 61-68.

1966 Sub-Editor. Insects. (Report, Lepidoptera). The Field Naturalist. **10**, (n.s), (4), 67-68.

1966 Sub-Editor. Insects. (Report, Lepidoptera). The Field Naturalist. **11**, (n.s), (1), 7-8.

1966 Sub-Editor. Insects. (Report, Lepidoptera, Glow Worms. Spiders. Diptera. Solitary Bees : *Andrena* Sp). The Field Naturalist. **11**, (n.s), (2), 27-29.[Hymenoptera].

1966 Sub-Editor. Insects. (Report, Including : Lepidoptera. Coleoptera. Diptera). The Field Naturalist. **11**, (n.s), (3), 40-41.

1966 The Scoparia Haworth Species of the Lake Counties. (Lepidoptera : Pyralidae). Ent. Gaz. **17**, 73-78. [Insects].

1967 Ants (Formica Rufa) in Hoff Lunn Wood, Appleby. The Field Naturalist. **11**, (n.s), (4), 65. [Hymenoptera]. [Insects].

1967 Identification of moth *Plusia festucae* L. The Field Naturalist. **12**, (n.s), (1), 17-18. [Gold Spot Moth]. [Lepidoptera] [Insects].

1967 More reflections on Barrages. [Includes amongst other topics : Humphrey Head. Arnside Knott. *Coenonympha tullia* Mull]. The Field Naturalist. **12**, (3), 50-54. [Large Heath Butterfly]. [Lepidoptera] [Insects].

1967 Nomenclature. (Lepidoptera). The Field Naturalist. **12**, (n.s), (2), 39-40. [Insects].

1967 Numbers of macro-lepidoptera at Hutton Roof over an eight year period.(1952-59). The Field Naturalist. **11**, (n.s). (4). 63. [Insects].

1967 Records of M.V.Trap at Heversham Grammer School. The Field Naturalist. **11**, (n.s). (4). 63-64. [Insects].

1967 Sub-Editor : Insects (Report, Including : Lepidoptera. Coleoptera. Hymenoptera). The Field Naturalist. **11**,(n.s). (4). 63-65.

1967 Sub-Editor. Insects (Report, Including : Lepidoptera. Coleoptera). The Field Naturalist. **12**,(n.s). (1). 16-19.

1967 Sub-Editor. Insects (Report, Including : Lepidoptera. Nomenclature). The Field Naturalist. **12**,(n.s). (2). 39-40.

1967 Sub-Editor. Insects (Report, Including : Lepidoptera. Coleoptera. Ephemeroptera). The Field Naturalist. **12**,(n.s). (3). 66-69.

1967 The Lepidoptera Collection of Canon G.A.K. Hervey re-housed to Threkeld Rectory. The Field Naturalist. **12**, (3). 66-67. [Biography].

1967 What next ? Some reflections on Barrages. (The effect on Lepidoptera including : *Euphydryas aurinea* Rott., *Aphantopus hyperanthus* Esp., *Coenonympha tullia* Mull and *Euxoa cursoria* Hufn and the following locations :- Rockcliffe Marsh. The Lake District. St Bees Head). The Field Naturalist. **12**. (n.s). (1). 2-9. [Insects].

1968 Lepidoptera : Euphydryas Rott (Marsh Fritillary) decline. The Field Naturalist. **13**, (n.s). (2). 40-41. [Insects].

1968 Lepidoptera noted at Strickland Hill and Warton Crag. The Field Naturalist. **13**, (n.s). (2). 41-42. [Insects].

1968 Sub-Editor. Insects. (Report Including : Coleoptera List for Furness and South-West Lakes). The Field Naturalist. **12**, (n.s). (4). 89-90.

1968 Sub-Editor. Insects. Report Including : Marsh Fritillary (*Euphydryas aurina* Rott). Coleoptera. Coleoptera of Furness). The Field Naturalist. **13**, (n.s). (2). 40-43.

1968 Sub-Editor. Insects. (Report Including : Lepidoptera. An Observation on the Syrphid Fly. A Coleoptera list for Furness and South West Lakeland. Grass Roots and Beetles). The Field Naturalist.**13**, (n.s). (3). 58-60. [Diptera].

1968 The present status of butterflies in the Lake Counties. L.D.N.T, Newsletter. **12**, September, 20-26. [Cumberland. Westmorland. Lancashire]. [Lepidoptera] [Insects].

1969 Sub-Editor. Insects (Reports Including : Species and Status of Butterflies in the Wigan District. Camel Crickets. Coleoptera of Furness and South West Lakeland. Beetles in Fungi). The Field Naturalist.**13**, (n.s). (4).74-77. [Insects].

1969 Some notes on the Lepidoptera from the Hebrides. Ent Gazette. **20**, (1). January. 53-58. [Isle of Iona]. [Insects].

WILDFOWL AND WETLANDS TRUST. (See also Waterbirds in the U.K.).

Wildfowl and Wader Counts. Results of the National Wildfowl Counts and Birds of Estuaries Enquiry in the United Kingdom. This publication is a co-operative project involving The Wildfowl Trust, (later W.W.T), British Trust for Ornithology, Nature Conservancy Council and the Royal Society for the Protection of Birds. [Species recorded include :- Divers. Grebes. Ducks. Geese. Swans. Waders. Gulls. Terns. Skuas and other water birds]. The choice of locations over the years has remained relatively stable and Cumbrian locations include :- Dudden Estuary. Morecambe Bay. Rivers Eden and Irt. Solway Firth. Solway (Inner). Dudden Estuary. Windermere.

1974 Birds of Estuaries Enquiry. Report. 1973-1974. National Organiser : Prater, A.J. Regional Organiser Hammond, H. N.

1979 Birds of Estuaries Enquiry Report. 1976-77 combined with 1978-79.Wildfowl Counts - Salmon, D.G. Wader Counts : Marchant, J.H. Regional Organiser (Excluding Solway - Atkinson, K.M.). Armstrong, I. (Solway).

1980 Wildfowl and Wader Counts : The results of the National Wildfowl Counts and Birds of Estuaries Enquiry, 1979-80. Edited by Salmon, D.G. Wildfowl, 6-25 and Waders, 26-27. Regional Organiser (Excluding Solway - Atkinson, K.M.) and Armstrong, I. (Solway).

1981 Wildfowl and Wader Counts : The results of the National Wildfowl Counts and Birds of Estuaries Enquiry, 1980-81. Wildfowl edited by Salmon, D.G. Waders edited by Marchant, J.H. Regional Organiser Atkinson, K.M. (Excluding Solway) and Armstrong, I. (Solway).

1982 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of Estuary Enquiry, 1981-1982. Edited by D. G. Salmon , p 4-30. Wildfowl edited by Salmon, D.G. Waders Edited by Marchant, J.H. p 31-48. Wildfowl projects in Britain, p 30. Appendix 1. Criteria and Qualifying levels for National and International Importance p 51.

1983 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of Estuaries Enquiry. 1982-83. Wildfowl edited by Salmon, D.G. 4-24. Waders edited by Moser,M.E. p 25-46.

1984 Wildfowl and Wader Counts, The results of the National Wildfowl Counts and Birds of Estuaries Enquiry, 1983-84. Wildfowl edited by Salmon, D.G. 4-28. Waders edited by Moser, M.E. p 29-45.

1985 Wildfowl and Wader Counts. The Results of the National Wildfowl Counts and Birds of Estuaries Enquiry, 1984-85. Wildfowl edited by Sampson, D.G. p 4-31. Geese edited by Ogilvie, 14-19. Waders edited by Moser, M.E. p 32-47.

1986 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of Estuaries Enquiry in the United Kingdom. 1985-86. Wildfowl edited by Salmon, D.G. 4-36. Waders edited by Moser, M.E. and Kirby, J.S. p 38-59. Appendix : International and National Importance. [Wetlands]. 64-65.

1987 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of Estuaries Enquiry in the United Kingdom. 1986-87. Wildfowl edited by Salmon, D.G. 6-38. Waders edited by Prys-Jones, R. P. and Kirby, J.S. p 40-58. Appendix : International and National Importance. [Ramsar Convention on Wetlands of International Importance]. 62-63.

1988 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of Estuaries Enquiry in the United Kingdom. 1987-88. Wildfowl edited by Salmon, D.G. p 4-35. Waders edited by Prys-Jones, R.P. and Kirby, J.S. p 36-57. Appendix International and National Importance (Criteria). [Ramsar Convention]. p 61-63.

1989 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of the Estuaries Enquiry in the United Kingdom. 1988-89. Wildfowl edited by Salmon, D.G p 4-38. Waders edited by Prys-Jones, R.P and Kirby, J.S. p 39-61. Appendix : International and National Importance. Criteria. [Ramsar Convention].

1990 Kirkbride Whooper Swans. Cumbria Bird Club, Bird News. **1**, (3), Summer, 41. [Birds].

1990 Wildfowl and Wader Counts. The results of the National Wildfowl Counts and Birds of the Estuaries Enquiry in the United Kingdom. 1989-1990. Wildfowl edited by Kirby, J.S. p6-43. Waders edited by Waters, R.J. and Prys-Jones, R.P. p 44-67. Appendix 1. International and National importance [Ramsar Convention]. 74-76. Appendix 2. Locations of included national wildfowl count sites. p 77-80.

WILLIAMSON, Joan. D.

1960 Survey of the Flora of Lancashire North of the Sands. Changing Scene. **2**. 63-65.

1963 Editor. A new record for Westmorland (Collard Dove (*Streptopelia decaocto*). The Field Naturalist. **8**, (n.s), (2), 37. [Birds].

1963 Editor. National Nature Week, May 18th - 25th. The Field Naturalist. **8**, (n.s), (2), 21.

1963 Editor. Resignation of Miss H.M.Stalker from post as Sub-Editor : Plants. The Field Naturalist. **8**, (n.s), (2), 31. [Biography].

1963 Editor. Resignation and appreciation of Miss C.W. Hull as Editor of the Field Naturalist. The Field Naturalist. **8**, (n.s), (2), 31. [Biography].

1963 Editor. Plants. (Including : **Trollius**. **Records from Keswick Area** : Alkanet. Bird Cherry. Blackthorn. Furze. Ground Ivy. Ivy-leaved Toadflax. Shining Cranesbill. Spurge Laurel. Wild Cherry. **Mountain Flowers** (Helvellyn) - Alpine Scurvy Grass. Downy Willow (*Salix lapponum*). Purple Saxifrage. **Flowers of the Low Furness Area Bird's-nest Orchid.** Bog Bean. Columbine. Coral-root (*Corallorhiza trifida*). Dewberry. Early Purple Orchis. Fly Orchid. Green-winged Orchis. Hairy Rockcress. Herb Paris. Lily-of-the-Valley. Meadow Saxifrage. Spring Vetch. Toothwort. Wood Goldilocks (*Ranunculus auricomus*). Wood Sorrel. **Liverworts** : *Pellia epiphylla*. *Scapania undulata*. The Field Naturalist. **8**, (n.s), (2), 32. [Flora].

1963 Editor. Plants : Alpine Meadow Rue. Alpine Scurvy Grass. Mountain Forget-me-not. Moss Campion. **Royal Fern** (*Osmunda regalis*). **Orchids in 1963** : Bee Orchid. Bird's-nest Orchid. Bog Orchid. Broad Helleborine. Coral-root. Dark-red Helleborine. Dune Helleborine. Fragrant Orchid. Frog Orchid. Green-winged Orchis. Pendulous Helleborine. Pyramidal Orchid. **North American Alien** : Labrador Tea Plant (*Ledum groenlandicum*).The Field Naturalist. **8**, (n.s), (3), 60-64. [Flora].

1963 Editor. Plants : Autumn 1963 for list see Canon G.A.K.Hervey : The Field Naturalist. **8**, (n.s), (4), 81-84. [Flora].

1964 Editorial : Appreciation of the work of Miss J.D.Williamson as Editor of the Field Naturalist. The Field Naturalist. **9**, (n.s), (2), 24. [Biography].

1964 See : Joint Editor with Shepley, A.V.

WILLIAMSON, K.

1972 Joint Author : Robson, R.W. The breeding birds of a Westmorland farm. Bird Study, **19**. 202-214.

WILLIAMSON, Kenneth.

1959 Joint Author : Ferguson - Lees, I.J. Recent reports and news : Includes the Waxwing Invasion. British Birds. **52**, (2), February, 66-68. [Information includes Cumberland and Westmorland]. A continuation of this report appears in British Birds. **52**, (3), March, 101-102 which does not include these counties].

1960 Joint Author : Ferguson - Lees, I.J. Recent Reports and news. Waxwings and Little Auks. British Birds. **53**, (3), March, 141-142. [Brief reference to Waxwings in Cumberland and Westmorland]. [Little Auk record for Crosthwaite, Westmorland].

1960 Joint Author : Ferguson - Lees, I.J. Recent Reports and News. British Birds. **53**, (5), May, 239-240. [Report of Arctic Tern at Grune Point, Cumberland and Blackcaps in Cumberland and Westmorland, Winter].

1960 Swifts in Westmorland by April 27th. British Birds. **53**, (7), July, 320.

1961 Joint Author : Ferguson - Lees, I J. Recent Reports and News. British Birds. **54**, (7), July, 295. [Reports of White Stork (*Ciconia ciconia*). Locations Windermere. Gosforth (Cumberland) and Maryport, Cumberland].

1968 Review of Tracks by Ennion, E.A R. and Tinbergen, N. Clarendon Press, 1967. British Birds. **61**, (3), March, 137-138.

WILLIAMSON, N. B.

1965 Sub-Editor. Birds. (Including : Some notes on Birds fluctuating in numbers. Dates of First Sightings. Ringing Records. Bird Records). The Field Naturalist. **10**, (n.s), (2), 32-35.

1965 Sub-Editor. Birds. (Including : Ringing Records. Sea Watches from Biggar Bank. Counts on Cavendish Dock. Bird Records). The Field Naturalist. **10**, (n.s), (3), 52-54.

1966 Sub-Editor. Birds. (Including : Waxwing irruption. Bird song in Winter. Summer visitors. Bird Records). The Field Naturalist. **10**, (n.s), (4), 68-70.

1966 Sub-Editor. Birds. (Including : Arrival Dates. Bird Song. Nesting. Bird Notes. Bird Records). The Field Naturalist. **11**, (n.s), (1), 9-12.

1966 Sub-Editor. Birds. (Including : Summer Visitors. Ringing Recovery. Golden Eye. Bird Records). The Field Naturalist. **11**, (n.s), (2), 29-32.

1966 Sub-Editor. Birds. (Including : Golden Orioles. Counts and Movements Observed. Ringing and Control of Mute Swans. Ringing Recoveries. Bird Records). The Field Naturalist. **11,** (n.s), (3), 46-49.

1967 Sub-Editor. Birds. (Including : Some notes on Visitors. Large Flocks Observed. Golden Oriole. Ringing Records. Bird Records). The Field Naturalist. **11**, (n.s), (4), 65-68.

1967 Sub-Editor. with Pack, D.J. Birds.(Including : Bird Ringing in Lancashire. Bird Song and signs of Breeding. South Walney Records. Bird Records). The Field Naturalist. **12**, (n.s), (1), 19-22.

WILLIAMSON, Robert Hardy.

n.d. Collection of 1,670 sheets of Plants from Britain and Europe. Donation to Tullie House Museum, Carlisle. Department of Natural Science Herbarium. [Flora].

WILLING, Martin J.

1996 Mollusc Report : A section of the report highlights the work of Dr B. Colville concerning *Vertigo geyeri* and other Molluscs. British Wildlife. **7**, (3), February, 191-192.

1999 Mollusc Report : Includes small paragraph on *Myxas glutinous* in Lake Windermere. British Wildlife. **10**, (3), February, 207. [Molluscs].

2007 Mollusc Report : Includes report of Dun Sentinel (*Assiminea grayana*) at Morecambe Bay, Roudsea Wood. Field Meeting led by Barry Colville. British Wildlife. **19**, (1), October, 60-61. [Molluscs].

WILLINK, Sir Charles.

1979 "Plant Record **98/4**. *Barbarea verna* (Mill.) Aschers. V.C. 70, Cumberland : 1 mile North of Alston. G.R. 35/71.48. Sir Charles Willink. 1977,**LANC**. 1st post-1930 record. Watsonia. **12**, (4), August, 349. [Flora].

1979 "Plant Record **605/17**. *Juncus subnodulosus* Schranck. V.C, 69 : Westmorland : Sandford Mire, Warcop. GR 35/72.17. Sir Charles Willink. 1978, field record, det, C.A.Stace. First Vice-County Record." Watsonia. **12**, (4), August, 360. [Flora].

1984 "Plant Record **606/4** *Luzula luzuloides* (Lam.) Dandy & Wilmott. V.C. 69, Westmorland : Appleby Castle grounds. GR 35/68.19 Sir Charles Willink. 1980, **LANC**, Second record." Watsonia. **15**, (2), August, 139.[Flora].

WILLIS, E. H.

1957 Joint Authors : Godwin, H, Walker, D. Radiocarbon dating and post-glacial vegetational history : Scalby Moss. Proc. Roy. Soc. (B). **147**. 352-366.

WILLIS, F. M.

1934 Joint Authors : Loose, L., Pearsall, W. H. & **Willis, F. M**. Carbon assimilation by Chlorella in Windermere. Proc. Leeds. Phil. Lit. Soc. **2**, 519-524. [Lakes].

WILLIS, Rebecca.

2008 Low carbon Lake District : responding to climate change in the National Park : Lake District National Park Authority.

WILLOUGHBY, L. Guy.

1959 A pure culture of *Chytriomyces aureus* Karling. Trans. Br. Mycol. Soc. **42**, 67-71.

1959 A species of Blastocladiella from Great Britain. Trans. Br. Mycol. Soc. **42**, 287-291.
1959 Studies on soil chytrids. 1V. A chytrid parasite of rotifer eggs. Trans. Br. Mycol. Soc. **42**, 292-294.
1960 The occurrence of some lower fungi (Chytridiales) in lake muds and soil with special reference to a site at Esthwaite Water. **In :-** The Ecology of Soil Fungi. D. Parkinson & J.S.Waid. Liverpool University Press, 1960. [Lakes].
1961 *Chitinphylic chytrids* from lake muds. Trans. Br. Mycol. Soc. **44**, 586-592.
1961 Joint Author : Townley, P J. A further contribution to our knowledge of *Phlyctochytrium unispinum* Paterson. J. R. microsc. Soc. **80**, 131-136.
1961 Joint Author : Townley, P.J. Two new saprophytic chytrids from the Lake District. Trans. Br. Mycol. Soc. **44**, 177-184.
1961 New species of Nephrochytrium from the English Lake District. Nova Hedwigia **3**, 439-444. Tab 112-116.
1961 The ecology of some lower fungi at Esthwaite Water. Trans. Brit. Mycol. Soc. **44**, (3), 305-332.
1962 Joint Author : Collins, V.G. The distribution of bacteria and fungal spores in Blelham Tarn with particular reference to an experimental overturn. Arch Mikrobiol. **43**, 294-307.
1962 The ecology of some lower fungi in the English Lake District. Trans. Br. mycol. Soc. **45**, (1), 121-136.
1962 The fruiting behaviour and nutrition of *Cladochytrium replicatum* Karling. Ann. Bot. (N.S), **26**, 13-36.
1962 The occurrence and distribution of reproductive spores of Saprolegniales in freshwater. J. Ecol. **50**, 733-759.
1963 A new genus of the Chytridiales from soil and a new species from freshwater. Nova Hedwigia. **5**, 335-340. Tab. 52-53, 1962.
1964 A study of the distribution of some lower fungi in soil. Nova Hedwigia. **7**, 133-150.
1964 Joint Authors : Canter, H.M & **Willoughby, L.G**. A parasitic Blastocladiella from Windermere plankton. Jnl. R. Microsc. Soc. **83**, (4), 365-372.
1964 Joint Authors : Chambers, T.C. & **Willoughby, L.G**. The fine structure of *Rhizophyctis rosea*, a soil phycomycete. Jl. R. Microsc. Soc. **83**, 4, 365-372. [I have seen another reference which gives the page numbers as 355-364. This needs to be clarfied]
1965 Some observations on the location of sites of fungal activity at Blelham Tarn. Hydrobiologia. **25**, (374), 352-356.[Saprolegniales].
1966 A conidial Actinoplanes isolate from Blelham Tarn. J. gen. Microbiol. **44**, 69-72.
1966 An unusual chytrid from incubated leaf litter. Trans. Br. Mycol. Soc. **49**, 451-55. 1 1 pl.
1966 Joint Author : Collins, V.G. A study of the distribution of fungal spores and bacteria in Blelham Tarn and associated streams. Nova Hedwigia. **12**, 150-171 + 6 plates.
1967 Joint Authors : Chambers, T.C., Markus, K and **Willoughby, L.G**. The fine structure of the mature zoosporangium of Nowakowskiella profusa. J. gen. Microbiol. **46**, 135-41. + 5 pl.

WORMS, C. G. M. de.

1933 A collecting trip in Scotland, The North of England and Wales, April 1933. Ent. **66**, (843), August,

171-173]. [Location : Witherslack]. [Lepidoptera]. [Insects].

1933 Collecting notes (Leopidoptera). April till the end of October, 1932. Part 1. Ent. **66**, (838), March, 49-51. [Location : Meathop Moss. Langdale Moss]. Part 2. Ent. **66**, April, 82-85. [Location : Meathop Moss. Witherslack]. [Insects].

1936 British Lepidoptera collecting, 1935. Part 1. Entomologist. **69**, (876), May, 104-107. Sightings include at Witherslack : *Lobophora polycommata*, *Pachnobia leucograpna*. At Langdale Valley Melanic forms of *Xylophasia monoglypha*, *Hadena adusta* & *Apamea gemina*. Other species *Acronycta leporia, A ligustri*, *Mamestra contigua* & *M. pisi*. Part 2, **69**, (877), June, 132-135. Part 3. **69**, (878), July, 159. (Includes *Plusia festucae*, *Abrostola triplasia*, *Erebia epiphron* and *Parasemia platitraginis* of *hospita*. [Locations include : Langdale Valley.Witherslack]. [Insects].

1936 Unusually early appearances of Spring Lepidoptera. Entomologist. **71**, (900), May, 118-119. [Includes *Pachnobia leucographa* in the Lake District]. [Insects].

1937 British Lepidoptera collecting, 1936. Entomologist. **70**, (886), April, 84-90. [Includes : Locations : Witherslack, Meathop and Solway Mosses. Sightings include : *Coenonympha tullia*. *Bupalus piniaria, Perconia strigillaria, Acidalia fumata*. *Diacrisias sanio, Parasemia plantagis, Acidalia muricata, Lithosia mesomella* and *Coenympha tullia*. A return visit to Shap and Witherslack (p86) includes *Coremia munitata*, *Selidosema ericetaria* & *Acidalia moricata*. [Insects].

1938 Annual Exhibition, October, 1937. Proc. Trans. South. Lond. ent. nat. Hist. Soc. Session 1937-38. 28-29. [Exhibited uncommon British Lepidoptera from various locations take or bred during 1937. Included *Erebia aethiops* Esp from the Lake District]. [Insects].

1938 British Lepidoptera collecting, Part 2. Entomologist. **71**, (904), September, 201-205. [Locations Include :- Arnside, Grange-over-Sands. Meathop. Witherslack]. [Insects].

1940 A collecting trip to Scotland, (August, 1959). Entomologist. **73**, (921), February, 34-38. [Locations include :- Meathop Moss and Witherslack]. [Insects].

1943 Introduction to a discussion on the Lithosiinae. Proc. S. Lond. ent. nat. Hist, Soc Session 1942-43, pt 2. 70-74. [Brief references to *Nudaria mundana* and *Lithosia (Oenestis) quadra* L. in the Lake District]. [Insects].

1949 Annual Meeting, January, 1948. Proc. Trans. S. Lond. ent. nat. Hist. Soc. Session, 1947-48. p47 [Exhibited : A drawer containing a number of forms of *Eumenis semele* L. (The Grayling Butterfly), illustrating its various races, range and regional variation in the British Isles. Limestone and sandstone forms, including one from Arnside Knottt, Westmorland]. [Insects].

1950 Meeting. 12th January, 1949. Proc. S. Lond. ent. nat. Hist. Soc. 1948-49. 56. [Exhibits : *Plebejus argus* L. *f. masseyi* Tutt : a series taken in Witherslack district of Westmorland in 1936 and 1937]. [Insects].

1951 British Lepidoptera Collecting, 1950. Entomologist. **84**, (1058), July, 145-153. [Reference to N. L.Birkett, p 147]. [Insects].

1951 Meeting 23 rd March, 1949. Proc. S. Lond. ent. nat. Hist. Soc. Session : 1949-50. 4. Exhibited *Erebia epiphron* Knoch - a series from the English Lake District, showing local variation with the gradual disappearance of the orange markings on the forewings. [Insects].

1953 British Lepidoptera Collecting, 1952. Entomologist. **86**, 6, June, 140-147. [Reference to N.L.Birkett]. [Insects].

1953 British Lepidoptera Collecting, 1953. Ent. Rec. **65**, (12), December, 343-346. [Reference to N.L.Birkett]. [Location :- Witherslack]. [Insects][.

1954 British Lepidoptera Collecting, 1953. Part 2, July to the end of the year. Ent. Rec. **66**, (2), February, 45-51. [Brief reference to N.L.Birkett p 46]. [Location : Holker Moss and Witherslack]. [Insects].

1955 Annual Exhibition, October, 1953. Proc. S. Lond. ent. nat. Hist. Soc., 1953/54. 48-49. [Exhibits : A series of *Melitaea* (Euphydryas) *aurina* Rott bred from a locality near Carlisle showing heavy forewing markings. Also *Gypsitea leucographa* Schiff from Witherslack]. [Insects].

1958 *Leucania straminea* and *Triphaena interjecta* in North Lancashire. Entomologist. **91**,(1146), November, 252. [Silverdale]. [Reference to N.L.Birkett]. [Insects].

1959 British Lepidoptera collecting, 1958. [Brief account of M.V. trapping with N.L.Birkett in Hamstreet Woods, Kent]. Entomologist. **92**, April, (1151), 67-75. [Insects].

1959 Obituary : John Christopher Beadnell Craike. Entomologist. **92**, (1151), April, 88. [Author mentions an expedition with John Craike to Langdale Pikes searching for *Erebia epiphron*]. [Lepidoptera] [Insects].

1960 British Lepidoptera collecting, 1959. [Brief account of M.V. trapping in Brampton and district near

Carlisle as guest of Sir George Johnson]. Entomologist. August. 157-161]. [Lepidoptera] [Insects].

1961 Annual Exhibition, October, 1960. Selection of Moths. Proc. Trans. South. Lond. ent. nat. Hist. Soc. December, 56. [Includes *Orthosia advena* Schiff from Cumberland and two examples of *Trichopteryx carpinta* Borkh., smoky form, taken at Witherslack]. [Lepidoptera] [Insects].

1961 British Lepidoptera Collecting, 1960. Entomologist. **94**, (1178), July, 157-165. [Includes Witherslack]. [Insects].

1962 Annual Exhibition, October 1961. Proc. Trans. S. Lond. ent. nat. Hist. Soc. p55. [Exhibits : the following species :- *Coenonympha tullia* Mull from Meathop Moss and *Diataraxia oleracea* L from Witherslack]. [Lepidoptera]. [Insects].

1964 Annual Exhibition. October. 1963. Proc. Trans. South London nat. hist. Soc. 44. [Exhibits : From Witherslack : *Amathes ditrapezium* Schiff. *Bombycia viminalis* F., melanic. *Apamea monoglypha* Hufn melanic form. *Plusia iota* L. *Plusia bractea* Schiff. *Venusia cambrica* Curt. *Semiothisa liturata* Clerck, melanic form ab - Nigrofulvata Collins. From Lake District : *Eustrotia reticulata* F. From Meathop Moss : *Coenonympha tullia* Mull (with large underside spots and slight bleaching on the right forewing)]. [Lepidoptera] [Insects].

1964 British Lepidoptera Collecting, 1963. Entomologist. **97**, (1211), April, 79-90. [Locations include : Arnside Knott. Windermere. Witherslack]. [Reference to N.L.Birkett]. [Insects].

1965 *Crambus furcatellus* Zett in the Lake District. Ent. Rec. **77**, (10), October, 240. [Lepidoptera] [Insects].

1966 British Lepidoptera Collecting, 1965. Entomologist. **99**, (1235), April, 98-105. [*Erebia epiphron*, p102]. [Locations include :- Honister Pass, Witherslack]. [Insects].

1966 *Laphigma exigua* Hubn. in the North and South. Ent. Rec. **78**, (12), December, 301. [Insects].

1966 *Plusia gracilis* Lempke in Westmorland. Ent. Rec. **78**, (12), December, 301. [Insects].

1966 *Sterrhopteryx fusca* Haworth (= Hirsutella Hubn) at Witherslack. Ent. Rec. **78**, (1), January, 25. [Insects].

1967 British Lepidoptera Collecting, 1966. Entomologist. **100**, (1247), April, 94-105. [Locations include :- Arnside Knott. Black Tom's Lane. Silverdale. Witherslack]. [Insects].

1968 British Lepidoptera Collecting, 1967. Entomologist. **101**,(1260), May, 109-120. [Reference to staying with Sir George Jackson. M.V. Trapping at Brampton, Cumberland]. [Insects].

1970 Collecting Lepidoptera in Britain during 1969. (Brief account of M.V. Trapping at Brampton, Carlisle as guest of Sir George Johnson). Entomologist. June. 124-134. [Insects].

1972 Collecting Lepidoptera in Britain during 1971. Ent. Rec. **84**, (7-8), July-August, 184-193. [Reference to N.L.Birkett and Major General G. Johnson of Brampton]. [Insects].

1973 Memories of collecting in Britain during the past fifty years. Proc. Brit. ent. nat. Hist. Soc. **6**, (1), May, 1-15. [Includes various trips to Westmorland, pages 3,5,7]. [Insects].

1974 Memoirs of collecting in Britain during the past 50 Years. Proc. Brit. Ent. Nat. Hist. Soc. **6**, (1), May, 1-15. [includes Langdale Valley (p7)].

1975 A review of the immigration of *Hyles gallii* Rott during 1973, with special reference to records for 1972 and 1974. Ent. Rec. **87**, (9), September, 232-239. [References to N.L.Birkett. J.Briggs. R. Harding]. [Locations North Lancashire, Westmorland. Witherslack]. [Lepidoptera] [Insects].

1976 Collecting Lepidoptera in Britain during 1975. Ent. Rec. **15**, (7-8), 183-194. [Location : Witherslack]. [Insects].

1977 Collecting Lepidoptera in Britain during 1976. Part 1.Ent. Rec. **89**, (7-8), 213-220. Part 2. Ent. Rec. **90**, (3), March, 75-79. [Reference to N.L.Birkett in part 2]. [Locations include :- Arnside Knott. Honister Pass. Kendal. Lindale]. [Insects].

1980 Author : Bretherton, R.F. Baron Charles George Maurice de Worms : an obituary. Proc. Brit. Ent. Nat. Hist. **13**, (1-2), March, 37-39.

1980 Author : Messenger, J.L. The Baron C.G.B.de Worms : an obituary. Died on the 10th October, 1979. Ent. Rec. **92**, (2), February, 29-31 and photograph.

2003 Can you tell a Yak from an Esh? (Cumbrian dialect in nature). Cumbria Life. **87**, April, 30-31.
2003 'Jaws' in the Solway. Cumbria Life. **89**, August, 6-7, 9. [Basking Sharks, Cumbria]. [Coast & Estuaries] [Marine].
2003 'Tarka' on the comeback trail. [Otters return to Cumbrian Rivers]. Cumbria Life. **86**, February, 12-15. [Mammals].
2003 The thin red line. Cumbria Life. **88**, June, 6-7, 9, 11.[Red Squirrels]. [Mammals].
2003 The ultimate predator. (Osprey returns to Bassenthwaite Lake).Cumbria Life. **87**, April, 6-7, 9. [Birds] [Raptors].
2004 Hare today, gone tomorrow? Cumbria Life. **92**, February, 18-19, 21.[Mammals].

WRIGHT, Albert Edward .

1908 Author : Clutten, W.G. Lepidopterological notes on the season, 1907, at Burnley. Ent. Rec. **20**, 17-18. [Includes references to A.E.Wright]. [Insects].
1909 Meeting 7th, October, 1908 Exhibits Lepidoptera from the Burnley District. Man. Ent. Soc. 6th Annual Report & Trans. 12. [Insects].
1910 Exhibits series taken or bred at St Annes-on-sea. (13 Items). Man. Ent. Soc. 7th Annual Report & Trans for 1909. 9. [Insects].
1911 Exhibits various series bred at Burnley and series of *Ematurga atomaria* from Witherslack. Man. Ent. Soc. 8th Annual Report and Trans for 1910. 15. [Insects].
1912 Exhibited varieties of *Abraxas grossulariata* from Burnley. Man. Ent. Soc. Annual Rept & Trans. 1911. 10. [Insects].
1912 The Macrolepidoptera of north-east Lancashire. 9th Annual Report and Transactions for 1911. Manchester Entomological Society. 25-44. [Insects].
1913 Exhibition Meeting, 2nd Oct, 1912.Specimens from the North-West, includes Witherslack.10th Ann. Rept & Trans. for 1912. p13.[Insects].
1914 Second Exhibition Meeting, 5th November, 1913. Exhibits numbers of species including the following from Witherslack :- *Cyaniris argiolus*, *Lampropteryx suffumata*. *Triphosa dubitata*. *Coremia unidentaria*, *Eupithcia abbreviata*, *Tephrosia punctularia*, *Eustroma silaceata*, *Asthena candidata* and *Gnophos obscurata* (bred). Man. Ent. Soc. 11th Ann. Rept. & Trans. For 1913. 17. [Insects].
1918 Author : Anon. A.E.Wright - Elected member of Lancashire and Cheshire Entomological Society. January 21st 1918. Ent. Rec. **30**, (6), 120. [Biography].

1918 Author : Mansbridge, William. Report of the Recorder for Lepidoptera for 1917. [Records submitted by A.Miles Moss and Albert E. Wright]. Lancashire and Cheshire Fauna Committee. 4th Annual Report and Report of the Recorders . April 1918. 13-16. [Insects].

1918 Exhibition Meeting. 4th October, 1917. Exhibits series of *Fidonia atomaria* from various locations including Witherslack. *Lycaena agestis* from Grange and *Thecla quereus* from Arnside. Man. Ent. Soc. 14 & 15th Ann Rept & Trans for 1916 & 1917. 35. [Insects].

1920 Author : Mansbridge, William. Lepidoptera Report of the Recorders for 1918. (Records submitted by Albert E. Wright).Lancashire and Cheshire Fauna Committee. 6th Annual Report and Reports of the Recorders, 12-15.[Location : Grange-over-Sands. Humphrey Head]. [Insects].

1921 Author : Mansbridge, William. Lepidoptera Report of the Recorder for 1919. (Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 7th Annual Report and Report of the Recorders for 1920. 46-50. M.U.P. [Locations : Arnside and Grange-over-Sands]. [Insects].

1922 Author : Mansbridge, William. *Blastobasis lignea* Wlsm. (Lep) : a species new to Britain. (References to A.E.Wright]. Entomologist. **55**, (710), July, 145-147. [Insects].

1922 Author : Mansbridge, William. Lepidoptera Report of the Recorder for Lepidoptera in Lancashire and Cheshire for 1920 and 1921. (Records submitted by Dr Richard Lowther, Albert E. Wright and J.Davis Ward.)Lancashire and Cheshire Fauna Committee. 8th Annual Report and Report of the Recorders for 1921. Part 2. 40-45.[Locations Grange Fell. Grange-over-Sands]. [Insects].

1922 *Eromene ocella* etc in Lancashire [Also includes *Achroea grisella*, *Bastobasis lignea*, with var. adustella). Entomologist. **55**, (705), February, 38.[Location : Grange-over-Sands]. [Insects].

1922 Exhibits December 4th, 1918. Items include : *Anaitis plagiata* - series from Grange, including "one with central portion filled in with very dark grey except for a pale spot in centre; this insect was a most striking form." Man. Ent. Soc. 16th-19th Annual Repts & Trans for 1918 - 1921. 17. [Insects].

1922 *Lycena astrarche* var. in North Lancashire. (Grange-over-Sands). Entomologist. **55**, (708), May, 111-112. [Insects].

1922 Meeting 5th March, 1919. Exhibits bred series of *Phigalia pedaria* from Burnley. Man. Ent. Soc. 16th-19th Annual Reports and Transactions for 1918-1921. 31. [Insects].

1922 Meeting 5th November, 1919. Exhibits Microlepidoptera from Grange & District. (No details). Man. Ent. Soc. 16th-19th Annual Report & Trans for 1918-1921. 33. [Insects].

1922 Mr Mansbridge presented on behalf of A.E.Wright a collection from the Grange District. Micros, many new to the district and one (*Mixodia palustrana*) new to Lancashire and Cheshire List. All taken in July and August. A list of 66 specimens is given (see below). Man. Ent. Soc. 16th-19th Ann Repts & Trans for 1918-1921. 13-14. *Hypenodes costoestrigalis. Scoparia mercurella. S. cratoegella. S. ambigualis. Botys ruralis. Elulea crocealis. Leioptilus osteodactylus. L. tephradactylus. Crambus perlellus* and intermediates of var. *warrintonellus. C. geniculeus. C. falsellus. C. inguinatellus.C. pinellus. C. margaritellus. C. tristellus. C. culmellus. Homaeosoma nimbella. Euphestia elutella. Amphisa gernigana. Leotogramma virburnana. Dictyopteryx loeflingiana. Argyrotoza conwayana. Hedya dealbana. Aspis udmanniana. Mixodia schulziana. Mixodia palustrana* (New to list). *Bracta lanceolana. Phoxopteryx lundana. Grapholitha. G. penkleriana,* (Long and varied series). *G. noevana. Hypermecia cruciana var augustana. Balodes augustiorana. Poedisea rubiginosana. P. corticana. P. solanddrana. Olindia ulmana. Retinia buolina. R. pinicolana. Catoptria ulicetana* and vars. *C. cana and* vars. *Scardia cloacella. Tinea pellionella. Tineola biselliella. Prays cursitellus* and *var rustica* and intermediates. *Depressaria liturella. Cerostoma costella* and vars. *Harpipeptryx nemorella. Harpipeptrix xylostella. Bryotropha terrella. Gelechia domestica. Chelaria hubnerella. Hypsilophus marginellus. Brutalis fusco-oenea. Argyresthia sorbiella. A. aurulentella. Cedestris farinatella. Gracilaria alchimella. Ornix avellanella. Coleophora caespititiella. C,. fuscedinella. Lavema atra. Lithocolletis quercifoliella.* [Insects].

1922 Notes and Exhibits. October 2nd, 1918. Exhibits : *Erebia aethiops* - long series from Arnside. *Argynnis aglaia* from Grange-over-Sands. *Coenonympha tiphon*, series *Rothlebi* from Witherslack. *Polyommatus icarus* from Grange and Witherslack. *Gonepteryx rhammi* from Arnside. Man. Ent. Soc. 16th-19th Ann Repts & Trans for 1918-1921. 12. [Insects].

1922 The Genus Crambus, paper given on the 1st December, 1920. Man. Ent. Soc. 16th-19th Annual Report

& Trans for 1918-1921. 48-55. [Insects].

1923 Author : Standen, R. Report on the Terrestrial Isopoda (Woodlice) for 1922. (Records submitted by Albert E. Wright. Grange-over-Sands). Lancashire and Cheshire Fauna Committee. 9th Annual Report and Report of the Recorders for 1922. 55-57. M.U.P. [Insects].

1923 *Trichoniscus roseus* taken from nest site of *Formica rufa* (Yewbarrow Crag). Lancashire and Cheshire Naturalist. April-May, 228.[Insects]. [Hymenoptera].

1924 Author : Mansbridge, William. Notes on Lepidoptera for 1922-1923. (Records submitted by Albert E.Wright). Lancashire and Cheshire Fauna Committee. 10th Annual Report and Report of the Recorders for 1923. 10-13. Palatine Press, Darwen. [Location : Grange-over-Sands]. [Insects].

1924 Notes on Lepidoptera for 1922-23. (Records submitted by Albert E. Wright).Lancashire and Cheshire Naturalist. **16**, July, 245-249.[Location : Grange-over-Sands]. [Insects].

1925 Author : Lucas, W.J. Neuroptera. (Records submitted by H. Britten. Albert E. Wright). Lancashire and Cheshire Fauna Committee. 11th Annual Report and Report of the Recorders for 1924. 13-17. Palatine Press : Darwen. [Locations : Grange-over-Sands and Witherslack]. [Insects].

1926 Author : Britten, Harry. Records of Diptera in Lancashire and Cheshire identified since 1922. (Records submitted by F.W.Edwards. J. Davis Ward. Albert E. Wright). Lancashire and Cheshire Fauna Committee. 12th Annual Report and Report of the Recorders for 1925. 18-51. Palatine Press, Darwen. [Insects].

1926 Author : Greer, Thomas. *Euchromia rufana* Scop in East Tyrone. Entomologist. **59**, (754) March, 82-83. [References to J. B. Hodgkinson and J. Davis Ward]. [Insects].

1926 Pairing of *Volucella bombylans*. Entomologist. **59**, (762), November, 302.[Locations : North Lancashire and Westmorland]. [Insects].

1930 Author : Falconer, William. Report on Arachnida for 1929. (One record from Albert E. Wright. (*Salticus scenicus* Clerck. L)). Lancashire and Cheshire Fauna Committee. 16th Annual Report and Report of the Recorders for 1929. 12-14. Buncle. [Location : Grange-over-Sands]. [Araneae].

1932 Author : Carpenter, George H. Further Records of Collembola from Lancashire and Cheshire. (Records submitted by Harry Britain. Albert E. Wright).Lancashire and Cheshire Fauna Committee.18th Annual Report and Report of the Recorders for 1931. 17-18. Buncle. [Location : Grange-over-Sands]. [Insects].

1932 Author : Donovan, C. The Crambid, *Eromene ocellea* in Co Cork. (Includes a reference to a specimen taken by A.E.Wright). Entomologist. **65**, (826), March, 67-68. [Insects].

1932 *Eromene ocellea* in Britain. Entomologist. **65**, (827), April, 80. [Insects].

1932 Report on Vertebrates - 1931. Reptiles : Blindworms. (Record submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 18th Annual Report and Reports of the Recorders for 1931.14. Buncle. [Locations : Witherslack and Yewbarrow]

1933 Author : Riley, N.D. Immigrant Lepidoptera. Entomologist. **66**, (842), July, 167. [Includes records from A.E.Wright]. [Insects].

1933 *Agrotis saucia* feeding on tomato fruit. Entomologist. **66**, (846), November, 260. [Location: Holme Island, Grange-over-Sands. [Insects].

1933 Author : Riley, N.D. Immigrant Lepidoptera. Entomologist. **66**, (842), July, 167.[Includes some records from A.E.Wright, Grange-over-Sands]. [Insects].

1933 *Pieris napi* eaten by a Wagtail. Entomologist. **66**, (841), June, 142. [Lepidoptera]. [Insects] [Bird].

1934 Author : Mansbridge, William. Lepidoptera in 1932 and 1933. (Records submitted by Richard Lowther and Albert E.Wright). Lancashire and Cheshire Fauna Committee. 20th Annual Report and Report of the Recorders for 1933. 37-38. Buncle. [Insects].

1934 Author : Mansbridge, William. *Peronea lipsiana*, Schiff., in Westmorland. (An account of an expedition with A.E.Wright). Entomologist. **67**, (850), March, 66-67. [Insects].

1934 Author: Miles, Herbert W. A contribution to our knowledge of the Hymenoptera Symphyta of Lancashire and Cheshire. Notes on the occurrence of Sawflies in 1933 and additions to the Faunal List. (Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee 20th Annual Report and Reports of the Recorders for 1933. 39-43. Buncle. [Locations Cartmel. Grange-over-Sands]. [Insects].

1934 Progeny of immigrant Lepidoptera. Entomologist. **67**, (851), April, 92. [Insects].

1934 Second-brood *Dianthoecia capsincola*. Entomologist. **67**, (849), February, 40.[Insects].

1935 Author : Britten, Harry. Insects and Acari. Additions and corrections to the Lancashire and Cheshire lists for 1934. (Records submitted by E.W.Aubrook. H.W.Miles. Albert E. Wright).

Lancashire and Cheshire Fauna Committee. 21st Annual Report and Report of the Recorders for 1934. 25-34. Buncle. [Locations : Cartmel. Flookborough. Grange-over-Sands. Holker].

1935 Author : Dannruther, T. Migration Records, 1936. Entomology. **69**, (879), August, 182-186. [Some records from Grange-over-Sands submitted by A.E.Wright]. [Lepidoptera]. [Insects].

1935 Author : Mansbridge, William. Report on Lepidoptera in 1934. (Records submitted by Albert E. Wright).Lancashire and Cheshire Fauna Committee. 21st Annual Report and Report of the Recorders for 1934. 23-24. Buncle. [Location : Grange-over-Sands]. [Insects].

1935 *Bucculatrix maritima* Stt in Lancashire. Entomologist. **68**, (863), April, 91-92. [Insects].

1935 Early Butterflies at Witherslack. Entomologist. **68**, (865), June, 138.[Lepidoptera] [Insects].

1935 James Davis Ward, (1876-1935) : an obituary. North Western Naturalist. **10**, (1), 51-52.

1935 Notes on breeding *Eupoecilia affinitana*, Douglas. Entomologist. **68**, (870), November, 263-264. [Insects].

1935 *Peronea umbrana* at Witherslack. Entomologist. **68**, (862), March, 61.[Queries the fate of the J.B Hodgkinson and Threlfall Collections]. [Insects].

1935 *Peronea umbrana* Hb. : a correction. Entomologist. **68**, (866), July, 165-166. [Insects].

1936 Author : Frohawk, F.W. Second brood of *Erynnis tages* Entomologist. **69**, (876), May, 119. [Reference to A.E.Wright]. [Insects].

1936 *Bucculatrix maritima* Stt. 1st Brood. Entomologist. **69**, (873), February, 45-46.[Insects].

1936 Butterflies in North Lancashire, second brood *Erynnis tages*. Entomologist. **69**, (875), April, 94-95. [Lepidoptera]. [Insects].

1936 Notes and Exhibits, 6th November, 1935. Exhibited by Mr Britten on behalf of A.E.Wright various insecta, including Diptera, Hymenoptera etc not listed individually. Also *Metacrabro quadricinctus* F. with its prey *Calliphora erythroceph* Mg, captured at Grange. Man. Ent. Soc. 33rd Annual Rept and Trans for 1935. p38. [Insects].

1936 Pairing of *Volucella Bombylans*. Entomologist. **69**, (881), October, 242. [Insects].

1937 Author : Britten, H. Insects, Acari and Terrestrial Isopoda : additions and corrections to the Lancashire and Cheshire lists for 1936. (Numerous records submitted by Albert E. Wright.) Lancashire and Cheshire Fauna Committee. 23rd Annual Report and Report of the Recorders for 1936. 41-47.[Insects].

1937 Author : Mansbridge, William. Lepidoptera in 1935-1936. (Records submitted by R.C.Lowther and Albert E. Wright). Lancashire and Cheshire Fauna Committee. 23rd Annual Report and Report of the Recorders for 1936. 37-40. Buncle. [Location : Grange-over-Sands]. [Insects].

1938 Aberration of *Lycaena phlaeas* Entomologist. **71**, (897), February, 42. [Insects].

1938 *Argyroploce metallicana* (Hubn) in the English Lake District. Entomologist. **71**, (896), January, 7. [Insects].

1938 Natural habits of *Hydriomena* (Perizoma) *taeniata* (Steph) (Lep. Geometridae). Entomologist. **71**, (904), September, 198-200. [Lepidoptera] [Insects].

1938 Notes on breeding *Mnesipatris filicivora* (Meyrick). Entomologist. **71**, (901), June, 142-143. [Insects].

1939 Author : Britten, H. Insecta in 1937 and 1938. (Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 25th Report of the Recorders for 1938.49-62. Buncle. [Location : Grange-over-Sands]. [Insects].

1939 Author : Littlewood, Frank. Contribution to the life-history of *Perizoma taenata* (Step). Entomologist. **72**, (910), March, 49-59. [Includes references to J. B. Hodgkinson and Albert E. Wright]. [Insects].

1939 Author : Mansbridge, William. Lepidoptera in 1937.[Records submitted by Albert E. Wright). Lancashire and Cheshire Fauna Committee. 24th Annual Report and Report of the Recorders for 1937. Published July, 1937. 29-30. Buncle. [Location : Grange-over-Sands]. [Insects].

1939 Author : Mansbridge, William. Lepidoptera in 1938. [Records submitted by Albert E. Wright. Cark. Grange-over-Sands]. Lancashire and Cheshire Fauna Committee. 25th Annual Report and Reports of the Recorders for 1938. Published November, 1938. 38-40. Buncle. [Insects].

1950 Author, Birkett, N.L. Albert Edward Wright : an obituary. Entomologist. **83**, 167.

1950 Author : Britten, Harry. Insects and Acari in 1948-49. [Records submitted by H.Britten. Albert E. Wright and D.E. Kimmins. Grange-over-Sands. Coniston. Barrow]. Lancashire and Cheshire Fauna Committee. 29th Report and Reports of the Recorders for 1949. 93-107. Buncle. [Insects].

1950 Author : Mansbridge, W. Obituary : Albert Edward Wright. F.R.E.S. Ann. Rep. Proc. Lancs. Chesh. Ent. Soc. 1949/50. 41-42.

1950 Joint Author : Mansbridge, William. Lepidoptera 1949. (Records submitted by K.G.Boyd. R.C.Lowther. Albert E. Wright). Lancashire and Cheshire Fauna Committee. 29th Report and Report of the Recorders]. Lancashire and Cheshire Fauna Committee. 29th Report and Report of the Recorders for 1949. 81-92. Buncle.[Locations : Grange-over-Sands and Broughton in Furness]. [Insects].

1951 Author : Mansbridge, W. Food plant of *Phalonia luridana*. Entomologist. **84**, (1052), January, 24. [References to A.E.Wright and J.B.Hodgkinson]. [Insects] [Flora].

1952 Author : Birkett, N.L. *Ordontosia carmelita* in South Westmorland and North Lancashire. Entomologist. **85**, (1071), August, 190-191. [References to A.E.Wright]. [Insects].

1952 Author : Birkett, N.L. Some Microlepidoptera records from the North West. Ent. Rec. **64**, (3), March, 82-84. [Reference to A.E.Wright]. [Insects].

1952 Author : Kidd, L.N. The Albert E. Wright collection of Syrphidae (Dipt). Ent. mon.Mag. **88**, July, 153. [Insects].

1953 Author : Birkett, N.L. Albert Edward Wright, (1873 - 1950) : an obituary. North Western Naturalist. **1**, (n.s), (2), 300-301.

1953 Author : Michaelis, H.N. Microlepidoptera in Cheshire and South Lancashire. Ent. Rec. **65**, (3), March, 74-76. [Reference to *Blastobasis lignea* Wals and A,.E.Wright].

1953 Letter - a response to an article by J.H.Vine Hall. (**In :-** Bull. Amat. Ent. Soc. **10**, 44). Bull. amat Ent. Soc. **12**, (146), February, 13. [Includes :- The Grayling. The Wall Brown. The Meadow Brown and The Gatekeeper - for the latter a nil report].

1954 Author : Birkett, N.L.The present status of the Butterfly population of the Kendal District, Westmorland]. Ent. mon. Mag. **90**, December, 293-298. [Reference to A.E.Wright].

1954 Author : Lawson, A.K. Recording the Deaths of Dr Richard C. Lowther and Albert E. Wright. Lancashire and Cheshire Fauna Committee. 30th Report and Reports of the Recorders for 1950-1953. 4. Buncle.

1954 Author : Vine Hall, J.H. The British races of *Aricia agestis* Schiff. (Lep : Lycaenidae). Ent Gaz. **5**, (1), January, 3-8. [Reference to A.E.Wright].

1955 Author : Michaelis, H.N. Records of microlepidoptera from Lancashire and Cheshire. L & C Entomological Society. Session 1954-55. 55-69. [Reference to A.E Wright].

1956 Author : Birkett, Neville L. Abundance of *Erebia aethiops*. in South Westmorland. Ent. Rec. **68**, (3), March, 79. [Reference to A.E.Wright]. [Insects].

1956 The misuse of light-traps. Bull. Ama. Ent. Soc. **15**, (188), August, 91. [Insects].

1957 Additions to the County distribution tables of the British Hemiptera - Heteroptera. Ent. mon.Mag. **93**, March, 49-51. [Specimen : *Cyphostethus tristriatus* (F)]. [Location : Witherslack Wood]. [Reference to A.E.Wright]. [Insects].

1957 Author : Maggs, P. The value of the m.-v. Moth Trap. Bull. Amat. Ent. Soc. **16**, (194), February, 11. [A response to an article by A.E.Wright]. [insects].

1958 Author : Fearnehough, T.D. *Aricia agestis* Schiff. ab. Graafii. Hueli. Ent. Rec. **70**, (2), February, **56**. [Reference to A.E.Wright]. [Insects].

1958 Author : Jarvis, F.V.L. Biological notes on *Aricia agestis* (Schiff) in Britain, Part 1. Ent. Rec. **70**, (6), June, 141-148. [Reference to A.E.Wright p 143].[Brown Argus Butterfly]. [Lepidoptera]. [Insects].

1958 Author : Jefferson, T.W. The Brown Argus, butterfly, *Aricia agestis* Schiff., in Great Britain. Ent. Rec. **70**, (5), May, 117-122. [Reference to A.E.Wright].

1960 Author : Birkett, N.L. Some records of Lepidoptera from the North West, 1959. Ent. Rec. **72**, (3), March, 65-67. [Reference to A.E.Wright].

1962 Author : Johnson, Colin. The Scarabaeoid (Coleoptera) fauna of Lancashire and Cheshire and its apparent changes over the last 100 years. Entomologist. **95**, (1189), June, 153-165. [References to A.E.Wright]. [Insects].

1962 Author : Skidmore, P. Some recent additions to the Lancashire and Cheshire Diptera list. Ent. mon. Mag. **98**, September-December, 182-186. [Reference to A.E.Wright]. [Insects].

1963 Author : Skidmore, P. Some Muscid flies (Dipt) of Lancashire and Cheshire. Ent. mon. Mag. **99**, January-March, 9-19. [Reference to A.E.Wright]. [Diptera]. [Insects].

1964 Author : Askew, R.R. Chalcidoidea (Hymenoptera) in the Manchester Museum, Part 3. Entomologist. **97**, (1219), December, 265-271. [Numerous records for North Lancashire featuring A.E. Wright. Some records for Cumberland]. [Insects].

1965 Author : Crossley, Roy. *Eristalis abusivus* Collin (Diptera : Syrphidae) in Northern England. Entomologist. **98**, (1227), August, 174. [Reference to A. E. Wright]. [Insects].

1965 Author : Lees, E. Further observations on the voltinism of *Coenonympha pamphilus*. (L.), (Lep., Satyridae). Entomologist. **98**, (1221), February, 43-45. [References to A.E.Wright]. [Lepidoptera]. [Insects].

1966 Author : Jones, C.M. An interesting aberration of *Syrphus venustus* Meigen? Ann. Rept & Proc, Lancs & Cheshire Soc, Session 1965-66. 60-61.[Reference to A.E.Wright]. [Diptera] [Insects].

1967 Author : Crewdson, R.C.R. Presidential Address, 19th April, 1966. The distribution of the family Notodontidae (Lepidoptera) in Lancs & Cheshire. Ann. Rept Proc. Lancs & Cheshire Ent. Soc. Session 1966-67. [Reference to A.E.Wright]. [Insects].

1968 Author : Creaser, A. The Scoparia (Lep) as an identifiable group. Ann. Rept. Proc. Lancs & Cheshire Ent. Soc. 1967-1968. 54-63. [Reference to A.E.Wright]. [Lepidoptera] [Insects].

1974 Author : Chandler, Peter J. Additions and corrections to the British List of Platypezidea (Diptera), incorporating a revision of the Palaearctic species of Callomyia Meigen. Proc. Brit. Ent. Nat. Hist. Soc. **7**, (1), May, 1-32. [Reference to A.E.Wright and his record of *P. hirticeps* Verrall]. [Insects].

1975 Author : Birkett, N.L.Some notes on *Thera juniperata* (L.), (Lep. Geometridae) in North West England. Ent. Rec. **87**, (1), January, 21-22.[Lepidoptera] [Insects].

1976 Author : Miles,Herbert W. On the Sawflies of Cumbria. Natural History in Cumbria, 1975-76. 46-68. Assn. Cumbria. Nat. Hist. Soc. [Reference to A.E.Wright]. [Diptera] [Insects].

1978 Author : Birkett, N.L. Further observations of scale defects in Rhopalocera. Ent. mon. Mag. **114**, September-December, 223-225.[Reference to A.E.Wright].[Lepidoptera] [Insects].

1981 A.E.Wright's Collections of Diptera, Syrphidae, Hymenoptera and Lepidoptera. Locations : North Lancashire. Grange-over-Sands and Westmorland. For details see Hancock, E.G.& Pettitt,C.W. 1981. [Insects].

1986 Author : White, I.M. A new species of *Paroxyna loewiana* (Hendel) and notes on the nomenclature of other British Tephritidae (Diptera). Ent. mon. Mag. **122**, May-August, 145-163. [Reference to A.E.Wright]. [Insects].

1987 Author : Birkett, N.L. *Pseudatemelia josephinae* Toll. (Lep : Oecophoridae) in Cumbria. Ent. Rec. **99**, (9-10), September-October, 231-232. [Lepidoptera] [Insects].

1987 Author : Sumner : Darwen Annual Exhibition Meeting, 1986. Includes some specimens from the A.E.Wright Collection. [For full details see Sumner, D. (1987)]. [Insects].

1988 Author : Rimington, W.E. *Lysandra coridon* (Lep: Lycaenidae) in the North : The Bermuda Triangle? Ent. Rec.**100**, (3-4), March-April, 49-53. [Reference to A.E.Wright]. [Chalk-hill Blue Butterfly]. [Lepidoptera] [Insects].

1989 Author : Birkett, N.L. Another record of *Brachypalpus laphriformis* (Fallen) (Diptera : Syrphidae). Ent. Rec. **101**, (3-4), March-April, 59-60. [Reference to A.E.Wright]. [Insects].

1996 Author : Birkett, N.L. Some memories of an Old Corvus. **In:-** Underwood, Richard. Ed. The Raven Entomological and Natural History Society. 50 years, 1946-1996. Printed by the Society. [Reference to A.E. Wright]. [Biography].

1998 Author : Chandler, Peter J. Dipterists Day Events. Dipterists Digest. **5**, (1), 24-26. [Exhibit of Conopidae by D. Sumner, including some from A.E.Wrights Collection p 26]. [Insects].

1999 Author : Robinson, Neil A. First records of the Red Data Book "wall mason bee" *Osmia parietinia* Curtis in Cumbria for nearly, 50 years. BEWARS Newsletter. Spring, 3-4 [Reference to A.E.Wright]. [Hymenoptera] [Insects].

2002 Albert E. Wright. **In :-** Ratcliffe, D.A. Lakeland - the wildlife of Cumbria. Harper Collins. 000 711303 X. [Biography].

2002 Joint Authors : Sumner, Darwyn and Birkett, N. Old Lancashire (V.C.69) records of *Empis* (Platyptera) *borealis* Linnaeus, 1758 (Diptera, Empididae). Dipterists Digest. **9**, 1), June, 70. [Reference to A.E.Wright]. [Insects].

2003 Author : Robinson, Neil A. The Story of Meathop Moss. (Includes information about The Society for the Protection of Nature Reserves and its Local Chairman Albert. E.Wright - with Photograph). Cumbrian Wildlife. **66**, May, 15-20. [Biography].

2005 Author : Robinson, Neil. A. A list of the Bees, Wasps and Ants of Cumbria, records to the year 2005. BEWARS Newsletter. Autumn, 25-56. [Reference to A.E.Wright]. [Hymenoptera] [Insects].

WRIGHT, Bunty.

2010 Author : Haworth, Milton. Lets go spy a Kite. News & Star. 5th August, 7. [Features Iain Yoxall].

[Birds] [Raptors]. [Biography].
2010 Cumbria Life. Red Kites set to soar above the lakes. Cumbria Life. **141**. July, 21. [Features Iain Yoxall]. [Birds]. [Raptors] [Biography].
2011 Author : Crow, Vivienne. Scavenger of the sky. Cumbria. **61**, (5), August, 14-17. [Features Iain Yoxall - Ranger, Grizedale Forest. [Red Kite]. [Birds] [Raptors] [Biography].
2013 Keep an eye on red kites. Cumberland News. Life Supplement. 22nd February, 2013. Nature Watch. Cumbria Wildlife Trust. [Birds]. [Raptors].

YULL, Leonard L.
1973 Who's Who? The Economic Forestry Group. L.D.N.T, Newsletter. **21**, May, 32-34. [Biography]

YULLE, S.
1874 Woodcock breeding in Cumbria. Field. May, 9. [Birds].

……

APPENDIX 1.

CUMBERLAND GEOLOGICAL SOCIETY : PROCEEDINGS; A brief listing of papers 1990-2008.

ANON

1998 Dennis Wildridge : an Obituary. **6**, (2), 300.
1998 Walter Annis : an obituary. **6**, (2), 300.
2010 Cleator Moor Mines. Field Excursion. 20th May, 2009. **7,** (4) ,413-415.
2010 Cross Fell and the Pennine Escarpment. Field Excursion. 4th July, 2009. **7,** (4),,421-422.
2010 Ghyll Scar Quarry, Millom. Field excursion. 26th April, 2009. **7,** (4), 409-412.
2010 Glenridding landforms and landscapes Field Excursion. 21st September, 2008. **7,** (4), 409.
2010 Keltonfell top, Ennerdale. Field Excursion. 2nd July, 2008. **7**, (4), 406-408.
2010 Parkend Quarry, Caldbeck. Field Excursion. 14th May, 2008. **7**, (4), 403-405.
2010 Shapfell limestone quarry. Field Excursion. 7th, June, 2009. **7**, (4), 403-405.
2010 The geology of the Tilberthwaite Area. Field Excursion. 14th June, 2009. **7,** (4), 415-420.
2010 The Newlands Valley. Field Excursion. 26th April, 2008. **7**, (4), 401.

BELL, Andrew.

1996 The Windermere group between Troutbeck and Kendal. Field Excursion 8th October, 1994. **6**, (1), 80-81.
2008 Skiddaw group rocks in the Brampton inlier and the surrounding Borrowdale volcanoes. **7**, (3), 317-318.
2008 Tectonics and climate change in the Carboniferous of the Sedburgh District. **7**, (3), 326-327.

BENNETT, Margaret.

2000 John Frederick Norman Green (1875-1949) An eminent Amateur Geologist. **6**, (3), 395-397.

BOARDMAN, J.

1992 Quaternary landscape evolution in the Lake District : A discussion. **5**, (3), 285-315.

BOLAND, Martin.

1996 The Upper carboniferous of the Cockermouth area. Field Excursion.19th June, 1994. **6**, (1), 73-75.

BRADLEY, Steve.

2002 Rivers, landscapes and man : a system in equilibrium? **6**, (4), 614-616.

BRAMBLES, Geoff.

2010 The many uses of Shap Granite. **7**, (4), 365-370.

BRIDGE, Dave.

1998 Copper mines of the Lake District. **6**, (2), 284-286.
2004 Early mining in the Lake District. **7**, (1), 109-111.

BROWN, Stewart.

1994 North Sea Hydrocarbon plugs. **5**, (4), 501-502.

BURGESS, I. C.

1994 Joint Author : Mitchell, M. Origin of limestone pavements. **5**, (4), 405-412.
2002 The Carboniferous limestones of Yewbarrow and Beck Head. Field Excursion. 19th September, 2000. **6**, (4), 598-602.

CAMERON, A. D.

1992 Honister Crag and Yew Crag Slate Quarries. Field Excursion 16th September, 1990 and 21st April, 1991. **5**, (3) : 351-352.

CHADWICK, Andy.

1998 Deep geology and fault reactivation in Northern England. **6**, (2), 293-295.

CHAPLOW, Bob.

1996 The recent geological investigations around the Sellafield area. **6**, (1), 108-111.

CLARK, D.

1994 The challenge of the Lake District's big landforms. **5**, (4), 502-504.

CLARK, Richard.

1992 A possible late incursion of Scottish Ice into North Cumbria : a short communication. **5**, (3), 326-330.
1992 Glaciation of Low Furness : the problems of the Irish Sea re-advance. Joint Meeting with Farnham Geological Society. 8th June, 1991. **5**, (3), 355-358.
1992 The last glaciation in Cumbria. **5**, (3), 378-380.
1994 The Skiddaw Massif problem. **5**, (4), 437-448.
1998 Joint Author : Smith, R.A.The recent investigations into the Quaternary geology of West Cumbria. **6**, (2), 203-225.

1998 Thomas Hay, Lake District physiographer. **6**, (2), 171-182.
2002 The Solway region in the late Pleistocene. **6**, (4), 553-586.
2004 How old is the Lake District landscape? **7**, (1), 37-45.
2004 The distinctiveness of the Southern Lake District landscape. **7**, (1), 46-57.
2006 On identifying frontal positions of Lake District valley glaciers.**7**, (2), 162-176.

CLARKSON, Euan.

1996 Joint Author : Taylor, Cecilia. The graptolites of Dobb's Linn. Field Excursion. 24th April, 1994. **6**, (1), 67-68.

COCKERSOLE, Jim.

1994 Geological features involved in the planning and construction of the A66 Trunk Road between Cockermouth and Keswick. Field Excursion. 16th, June, 1993. **5**, (4), 496-498.

COOPER, A.H.

1994 Gypsum caves and subsidence in the Vale of Eden and North Yorkshire. **5**, (4), 507-508.

COOPER, M.

1992 Menerals of the Caldbeck Fells. **5**, (3), 384-385.

COURTMAN, Nigel.

2004 Coniston Copper Mines. **7**, (1), 103-105.

DAY, Alan.

1996 Shallow water deposits, flora and fauna in the lower Carboniferous of Ashfell and Asby Fell. **6**, (1), 99-101.

DEARLOVE, Jeremy.

2000 Geology and risk assessment - from old mines to new landfills. **6**, (3), 463-467.

DICKINS, Dennis.

1992 Joint Authors : Guion, P & Jones, N. Field Expedition.7th July, 1990. Coal measures of West Cumbria. **5**, (3), 344-348.
1996 Current thoughts on the development of the coal measures in Cumbria. **6**, (1), 112-114.
1998 Geology of the South Solway coast between Maryport and Dubmill point. Field Excursion.. 3rd, July, 1996. **6**, (2), 258-259.
2000 Henry Alleyne Nicholson, (1844-1899) : A renowned Cumbrian Polymath. **6**, (3), 349-352.
2002 Watch Hill and Elva Plain through the eyes of Tom Eastwood. Field Excursion. 8th, July, 2000. **6**, (4), 593-596.

DIGGLES, Alan.

1998 Geology of the Sedburgh Area. Field Excursion. 20th, July, 1996. **6**, (2), 271-272.

DODD, Mervyn.

1992 The Cleator Moor coal and hematite mines. Field Excursion. 17th, June, 1991. **5**, (3), 360-361.
1992 The Edgar Shackleton Collection : a note. (Includes Bibliography). **5**, (3), 395-397.
1992 The geology of Kelton Fell Top, Kirkland. Field Excursion..18th July, 1990. **5**, (3), 349-350.
1994 Kinniside Lead Mine, near Cleator Moor. Field Excursion. 7th, June, 1992. **5**, (4), 481-482.
1996 Cumbria RIGS Group. **6**, (1), 35-40.
1996 Geology from the cycleway. Field Excursion. **6**, (1), 87-89.
1996 The Skiddaw group above Loweswater. Field Excursion. 11th, May, 1994. **6**, (1), 69-70.
1998 Joint Author : Kelly, David. The carboniferous and permo-triassic of West Cumbria. Field Excursion. 25th-26th, October, 1997. **6**, (2), 273-275.
1998 Joint Author : Kelly, David. The West Cumbrian iron ore field. Field Excursion. 7th, June, 1992. **6**, (2), 266-269.
1998 Buttermere and Gosforth, two contrasting settlements. **6**, (2), 226-230.
1998 Joint Author : Livsey, David. Sandstones and fluvial features of the Lower Calder Valley. **6**, (2), 259-261.
2000 Alfred Harker (1859-1939): the 'founding father' of modern Petrology. **6**, (3), 381-383.
2000 Charles Edmonds (1885-1964) : A man of many parts. **6**, (3), 399-402.
2000 Joint Author : Lawton, Fred. Francis J. Monkhouse (1915-1975) : Lakeland Geographer. **6**, (3), 421-424.
2000 The Cockermouth lavas and other features around Isel. Field Excursion. 20th, June, 1998. **6**, (3), 433-434.
2000 Tom Eastwood (1888-1970) : An eminent survey geologist in Cumberland. **6**, (3), 403-405.
2002 In Charles Edmond's day : Longlands & Clints. Field Excursion. 19th, July, 2000. **6**, (4) : 596-597.

2002 The Iron ore mines of West Cumbria. **6**, (3), 457-460.
2004 Joint Authors : Smith, R.A. & Thompson, C.J. Review of **:-** Earth, water and fire, two hundred years of geological research in the English Lake District by David R.Oldroyd. Memoir **25**. The Geological Society of London. ISBN 1.86239.107.6.
2004 Mousegill Quarry,Wilton near Egremont. Field Excursion 14th, May, 2003. **7**, (1), 78-82.
2006 Joint Author : Forsdyke, Michael. Geology of the Kirkbeck Valley. Field Excursion. 6th, July, 2005. **7**, (2), 233-235.
2008 Joint Author : Powell, David. Isel Hall and Clints Crag, Blindcrake. Field Excursion. 1st, May, 2007.

FARROW, Della K.
2002 Joint Authors : Burnley, Martin G., Oxford, Stephen & Palmer, Adrian. A thermal contraction crack in bedrock at Braithwaite, Cumbria. **6**, (4), 485-496.

FOX, Margaret.
1998 Eskdale. **6**, (2), 231-233.
2000 Robert Harkness (1816-1878) : A geological pioneer in Northern England and Southern Scotland. **6**, (3), 333-340.
2002 Building and decorative stones in Whitehaven. **6**, (4), 505-510.

FREELAND, Anne.
2006 Joint Author : Beale, Susan. The Howk, Caldbeck. Field Excursion. 15th, September, 2004. **7**, (2), 211.

GRAHAM, David J.
2008 The formation and significance of a Moraine-mound Complex ("Hammocky moraine") of the Younger Dryas Age in Ennerdale, English Lake District. **7**, (3), 297-305.

GRAY, Iver.
1996 An introduction to the Silurian and Carboniferous rocks in the Langholm Area. **6**, (1), 70-72.
2004 Silurian and carboniferous Rocks of the Langholm area. Field Excursion. 26th,May,2002. **7**, (1), 62-66.

GRECH, David.
2004 Cumbrian rocks and vernacular architecture. **7**, (1), 115-116.

GUNNER, John.
1998 Turbidites and other rocks of the Windermere Supergroup. Field Excursion. 5th, May, 1997. **6**, (2), 264-265.
2008 Geology of the Hawkshead and Coniston area. Field Excursion. 19th, August, 2006. **7**, (3), 321-322.

HIGGS, Will.
1998 The dynamic landscape of Greenland. **6**, (2), 280-281. [Reference to Bowscale Tarn].

HUDDART, David.
1994 Controversial Irish Sea glacial models : some answers from the Cumbrian lowlands. Field Excursion.. **5**, (4), 476-480.
1994 Joint Author : Clark, R. Conflicting interpretations of glacial sediments and landforms in Cumbria. **5**, (4), 419-436.

HUGHES, David.
1998 The glacial deposits of the North of England : the engineers view. **6**, (2), 277-280.

HUGHES, R.
1992 Recent advances in the understanding of the Skiddaw Group. **5**, (3), 380-382.
1992 Skiddaw Group of Watch Hill and Sale Fell. Field Excursion.. Joint Meeting with Westmorland Geological Society. **5**, (3), 361-363.

JACKSON, D. E.
1992 Hydrocarbon exploration in the Manx Basin. **5**, (3), 382-383.

JACKSON, Dennis,
2006 Windows on a Geological Profession. **7**, (2), 243-244.

JOHNSON, Eric.
1994 The rise and fall of an Ordovician island arc. **5**, (4), 515-517.
1998 The Low Furness Ordovician inlier. Field Excursion. 27th, April, 1997. **6**, (2), 262-264.

JOHNSON, G.A.L.
1992 Dianantian carbonate cycles of West Cumbria. **5**, (3), 265-283.

JOHNSON, Richard.
2006 Raise Beck, Dunmail Rise. Field Excursion. 29th, June, 2005. **7**, (2), 231-233.

JONES, Neil S.

1994 Joint Author : Guion, Paul D. Westphalian sedimentology of the Whitehaven and Lowca area. Field Excursion. **5**, (4), 469-472.

KELLY, David.

1992 Geology of the area south of Torver. Field Excursion. 19th, May, 1991. **5**, (3), 353-355.

1994 The Borrowdale Volcanic Group of the upper Calder Valley. Field Excursion.. **5**, (4), 467-468.

1996 The Latterbarrow Sandstone. Field Excursion.. 5th, July,1995. **6**, (1), 91-93.

2000 Geology of the area around Floutern Tarn. **6**, (3), 443-447.

2000 John Bolton (1790-1873) : Pioneer geologist in the Furness Area. **6**, (3), 325-328.

2000 The RIGS site at Beck Wythop. Field Excursion. 15th, May, 1999. **6**, (3), 437-438.

2000 The St Bees Sandstone above Barrowmouth. Field Excursion. 1st, July, 1998. **6**, (3), 434-435.

2002 The Furness of John Bolton : Lindal, Plumpton, Gleaston and Stank. Field Excursion. 4th, June, 2000. **6**, (4), 588-591.

2004 Silurian rocks south of Torver. Field Excursion. 30th, June, 2002. **7**, (1), 70-71.

2004 The geology of the area around Netherton. Field Excursion..17th, April, 2002. **7**, (1), 58-59.

2006 Joint Author : Brown, John. The coal measures south of Whitehaven Harbour. Field Excursion. 19th, May, 2004. **7**, (2), 193-194.

2006 The Borrowdale volcanic group at water Crag, Wastwater. Field Excursion. 4th May, 2005. **7**, (2), 212.

2008 The case of the lady in the lake - the use of forensic geology. **7**, (3), 257-262.

2008 The upper Calder Valley. Field Excursion. 23rd May, 2007. **7**, (3), 323-326.

LAWTON, Fred.

1998 The RIGS site at Aughertree Fell. Field Excursion. 21st, May, 1997. **6**, (2), 265-266.

2006 The submerged forest on Allonby Beach. Field Excursion. 2nd, June, 2004. **7**, (2), 194-195.

LEVISTON, Derek.

1996 New exposures in the lower carboniferous along the Dalton-in-Furness by-pass. Field Excursion. 3rd, July, 1994. **6**, (1), 75-76.

2004 Quaternary deposits on the west side of the Furness Peninsular. Field Excursion 16th, June, 2002. **7**, (1), 66-70.

LIVESEY, David.

1998 The RIGS sites in Wasdale. Field Excursion. 2nd, July, 1997. **6**, (2), 269-270.

2000 Volcanic and igneous rocks in Wasdale. Field Excursion. 14th, July, 1999. **6**, (3), 442.

2004 The scenery of the Nannycatch Gorge. Field Excursion. 17th, July, 2002. **7**, (1), 71-72.

2004 Upper Wasdale. Field Excursion. 16th, June, 2003. **7**, (1), 83-84.

2006 Sale Fell : minette intrusion and Skiddaw Group. Field Excursion. 5th, May, 2004. **7**, (2), 192-193.

2008 Peel place sand and gravel pit & sandpit at Santon Bridge, Wasdale. Field Excursion. 21st, June, 2006. **7**, (3), 319.

LUNN, Angus.

1996 The glaciation of the Northern Pennines. **6**, (1), 120-124.

2000 John Goodchild (1844 -1906) and Frederick Trotter (1897-1968) : Pioneering workers on the glaciation of Cumbria. **6**, (3), 353-359.

MACCHI, L.

1994 Permo-triassic rocks of Cumbria. **5**, (4), 523-524.

1994 The permo-triassic rocks of the Eden Valley. Field Excursion with the Westmorland Geological Society. 25th, April, 1993. **5**, (4), 483-485.

MARCHANT, A. C.

1992 Metamorphic rocks of the Skiddaw Granite Aureole. Field Excursion.. 6th, June, 1990. **5**, (3), 341-343.

McCORMAC, Mike.

1996 Progress of survey mapping in West Cumbria : lowland glaciation and opencasts. **6**, (1), 136-138.

1998 Glacigenic features and coal measures, Mockerkin and Dean Moor. Field expedition. 29th, June, 1996. **6**, (2), 256-257.

MELLER, Nicola.

2000 The metamorphic history of the Borrowdale Volcanic Group, North West England. **6**, (3), 451-454.

MERRITT, John.

1996 Glacial sediments around St Bees. Field Excursion. 23rd, April, 1995. **6**, (1), 82-84.

MILLWARD, David (Dave).

1994 Lake District volcanism : caldera cycles and crustal extention. **5**, (4), 505-507.

2000 Joint Author : Soper, Jack. George Hoole Mitchell (1902-1976) : Pioneer mapper of the Borrowdale volcanic group. **6**, (3), 415-419.

MITCHELL, Murray.

1994 The building stones of Cartmel Priory. **5**, (4), 518-520.

2000 Edmund Johnston Garwood (1864-1949) : carboniferous biostratigrapher. **6**, (3), 385-388.

2000 The carboniferous limestone of Whitbarrow. Field Excursion. with Liverpool Geological Society. 26th, June, 1999. **6**, (3), 438-440.

2000 Threlkeld Mining Museum and Quarry. Field Excursion. 10th, July, 1999. **6**, (3), 440-442.

2010 Records of the use of Egglestone marble in Cumbria. **7** (4), 355-364.

MITCHELL, Wishart.

1996 Glacial landforms of the Mallerstang area of the Western Pennines. Field Excursion.18th, June, 1995. **6**, (1), 89-90.

1996 Quaternary landforms of upper Edenside. **6**, (1), 118-120.

MONRO, S. K.

1992 Permian rocks of the North Solway Basin. Field Excursion. 23rd, June, 1991. **5**, (3), 358-359.

MOORE, J. McM.

1996 Geological mapping and prospecting from space. **6**, (1), 126-130.

MOSELY, Frank.

1994 Borrowdale volcanic group rocks in the Lingmoor area of Langdale. Field Excursion.5th, June, 1993. **5**, (4), 493-495.

1994 Geological mapping and photogeology in the Lake District. **5**, (4), 520-522.

NEIL, Brian.

1996 The St. Bees sandstone at Hawcoat Quarry. Field Excursion. 3rd, July, 1994? **6**, (1), 77-79.

O'FARRELL, David.

1996 Geological aspects of the A66 Trunk Road improvement from Stainmore to Banks Gate. **6**, (1), 106-108.

OLDROYD, David.

2000 Adam Sedgwick (1785-1873) and lakeland geology : the first professional Lake District geologist. **6**, (3), 315-324.

2000 John Edward Marr (1857-1933) : the foremost Lake District geologist of his era. **6**, (3), 361-379.

PETTERSON, M. G.

1992 Nuclear waste disposal and Ordovician volcanics. **5**, (3), 387-389.

POWELL, David.

2004 Note on the Nethertown sea defences **7**, (1), 128-129.

2006 Chalk Beck Quarries, East Curthwaite. Field Excursion. 28th, April, 2004. **7**, (2), 190-191.

2010 Joint Author : Dodd, Mervyn. The Raasay Iron Mines. **7**, (4), 389-400.

RICHARDS, Hugh.

1994 Hot dry rock geothermal energy research. **5**, (4), 514-515.

RIGBY, Tony.

1998 Minerals of Cumbria and Northern Pennines : a brief collecting guide. **6**, (2), 295-297.

2000 Roughton Gill and Silver Gill mines. Field Excursion. 23rd May, 1998. **6**, (3), 430-432.

RILEY, Nick.

2000 From Laurussia with love…A tale of ancient cold wars. **6**, (3), 474-476.

ROBERTS, Dave.

2008 The Quaternary geology of the Isle of Man. Field Excursion. 30th /31st March and 1st/2nd, April, 2007. **7**, (3), 335-340.

ROBINSON, Eric.

1998 The pattern of English Building. **6**, (2), 297-298.

2000 Sydney Hollingworth (1899-1966) : an exemplary field geologist. **6**, (3), 407-413.

2002 Dry stone walls. **6**, (4), 611-612.

2004 A message from the Labyrinth, Trinity Gardens, Whitehaven. **7**, (1), 6-12.

2006 Obituary : J.G.(Joe) Capewell, 1917-2005. **7**, (2), 247-248. Includes bibliography.

RODGERS, John.

2008 Eycott Hill. Field Excursion 11th, July, 2007. **7**, (3), 329-330.

2008 The northern end of the Cross Fell inlier - a geological jigsaw. Field Excursion.. 8th, July, 2006. **7**, (3), 319-320.

ROWE, John.

1998 Did the West Cumbrian hematite deposits form during the break-up of the Pangean Supercontinent? **6**, (2), 164-170.

RUSHTON, Adrian.

2004 Skiddaw slates - fossils, facts and fallacies. **7**, (1), 116-120.

2006 Joint Author : Shepherd, Paul. Fossils collected during John Bolton's marathon search at Rosside. **7**, (2), 154-161.

2006 Multum ex parvo : Graptolites from Threlkeld Quarry and their implications. **7**, (2), 146-153.

2006 Skiddaw group geology. Field Excursion. 11th/12th June, 2005. **7**, (2), 230-231.

SHIPP, Tom.

1992 A geologist at large in the Falklands Islands. **5**, (3), 367-376.

1992 Edgar Howard Shackleton, F.G.S : An appreciation. **5**, (3), 392-395.

1992 Geology of the Lowther Valley, south of Penrith. **5**, (3), 364-366.

1998 Limestone features of the Eastern fringe of the Lake District. **6**, (2), 255-256.

1998 Rocks and glaciers in Arctic Norway. **6**, (2), 291-293.

2000 Edgar Howard Shackleton (1903-1991) : Founder and President of the C.G.S. **6**, (3), 425-427.

SKIPSEY, E.

1992 RIGS in Cumbria. (Regionally Important Geological/Geomorphological site). **5**, (3), 390-391.

1992 Rocks of the Armathwaite district. Joint Field expedition with O.U.G.S. 14th, July, 1990. **5**, (3), 347-348.

1994 Geology in the churchyard. **5**, (4), 457-461.

1994 The conservation of limestone pavements. **5**, (4), 413-417.

1994 The last 200 million years in Cumbria. **5**, (4), 449-454.

1994 Upper Teesdale. Field Excursion. 20th, June, 1992. **5**, (4), 473-475.

1996 A review of **:-** The structure and evolution of the Northumberland-Solway basin and adjacent areas : a new BGS memoir. Authors : Chadwick, R.A., Holliday, D.W., Holloway, S and Hulbert,A.G. A.G. HMSO. 0.11.884501.2. **6**, (1), 41-46.

1996 Geology in the Vale of Eden and adjacent areas. Field Excursion. 15th - 17th July, 1995. **6**, (1), 94-98.

1998 A Field-guide to the Penrith sandstone in the Northern part of the Vale of Eden. **6**, (2), 149-163.

1998 The lower Carboniferous in the Shap district. Field Excursion.12th, July, 1997. **6**, (2), 270-271.

2002 The building stones of Penrith and District. **6**, (4), 511-524.

SMITH, R. Alan.

1992 Borrowdale volcanic rocks of the Seathweaite area. Field Excursion. 23rd June, 1990. Joint Meeting with Westmorland Geological Society. **5**, (3) : 342-343.

1992 Sedimentation in Cumbrian Lakes. **5** (3) : 376-377.

1996 Alluvial fans in the Buttermere-Crummock WaterValley : Cumbria. **6** (1) : 47-62.

1998 Geology of the Scawgill-Spout Force Area. Field Excursion.. 1st, May, 1996. **6**, (2), 254-255.

1998 Joint Author : Smith, K. The building stones of Keswick. **6**, (2), 233-252.

2000 A tale of two volcanoes : Mount St Helens and Kilauae. **6**, (4) : 606-608.

2000 Hilton and Scordale Beck. Field Excursion. 12th July, 1998. Joint Meeting with Leeds Geological Assn. **6**, (3), 436-437.

2000 James Clifton Ward. **6** (3) : 341-347.

2000 John Ruthven (1793-1868), Geological map making and fossil collector. **6** (3), 329-331.

2000 Jonathan Otley (1766-1856). Father of Lakeland Geology. **6** (3), 309-313.

2002 Borrowdale volcanic group rocks in Cat Gill - in the footsteps of James Clifton Ward. Excursion Report. 10th, May, 2000. **6**, (4) : 587-588.

2002 Joint Author : Clark, Dick. Thomas Hay - Glenridding. Field Excursion. 24th June, 2000. **6**, (4) : 591-593.

2002 The Bowder Stone, Grange in Borrowdale, Cumbria. **6**, (4), 525-539.

2002 The ice age in Lakeland. **6**, (4), 620-622.

2004 The geology of Dodd Wood. Excursion. 8th May, 2002. **7**, (1), 73-78.

2004 The Lower Borrowdale volcanic group succession of Falcon Crag and Brown Knotts, Derwentwater. Field Excursion : 27th, April, 2003.**7,** (1) : 73-78.

2006 Fossil Hunt at White Horse, Broad End, Skiddaw Massif. Field excursion. 1st, June, 2005. **7**, (2), 213-228.
2006 Geology of the Northern part of High Rigg. Field Excursion. 24th, August, 2005. **7,** (2), 237-238.
2006 Iapetus - the otherside. **7**, (2), 244-245.
2006 Recent storm damage on Cat Bells, near Keswick. G.G.S. Newsletter 5-7.
2006 The Borrowdale volcanics of Upper Wasdale and Illgill Head. Field excursion. 3rd July, 2004. **7** (2), 207-210.
2008 Dash Beck-rocks, landforms and recent landform change. Field excursion 3rd May, 2006. **7,** (3), 315-316.
2008 Joint Author : Smith, Alan. Skiddaw group structure and fossils, intrusions and landforms on the Ullock Pike and Sandbell Gill. Field Excursion. 24th, June, 2007. **7**, (3), 327-329.
2008 The Jaws of Borrowdale. Field Excursion. 22nd, August, 2007. **7**, (3) : 330-334.
2010 Dr Richard Peter Kelvin Clark. 1927-2009. **7**, (4), 381-288. With bibliography.
2010 Obituary - Frank Moseley. **7**, (4) : 423-424.

STEELE, David.

2008 Joint Author : Smith, Alan. Some cone-in-cone nodules in the Skiddaw Group. **7**, (3), 307-313.
2008 Joint Author : Yardley, Bruce. The origin of the musical stones of Skiddaw. **7**, (3) : 285-295

STONE, Phil.

1998 Traces of Iapetus - the disappearing Ocean. **6**, (2), 281-284.

SUDDABY, Judy.

2006 North Pennines Carboniferous at Hallbankgate and the Great Whin Sill quarry at Mudgeholme. Field Excursion. , 4th June, 2005. **7**, (2), 229-230.
2008 Calebreck and the Caldbeck Fells. Field Excursion. 26th, July, 2006. **7**, (3), 320.

SUTHREN, R. J.

1994 Volcanoes ancient and modern - the Borrowdale volcanics in context. **5**, (4), 511-514.

SWIFT, Darrel A.

1998 Origin and significance of a Late Devensian meltwater channel system near Aughertree Fell, Northern Cumbria. **6**, (2), 183-201.

TAYLOR, Gordon.

2004 Permian brockrams and sandstones in the Eden Valley. **7**, (1), 82-83.

THOMPSON, C. J.

1992 Sellafield geological investigation : a deepsite investigation for a potential radioactive waste repository. **5**, (3), 317-325.
2000 Geophysical logging techniques, a geological perspective with examples from West Cumbria. **6**, (3), 461-463.
2000 Thomas Hay (1873 - 1937) : Lake District Physiographer. **6**, (3), 389-394.

THURLOW, Andrew.

1994 The seventh limestone at Frizington Parks Quarry. Field Excursion. 12th, May, 1993. **5**, (4), 490-492.
1996 Carbonate-clastic interactions in a dinantian shallow-water setting : a study in the deposition of the white limestone member in north west Cumbria. **6**, (1) : 5-34.
1996 Sediment variation in the fifth to white Limestones of West Cumbria. Field Excursion. 9th, April. 1994. **6**, (1), 63-67.

VINCENT, Peter.

1996 Palaeokarsts, pits and problems. **6**, (1), 134-136.

VYE, Charlotte.

2006 Joint Author Clarke, Stu. The Namurian rocks and mrineralisation around Alston. Field Excursion.. 5th, June, 2004. **7**, (2), 195-198.

WARBURTON, Jeff.

2000 Evolution of mountain summits in the Northern Lake District. Field Excursion. 25th, April, 1998. **6**, (3), 429-430.
2000 Geomorphology in the last Millenium : a Northern England perspective. **6**, (3), 467-471.
2008 Joint Authors : Milledge, David and Johnson, Richard. Assessment of shallow landslide activity following the January 2005 storm. Northern Cumbria. **7**, (3),263-283.
